Volume 50, No. 4

Corvette Super Sports is a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc. We support (N.C.C.C.) National Council of Corvette Clubs, National Corvette Museum, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

We welcome guests to our meetings on first Tuesday of each month at 7:00PM at "SIZZLER" Steak, Seafood & Salad Bar 1401 N. Harbor Blvd, Fullerton, CA 92835 (Harbor Blvd. at Brea Blvd.)

Corvette Super Sports Charities, By Marietta Darke: For many years, CSS has been a major sponsor for our two main Charities; **H.I.S. House Transitional Shelter and CHiP's for Kids.**

HIS House is a 4-6 month program for homeless men, women, children to prepare for and secure employment, education and permanent housing.

CHiP's for Kids began with an individual **CHP** officer that spread like wildfire within their own departments. To reach out in the community to help abused, orphaned, and seriously neglected children. Corvette Super Sports was introduced to **Hillview Acres Children's Home** through our involvement with the **CHP**. Hillview brings hope through a safe therapeutic environment, to help children regain trust, a place to heal and away from serious emotional disturbances.

Through our volunteer and club events such as car shows, visits, work/clean up day, donations, garage sales, Corvette Super Sports donated not only many hours throughout the year but also monetary donations. HIS House and CHiPs, combined, have been recipients of \$5000 each year. We hope that this will continue with our SUPERSPORTS member's efforts.

John Force Cruise Night Car Show attendees are asked to bring a can of food to be donated to the OC Food Bank. For each can donated, you will receive a raffle ticket for a chance to win a 52 inch flat screen TV. The raffle will be on the final night of the car shows, **HALLOWEEN**. The shows are held 4 to 7 pm beginning May 30.

see www.JohnForceRacing.com for additional information

~~ in addition, CSS will begin our **own** food bank for HIS HOUSE ~~

Please bring non perishable food items to each general meeting until the end of the year.

Appreciate your support.

Orange County Ronald McDonald House

Our House is a "home away from home" for families of children who are receiving medical treatment for cancer and other serious illnesses at all the area medical facilities. It is open to families of those children who are hospitalized and need to be close to their child who are receiving treatment at our facilities. Over 1700 families have stayed at our House since our opening in November, 1985.

The "Home Away From Home" offers 22 bedrooms with private bathrooms, a living room, family room, security, kitchen, dining room,

Don't forget the Board Meeting on the 3rd Tuesday of the month at 7:00 PM. The meetings' venue will be changed each month to add variety and the location will be announced at the monthly Club meeting. Board meetings are open to all members. We encourage you to attend and welcome your comments pro and con. The April meeting was at the Girvin's for Pizza and beer. May's meeting is scheduled at the Baddley's for leftover (and probably shriveled up) hot dogs from Pahrump .

Presidents Message

Hello everyone,

Our 50th Club birthday Bash was quite an event. First let me say a big thank you to Vicki and Linda for organizing the event and making it run so smoothly. Many other people had a hand in the organization, set up and clean up too. Bert did a fantastic job as DJ and because of his new found avocation, we have a surprising new job for him the rest of the year. More about this later.

I also want to thank all the people that came dressed in the “Fifties”. Cindy looked especially cute in her “Nurses” costume and it is a toss up between Jennifer as Marilyn Monroe and Ginger as Sandra Dee as to which one of them was more attractive. I think on the male side of the house, Dennis, Geoff and Joe might have gone a bit too far and will be giving the “See no Evil, Speak no Evil, Hear no Evil” monkeys a run for their place in history.

Now for the decisions about Bert. His “Radio Show” was such a hit that we have decided to change the format of the club monthly general meetings to be more like his spoof on the radio. Bert will actually run the meetings and interview each of the officers for their comments. KCSS will be “On the Air” and if any of our members want to know something, they will have to call him on his cell phone and ask for a special request.

See You Soon at the next Radio Show Audition,

The Prez

Editor's Note

I have to admit that I have not had as much fun in a long time as I did at the 50th Birthday Party seeing so many faces that were so hard to recognize underneath their disguises. Marilyn Monroe was a knockout, Sandra Dee lost her head trying to do the Hula Hoop, Sue Rosen needed to have her ID checked every time she went to the bar, and placement of Cindy's tattoos made most of the men stutter. I saw the "Don" sitting in the back with our Italian contingency kissing his ring, and the Diamond Bar Country Club staff start to call the police when a "Biker Dude" came in with Marilyn in tow. Joe's jelly roll hairdo reminded me of what I looked like when I had hair. And of

course, there was Wolf Man Jack, aka me. Unfortunately when I put dye on my beard so that it would match my wig, I did not think it all the way through. Sure it looked great at the party but it dawned on me later in the evening that I had to go to work the next day and it looked bizarre. And it was bizarre. And everyone at work told me so over and over. In retrospect, I think I would have still dyed the beard, but done what little hair I have left as well.

I think that the candy station at the party was a cool idea too. It helped occupy time and keep Bert from calling people to come up and make fools of themselves with the Hula Hoop. I remember as a kid when I had a thin waist line and real hips that the Hula Hoop had no trouble swinging around for hours at a time. But now, everyone seemed to have trouble making it work except for when it was spinning around someone's neck or arms.

Donna is the Dancing Queen in my book. Several people asked her to teach the Electric Slide line dance before the party and she graciously opened up her home for instruction a week before the party. Unfortunately only one couple showed up (Wolf Man Jack and Sandra Dee with her head , attached). So at the party when line dancing started and our DJ finally started playing music that, in the "Fifties" would have been classified as "Back to the Future", many of us got up and danced with Donna. Wolf Man Jack was a lucky man because he was the only guy on the floor with some beautiful babes. Personally I think that the entire club should practice the Electric Slide, Boot Scoot Boogie, and Cowboy Boogie line dances at a club general meeting so that at the Big Bear Bash we can dominate the dance floor and win trophies for coordinated movements.

Donna also gave me a very important document at the party that she has had for many years. I think that all of us should read and adhere to it at all times. Maybe we should memorize it and recite it at the beginnings of each meeting. The document is on the next page.

New Charity for 2009

The board, with the approval of the general membership, has decided to add a new charity program this year. In an effort to give back to City National Bank who has sponsored our annual Car Show for 2 years, we decided to help City National Bank with their Literacy Program. City National has a program established where they collect new library books and donate them to the schools in the areas where they have branches. City National Bank has found that the schools in California rank at the bottom of 50 states in school libraries. The Bank believes that the best way to improve literacy in California is to stock school libraries with books.

Reading Is The Way Up

Seeking to better the education of California's future leaders, City National launched its multifaceted, statewide literacy program, Reading Is The Way Up, in April 2002. Since then, the company has:

- Donated more than 15,000 books to public school libraries throughout California;
- Helped open nine new school libraries, working with the Wonder of Reading Foundation;
- Awarded more than \$1 million in education-related grants; and,
- Received the President's Volunteer Service Award in 2005.

Literacy Grant Program

In 2005, City National introduced its Literacy Grant program by awarding more than \$31,000 to elementary, middle and high schools in Orange County, Calif. Grant awards up to \$1,000 were awarded directly to educators for creative and effective literacy projects that will help improve student achievement. In all, the literacy projects of the 31 educators who were selected will improve the literacy of nearly 5,000 students. The grant program will be rolled out statewide in 2006 in cities and communities where City National Bank is located.

Volunteer Reading Program

City National colleagues are encouraged to take up to three hours of paid time off each month to read to schoolchildren in classrooms through its "Volunteer Reading Program." To help prepare colleagues for the program, the bank provides an intensive three-hour training session on reading to/with children in a classroom or library setting. Approximately 100 colleagues currently participate in the program.

Reading Is The Way Up Fund

The bank has created the Reading Is The Way Up Fund, a 501(c)(3) organization administered by the California Community Foundation, as a funding resource to purchase books for school libraries in California. For more information, visit www.readingisthewayup.org.

How Can You Help?

To participate in our Reading Is The Way Up program, simply visit any City National office to donate much needed books and supplies. Get a list of recommended books or learn more about the initiative through the following resources:

- **Donate books** — You can donate books to any City National Bank office location. [View a list](#) of the best books to donate.
- **Volunteer at a local school** — You can participate in the Reading Is The Way Up Program by volunteering your time to read to children at a local school that needs your assistance. Simply volunteer at any school near you, or access our [list of schools in need](#).
- **Visit your local City National office** — Stop by any [City National office](#) for more information.

Corvette Super Sports will be collecting books from the list of approved books for the rest of the year. We will be publishing the book lists on the web site (or you can click on the link above) as well as having a Book Rallye in July and a request for bringing books to the Car show in August. It is our goal to donate 1000 new library books to needy schools in Orange County. City National Bank is very excited that we are supporting them in this manner. They will make the necessary contacts with the Orange County board of Education to find the needy schools and will contact the schools to understand what their needs are. In past book drives, both hard bound library books and soft bound paperback books have been collected. The school libraries do require hard bound books, but each school room generally needs paperback books for in class activities. As soon as the contacts are made, we will update this program. City National will also be advertising our Car Show and Book Drive at each of their branches in Orange County with signage and book collection points which will be credited to our totals.

A perspective of the Party from Linda and Vicki

Corvette Super sports 50th Anniversary WOW!!! What a party!!

Thank you! Thank you! Thank you to everyone that came! A special thank you to Tom Cuccio for being the emcee for the day. Tom did a great job as usual! We would also like to thank Geoff Girvin for the slide show and to everyone that contributed pictures to it. Who could forget our very own "Lug Nut" with the request & dedication line that provided the awesome music. Thank you Bert Weist. And the Hula Hoop contest was a lot of fun!

It was so nice to see friends we haven't seen in a while and what a wonderful surprise to see Dave and Ilona it was really good to see them it completed the special day of celebration.

Thank you again to everyone, without you it wouldn't have been a party! Vicki and Linda.

A new member's perspective of the Party

Dear Corvette Super Sports Family, Firstly I would like to say even though Doug and I are considered new members, we certainly do not feel like newbies. Doug and I feel like we are a part of the CSS family thanks to every member who has made us feel so welcome.

Doug and I have both discussed this so many times and we both have come to the conclusion that we are indeed lucky to have found such wonderful people (CSS) to call our friends. We so much appreciate all the kindnesses that have been shown to us since we joined. We especially are grateful for the care and concern that was given to us during last fall's tragic accident involving Doug's son.

Now about the 50th birthday party. Doug and I had such a wonderful time seeing everyone and enjoying the festivities. I especially liked how we all got up to take turns trying to spin those Hula Hoops. I must admit I didn't feel so badly when I was unable to keep that Hula going, I saw others were just as rusty as I. I would like to also add that I really got a kick seeing our Friends dressed up in the Fifties clothes. It reminded me of my Parents and how they used to dress and that in itself brought back many fond memories. Doug and I really enjoyed the food, the drink, checking out our members cars and everything in general. Honestly I wished Doug and I had not had a previous engagement to attend to because we would have stayed until the Party was over. We had a Wonderful time! We look forward to more Parties in the future with our extended family.

Doug and I would like to thank each and every member of our new family for being themselves (wonderful people) and making us feel like family too. We Love you all and want to say a heartfelt Thank You!

Douglas and Elizabeth Mariani

A Not so New Member's Perspective of the party

Corvette Super Sports
50th Anniversary Reunion

Held at the Diamond Bar Country Club, with 20 plus Corvettes on display on the grassy area outside the banquet room made for an elegant atmosphere. As usual, our top notch sister duo banquet coordinators, Linda Norris and Vicki Kump did a fabulous job of decorating the tables and organizing the day. I'm still eating my personal selection of 50's candy. Tom Cuccio, again did the emceeing. Burt Weist did the DJ'ing with an appropriate selection of era music.

I guess we had close to 70 attending. I was personally a little disappointed that we did not have a few more older past members attend. The food and service was good, but unfortunately the bartender was like a Ford – we were wondering if he had broken down along side the road.

I was asked to say a few word with just a few minutes notice and in retrospect I would like to mention that the club's membership had dwindled and we went "dark" for a year in the early '80s. during that year we visited several other local clubs; but we came to a consensus that none of them were quite like Super Sports, so we decided to restart the following year. Soon after, Ed and Barbara Willaby joined the club; they were real promoters and deserve mention for the club growing again and not looking back.

I certainly felt honored to be recognized, along with some of my other oldie cohorts for their longevity and service to the club – thank you for the gift.

Last but not least, was the late visit by Dave and Ilona Alciatore which was a nice surprise.

All in all, I found it to be a very enjoyable day.

Club Event for April

On April 25th, seven adventurous CSS cars attended the Inland Empire Corvette Club's first ever event. They dubbed it the "Super 7 Saturday" and it consisted of 4 Poker Rallies, 2 Game Rallies and an Funkhana. The CSS Seven were Rick and Lynn Miller, Scott and Renita Glover, Dave and Jenny MacDonough, Joe and Cindy Orrico, Ron and Karen DeBartolomeis, Jennifer Spencer and Tim Girvin, and Geoff and Dick Girvin.

The Poker Rallies and Game Rallies were on a 110 mile circuit leading from Yucaipa to Hemet to Idyllwild, to Banning to Oak Glen back to Yucaipa and ended up at Angel's Road House for lunch and awards.

What a beautiful ride in and around the countryside. My Dad, who has lived in that area for 20 years had never been to many of the places we went through. We stopped for a break in east Hemet, and apple pie in Idyllwild. Not only was the trip beautiful, but it gave my Dad and I many hours of uninterrupted quality time to solve the world's issues and talk about things that have been on our minds for a long time like my daughter's upcoming wedding at the end of June.

But the best part came at the awards ceremony. CSS members were awarded a plaque commemorating 50 years of continuous activity. Don, the President of the Inland Empire Corvettes presented us with a plaque that had the words "50 Banner Years". I thought that this was very cute because Don is the guy that has stolen our CSS "Banner" for so many years from our car show even when the banner was locked to a chain linked fence. CSS members also got awards. Thanks to Cindy for compiling the list below:

Dave/Jenny	4th Place Funkana (FIRST FUNKANA)
Scott/Renita	1st Place Funkana (Butt Kissers.....) (FIRST FUNKANA????)
Jennifer/Tim Girvin	4th Place Poker Hand
Ron/Karen	3rd Place Poker Hand (FIRST TROPHY)
Rick/Lynn	4th Place Poker
Scott/Renita	2nd Place Poker
Joe/Cindy	3rd Place Horseshoes
Scott/Renita	5th Place Wee Game
Dave/Jenny	4th Place Wee Game
Joe/Cindy	2nd Place Wee Game
Rick/Lynn	1st Place Wee Game

CLUB PARTICIPATION!!!!

Jenny	\$60.00 Raffle Ticket (She loves these events now!!)
Cindy	\$60.00 Raffle Ticket

I do say - it was a good day for us!!!!

My Dad and I did not win anything but we did have a great time. He especially liked the Funkhana where I had my hands out the top of the car and took care of the gas pedal and the brake pedal while he took care of the steering through the slalom part of the course. It was also very cool to have 3 generations of us participating with the CSS Family. My Dad remarked later that he really enjoyed being hugged by all the girls in the club.

It was also Jennifer's Birthday that day and we got to sing the Inland Empire Corvette Birthday song to Jennifer. So Trivia Question number 1 for this month is: What are the lyrics of the IECC's birthday song? First correct answer wins based on the order received to my email account.

If you would like to see pictures of the day just click on the link below:

April Birthday Celebrations

By Mike Motormouth

Happy Birthday and Non-Birthday to all...

Armando Sanchez (4/1) played golf and spent his birthday afternoon with his son. He had a rewarding day and received his wishes.

Jim Cooper (4/5) said "not much" when asked what he did. It sounds like a contented birthday with no surprises.

Linda Norris (4/16) relaxed while her daughter cooked dinner. That gave Linda time to be excited and enjoy her new camera.

Vicki Kump (4/17) spent her day working and preparing for our 50th Anniversary party. As we all know her efforts were successful. Thanks, Vicki for all you do for CSS.

Lynn Miller (4/17) went out to dinner and celebrated. We suspect Rick was there too, but this is unconfirmed.

Jill Teson (4/13) was out and kept a low profile. Sometimes, quiet days are the best!

Jennifer Spencer (4/25) went to the Yucaipa car show and won fourth place in the poker run. "I'm working on getting first place," she said. Congratulations, Jen! She received her birthday wish. "I had a lot of fun with friends. That's all I could wish for," she said.

Editor's Corner

Trivia Questions:

It seems that the trivia questions are getting more people to read the newsletter and participate. In January, the trivia question was completely ignored until 2 weeks ago when Cindy finally answered the question correctly. The question was: In what month did these CSS General Meeting Minutes originally get printed? Well, Cindy finally after 8 tries correctly answered the question that it was July 2008. In February, Ron correctly answered the Trivia question and received a bottle of Chinese Tonic for vim and vigor to be taken at night just before retiring in case his woman needed some attention. Ron should have wised up and not been so anxious to answer the trivia question from the Pahrump Gazette because he won his very own pair (literally) of Joe Boxer (actually Tightly Whities) with the CSS logo on the front and back.

But March's trivia question really brought out the responses. Eight members responded and although Jim Cooper was the quickest with the correct answer, (and the right place in line) some of the other answers were very original and not too far off. Late in the month, Marge Huhta actually provided the most accurate answer and deserves to have an Honorable Mention award for her answer which was down to the foot on Karen's location. Everyone who participated last month will get a prize in May for participating. Those participating in the trivia question that promised a prize to the 3rd person with the correct answer were:

Ron D correct but number 1

Marietta was correct but number 2

Jim Cooper was correct and the winner at number 3

Elaine Cooper was correct but number 4

Bert correct but number 5

Renita was correct but number 6

Larry Farrell was correct but number 7

Cindy correct but number 8

Marge Huhta was very accurate but number 9

Thank you all for participating. But based on the fact that everyone had the right answer, I am thinking that the question might have been too easy.

So Trivia Question Number 2 for April's Newsletter is:

Who was the first President of the United States to own a Car?

In this case, since it is hopefully not such an easy question, I will take the first correct answer in the order received to my email address. This trivia question was submitted by Jennifer and so to be fair to Jennifer, there is another trivia question buried in this newsletter (see club event story above) that she can participate in too.

2009 Corvette Convention

For all of you interested in planning ahead..... this year's Corvette Convention is August 8th through 14th in Colorado Springs.

The Colorado group is planning a race day at the track on the Friday before, Friday, August 7th. For those 'racers' that want another fun day of racing, we will plan on leaving for Colorado on Wednesday, August 5th. For those not wanting an extra track day, there is another caravan leaving on Thursday, August 6th. Everybody heads for home on Saturday, August 15th.

If you would like more details, log onto the following URL

<https://93075438.domainhost.com/2009Convention/Convention2009.html>

WHAWHOOOOOOOOO

Cindy Orrico

According to Joe:

There is an open track day on the Friday before the NCCC Convention at Pikes Peak International Raceway on August 7.

The cost is \$150 for the day.

I called and spoke with Mike Hubbard at the track and he confirmed that **everyone** will be required to wear a fire suit. This is a requirement of their insurance. They have suit rentals at the track for \$25.

To reserve a spot please call (719) 382-7223
or email rentals@ppir.com and have them put you on the list and reserve a suit with your size.

We will not be required to have fire suits unless required by the NCCC rulebook for the convention as it is under our insurance.

The following is now posted under Competition, The Competition Manual (Rulebook),
What's New on the NCCC Web Site and The Latest News for NCCC Members.

IMPORTANT RULE CHANGE NOTICE:

At the Competition Committee Meeting in St. Louis on February, 27, 2009 it was decided and announced at the Governors Meeting the next day that in response to a Fire Extinguisher clarification the following is effective immediately, since this involves safety.

Fire Extinguishers - minimum rating of 5BC using a gauge showing full charge. Then added, Mounting bracket and strap must be metal.

NOTE: Due to the immediacy of this change and with the competition season begun, this change will have a transition period for individuals to comply until May 1, 2009.

Editors comment: this pertains to High speed Events only

Corvette Track Days - Pahrump – October 24th-25th

According to Cindy:

CORVETTE TRACK DAYS AT SPRING MOUNTAIN HAS BEEN CONFIRMED FOR OCTOBER 24TH & 25TH!!
YIPEEEEEEE.

I have checked the rooms at both hotels:

Best Western - \$64.00 a nite - may vary. 1.775.727.5100

Nugget - \$99.00 (On-Line) - may vary if you call the hotel and mention Jeffrey - 1.775.751.6500

We are all ready booked at the Best Western for Honeymoon #3!!

And remember, there will be another issue of the Pahrump Gazette (vol 1 number 2). For those who attend it will be delivered free of charge. For those that do not attend, you can still subscribe to the Gazette for a mere \$400 for a lifetime subscription.

Long Beach Grand Prix – April 2009

Ah yes, the racing season continues with this years Long Beach Grand Prix. Those of us “Happy Racing Campers”, Joe & Cindy Orrico, Mike & Kathy Baddy, Rick & Lynn Miller and Scott & Renita Glover were all in attendance on Saturday. With guest appearances from Sal & Teresa Cruz and Frank, along with our friends from Las Vegas, Carl Bonnie Corbett and Scott Erickson from PVCA. Joe & Cindy, having the boring, laid back life that they have, went both Friday and Saturday. Only to find out that Sal Cruz attends all 3 days – what a man!

Prior to seeing the excitement of the cars and a multitude of beer stands, we found out that ‘you have to drive through sand’ to get to the Corvette Corral parking..... Well, Cindy figured out right away that she wasn’t about to tell those joining them on Saturday that they too would have to drive their cars through sand, but she heard about it!! ☺ It wasn’t so bad. If you look at it the right way..... we had to park in the same area as the Porsche group, yeah, yeah, it was tough making them look bad. But worth it!

They had an awesome big tent, “The Corvette Corral” for which we got to hang out at all day. They had plenty of chairs, water, sodas, snacks, comforts of a tent and even included our own private “Deluxe Porta Potties!” They provided TVs in the tent to watch the track activities too.

The smell of the Kettle Corn, Funnel Cakes, BBQs, \$9.75¢ Beers and the \$12.00 Margaritas and Bloody Mary’s filled the air. The best smell of all was the burning rubber from the tires of the racing cars and the best sound was the roar of the engines – the Corvette engines, that is, you can’t mistake the sound of a 427 Corvette engine!

During Friday, all the Corvette Drivers came to the tent for a autograph session – that was cool. And of course I hauled them out from behind the tables for pictures, included here.

On Saturday, we traveled around the streets looking for celebrities and of course we found our buddy Ron Fellows. Ron gave a speech to the filled tent.

Cindy was talking with Scott Erickson from Pomona about the upcoming raffle prize for the “Lap Around the Track”. Scott informed Cindy that he had won that at Laguna Seca, so Cindy arm wrestled him, or told him, whichever you prefer, that if he were to win, that he needed to give it to her. Well.... Someone was on Cindy’s side, cause when the winning raffle ticket number was called, it was Scott’s!!! He directed the ticket to be sent over to me!! I was elated! But my wish was for Joe to get the thrill of the ride, so Allison, a more experienced driver than Joe by a few years, drove him around in a limited production “Corvette Competition Coupe”. He came back with a pretty big grin!!

We watched Saturdays race from the stands, a sad time of knowing that those awesome GT-1 Corvettes #3 & #4 were driving for their last time in the US..... However, we are looking forward to seeing the new GT-2 cars in hopes that they can kick some booty with the competition!!!

For those of you wanting to have a fun day, try going with us next year!!!

Dear readers,

I confess that I've lost control of my old email account. Dripping motor oil on my pc did not enhance its performance and I lost all my email. So, my computer guru set up a new email account. Please email your questions to mikemotormouth@verizon.net

end

Editor's Commentary: I have known Mike for over 25 years and found his column in other news letters to be very comprehensive. I would encourage you to send Mike your technical questions so that they will show up in our newsletter in subsequent months. Cindy is our first club member to actually send a question to Mike (because she thought Mike was me). When she found out that I am not Mike, she was a bit perplexed. I was so hoping that Mike would have shared her note with me and I am so disappointed that Mike lost his brains (and his password) and had to change his email address. Cindy must have had a juicy question because when she found out that I am not the "Motormouth" she could only say one word which I shall not repeat.

HISTORY of Grand Sport

1963

Corvette purpose-built race car to win Sebring and Le Mans

The envisioned **G**rand **S**port would be the ultimate Corvette, a lightweight, powerful factory built racer.

Only 5 were built out of the planned 125.

1996

The Corvette Design Team wanted to do a fitting 'close' for the long-running C4 body style.

Only 1000 were built all Blue with White stripes and red hash marks.

The 1996 version used the standard Corvette engine (LT4) with wider ZR1 size wheels, tires, and chassis components.

The 2010 version will use the standard Corvette engine with wider Z06 size wheels, tires, brakes, and chassis.
