CSS will meet at Krispy Crème's at the Block of Orange at 11:30. Please bring a gift card, such as a Phone Card for these Marines so that they can call home while overseas. Toys for the kids are a different event. Donations for the adult Marines are always welcome. WE HOPE for a great Turn Out. YOU WILL NEED YOUR CAR REGISTRATION, ID AND DRIVER'S LICENSE AT THE GATE. Racers Pit

Like Father – Like Son

I was feeling both elated and a bit sorry for myself after winning a trophy at the Santa Maria Corvette Club's October 21st Autocross race. I was elated because I won second place in the Novice division of 8 drivers. I was feeling a bit sorry for myself because the guy who won the first place trophy was my 28 year old son, Tim. I have rationalized it in my mind though by saying that he is younger and has faster reflexes. Also, he is carrying less ballast and I suppose he had "No Fear" since he would not have to pay for any damages. But still I was feeling a bit down about it until Jerry Klaisner, from Hot Corvette Nights in Las Vegas called me recently to console me. Jerry had been at the same race in Santa Maria, and was the first to shake my hand when my son got the first place trophy.

It turns out that Jerry was so impressed by me inviting my son to share the Autocross experience that he decided to do the same thing at a recent Autocross in the Las Vegas area. Jerry called to tell me that I should not fee down about my son beating me at Santa Maria. At least, he said, I did get second place. His son not only beat him but so did every one else at the Autocross in Vegas and his son got the first place trophy but Jerry did not even place.

So, us old farts, can commiserate together. In retrospect though, I have all of these great memories and my new love for Autocrossing because of Joe Orrico. If it were not for Joe helping me get started, I don't think I would have ever done it. I never really understood until my first Autocross what Cindy Orrico meant when she said that there are Waxers and there are Racers. I am one of the latter. Thanks to Joe and Cindy!

CHRISTMAS WITH THE MARINES

On Sunday December 9Th the Corvette Community invaded Camp Pendleton to spend the day with the young men and women who put their lives on the line for us.

It was a terrific day for all who attended. We started out from the BLOCK OF ORANGE and took a fun run through the Santiago Canyon led by, yes you guessed it, our fearless leader in his new VICTORY RED CORVETTE. Yep even though it is a daily rental he actually put some miles on this Baby!!! Hope he didn't incur a mileage charge!!!! It was a great ride.

The Men's Ministry of the Cypress Church had a Holiday Turkey dinner with all the trimmings for the Marines, They were in awe looking at the Cars and actually sitting in them. The 65 Corvettes made quite a spectacle.

The traveling Chef's (Cindy & Joe) arrived with trailer in tow. They cooked and served hot dogs for anyone with a \$5,00 donation. Between Joe & Cindy and Jim & Elaine who added the monies collected at the CSS Christmas Party over \$500.00 was contributed for the Marines Christmas Gift Cards.

There was a total contribution of \$2310.00 made on behalf of the Southern California Corvette attendees.

After the event ended CSS Members converged on a quaint Italian Restaurant in San Juan Capistrano and had a great time in our private room arranged by Art & Marge Huhta.

Great fun, great food and great people brought a happy ending to this wonderful day.

Have a wonderful day!

Ron DeBartolomeis

TURKEY BOWL

It was nice to see everyone who came out to bowl with us on November 10th. And we were glad to have those who participated in the La Palma parade come by and cheer us on. Everyone had fun bowling for their Thanksgiving dinner with a little cash on the side.

After bowling we all went to a Mexican food restaurant where all the turkeys, trimmings and cash were handed out. The Turkeys went to the high scoring lady, non other than Donna Stewart and the high scoring man was our very own Larry Camp and the bowler with the lowest score was Cathy, Larry & Robyn's daughter.

Bowling wasn't the only game of the day, there was "Who could flip the kiss the highest and have it land in a glass." And also "How high can we stack cans and sugar before they fall." I think Karen DeBartolomis won both of these with Geoff Girvin coming in a close second.

We all had a good time and we hope everyone will come out and bowl with us in February for our "special" Valentines Bowling.

Thank you to everyone who came out.

Donna, Linda and Vicki

Thanks to the support of enthusiasts like you, the National Corvette Museum is a place to experience the Corvette and its passion, performance and preservation.

A tax deductible donation to the Museum will help us continue our mission of celebrating, educating, and preserving Corvette's past, present and future heritage.

We have numerous project needs such as completing our concrete flooring for the storage building and insulating the Museum's front interior. Other improvements include adding an interactive customer kiosk and upgrades to our theater's sound system to enhance the visitor experience. Please consider a tax deductible gift for these Museum projects or a gift to support our Building Campaign effort. Your gift can be made online at <https://store.corvettemuseum.com/services/donations.asp> or by calling us at (800) 53-VETTE.

Our plans for the 47,000 square foot building expansion and renovation of a portion of the existing structure will significantly impact our ability to serve and educate our visitors -- library/archives, additional exhibit space, conference center, café, and additional parking.

We hope you can join us for the ground breaking April 2008 at the C5/C6 Bash. Completion is scheduled in time for the 4th National Corvette Caravan in celebration of the Museum's 15th Anniversary in 2009.

Gifts of \$100 or more will receive a commemorative lapel pin designed by C6 Exterior Design Manager, Kirk Bennion. The pin is not for sale and only available to supporters of our 2007 Annual Giving Campaign.
