## Message From the President

Greetings to all. Things are really starting to get busy with activities and especially with car show planning. Speaking of the car show, Ron D and Jim C have been doing a great job with everything that goes along with an event of this size. Cash and prizes are coming in through the efforts of some of our club members. We still need more gifts and cash for the show. If we had 100% participation from the club, this could be a fantastic event. Please contact Ron D or Jim Cooper to get involved. See you all on April 3 and at the car show on April 14<sup>th</sup>.

Best regards, the Prez

# General Meeting Minutes, March 6, 2007

1. Greg opened our March General Meeting at 7:08pm, the quorum was met. He read his ever popular favorite jokes of the night – and well..... most of them were good!! ☺
2. As referenced above, we all need to enjoy a good laugh – often! Two heartfelt pieces of news; 1) Cindy Costello (I believe it's Cindy) just underwent cancer surgery. Anyone with an update, please let us know. And; 2) For those of you who know TC McNett, he lost his sister last week to breast cancer.
3. Geno announced Selman's special offers to Corvette Super Sports for the month of March!! More to come! Look for an upcoming list.

The CSS Newsletter was issued via email (Now that's a lot of work, entering everyone's email address!) In as much as the Newsletter was great, we are still in the learning stages – what should remain on the letter, what may be eliminated? Suggestions and/or comments are welcome – please forward them to Kathy. It was mentioned that some emails were returned for incorrect email addresses. **PLEASE** be sure your email is correct on the Roster.
  - a. **NOTE:** For those who do not have email access or wish to continue receiving a US Mail copy, please notify Kathy Baddley. Did you notice how much fun stuff we have listed on this Newsletter?
10. Greg shared our adventure last month for the Board of Directors meeting. It was a huge success (22 people!). In our continuing effort to improve the news letter content and format we will be making the following changes over the next two months. First we will only be showing the calendar of events, birthdays, anniversaries and flyers for the next two months. NCCC point standings will be included quarterly. A link will also be provided to the web page where additional month's information can be found. In addition, the adobe file used in the email version and the web site will be reduced in size to allow for easier downloads and it won't take up as much space in your mailbox. We still look forward to your experiences etc in the form of articles which can be shared with the rest of the club. Please submit your suggestions and article content at [mbaddley@earthlink.net](mailto:mbaddley@earthlink.net). We look forward to hearing from you.

### **NCCC West Coast Regional Membership Director (RMD) Report**

To get the new folks up to speed, your regional elected officers, Allen Morris, Regional Executive, Les Rajczi, Regional Competition Director and Cliff Harris, Regional Membership Director go to St. Louis, MO for meetings four times a year. These meetings are held in February, May, September and November. There are also meetings before the start of the NCCC Convention, wherever it might be. On Friday night we have our individual meetings and on Saturday afternoon the national governors meeting. We just returned from the February meetings. As usual, I made notes and I am now reporting to you what I wrote down. This appears in no particular order, it's just as I wrote it. At the Membership meeting on Friday night we have NCCC officers dropping in to tell us things. They show up whenever they get around to us and whenever they want, so their reports get mixed in with the rest of my notes.

Due to cost cutting and various other reasons, NCCC had a surplus of approximately \$33,000 for 2006. Eckler's has changed the way they calculate the rebate check that NCCC gets when a person ordering from them lets them know that they are a NCCC member. The latest rebate check from Eckler's was very small. It is divided up among the regions based on the size of the region. The calculated amount this time averaged out to be about \$2.00 per region, so the NCCC treasurer decided that it wasn't worth the effort to write and track checks for such a small amount. The feeling is that this rebate program will go away in the near future.

Blue Bars magazine has been delayed recently because of editor Sylvia Hoaldridge's chemotherapy. The Convention issue is out and somebody just got theirs last week, so there might still be some out there yet to be delivered. The mailing process takes 10 to 14 days from Kennedy Printing for 12,000 copies. There can also be delays at the post office, so time of delivery varies a lot. The Winter issue is at the printers now and will start going out about March 28th. The deadline for articles for the Spring issue is March 1st. There were some things that got left out of the Convention issue (like the low speed autocross results) due to chemo-induced fog. The top 15 ladies and mens competition results will be reported in the Summer issue. The back cover, which typically shows a group photo of a Corvette club, is booked through the Winter 2008 issue. If you want to contact the Blue Bars editor, her email is now: <mailto:pinkvett@dot11net.net>

Business Manager Hal Bellamy said there was nothing serious to report. He said the K&K Insurance packets would be going out to the governors soon. If you have any questions related to the NCCC insurance, go see Hal. His contact information is in Blue Bars and on the main NCCC web site.

VP of Membership Bob Bowen said the 2007 renewals were the worst he's ever dealt with. He started in the middle of November and didn't finish until early February. That's just renewals. New members and late members were handled after that, so there can be a long delay between when an application is submitted and when the new membership packet is finally sent out. He dates all the renewal envelopes as he receives them and puts them in a box. The newest ones go in the back and he takes them in the order they were received.

The great lapel pin controversy is still up in the air at this time. The Membership Committee voted to reinstate lapel pins for everybody and to do away with the pocket calendar because it was determined that a lot of people want the pins but only a few want the calendar. This decision was later challenged and withdrawn, so we don't yet know what will happen. The pins and calendars were eliminated for spouses for 2007 because the Membership Committee was tasked with reducing costs and this was what was decided on as a solution. Several complaints about "missing pins" were received. Some areas had many more complaints than others, so the subject was revisited. Stay tuned...

It is very important to update members' addresses as they happen, not at the end of the year when Bob is trying to get through renewals. It seems that people don't realize that they aren't getting Blue Bars magazine, but we find out they moved when their membership packet bounces back to the NCCC Distribution Center. You do not have to fill out an application form to do an address change. Just send me an email with the member's name and new address. Save a tree. Save a stamp. Save some time. NCCC is moving into the 21st century, one small step at a time.

The NCCC bylaws are being revised and they will be posted on the main NCCC web site. They will probably eliminate the requirement for a record player in the hospitality room at the national meetings so that people can dance... The 2008 Competition Code will also be available on the main NCCC web site. The format will probably change to 8-1/2 x 11" for the electronic version. There is debate currently going on as to whether or not to keep the printed version at its current size. One argument is that many people have the NCCC binders for the smaller size.

My next note says, "Anne Carkner -- 1 pin". I couldn't figure out what that meant for a while. Then I remembered that I suggested to my club that the people who did not want the NCCC lapel pin or calendar should bring them to a club meeting and they would be passed on to those who did want them. Anne asked me to give her a pin if I had any extras.

The NCCC scholarship applications are due on May 1st. The scholarships are \$1000 and there is an application form on the main NCCC web site. The requirements are pretty tough, but the money is available to deserving students.

The Charity Committee gave a check to NCCC's charity, the National Kidney Foundation, for \$79,000. Note that the Charity budget is completely separate from the NCCC budget and no money from member's dues was involved in this donation.

The 2007 NCCC Convention will be in Nashville, TN the week of June 17th. Rooms are going fast and you should make a reservation as soon as possible if you are planning on attending. Allen Morris has organized a caravan to the Convention. Contact Allen if you are interested in joining the caravan.

That's all for now. See ya,

Cliff Harris

### Corvette Racing Unveils Ron Fellows Special Edition in Sebring 12-Hour Race

One of Corvette Racing's familiar yellow C6.Rs will have an all-new look when the green flag falls to start the Mobil 1 Twelve Hours of Sebring today. The crew of the No. 3 Compuware Corvette has transformed their race car from Velocity Yellow to Arctic White. The new look salutes the limited edition Ron Fellows ALMS GT1 Champion Corvette Z06 that was unveiled at the Chicago Auto Show in February.

Fellows will share the glistening white machine with teammates Johnny O'Connell and Jan Magnussen in the classic 12-hour endurance race. It's the first time since the 2003 24 Hours of Le Mans that a factory Corvette has raced without its trademark yellow livery.

## *GEORGOUS WEKEND IN LAUGHLIN AT "THE GAMBLER'S CLASSIC"*

Corvettes of Bakersfield hosted an excellent event in Laughlin. The CSS members had a great time. Amazingly there were over **500 Corvettes** in the parking lot!!!

The CSS caravan started with an estimated 12 cars led by a beautiful Z06 that has an amazing paint job. Yes you guessed it; their first time out won a trophy.... Well our fearless caravan leader, who shall go nameless, thought the road to Laughlin was a race track. We exceeded 100 mph on several occasions, which got the adrenalin flowing quite rapidly. Oh, by the way we lost a few cars on the way. I guess that goes with the territory!!

The CHP asked who that unidentified mask man was driving that Corvette without a license plate. Of course, nobody claimed to have any knowledge. We crossed into Arizona and yep, you guessed it the speed picked as the unidentified Corvette owner poured on the coal. I must say it was an invigorating. I am not sure if Billy made it to Laughlin yet, but he is on his way !!!!!

We all enjoyed the 95 mile rally through the countryside. The mountains and hills were great. Some of the group took a detour through Oatman, the "Ass Capital" of the world. Everyone had a chance to feed there favorite Ass and watch a real western gun fight in the middle of town. Of course the stop was not without a spending spree. Karen had to have another purse; I think this was number 3 for the trip!!!! Not sure why she needed so many purses – it's not like she won any money in Laughlin to put in them!! If you have not been to Oatman, make it a point to visit. Oatman has the cutest asses this side of Laughlin!!!

Before your next trip to Vegas, Laughlin or Atlantic City, be sure to rub against Robyne (Lucky Lady). The Lucky Lady not only won ***BIG*** at the slots, but won so many raffle prizes that Larry had to rent an U-Haul to get everything home.

We were all hoping we had the winning 50/50 ticket. It was worth \$2600.00. The raffle prizes were excellent and in great abundance, just ask Robyne.

The height of the event was seeing the 500 Corvettes in the parking lot. We also included a little house hunting excursion for one of our members. I am sure they will tell you all about it! We visited the Route 66 Museum in Kingman, then had a nice ride home to end a terrific weekend with a group of terrific people. FUN, FUN, FUN.
