Message From the President

Greetings to all,

With good weather and daylight savings time on more and more activities are going on in the Club.

On Sunday, March 16, 19 cars and 31 CSS members headed out from Fullerton to the Ronald Reagan Museum in Simi Valley. We had a great drive and arrived at the museum where we all had special parking. Ron DeBartolomeis arranged to have a guided tour of the museum followed by a catered lunch. What are great venue and time we all had. A big thank you goes out to Ron for setting the event up.

By the time the newsletter hits the website it will be right before our second run down to Camp Pendleton to show our support for them. We will be leaving on Sunday, March 30 for a day of fun, food and games with the troops. If you are doing anything on the 30th, come join us.

Our club events for April are posted on the website and in the meeting minutes.

Our Club is what all of you make it. The more involved you are the more you get out it.....

See you soon,
The Prez

Old Business:

Spring Mountain (Pahrump) – Joe & Cindy Orrico, Ed & Linda Norris, Bud & Dawnette Norris, Mike & Kathy Baddley, Rick & Lynn Miller, Larry & Robyne Camp, David & Ilona Alciatore and other racers/spectators went out to Pahrump (sorry to those who went but are not mentioned-I didn't know who all went). Cindy was so excited to see Ron Fellows she was jumping up and down and could barely contain herself. She also took the 'class' and she states she could not see much difference between C5-Z06 and the C6-Z06. After driving a bit, Joe was having a bit of an issue with the Hans Device or was it the snug driving suit? Well, he has decided he needs to get a new driver's suit. Also, the Orrico's need to get new helmets so they can retire the one Ron Fellows signed. Then you have the Baddley's and Norris' who were able to take a helicopter ride to view the track and surrounding areas (Ed without a gurney, good thing). Also, they buzzed the pits doing about 150 miles an hour at 50 feet off the ground. Lastly, Mike Baddley beat Joe Orrico's time but broke down☹.

Benefit Dinner for Easter with the Marines – Cypress Church Patriots Ministry greatly appreciates the support from CSS.

Banquet at Miller Construction/Surf City Garage – The Board has suggested that all who attended the banquet should send a personal 'thank you' to Tim and Pattie Miller – 5872 Engineer Drive, Huntington Beach, CA 92649.

Big THANK YOU to Cindy Orrico for organizing a successful banquet.

Greg announced that Geoff Girvin will be CSS' Social Director – He will submit articles of CSS events to the local paper to show off what CSS is about and who we support.

Racers Corner

Corvette Europe First win of the season!

From Corvettemotorsport.com:

Corvette has started off the new season in style by winning the second round of the FFSA French GT series in Nogaro on Monday. The newly formed partnership between PSI and DKR Engineering saw a great performance in the rain and great pit work to come out on top and ahead of the ultra competitive Saleens in what was horrible race conditions (click link for rest of the story) <http://www.corvettemotorsport.com/news/FFSAwin.htm>

Charley Robertson, WO 640, Marianna, FL

Monthly Recipe

Cheesy Potatoes

- 5 lb. bag of red potatoes, cooked & cubed (unpeeled)
- 1-2 lbs. bacon, cooked & crumbled
- 4 cups (1 lb) cheddar cheese, cubed
- 4 cups (1 lb) shredded sharp cheddar cheese (sometimes I use medium cheddar)
- 1 large onion, finely chipped
- 1 cup mayonnaise (the real stuff)
- 1 cup sour cream
- 1 Tbsp green onion, sliced
- 1 Tbsp salt
- ½ tsp pepper

Preheat oven to 325 degrees. Combine potatoes & bacon in a large bowl. In another bowl, combine remaining ingredients; add to potato mixture and toss gently to coat. Transfer to greased 4 1/2 quart baking dish. Sometimes I use a 9x13 plus 8x8). Bake at 325 degrees, 50-60 minutes, uncovered.

Corvette Super Sports' Visit to the Ronald Reagan Presidential Library

March 16, 2008

A beautiful day began with 31 CSS Members (17 cars) gathering at Coco's in Brea for the caravan to the RONALD REAGAN LIBRARY AND MUSEUM in Simi Valley.

Our Caravan leader escorted us north toward the mountains, then west across the lush green hills, splashed with colorful wildflowers this time of year. The Southern California scenery was spectacular, with clear blue skies surrounding us.

Upon arriving at the Museum, we parked together in the docents' lot on the hilltop the Museum occupies overlooking the surrounding rolling hills. It was so clear, you could see all the way to the ocean in a view between the hills.

Our pre-arranged docents divided us into smaller groups for an informative tour of the treasures on display in this fabulous facility. The docents shared some very interesting and historical aspects about President Reagan's pre-political career, his service as governor of California, and his time in the White House.

After the guided tour ended we met in the pavilion under AIR FORCE ONE for a delicious hot buffet lunch.

After lunch we went back to the museum to enjoy our favorite areas in more detail.

Oops, I almost forgot, some of our contingent couldn't pass up the opportunity to visit the gift shop !!!!! Need I say more???

It was a wonderful fun-filled day. If you didn't attend, you missed a great time. Please join us for the next outing ...

Ron DeBartolomeis
