The Monthly Newsletter of Corvette Super Sports

Volume 51 number 7

July 2010

Corvette Super Sports is a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc. We support (N.C.C.C.) National Council of Corvette Clubs, National Corvette Museum, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

We welcome guests to our meetings on first Tuesday of each month at 7:00PM at "SIZZLER" Steak, Seafood & Salad Bar 1401 N. Harbor Blvd, Fullerton, CA 92835 (Harbor Blvd. at Brea Blvd.)

Corvette Super Sports Charities, By Marietta Darke: For many years, CSS has been a major sponsor for our two main Charities; **H.I.S. House Transitional Shelter and CHiP's for Kids.**

HIS House is a 4-6 month program for homeless men, women, and children to prepare for and secure employment, education and permanent housing.

CHiP's for Kids began with an individual **CHP** officer that spread like wildfire within their own departments. To reach out in the community to help abused, orphaned, and seriously neglected children. Corvette Super Sports was introduced to **Hillview Acres Children's Home** through our involvement with the **CHP**. Hillview brings hope through a safe therapeutic environment, to help children regain trust, a place to heal and away from serious emotional disturbances.

Through our volunteer and club events such as car shows, visits, work/clean up day, donations, garage sales, Corvette Super Sports donated not only many hours throughout the year but also monetary donations. HIS House and CHiPs, combined, have been recipients of \$5000 each year. We hope that this will continue with our SUPERSPORTS member's efforts.

Appreciate your support.
As Always,

Charity Donations

Corvette Super Sports was blessed during 2009 to have provided venues that attracted many participants. From our activities, we were able to donate to our charities as follows:

Hill view Acres \$3,500

His House, Placentia \$3,500. In addition our members donated new pillows and cases at the end of the year.

In addition to our sponsored charities, we also felt compelled to provide funding to other charities:

Alzheimer's \$500

Counsel On Aging \$500

Corvette Super Sports believes that it is our duty to participate in other Corvette Club's activities to support their charities.

Don't forget the Board Meeting on the 3rd Tuesday of the month at 7:00 PM. The meetings' venue will be changed each month to add variety. Board meetings are open to all members. We encourage you to attend and welcome your comments pro and con.

Come to a board meeting and you too can be pictured here!

The July Board meeting was held at the G&G B&B (Geoff and Ginger's House)

Greeting from the Crowded Beach Area!

School is out for the summer and if you are looking for your kids, they are down here..... Especially now since the OC Fair has started. And look at traffic jams! I remember attending Newport Harbor High School down here, getting to drive my parents Maverick (did I just 'date' myself"?), color was call Frowdy & Guilt (Would LOVE to know who came up with THAT color!). My girlfriends and I would just love to 'cruise' Newport Blvd at 3 miles an hour, take an hour to go three quarters of a mile....cause of traffic. And that was even a few years ago when there weren't so many cars. Now, a few years later, I'm so fortunate to know the back roads!

As I sit here today, starting to write this, I realize that Joe's and my vacation would have started..... driving to West Palm Beach, Florida for the NCCC Convention, for which we have loved doing the last 3 years – Nashville, Tulsa & Colorado Springs. Last year, after Colorado Springs, we knew the convention in 2010 would be in Florida at the Marriott Resort – my kind of camping! At first, we were all excited about the road trip.....then looked up the mileage only to find out that it would take 40 hours as the crows fly, thus figuring would take 5 long driving days to get there, spend one glorious week at the Convention, as long as we didn't leave the Marriott Hotel and go outside. Another month went by and the excitement of that road trip turned into, well, maybe we should fly, then spend the glorious week at the Marriott Hotel.....

Madam Pres Keeps Us Inline

Then we realized that the dates would be at the end of July.....in Florida..... Then Along Came Desert Corvettes with a Corvette Alaska Cruise at the end of August and saved our bodies from extreme humidity!! (I think.....) Joe weighed out the thoughts of Florida in July or Alaska in August – Solved That!! So this will be my 1st EVER cruise! Needless to say how excited I am! Plus... we have the Art/Marge Huhta, Mike/Kathy Baddley and Greg/Chris Glodery going with us! This could be very scary. We just might have to come up with that old saying....."What happens on the cruise....." And with

that being said, I guess I'm very happy to be sitting here typing this instead of driving to Florida – this year anyway!

NCCC points. I didn't even really know what they were till last year. This year, has given me some great chuckles because I've seen bigger Points Chasers than the people who belong to CSS!! Points Chasers going to great lengths! July did start with another sweet ride in the Vette up to Santa Maria for the Vapor Trails Autocross. Avid Racers, we are. Heck yeah, we'll drive 4 hours to be able to rev our engines up for 3 minutes!!! I truly loved the Santa Maria course this time, it was 1st gear the whole time. Hard on the throttle, hard on the brakes! And fun! Thanks Vapor Trails!

CSS was also specially invited to a Picnic, hosted by So-Cal. We were unable to go, however, I have seen the pictures on our website and hope to see a write-up in the Newsletter about it. Thanks to So-Cal too!!

So unfortunately, there were 3 events going on the same day, the Autocross, picnic and also a trip planned to Mullen Museum. So many things to do, just one of us. I have heard good things about the Mullen Museum and seen the pictures on the website also, along with hearing comments that we would like to see if there could possibly be another trip planned to go to the museum for those who missed it. Ok Art, that's a hint..... did you get it????

Pomona Valley put on one of heck of a fun rallye! I got to drive, while Joe was my navigator and a good one he was too! The rallye took us up Mount Baldy. And we all know, what goes up, must come down. THAT was one fun road to drive!!! Not for people who get car sick, but for those who don't, wow! I still can't figure out where they hired all those crazy people that were riding bicycles up and down that mountain! Good actors and actresses!! Of course with the fun event, CSS took home lots of hardware Again..... (Points chasers...)

Homeland Security – getting to be quite popular or else the others are finding it quite scary with a picture of 8 woman standing firm holding their shotguns! Good thing there's no points for this event!! (For me, anyway!)

We have another bowling attempt coming up on July 31st!! With pot luck to follow!

Our very own Marcia Lynch published a article that you can see below in this newsletter! How exciting for Marcia! Way to go!

I would like to remind all CSS Members, 3 issues:

1. CSS has been around for over 50 years! (Gee, me too!) Bert volunteered to organize a listing of all CSS owned property and history of the club. Please advise him of any articles or belongings of Club History that you may have. Let's remember, that all the past possessions belong to the Club for it's 50 years of History. If anyone has a desire to be the 'keeper' of these items, just ask, but please let's give Bert the information of who, what, when and where. Bert married Joe and me....I don't want to be on his bad side....
2. I have looked at our website at the section of "Members & Their Cars"..... ☹ I count 17 members that do not have their pictures on the site yet. Doug has put so much effort into making "Our" Club website a fun place to go to, so let's get those pictures in. You know who you are!! Actually, we all do! We all know what Doug used to be – I 'certainly' don't want to be on his bad side either!
3. Don't forget to bring CSS related pictures to the meeting for our Display Case!

Thanks to All!

I would like to send out prayers and speedy recoveries to all our family members that have been down for health reasons or whatever reasons. We stand strong with you.

For all those taking vacations this coming month, please have fun, be safe and smile all the time.

August is filled with yet more fun stuff for everybody!

July Birthday Celebrations

Corvette Super Sports wishes Cindy Costello Happy Birthday

Cindy and dozens of her closest friends gathered at Big Bear on June 25 to celebrate. It was nice of Garry and Shirley to host her party. On Monday, her niece (15) and nephew (12) made a cake and celebrated her birthday again.

Corvette Super Sports wishes Annette Watkins Happy Birthday

Annette had fun. Her mother located a player piano for sale in Santa Barbara. After a visual examination, Annette bought it. The fun part was tying to her Corvette and towing it home through L.A. They had to stop several times to replace the casters. We should have caravanned with her.

Corvette Super Sports wishes Gary Watkins Happy Birthday

Gary had a recumbent birthday. Not feeling well, he watched TV all day and into the night.

Corvette Super Sports wishes Bob Kump Happy Birthday.

Bob was surprised with a family dinner (sons, daughters, and grandchildren). We counted 10 of them at BJ's Restaurant and Brewhouse in Chino. Normally at dinner-outs, dad pays for the everyone, but not this time. Vicki paid. Bob received car supplies from everyone. He is happy not to be 39 any more.

Corvette Super Sports wishes Mike Baddley Happy Birthday.
He and Kathy went to Dukes at HB pier for dinner. While there, Kathy's brother and family stopped by and they celebrated with Mike. No surprises. He won't admit to any gifts.

Corvette Super Sports wishes Ellis Chee Happy Birthday
When I called, Ellis was at his Hot-Rod club meeting, which was after his meeting with the radio controlled airplane club, which was after his run to the hobby shop. Ellis had a busy birthday. We're glad to know that. He was surprised with gift certificates to be used at the hobby shop. His family did good.

If you have a suggestion for a Corvette Event or a Social Event, please contact Geoff at GBGirvin@yahoo.com

One suggestion has been dropped into the suggestion box for a cruise to the Calico Ghost Town with a stop at Peggy Sue's. Thanks to Chuck Rosen for this. We will work to insert this into the schedule.

The July General meeting theme was "Red White and Blue".

Club Events for July

July not only started out with a bang for the Fourth of July but extended into the succeeding weeks. CSS members went racing in Lompoc amongst the trees and light poles with Charlie Perry and his Vapor Trail team mates, visited the Mullin Car Museum in Oxnard, went to a SOCAL Reunion Picnic, Rallyed with the Pomona Valley Corvette Association through the back roads of the San Gabriel Mountains, and improved their marksmanship at the local Homeland Security Training Facility. The month was finished off with a pot-luck bowling tourney at our favorite lanes in La Habra. Unfortunately, the bowling event concluded after press time for the newsletter but will be recorded in the August edition.

Vapor Trails Low Speed Autocross

One of the most technical and challenging autocross events of the season was the track layout in Lompoc that Charlie Perry's devious mind put together. This course looked like multiple giant bowties thrown helter-skelter in a student parking lot amongst the trees and light poles. The course was designed to challenge the drivers skills and to prevent cars from picking up any speed around the course. The trees kept the driver's need for speed in check while the switchbacks kept the

computerized active handling systems questioning the driver's motives. More than one car's active handling system gave up and thought its driver was an idiot.

In addition to this being an NCCC sanctioned event, there were other types of cars competing at the same time. There were Fiats, Porsches, a Lotus, a Volkswagen and a Pontiac. It was interesting watching the Porsche 924 go around the tight corners and lift a rear tire off the ground, compared to Ed Norris who ran like a little slot car.

However, in the typical style of the Corvette Super Sports members, the weekend started out with a pre-race dinner at a local steak house in Lompoc. Joe, Cindy Geoff, Ginger, Jennifer, Charlie and Joan, and Todd mixed perfectly with the restaurant owner, his wife and staff.

For those of you who went to Colorado Springs to the convention last August, you may recognize Todd Girvin above, who came in to finish up the leftovers.

Then the Races:

These pictures are just an assortment of those that attended: Joe and Cindy, Mark and Cindy, Fast Eddie, Dave, Geoff and Ginger, and Jennifer.

The unofficial results of the 2 events for CSS members was: Dave A 1st, 1st, Fast Eddie 1st, 1st, Geoff 1st, 1st, Mark 1st, 1st, Joe 1st, 1st Jennifer 1st, 1st Cindy O 1st, 1st, Cindy C 1st, 1st.

Pomona Valley Rallye

The PVCA Rallye started out at Hibbard Chevrolet in Claremont. The route took us through Claremont, up to Mt. Baldy, across the Glendora Mountain Road, then towards Camp Williams, down to Azusa to San Dimas, La Verne, Glendora and back to Claremont. This year the PVCA decided to re-enact the dead body scene from last year's Rallye. This year though, the body was fake, unlike last year. The team set up a crime scene for us to investigate and use our powers of observation to solve the crime. In addition, they had games to play before and after the Rallye.

Yours truly made a special request of the Rally Master so that we could be the first car out. This year my daughter, Tiffany participated with me but as many of you know, she has a 10 week old baby, Talan, at home whom she is nursing. So Tiffany and I took off first and were about the first car back because after 3 hours, Tiffany was swelling up and was in dire need to get home and feed her little boy. The PVCA team could not have been more cordial and helpful for Tiffany. We got home in time without her bursting.

Fellas: Need I say more?

Mullin Auto Museum

On the day of the Autocross, Art led a small crew of CSS members to the Mullin Auto Museum in Oxnard. When they arrived they found that 3 other Corvette Clubs were there already as well as a local Rolls Royce club. The museum was filled with beautifully restored automobiles as you can see below:

Socal Reunion Picnic

The Picnic was billed as an event to remind us of the good old days when the SOCAL Corvette club and Corvette Super Sports did a lot of activities together. The Picnic was well attended by those tht did not go to the Mullin Museum or the autocross in Lompoc. As you can see from the pictures below, there seemed to be something for everyone including games to play and places to sleep.

At the bottom of this newsletter you will see a trivia question submitted by Rick Miller about this Picnic event.

Back by popular demand are the trivia questions:

Attached is a picture from the Picnic. The picture holds the answer to the following Trivia Question,
