

November & December

2008

Corvette Super Sports is a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc. We support (N.C.C.C.) National Council of Corvette Clubs, National Corvette Museum, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

We welcome guests to our meetings on first Tuesday of each month at 7:00PM at "SIZZLER" Steak, Seafood & Salad Bar 1401 N. Harbor Blvd, Fullerton, CA 92835 (Harbor Blvd. at Brea Blvd.)

Presidents Message

Season's Greetings to all,

Another year is coming to an end. And with it brings the holidays--a time to spend with family and friends. This time of year also is a time to reflect on all the things and events that went on in the club during the year. I believe that this year was one of the busiest and next year looks to be even busier especially since it's our 50th anniversary year. I hope you all come out and join your fellow club members in a fun filled year of activities.

Until we meet again, stay well and safe and happy holidays to all.

Your Prez

General Meeting - Tuesday, December 2, 2008

Sizzler Restaurant – Fullerton, CA

Board Members in Attendance: Greg Glodery, Jim Cooper, Renita Glover, Lynn Miller, Ron DeBartolomeis, Scott Glover, Rick Miller, Donna Stewart, Geoff Girvin..

Meeting called to order at 7:09 PM by Greg Glodery, President. It was determined a quorum was present and the meeting is official and continued.

No Joke tonight and the crowd goes wild with cheers and applause. ☺

Tonight is Election Night! We will be voting for our Executive Board, Board of Governors, Most Valuable Member and our 50th Anniversary logo.

But first... Ron DeBartolomeis told a little story about a little track side event which took place Sunday mid afternoon out at Pahrump. Once all the racing was over, there were some girls (Jen, Karen & Dawnette) just sitting chatting about the weekend's events and then bam, **CHECK OUT THEM BOXERS!!!** All we can say is Mr. Joe Orrico is now known as 'Joe Boxer'. Jen, Karen & Dawnette presented Mr. Boxer with a pair of designer CSS Boxers and I'll never tell where those dollar bills went... shhhh!!!

Committee Reports:

Charity: Reports was given by Marietta. Thank you to everyone who brought items for H.I.S. House. Donnell with the CHP/CHiP's for Kids worked with the PR department of KCAL (Channels 9 & 2) and a poster was created for their Live news Broadcast on December 8th from 5am-11:30pm along with information for toy drop off locations and events. On this poster, the logos of major sponsor/contributors have been recognized. Corvette Super Sports has been recognized as a major sponsor/contributor. Marietta has a copy of the poster (attached). Thank you to the CSS webmaster, Jan, for getting the logo to Karla at KCAL.

CSS continues to supports the following Charities:

H.I.S. House (Homeless Intervention Shelter House) - www.hishouseplacentia.org

CHiPs for Kids

Hillview Acres – Chino, CA

Ronald House – Pop Top Program – Collect them and bring them to Elaine Cooper.

Hospitality: Donna introduced our guests for tonight: Tim Carole of Roland Heights

Treasurers Report: Lynn presented the Treasures Report. All dues were received by Ellis and confirmed to be on-time. ☺ There are 86 renewals, including new members, and 6 honorary members so far for 2009.

Allocation of Funds for Charities: The Board of Governors voted and here is the breakdown:

H.I.S. House \$3,500; CHiP's for Kids \$1,500; Counsel on Aging \$500; Alzheimer's (through Marietta) \$500. The Board also allocated \$500 to be held for the General Members to suggest and vote upon. Two were suggested, City of Brea, Fire Relief Shelter and Salvation Army direct to fire victims. With a vote of 23 to 15, the funds will be donated to the City of Brea, Fire Relief Shelter (through Marietta).

NCCC: Report was given by Joe Orrico. After the Christmas with the Marines 4-NCCC events, it's looking like CSS will end up in 2nd Place in the points standings.

Old Business:

- Corvette Day's at Spring Mountain in Pahrump – 13 cars went – there was lots of fun – Jennifer Spencer took 1st Place in Autocross (first experience ever at Autocross). She thanked Cindy for her inspiration and Dawnette for being a great coach. Ed Norris had the fastest time in Autocross. Also, Ron Fellows stopped by, with a little encouragement from Mrs. Boxer, to sign anything and everything, from the trunk of Larry's Z06 to the seat back of Jen's convertible to lots of fuel rail covers. Cindy also got the group together for a photo.
- Turkey Bowl – 22 bowlers – lots with sores and hoping by the Sweetheart bowl, the sores will be healed.
- La Palma Days Parade – 9 cars participated – CSS did add to the parade by collecting 3 children along the route (The Miller's Grandchildren). ☺
- Pie Run to Oak Glenn – 10 cars joined up to enjoy a day visiting the local apple orchards in Oak Glenn.

New Member Recognition: No new members this month

The Pie Run 2008 – By Your Social Director

November 8th was a beautiful day for a run to Oak Glen to visit the apple orchards. The caravan to Oak Glen consisted of 7 cars from Coco's, and one addition as we went by Diamond Bar. The seven cars that launched in the morning were: Geoff and Ginger, Cliff and Michelle, Ron and Karen, Jennifer and Barbara, Chuck and Sue, Greg and Art and Marge. The Diamond Bar participant was Jill as we blasted by. Later on Mike and Kathy joined us. Since Dave and his family live in Moreno Valley, it made more sense for them to drive straight there and join us instead of driving 50 miles to our starting point and then turn around and go all the way back.

We left Coco's at Imperial and the 57 freeway at 7:15 and 75 minutes later we were in the Los Rios Rancho parking lot breathing in the fresh mountain air. Los Rios was first begun in 1906 when Howard L. Rivers, a grower, packer, and shipper from the Pasadena area purchased property from the Wilshires, over 300 acres, to expand his operation to include apples. He planted the largest apple orchards in all of Southern California, many of which are still in production today. Los Rios Ranch soon became known as

the place to get truckloads of quality mile-high grown apples. Fruit from the ranch has been shipped locally and globally over the years. The operation expanded as the shift from wholesale packing/shipping to retailing took hold in the 1950's. Soon a sales barn and bakery were built, picnic areas developed and cider operations enhanced to make the most of the growing numbers of visitors, eager for mountain fresh apples and the things made from them. They grow 22 varieties of apples, from heirlooms like Winesaps and Arkansas Blacks to newer types like Fujis and Galas. Many are available for U-pick, and all are carried in their store.

We got to the farm early because November is the season when most people come to Oak Glen in search of apples and parking later in the morning is in a dirt lot. So we arrived early, set up our picnic gear and began looking around. Not only does the farm have a country store with all 22 of their apple varieties already bagged, but they also have every other imaginable apple treat and apple related item available for sale. They even told me that even though the dill pickles looked like dill pickles, they were really dill granny smith apples. I believed them; Ginger did not. In addition to apples, the farm raises Pumpkins, Raspberries, Bartlett Pears and Bing Cherries. Most every one sampled the apples and the pies and the cookies.

As the day warmed up, many of the group took a short hike through the apple orchards. The trail wound through a grove of California evergreen trees like the Giant Redwood, and the Giant Sequoia. Then it wound its way around through the hillsides of the farm and down into a marshy area before winding its way back to the starting point by the orchards. At 11:30 we all jumped onto a hayride for a tour of the lower orchards and a history lesson about the farm and the surrounding area. During the hayride, yours truly serenaded the travelers with his harmonica renditions of Home on the Range, She'll Be Coming Round the Mountain and Camp Town Races. Later, after the hayride, some went to the petting zoo, and others watched kids turning the apple grinders to make pulp that was pressed down to remove the juice. It looked like it took about 50 apples to make a gallon of pure apple cider. Do you know the difference between apple cider and apple juice? Apple Cider is raw apple juice. Apple juice has been pasteurized and processed to remove the pulp. Finally after everyone had shopped until they dropped, enjoyed nature's beauty, and basked in the warm sunshine, we headed down off the mountain. Those that waited until the end, met in Calimesa at the Bob's Big Boy Restaurant for hamburgers and ice cream. We all agreed that this was yet another great event. The following 7 pictures start with our line up and end with Bob's Big Boy.

Bowling on November 15TH 2008

We all had a great time in spite of all the fires that were burning all around us. It took Bob and Vicki two and a half hours to get there from Chino and Jennifer was on the freeway five hours trying to make it in time to bowl, she missed bowling but caught up with us for dinner.

Bowling was great, we had twenty bowlers. The top bowlers were Larry Camp, Robyn Camp and their daughter Cathy. The "Turkey" winners were Shirley Jones, third place women's, Dylan (Dave & Jenny MacDonough's son), and the lowest score of the day went to Dawnette Norris.

I would like to thank Robyn and Dawnette for stepping in for me and Vicki before we got there, the fires delayed us too.

A special thank you to all of the bowlers and everyone who came out to watch and cheer us on. We hope to see everyone in February for our Valentines Bowl it is always a lot of fun!!

Thank you,
Linda Norris

2009 Corvette Convention

For all of you interested in planning ahead..... next years Corvette Convention is August 8th though 14th in Colorado Springs.

The Colorado group is planning a race day at the track on the Friday before, Friday, August 7th. For those 'racers' that want another fun day of racing, we will plan on leaving for Colorado on Wednesday, August 5th. For those not wanting an extra track day, there is another caravan leaving on Thursday, August 6th. Everybody heads for home on Saturday, August 15th.

If you would like more details, please let me know and I will forward them to you.

Corvette Track Days - Parumph – November 22nd & 23rd

The third Corvette Track Days of the year was a big hit, and heavily represented by CSS members with over 29 in attendance. The weekend started as usual with food, gambling and drinks on Friday evening (not necessarily in that order). Saturday morning came early and the air was very brisk and the track a bit slippery. Overall attendance was down and the run groups were

small, this made for great run times. Many members ran in the high 2.30s (real high). Most of us kept our cars together (somewhat) for the full two days, others at the track weren't quite as lucky (read a few oil slicks). Of special note was the concurrent Autocross open to all attendees. Both men's and women's winners were from CSS, congratulations

Jennifer Spencer and Ed Norris! The Saturday night banquet was great! It was held at the new club house, with lots of great food, drink,

camaraderie, raffle prizes, and did I say drinks! The faithful proceeded back to Parumph to support the gambling establishments.

in shifter carts.

weekend. He made a special point (with some urging from Cindy) of coming over to the CSS pits. He spent about half an hour talking shop, with most CSS members obtaining autographs on pictures, car parts, body parts etc.

Sunday's track time was great as well. More adventurous souls took the opportunity to make a few laps Ron Fellows was in attendance all

Some attendees left Sunday evening while others stayed to enjoy another evening in Parumph. Next Corvette Track Days will be held March 7th & 8th. Cindy Orrico has blocked a number of rooms at the Nugget. Please call Cindy if you are interested in one of these. PS: Larry Camp brought his beautifully restored Z06 out the track for its maiden voyage. Great work Larry!

Drive Shaft Vibration – By Joe Orrico

Just in case you are having a little drive shaft vibration this might be a source:

This guy ran over a mattress and decided to keep going. The ensuing jumble finally whipped around enough to put a tear in the gas tank, the subsequent lack of fuel is what finally brought this vehicle to its knees.

It had still managed to drive 30 more miles decently with a 60lb tangle wrapped around the driveshaft.

This genius complained that the vehicle had a "shimmy" when driving at high speeds.

This is what the dealership found.

Recipe Corner

Tim's Favorite PUMPKIN CAKE

- 1 yellow cake mix (Duncan Hines Moist Deluxe Butter Recipe Golden)
- 4 Eggs
- 1 (29 ounce) can 100% pure pumpkin
- 1 Cup sugar
- 1 1/2 cube Butter
- 1 teaspoon nutmeg (cinnamon or pumpkin pie spice)
- 2/3 cup sweetened condensed milk (one half can 14 ounce)
- 1/2 cup chopped pecans (walnuts or almonds)
- 9 X 13 glass baking dish (spray with Pam)

1.) Bottom layer

***Set aside one cup of yellow cake mix.** Mix the remaining cake mix with one egg and one cube of butter (melt butter in micro wave to liquid) into a paste. Distribute the paste down the center of the baking dish and (working with spatula) to make an even (as possible) layer covering the bottom of the dish.

2.) Middle layer

Mix 1 can 100% pure pumpkin, 3 eggs, 2/3 cup sweetened condensed milk, 3/4 cup sugar and 1 tsp. cinnamon thoroughly and pour into baking dish over yellow cake bottom crust.

3.) Top layer

Mix one cup of cake mix (set aside earlier) with 1/4 cup sugar 1 tsp. cinnamon and 1/2 cup chopped pecans. Remaining butter should be at room temperature, **do not melt into liquid.** Mix a little butter at a time until mixture is crumbly not pasty. If there is butter left over, that's ok. Crumble mixture over top of the pumpkin layer, covering the entire top of the cake. If you get enough butter into mixture it will melt into one layer.

Bake at 375 degrees for 15 minutes then reduce heat to 325 degrees for 20 to 40 minutes. Stick a toothpick in the center to test when it's done. The toothpick will come out clean when it's done. Butter burns easily on the bottom layer, watch temperature and the distribution of temperature.

Hope I remembered everything!!!
