The Monthly Newsletter of Corvette Super Sports

Volume 51 number 8

August 2010

Corvette Super Sports is a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc. We support (N.C.C.C.) National Council of Corvette Clubs, National Corvette Museum, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

We welcome guests to our meetings on first Tuesday of each month at 7:00PM at "SIZZLER" Steak, Seafood & Salad Bar 1401 N. Harbor Blvd, Fullerton, CA 92835 (Harbor Blvd. at Brea Blvd.)

Corvette Super Sports Charities, By Marietta Darke: For many years, CSS has been a major sponsor for our two main Charities; **H.I.S. House Transitional Shelter and CHiP's for Kids.**

HIS House is a 4-6 month program for homeless men, women, and children to prepare for and secure employment, education and permanent housing.

CHiP's for Kids began with an individual **CHP** officer that spread like wildfire within their own departments. To reach out in the community to help abused, orphaned, and seriously neglected children. Corvette Super Sports was introduced to **Hillview Acres Children's Home** through our involvement with the **CHP**. Hillview brings hope through a safe therapeutic environment, to help children regain trust, a place to heal and away from serious emotional disturbances.

Through our volunteer and club events such as car shows, visits, work/clean up day, donations, garage sales, Corvette Super Sports donated not only many hours throughout the year but also monetary donations. HIS House and CHiPs, combined, have been recipients of \$5000 each year. We hope that this will continue with our SUPERSPORTS member's efforts.

Appreciate your support.
As Always,

Charity Donations

Corvette Super Sports was blessed during 2009 to have provided venues that attracted many participants. From our activities, we were able to donate to our charities as follows:

Hill view Acres \$3,500

His House, Placentia \$3,500. In addition our members donated new pillows and cases at the end of the year.

In addition to our sponsored charities, we also felt compelled to provide funding to other charities:

Alzheimer's \$500

Counsel On Aging \$500

Corvette Super Sports believes that it is our duty to participate in other Corvette Club's activities to support their charities.

Corvette Super Sports' Charities

These are the organizations and programs our members support ... because we believe in "giving back" to the communities in which we live ... and *drive* ... our Corvettes.

Come to a board meeting and you too can be pictured here!

The July Board meeting was held at the G&G B&B (Geoff and Ginger's House)

Back to School and Off We Go!!!

Well, I'm in outer space right now (watch it.....), mentally, as you can imagine with departing for my first Cruise to Alaska tomorrow! Of course I had a list of things to do that is as long as my arm, but I credit my husband, Joe, for educating me on how to pack! And Art & Marge Huhta threw in a few tips too! Actually.... Joe is out working today and I have more room in the suitcase.... Now what can I put in there.... (Then I hear Art say.... Pack, then put back half of what you packed, yeah, right....). We are flying up to Spokane, WA to stay with my brother and sister-in-law for a couple days, then driving over the Cascades to Seattle on Monday, have dinner with my niece, nephew and his wife, stay with friends, then off to the ship on Tuesday,

Madam Pres

where we will meet up with the Huhta's, Baddley's, Glodery's and 82 other Corvette enthusiasts for our adventure! Desert Corvettes organizes a cruise every year, so if you want some details, let me know. And just so that we don't stay away from the Corvette theme, there are Corvette Hot Wheel Races and a Car Show, so yes, I have 4 Hot Wheel Corvettes packed in the suitcases with 'flare and bling' to glue on when we get there!!! Of course we've been checking the weather and it's raining every day, so I had to call my brother and tell him not to laugh at me when I get off the plane in Seattle in rain boots.....it's going to be 82 in Spokane – ah, just tell them I'm from California!

And just 2 weeks ago, my other niece and 3 kids were here from Texas..... wow – ages 11, 12 & 13!! So THAT'S where all the energy is! I was able to get to go to the OC Fair with them, Joe gladly went to work. It's been about 16 years since I've been to the fair..... for those who didn't get to go – it's changed some. I will say that the little stuffed animals that you win are better quality, but then the price you pay to play the games aren't what they used to be either.

August 7th was our long awaited rallye event combined with Donnell from the CHP and Maria at Mattel. We had invited our good friends from Pomona Valley Corvettes since they also support CHiPs for Kids – Thanks PVC! The rallye started out at the CHP office and ended at Mattel's HUGE warehouse in San Bernardino! Bill Darke took on the task of BBQ lunch for us – Thanks Bill – I know that grill was hot! This was a small event; however, thanks to all those who attended and their gracious hearts, Marietta was able to present Donnell with a check for \$988.00! And thanks to Maria with Mattel for donating so many fun raffle prizes along with giving us an additional 30% off toys in the store! We were able to buy toys to

donate to CHiPs and also maybe early Christmas presents for our own! This went over so well, you just might see another similar event coming next year!

Ah, Santa Maria... (Hi Charlie – I know you read this!!) Vapor Trails had a Car Show and Rallye and it was held at the Santa Maria Inn – very nice place. But of course we always go for the points, I mean the raffle prizes, I mean the wine, uh the people! Once again another great event – Thanks to all at Vapor Trails!

On August 22nd, is Corvette Super Sports special day! Our Annual Car Show over in Huntington Beach. While I will not be there for the first time in 7 years, I truly will be thinking of all the hard work that this club will be doing. It's exciting that this year our registration will be conducted by a customized computer program that our very own Cliff & Michelle Owens have created. It takes months to prepare for a Car Show this big. Pre-registered is at almost 200 right now! The time, the efforts, the energy and long hours are truly rewarded when we are able to support our charities. We all know that they are in need of our help and at the end of August 22nd, clubs members will be spent and exhausted, but on the 23rd, they know it was "All for the Good". I deeply thank everyone for being a part of CSS and contributing to this event.

Ok, I have short-timers attitude, so I wish everyone a very Blessed rest of August! September continues to fill up with more fun stuff! Check the website for continuous updates!

As always, I would like to send out prayers and speedy recoveries to all our family members that have been down for health reasons or whatever reasons. We stand strong with you.

For all those taking vacations this coming month, please have fun, be safe and smile all the time.

Always Remember our Veterans that have served in the past and present! God Bless America – Now and Always!

Respectfully,
Cindy Orrico
President - 2010

August Birthday Celebrations

Corvette Super Sports wishes Roger Bacon Happy Birthday

I left the no-spin zone to hear Roger describe his birthday as "nothing short of spectacular." Further inquiries revealed that he went to dinner with Carol. Ok, that's a fair celebration. But then, he said he will celebrate more fully after the car show. He will splash in his neighbor's pool and party next door. "All is on hold. My birthday month is progressing," he said.

Corvette Super Sports wishes Greg Glodery Happy Birthday

Since retiring from CSS Presidency, Greg is not expecting birthday gifts. "I am beyond those days," he said. He and Chris went to the King Fish House for his BD dinner. No surprises and he is happy about that.

Corvette Super Sports wishes Cliff and Michelle Owens Happy Birthdays

When I asked Cliff what happened on their birthdays, he loquaciously replied, "nothing." This is tough to report about. So, I pressed for more information. He elaborated, but I can't report on that. Children may be reading this.

Corvette Super Sports wishes Marcia Lynch Happy Un-Birthday.

Marcia should celebrate on 11/8 not 11/7. Or phrased differently, party on Nov 8 not 11 Aug. Confused? There's more. Marcia has decided not to celebrate her birthday any more. That means no presents, no special dinner and no cake. So she will have 365 un-birthdays. No cake is a bit extreme, I think.

If you have a suggestion for a Corvette Event or a Social Event, please contact Geoff at GBGirvin@yahoo.com

One suggestion has been dropped into the suggestion box for a cruise to the Calico Ghost Town with a stop at Peggy Sue's. Thanks to Chuck Rosen for this. We will work to insert this into the schedule.

The July General meeting theme was "Red White and Blue".

Club Events for August

The August adventures for Corvette Super Sports members were as varied as in July. This month's activities included a new Charity Event for CHiPs for Kids, a cruise with other Corvette enthusiasts, a fun filled Rally in Santa maria with our dear friends Charlie and Joan and Hector and Gail, and of course our own annual Car Show.

Mattel and CHP Fundraiser

On August 10th, Corvette super Sports combined efforts with the Pomona Valley Corvette Association and participated in a Poker Rally from the Baldwin Park CHP office where CHP Officer Donnell Holmes works, to the Mattel Distribution Center in San Bernardino to raise funds for CHiPs for Kids and Hill View Acres. The event swamped the CHP office parking lot and blocked both entrances so no officers in cars could get in or out. Donnell and the Public Information Officer at the office provided all of us a very interesting presentation about the CHP from the Academy in Sacramento to the Cop on the street. There was even a demonstration of just how long a 5 second burst of a Taser Gun is. Each officer now carries a Taser gun on their belt and it is bright yellow in color. It has hooks that can penetrate 3 inches of clothing and will hook into any body part it is aimed at. Once the trigger is pulled

and the gun determines that there is a circuit connection in the body it was shot at, the gun discharges 5 seconds of muscle deflating 1200 volts rendering the body a flopping mackerel. The Public Relations Officer showed on the ceiling where the laser range finder was glowing bright red, just how long 5 seconds is. This is not something I would ever want in me or in anyone I know.

The North Orange county crowd left from our usual location at 8:15am for the 40 minute caravan to Baldwin Park

As you can see, the parking lot was crammed

First Stop on the Poker Run was the Mattel store in the City of Industry.

The Second stop was the Mattel store in Pomona

The final stop was the Mattel Distribution Center in San Bernardino

See, Shirley does bring her car out for joy rides!

Vapor Trail Vettes Rally – Santa Maria

Corvette Super Sports members go to VTV events every year in droves. Charlie and Joan Perry and the rest of the officers in VTV are special friends and CSS supports all their events with passion. This rally was on August 17th at the Santa Maria Inn. The rally started with a People's Choice Car show, a rally through the farm and wine country surrounding Santa Maria and a couple of games back at the starting point that most of us just could not master.

Friday night was entertaining at both venues where CSS members congregated. Half the team stayed at the headquarters hospitality suite and consumed mass quantities of fermented grapes. The other half of the team went to the Far Western Tavern in Guadalupe and consumed massive amounts of local beef. Yours truly was at the beef roundup with a distant cousin of "Clyde". You all remember Clyde, don't you? Clyde is one of the camels at the Camel Dairy in Ramona. Lest you forgot, you can see Clyde and me together on the web site.

Just to make sure my better half is confused, Clyde's relative is on the right.

Joe seems to be having too much fun. I hope it affects his racing.

Corvette Super Sports Annual Car Show

For the second year, the CSS had its annual car show at the Miller construction office in Huntington Beach. The following pictures tell the story:

Al Paer, on the right, told me he never wins on the 50/50 but he bought one ticket anyway. He said it is already spent though for part of the 32% increase in tuition at the UC system where his oldest daughter is studying.

Editor's Corner

I would like to express my gratitude to all the CSS members who sent me notes of congratulations about our newsletter winning 2nd place in the NCCC Newsletter Contest. The contest judges, 3 from various regions in the US, looked for a specific content and creativity.

"Under the Radar" achieved national recognition. Truly though, I could not have done it without all of you. First we owe thanks to Jennifer who originally wished we could run "Under the Radar" which became our Newsletter Name. Next we owe thanks to Officer Donnell who graciously gave up a day off to indulge me in a staged radar stop. We owe thanks to Ron D and Karen for their part for almost actually getting the ticket on the back cover when Ron could not find his registration when asked by Donnell. Finally I need to thank the membership at large for participating in all the events that you do which gives me ample situations to turn on my fertile mind as editor. My creativity would be nothing without your candid poses and comments.

So congrat to all of us
