Presidents Message

Happy New Year to all!

Well here we go. A new year, a new Board of Directors and one new Officer. But before going any farther, I would like to give my thanks to the past board and officers for all of their help and support during the past year.

2009 has a lot of activities planned for club members to participate in and have a great deal of fun while involved. One of the major events in 2009 will be the celebration of Corvette Super Sports 50th anniversary. Plans are in the works for this occasion. It will be a must attend event in April for all current and past members of our club.

I encourage everyone to come out to the club meeting once a month and to check the Website often to learn about coming events and club news.

We have some great things happening this year. Get involved, stay involved and share the Corvette Spirit.

Social Corner

At the CSS Board meeting in January your “Social Chairman” published a full slate of Social Events for review by the Board. My intention is to publish the entire year’s events on the CSS Calendar on the Web site so that the members can plan effectively and we can increase participation in the events. In order to get as much coverage and input into the process, the list was circulated and discussed at the February General Meeting. The social events include places we have gone before and new adventures. The goal of the social events is to caravan to a place of interest where we can participate in an adventure and have time to talk with other members about recent Car Show and Rallyes that we as a club have participated in. The following is the proposed list:

February 7th – Valentine Bowl at La Habra Bowl, 2pm
March 14th – Blue Angels Air Show in El Centro
April 18th – 50th Birthday Party for Corvette Super Sports
April 25th – Oasis Camel Farm, Ramona
May 2nd – Solvang Wine Festival or Planes of Fame Air Show, Chino
June 26th – The Bash Before the Big Bear Bash at Shirley Jones' house
July - Nethercutt Car museum or Paso Robles Wine Tasting weekend
August 8-14th - NCCC 50th Anniversary Convention, Colorado Springs
Sept - Donna's Pool Party
October - Palm Springs Air Museum & Palm Springs Follies, Joshua Tree national Monument and Smith Ranch Drive In theater
November - Turkey Bowl at La Habra Bowl
December - Christmas Party (Place yet to be determined)

In addition, your Social Chairman has submitted a full slate of Corvette Club activities that include Rallyes and Car Shows where we can support the Corvette Clubs that support our Car Show. Included in this list are the events that we traditionally go to as well as new adventures.

Some of these are as follows:

March – Autocross Palm Springs Corvette Club in Indio, Ca.
April – Poppy Rallye in Antelope Valley
Temecula Valley Car Show
May – Plastic Fantastic in San Diego
June – Rallye at Pomona Valley Corvette Association
Aug – Vapor Trails Rallye Santa Maria Corvette Club
Sept – Days of Wine and Roses in Temecula

If you have a suggestion for a Corvette Event or a Social Event, please contact Geoff at GBGirvin@yahoo.com

2009 Banquet

The kick-off event for 2009 was the annual January Banquet. Let me first say that Renita did an absolutely fantastic job finding, negotiating, and arranging the venue and DJ. I think everyone will agree that the view out the large picture windows of Orange county at night was breath-taking.

Everyone seemed to enjoy themselves and it was fun seeing so many members dressed up in evening attire. I thought it was also very creative of Renita to have name plates printed for everyone to place on the table where they wanted to sit. That way there was no question for new members what their table mates names were. It certainly was easy since everyone at my table had the same name – “Prime Rib”.

The banquet serves several purposes. It is the official business meeting of the CSS Corporation as specified in the corporation bylaws and it is a celebration of the past

year's fund raising for our charities as well as a kick-off event for the next year. As stipulated in the bylaws, we announced the newly elected officers and board members. These are listed at the top of this newsletter. We also presented representatives from our charities with our donation checks from our fund raising activities throughout the year.

Then Tom Cuccio entertained us as MC with his trivia questions that stumped most of us. I have not heard though whether any of the Lottery Quick Picks actually won anything. Tom announced the winner of the "Rookie of the Year". This year the Board of Directors acknowledged Roger Bacon as the "Rookie of the Year" for his work on last year's Car show. Then, Tom announced the winner of the Most Valuable Member Trophy. The trophy is a perpetual trophy that stays with the winner for the year and is returned to Tom at the end of the year. The Most Valuable member is voted on by secret ballot of the membership. I must tell you all that I am humbled by the vote from the membership at large by honoring me as that Most Valuable Member. I was speechless. If anyone knows me, I am never speechless but I was truly overcome by this honor. All of the members of the club are a great extended family and I do enjoy planning fun things for us to do as a club. Thank you all again for this honor.

During the Banquet, we had a slide show running that showed pictures from all of outings from 2008. Some of the slides showed our trips to Oak Glen for the "Pie Run", to the Palm Springs Aerial Tram Way, the Big Bear Bash, Spring Mountain Raceway, The La Palma Parade, our August Car Show, Mount Wilson, USS Midway, Temecula Days of Wine and Roses Rallye, Reagan Library, Ron and Karen's 40th Celebration, and Easter with the marines.

January Birthday Celebrations

By Henry Anonymous

Thirteen members celebrated birthdays in January. There may be others, but they will not admit it. Ten Capricorns, otherwise known as the goats, celebrated until the 19th, then three Aquarius carried the water to the month end.

Bill Stel was the first to celebrate after the New Year and had moderate gift expectations. He said, "I'm happy to qualify for senior dinners."

Mark Taffolla and Dennis Dawson share the same number nine date. Maybe they share more, but the facts are unknown. Dennis spent time with his family. "I took mom to a movie and saw Valkyrie," he said.

Chris Glodery and Marge Huhta popped out on the tenth. Besides sharing the same birth date, they both have exceptional husbands. "Greg took me to a movie. First time in ten years. We saw Gran Torino," said Chris. Marge was treated to The Hobbit, where dinner started with wine and ended with wine.

We turned out to surprise Rick Miller two days before his birthday. It is commonly believed that Rick was truly surprised.

Another duo, Kathy Baddley and Art Huhta share the 16th. "I had a fun time with a group of friends," said Kathy. Art obliquely mentioned dining and dancing with his first wife. Then he paid the bill.

Unconfirmed sources report that Scott Glover was considering another tattoo for his birthday on the 17th.

Shirley Jones, our gracious host at the Big Bear Bash, celebrated her day on the 19th, the last Capricorn date.

The first Aquarius is Ann Meewenberg. She celebrated by going out to dinner with family. When asked, she said, "There was no surprise."

Dianne Wiest planned a nice day. "My plans were blown to cover for another nurse," she said. She reorganized and celebrated a combined birthday with her grandson and granddaughter.

Dave Stewart celebrated January's last birthday on the 30th.

Best wishes to all from Corvette Super Sports.

Editor's Corner

One of our Members nominated the Hillview Acres Children's Home that we support through our donations to CHPs for Kids as a worthwhile charity for her company to donate funds to at the end of 2008. Jennifer Spencer's nomination was voted on by the employees of the company she works for and it was one of five charities that PIMCO supported with a donation of \$25,000 each. The following is the announcement out on the wire:

PIMCO Foundation Recognizes Five Outstanding Charitable Organizations With a Holiday Grant of \$125,000

NEWPORT BEACH, CA--(Marketwire - December 18, 2008) - The employees of PIMCO are pleased to announce that the PIMCO Foundation, the Newport Beach-based firm's charitable arm, will make holiday grants of \$25,000 each to five non-profit organizations. In a companywide-competition, employees chose this year's recipients based on their outstanding efforts to help communities, improve education, and aid people in need.

"In these challenging economic times, it's more important than ever to support outstanding charitable groups that are working hard to provide precious help for people and institutions that need it most," said Mohamed El-Erian, PIMCO's Co-CEO and President of the PIMCO Foundation board. "These gifts are part of our ongoing efforts to recognize outstanding organizations, and to give back to our communities."

This year's recipients include:

- Feeding America
- Acres of Love
- Hillview Acres Children's Home
- Semper Fi Fund/Injured Marine Fund
- Michael J. Fox Foundation for Parkinson's Research

Please take time to thank Jennifer for her efforts the next time you see her.

Corvette Track Days - Parumph – March 7th and 8th

Joe Orrico has proposed that CSS sponsor a High Speed NCCC event in November of this year. It turns out that the region has had no high speed events scheduled that anyone can remember. To enter into the high speed event the driver needs a high speed NCCC license which Joe will coordinate the issuance of during the Corvette Track Days in Parumph on March 7th and 8th. To qualify for the high speed license, one needs to participate in and pass the high speed driving school at Spring Mountain Raceway. When you have passed that driving course and have not crashed your car, you are qualified for the NCCC license.
