*June 2010*

**Corvette Super Sports** is a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc. We support (N.C.C.C.) National Council of Corvette Clubs, National Corvette Museum, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

We welcome guests to our meetings on first Tuesday of each month at 7:00PM at "SIZZLER" Steak, Seafood & Salad Bar 1401 N. Harbor Blvd, Fullerton, CA 92835 (Harbor Blvd. at Brea Blvd.)

**Corvette Super Sports Charities, By Marietta Darke:** For many years, CSS has been a major sponsor for our two main Charities; **H.I.S. House Transitional Shelter and CHiP's for Kids.**

**HIS** House is a 4-6 month program for homeless men, women, and children to prepare for and secure employment, education and permanent housing.

**CHiP's for Kids** began with an individual **CHP** officer that spread like wildfire within their own departments. To reach out in the community to help abused, orphaned, and seriously neglected children. Corvette Super Sports was introduced to **Hillview Acres Children's Home** through our involvement with the **CHP**. Hillview brings hope through a safe therapeutic environment, to help children regain trust, a place to heal and away from serious emotional disturbances.

Through our volunteer and club events such as car shows, visits, work/clean up day, donations, garage sales, Corvette Super Sports donated not only many hours throughout the year but also monetary donations. HIS House and CHiPs, combined, have been recipients of \$5000 each year. We hope that this will continue with our SUPERSPORTS member's efforts.

Appreciate your support.  
As Always,

**SAVE the WAVE**

**His House, Placentia   \$3,500. In addition our members donated new pillows and cases at the end of the year.**

**In addition to our sponsored charities, we also felt compelled to provide funding to other charities:**

**Counsel On Aging       \$500**

**Corvette Super Sports believes that it is our duty to participate in other Corvette Club's activities to support their charities.**

## **Hello From My Heart To Yours Cause My Brain Cell Still Isn't in Tact**

Hello and welcome to summer, which by the way, hasn't really warmed up at 'our' house in Costa Mesa yet (maybe I shouldn't have said that!) AND.... If this newsletter gets out on July 1<sup>st</sup>, just a friendly reminder that we have 178 days till Christmas!!! (Was that moaning I heard?)

I'd like to start out with an exceptionally huge Thank You to Corvettes West for their heartfelt donation of a brick in honor of Kristin Norris at the Corvette Museum. It has been made and should be on display by now. I have spies there right now looking for it to take a picture. I say this on behalf of all Corvette Super Sports Members. Appreciation is also extended to express to all of the Corvette Clubs and Family members for their support and love. This was the roughest of roughest times and you were all there.

### **Madam Pres**

And another Thanks goes out to our Las Vegas family for the Pow Wow that we had in Las Vegas at Corvette Roulette! This is truly an exciting event, even if there weren't slot machines.. It's amazing to think that you are in Las Vegas..... on a Holiday Weekend; however, you would never know it because they had us set up at The Orleans Hotel, which is set off the strip, so you can go, have an incredibly good time and have no idea of how much traffic is actually out on the Strip! What happened in Vegas didn't stay there, silly! The money came home with me! But then..... Joe and I got to go back to Las Vegas two weeks later to see Joe's youngest daughter get married, so what I came home with from Corvette Roulette, went back to stay on the second trip. Note to self..... Can we come up with a saying for that? What happens in Vegas can be taken home, but can go back? While we were there for the wedding, we went to see The Fab Four (Beatles!) I remembered every word to every song, but my body just didn't move as fast to the music as it did back then, go figure! Key word is "Figure"!

June was a busy month for us, however, we did miss a couple Car Shows, including the OC Vette / Huntington Beach Concourse Show (hopefully someone in the club got a trophy); The Vette Set Show (hopefully someone in the club got a trophy). Details hopefully will be in our Newsletter and also via website. ) Sniff....sniff... do I smell....Points Chasers?

Some CSS members had a fun day at Connell Chevrolet during a Co-Hosted Car Show with Barrett-Jackson since Barrett was in town for their Really Big Show the following weekend. Connell has never done a car show before, so while I was in the showroom, chumming with some friends, the car show was mentioned, so yes, I volunteered and I like to thank those that volunteered to help me. We made quite a good impression for ourselves and were truly appreciated! And... there were free Barrett-Jackson tickets

for the Really Big Show the following weekend, so hopefully, those who were in town were able to enjoy the show! Someday, I would love to go to a Barrett-Jackson show, just because I heard that there was cool stuff to buy.....besides cars.... My neighbors went and said they had a blast!

And... of course we weren't at Barrett-Jackson because we were at the Big Bear Bash! And what a Bash it was – again! Up high in the Big Bear mountains...fresh air.... Yawn... wine..... food.... Incredible people..... I would need a nap, but fun and excitement was all around! And our dear friends from last year were there too! “*The Yellow Pollen*” There should be a quiz as to how many people told Dave Alciatore.....”Gee, you are lucky with the yellow car, the pollen doesn't show!” I know I was #14 in telling him! I just can't say enough about Garry & Shirley Jones, along with Donna Stewart which goes up early to help them prepare for us Points Hungry Mongrels. Garry, Shirley and Donna are just tireless during Friday, The Bash Before The Bash. And that's why most everyone goes to the Big Bear Event – for the Before Bash at their home. And we so sincerely Thank You for all that you do for us!! Not only the Before Bash, but the Brunch that you prepare on Sunday morning for us after we lost the Rallye, well, some of us losers..... ☺ Be sure to check the Newsletter to see the winners!

Today as I write this, we have 2 Club (Family) Members that are in need of prayers..... Ron DeBartolomeis recently underwent Hip Replacement Surgery and is wanting to go back to harass the nurses again. And Chris Spencer is having medical issues that is getting him out of doing laundry for 3 weeks, so if we could all remember them at this time.... And of course we also need to consider Ron's wife Karen and Chris's wife Jennifer. United we conquer!

But my **favorite part of the day**, which I must say truly brought me to tears ..... is that I received a call from Dawnette Norris – asking how “I” was doing after all that has been happening in the club. Now **there** is a woman that I want to become. I can not express my admiration to that woman. I not only love her, I had to buy a different car so I wouldn't have to be in competition with her in autocross! I love you Dawnette – and thanks for the call! XOXOXOXO.

Well, July 4<sup>th</sup> is right around the corner. And you know, we live in Costa Mesa where Fire Works are legal! But guess what? We are too old to stay up that late to watch them and too deaf to hear them when they go off!! LOL

July is filled with yet more fun stuff for everybody!

## **June Birthday Celebrations**

### **Happy Corvette Super Sports birthday to Garry Jones**

Garry spent his birthday after an exhausting trip to Florida. Not to worry, fellow Corvetters, he planned to have his alpine resort ready for the Big Bear Bash.

### **Happy Corvette Super Sports Birthday to Charles F. Rosen**

Chuck was expecting an at-home birthday dinner, but Sue "kidnapped" him instead. I supposed this saved the cake decorating effort, but never the less they went to their special restaurant. While there, 10 of their friends appeared with joy and birthday cards. Chuck paid for dinner and maybe; that is why the friends showed up. For dessert they went to Farrell's and enjoyed ice cream. Everyone except Chuck. The waiter "accidently" dropped ice cream on his special hat. It melted down...down...down.

### **Happy Corvette Super Sports Birthday to Chris Spencer**

Chris received an outstanding surprise when his son flew in from Fort Leonard Wood, Missouri, where he is undergoing training for combat engineers. They celebrated by going to the San Diego Padres vs the Mets game. Good seats, good game, good times.

### **Happy Corvette Super Sports Birthday to Sal Cruz**

Sal took it easy on his birthday. He and Teresa went out to a Mexican food restaurant. He enjoyed the day and the relaxed time.

### **Happy Corvette Super Sports Birthday to Doug Mariani**

While most of us would go to dinner or party with pals on our birthday, not Doug. This happy camper spent the day tuning is '80 and '69 and '68 Corvettes. "I'm very happy," he said. "I gave myself the best gift possible. The cars run great."

#### Happy Corvette Super Sports Birthday to Geoff Girvin

Geoff is another year older. When I asked him what he did on his birthday, he said "Check with Ginger." When I ask if there were any surprises, he said "Check with Ginger." I have heard that approaching the elderly years, memory is the second thing to go away. Let's all keep an eye on Geoff and make sure he does not wander away from the meetings.

#### Happy Corvette Super Sports Birthday to Marietta Darke,

Marietta said there were no surprises on her birthday that she can remember. It's that aging memory thing again. She shared her birthday with family and they went to the George Key Ranch. No horseback riding or cattle roundup this time. They enjoyed a leisurely day.

#### Happy Corvette Super Sports Birthday to Elaine Cooper

"It was a nice day. I had lunch with Jim," said Elaine. The previous weekend they spent the weekend in Las Vegas. She was happy that her boys called to wish her a happy birthday.

**The June General meeting theme was Graduation or School is out for summer. Can anyone sing the rest?**

## **Club Events for June**

**June -3, -2, -1 (MAY 29, 30, 31 for those of you who have not figured me out yet). Corvette Roulette was a blast. This year's event was wrapped around the theme of Cowboys and Indians with colorfully named events and a costume party for the banquet. (More about that later).**

**The Memorial Day Weekend with the great folks at Corvette Roulette was a fantastic rally. It was a direct result last year's event that yours truly decided to attend and I was not disappointed. From the Car Show with 6 Calloway Corvettes including Larry's Farrell's bright red 2010 Grand Sport Calloway, to the rallies to the autocross to the pre-banquet festivities at Cindy's room to the banquet costume party to the winning in the casino, there was something for everyone.**

**As usual, multiple caravans left at different times to converge on the Orleans Hotel in Vegas. I decided to pack in with the group that had the Valentine radar units. This turned out to be very smart as there were many CHP and NHP cars on the road.**

**Pre-Party Activities**

**Checking out the facilities**

**Joe's costume worked on anyone who wore it**

**The Electric Slide**

**Table Decorations**

The following are odd pictures showing the contortions that we point chasers will go through just to get the spot we know is there but that the judges were too old to be able to bend over and see!

**Geoff**

**Charlie**

**Joe above Charlie below**

**Dave above Cindy below**

**Ed**

**Go Vicki – Bob supervising**

**And then there was the Autocross with matching Times Autocross. Now I was feeling very good about there being only one second between my matching time runs but the first place trophy went to someone who ran flat out and the differential was a tenth of a second. Pretty good for using stop watches.**

## Vet Set Car Show

Thanks to Roger Bacon for reporting on this show:

The Vette Set car show was held at the AES (Formerly SCE Alimitos) Generating station, The show had 150+ cars, Mostly Corvettes and about 30 other types of cars Including 57 Chevy's, Camaros, Chevelles, Classic cars and others including a cool restored Long Beach police car from the early 70s (Think 1 Adam -12 !! ) Tours of the plant were made available by the AES staff, who I have to admit, did a great job of putting on the show in conjunction with the Vette Set Guys.

Our club had 9 members present, seams we missed club participation by 1 member!! Any way when it came time for the awards, our club acquitted itself quite well, A feat performed by one other club member that I can recall, was matched when Mr Larry Farrell Won 3 awards at the show, One for each of his 3 Corvettes he brought to the show, with the help of Doug Mariani and Larry's son driving the other 2 cars.

Other awards were one by Myself for my Camaro, Ed Norris and Dave Alciatore. A good time was had by all and at the end of the day Corvette Super Sports had once again done our part to help support our fellow Vette enthusiasts.

## The Bash Before the Big Bear Bash

What can I say? Garry with 2 “R”s and Shirley open their home to all of us every year for what turns out to be one of our favorite social events. The potluck and the people and the stories are too amazing for words. Just look at the pictures and see for yourself.

I guess Dave and Ed got up too early!!!

The first activity on Friday morning was the People's Choice Car Show. I am told that the pollen this year was not as bad as last year. Well if that is true, then last year it must have snowed yellow. As it was, this year's pollen covered the cars with a thick dusting of yellow stuff that got everywhere. Even with the windows up, it got into the cars. Interestingly enough, Dave's yellow Z06 only looked like it had dirty windows and my car looked yellow. Bob's C4 was so covered it looked brown as you will see in the following pictures:

**It is truly amazing what 3 points will do to one's behavior**

. Then the party after the Car Show:

---

Sweet!

**Then the Autocross was held on Saturday morning. It was a beautiful day and there were lots of racers including Chuck Rosen, our newest “Racer”.**

**And the Cheer leaders**

**And the Novices were walking the course like little ducklings.**

**More Cheer Leaders**

**Let the Racing Begin!!!**

**Another novice racer now hooked with race fever!**

Then the real fun began. No not the costume party, but that was very fun too. I mean that we had to remove an invader of the house we were in. It was small, ran fast, had four legs and a tail. But the CSS Exterminators went into action.

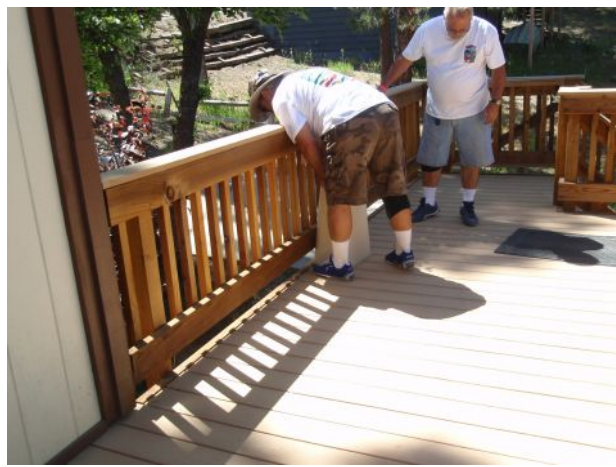

First we jumped into action

Then we cornered the little beast, then we humanely moved it outdoors

Now the real fun began. Any Chance to dress up

**Then Sunday morning Shirley, Donna and Garry with 2 "R"s put on a breakfast buffet after the poker rally before heading down the hill.**

**Finally the event with its never ending beer truck came to an end. The Poker Rally winners were Dave and Mark with three 5s at third, and Jennifer and Dawnette in Second place with three 9's**

**In the end, CSS members came away with the Pirate's Share of the booty:**

## **Editor's Corner**

**I would like to say a special thanks from those of us in the club that have lost loved ones this year. Garry and Shirley planted a special tree in their yard in honor of Dave Stewart, Ilona Alciatore, Dick Girvin and Kristin Norris.**

**It was not very conspicuous but the name tags fluttering in the breeze made me feel very happy to remember that just like the gentle breeze on the tags, our loved ones are in a heavenly place too.**
