Presidents Messages - July

Hello to all,

Wow, what a month we just finished. We had everything from Car Shows to San Diego to the Big Bear Bash and in particular the now famous "Bash Before the Bash." A special thanks to the Girvin's and the Jones' for the organization and planning of each event.

It's August already and you all know what happens in August, on the 16th to be exact. Corvette Super Sports annual Car Show is on that day. I hope that all of your calendars are marked and that you have or are going to register soon. Remember that your small entry fee for the show gets you a preferred parking space at the Elk's Lodge and quite possibly a trophy for cleaning efforts.

As always, we need prizes and gifts for the raffles. Please do what you can to supply a gift or money for this event. After all, the profits from our show support our charities.

Check out the Club's event calendar and be involved with club activities.

See you all soon. The Prez

President's Message - August

Howdy to all for the month August. It's hard to believe that the summer of 08 is almost over. We sure had some great activities this year including our 7th annual car show that we had on August 16th.

The show was a success with over 116 cars participating for trophies and awards. This complete success could not have happened if it were not for all our involved members who worked so hard planning, gathering gifts, cleaning, cooking, parking cars, stuffing the goody bags, registering our guests, and selling raffle tickets. A special thanks goes out to all of you for a job well done.

Even though summer is almost over, there are several great events coming up in the next few months. Stay involved, watch the website and join in with your other club members for some good times.

See U soon,

The Prez

The show was a success with over 116 cars participating for trophies and awards. This is the largest attendance at this prestigious event. This complete success could not have happened if it were not for all our involved members who worked so hard planning, gathering gifts, cleaning, cooking, parking cars, stuffing the goody bags, registering our guests, and selling raffle tickets. A special thanks goes out to all of you for a job well done. Special thanks also goes to Surf City Garage and Miller Construction and all of our other gracious contributors.

Big Bear Bash Autocross – 2008

Autocross – let's see....what can I say about this year.... I BEAT JOE'S LAP TIME!!! Ok, I'm calm.....

We had beautiful weather, some clouds, some sun, 4 drops of rain. There were about 75 cars signed up to run, including many members from CSS: Joe, myself, Ed Norris, Bud & Dawnette Norris, Geoff Girvin, Mark and Cindy Costello, along with others that 'wanted' to run. And of course many welcomed CSS supporters, for whom we truly appreciate coming out to support us and for us to entertain them. That would be particularly Joe, on his 3rd run, when he made a fancy twirl outside of the cones!! But there was still enough rubber on the tires for me to run and I BEAT JOE'S LAP TIME!!

Bud and Dawnette's car was having an oil splashing problem, so Bud thought he was in the clear for Dawnette to beat his lap time, but Ed came through and Dawnette drove Ed & Linda's C5 – she had no problems at all – she took home 1st Place in her group! She ran a 65.4! She was flyin..... Congrats Dawnette!! In fact, Bud took home 1st Place in his class.

It was announced prior to the start of our course runs, that Mr. Ed Norris was warned to “Please leave the Timing Lights untouched!” Reason why? Ed ran them over at last years autocross!! Ed did a superb job this year, cinching 1st Place! It was for sure a “Norris” weekend!!

Geoff Girvin, If you could have been in Santa Maria on his first Autocross and seen the ‘glazed’ look on his face as he wanted to wear his helmet as they drove all the way home..... he still has that “Hooked On Autocross” look on his face! Fun? Oh, Yeah! His energy is so high, he’s a blast to watch!!

Then there’s the man who justifies permanent ownership of the old CSS “Spin Out Award”. Yep, that trophy would be in my house! Joe isn’t used to running on street tires, so on his 3rd run, around he went..... did anyone count how many times around???

Ah..... then... “The Fun Runs”!!!! Since I was all ready in the car, strapped in the 5 point harness, I encouraged Ginger to go with me and Jennifer was all set to go too! I got to take Ginger first. Her squealing was about as high as the tires on the car as we went around the sweeper! It was Ginger’s first time, so I made her sit on her hands as to not to worry about her grabbing the parking brake!! She was calmer than I expected – she talked through the drive – and even went twice with me!!! Then there was Jennifer. Let’s see... today is Tuesday, she went on the autocross with me on Saturday, so her helmet should be delivered next week sometime. No fear for Jennifer – her first words were “You can go as fast as you want!” By the end of the 65 seconds, she was asking where she could buy a helmet!!! Oh, and by the way, did I mention that on my lap with Jennifer, that I..... I BEAT JOE’S LAP TIME!!! So the skirt was justified for real at the 2008 Big Bear Bash!!! I’ll be taking more volunteers!!
