*The Monthly Newsletter of Corvette Super Sports*

*September 2010*

**Corvette Super Sports** is a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc. We support (N.C.C.C.) National Council of Corvette Clubs, National Corvette Museum, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

We welcome guests to our meetings on first Tuesday of each month at 7:00PM at  
"SIZZLER" Steak, Seafood & Salad Bar 1401 N. Harbor Blvd, Fullerton, CA 92835  
(Harbor Blvd. at Brea Blvd.)

**Corvette Super Sports Charities, By Marietta Darke:** For many years, CSS has been a major sponsor for our two main Charities; **H.I.S. House Transitional Shelter and CHiP's for Kids.**

**HIS** House is a 4-6 month program for homeless men, women, and children to prepare for and secure employment, education and permanent housing.

**CHiP's for Kids** began with an individual **CHP** officer that spread like wildfire within their own departments. To reach out in the community to help abused, orphaned, and seriously neglected children. Corvette Super Sports was introduced to **Hillview Acres Children's Home** through our involvement with the **CHP**. Hillview brings hope through a safe therapeutic environment, to help children regain trust, a place to heal and away from serious emotional disturbances.

Through our volunteer and club events such as car shows, visits, work/clean up day, donations, garage sales, Corvette Super Sports donated not only many hours throughout the year but also monetary donations. HIS House and CHiPs, combined, have been recipients of \$5000 each year. We hope that this will continue with our SUPERSPORTS member's efforts.

Appreciate your support.  
As Always,

**SAVE the WAVE**

## **Charity Donations**

**Corvette Super Sports was blessed during 2009 to have provided venues that attracted many participants. From our activities, we were able to donate to our charities as follows:**

**Hill view Acres                \$3,500**

**His House, Placentia   \$3,500. In addition our members donated new pillows and cases at the end of the year.**

**CHiPs forKids – Mattel Event donation \$988**

**In addition to our sponsored charities, we also felt compelled to provide funding to other charities:**

**Alzheimer's                \$500**

**Counsel On Aging        \$500**

Our wonderful SurfCityGarage/CSS Show had the honor of Teri, Director of HIS House and CHiP's for Kids PIO Officers Holmes and Ramirez, along with Maria from Mattel present to see first hand our hard work and dedication that goes into providing funds for our two main charities. Teri and her husband entered their car, and their picture has been posted on our website.

As Always,

Save the Wave,

Marietta

### Orange County Ronald McDonald House

Our House is a "home-away-from-home" for families of children who are hospitalized and require medical treatment for serious and/or chronic illness. It is open to families of those children who are hospitalized and to those with children who are receiving treatment at outpatient clinics. Our House has been chosen as the site for our "Pop Tab Program" by the Ronald McDonald House Charities.

#### Pop Tab Trivia

For you know ...  
1. Each = 1 pop tab  
1. Each = 12 pop tabs  
1. Each = 40 pop tabs  
1. Each = 1,200 pop tabs  
1. 100 participants = 1 pop tab

1. Each = 10,000 pop tabs  
1. Each = 10,000 pop tabs  
1. Each = 10,000 pop tabs  
1. Each = 10,000 pop tabs

pop tabs, donors and a program with our friends, Ronald McDonald, bring us a "pop tab" to make you smile. Families are referred to our House for hospital medical expenses. The cost per stay is minimal, and we need if the family is unable to pay. Our House is supported by the generous gifts or services provided by the community as well. The "Pop Tab Program" is one of our ongoing fund-raising programs that help support our mission of being a "home-away-from-home" for the families of children requiring medical treatment at our House.

## **Fall Season? What Fall Season?!!!**

Hello All!

It was 106 degrees here yesterday, so....where's fall? Wow! I've lived in the Costa Mesa area most of my life and rest assured, maybe my memory isn't the best, but I never remember any 106 degrees before! I guess you could call me a sissy California girl!

Ah, but thinking of cool weather.....Alaska..... our Alaska Cruise was absolutely fabulous! Cold for most, wonderful for me!! If you have never been on the Alaska Cruise and have the opportunity, I would recommend it. The scenery is just beautiful..... And I'm not just talking about the food on the 9<sup>th</sup> Floor! The color of the water, the green trees, the icebergs at Tracy Arm Fjord, the little sea

## **Madam Pres**

towns that the ship stopped at. And at this point, I need to award myself a "Chicken Award". Joe really wanted to take the Float Plane up to see the glacier..... but I "Chickened Out" and yes, now I'm sorry after seeing the pictures. And I also learned that our "Bill" that you pay at the end of the cruise would have been much lower – and not from the wonderful foo-foo drinks that you can pay a pretty price for, but that darn casino! They just make it way too easy with that little credit card that you get to carry around to purchase 'anything', including inserting it into the slot machine and push the button that says "Charge to Room" Oopps on me.....heart stopped when I got the bill.....

Hopefully most everyone got at least one good vacation in this summer! Schools opened up again and the Halloween decorations are all ready out! My favorite season! Look out October General Meeting!!

CSS had our famous and dearly loved Car Show. And once again, it was a huge success, thanks to all that contributed in the effort to make the show happen. Our car show is what makes CSS proud have charities that we are close to and to make their lives a little easier and puts a smile on everyone's faces when the reward is presented to our charity representative. Every club strives to support their own individual charities; it's all about giving while having a good time, because we are the fortunate ones to be able to give the gifts. The giving of 'our time' is a smile on a less fortunate person. Nothing great was ever achieved without enthusiasm and that is what CSS has!

Our club certainly never runs short of events to go to! One was our own Donna Stewart had her annual pool party, for which we weren't able to attend, but I heard lots of giggles were heard throughout the neighborhood! We plan on making it next year, Donna, so don't stop having them now!

There were several car shows to attend in September that I am confident that people enjoyed from many clubs around. This was a big month filled with NCCC meetings and birthday's for Joe and I, so we are going to have to listen to others fun stories of these events.

We were able to fit in our schedule, that we plan twice a year (just seems more than twice) is the Spring Mountain Racing in Pahrump, Nevada. This weekend was special because we had some special appearances by Art Huhta and Chuck and Sue Rosen. Please don't ask them to tell the truth about Pahrump. It would ruin the excitement for others to give it a try..... I will say that with the heat being out on that asphalt, I gained 6 pounds from all the Gatorade that I drank. Oh, almost forgot that now Art and I have a standing challenge for every time we go to Pahrump.... (did you get that Art?) There are 2 arcade driving machines that you can race against each other. Our score is: Cindy = 1; Art = 1. That means Art needs to go back and Chuck and Sue need to stay longer to see more of the town. Oh, they did see the town on the drive from the hotel, 3.4 miles down to the track! Thanks for joining us; we really enjoyed having you endure the parking lot with us. We know the 'experience' will be in your minds for a while!

I also know that Cruisin for a Cure was held while we were gone. I'm sure there will be more explained on this in our monthly newsletter. Hopefully next year, we will be able to attend this huge, well loved event.

On this end, I believe there were only 3 thoughts on the down side. I found the flu, for which I didn't enjoy at all and my nephew, Travis, is now in Afghanistan and Joe's son-in-law will be on his way this week. I wish the last two God's Speed.

Again, we have several wonderful & fun events upcoming in the remainder of September and into October.... Including Boo Day! And Daylight Savings changes this year on November 7<sup>th</sup> this year. I know I'm forgetting so many other issues to remind everyone of, but I think the heat is getting me and our Newsletter Editor, Geoff, is pressuring me 'not' to write my own By-Line, so that he can. Now to me.... That can be scarier than Halloween itself!!

I ran across a few quotes I would like to share: (They made me think.....)

"The ultimate test of a relationship is to disagree, but to hold hands." (Alexandra Penney)

"When making your choice in life, do not neglect to live" (Samuel Johnson)

"Believe the best of everybody" (Rudyard Kipling)

"The same fence that shuts others out, shuts you in" (Bill Copeland)

"I wish I was the first person to say all that is written above" (Cindy Orrico)

I sign off tonight wishing everyone a safe, healthy and happy upcoming October. And please = don't be afraid to dress up for our October General Meeting on the 5<sup>th</sup>..... Cause I probably won't! Continue to check the website for updates! Thanks Doug for keeping us up to date!

As always, I would like to send out prayers and speedy recoveries to all our family members that have been down for health reasons or whatever reasons. We stand strong with you. Always Remember our Veterans that have served in the past and present! God Bless America – Now and Always!

Respectfully,  
Cindy Orrico

### **August Birthday Celebrations**

**Corvette Super Sports wishes Barbara Cuccio a Happy Belated Birthday.**

Barbara and Tom celebrated with a dinner at Pinnacle Peak Steak House in San Dimas. Tom was disappointed not to be able to wear a tie for this part.

**Corvette Super Sports wishes Jan Works a Happy Belated Birthday.**

Jan decided to celebrate in Southeast Asia. Ports of call are Taiwan, Vietnam and Cambodia. She enrolled Pat in a Tai Chi tournament in Taiwan. She can keep an eye on his routine and drink Mint Juleps. Then they will take a slow boat or fast airplane to Hanoi and stay at the Hilton. After a cruise up the Mekong, they will trek to Cambodia. I remember SE Asia as hot, humid with dark rain, and lots of snakes.

**Corvette Super Sports wishes Gary Plehn**

Gary had a low-key dinner with his brother, Bill and he is thankful to have another birthday. His grandchildren called from Montana, big sky country. Gary said, "people are more important than presents." He did get a Sony Walkman to play with.

Corvette Super Sports wishes Ginger Girvin a Happy Birthday.

While Geoff was working, Ginger charged off to Fashion Island to buy herself an appropriate birthday gift. No luck there and she is pleased that Geof gave her a Kindle wireless reading device (i.e. an electronic book). The she and Geoff went to Balboa Island for a dinner.

Corvette Super Sports wishes Karen DeBartolomeis a Happy Birthday.

On Sunday, the Friends of Karen Club gathered to party with her. They did some wine tasting in preparation for a grand dinner at the Red Lobster in Brea. The restaurant was barely able to accommodate the mob of fans singing Happy Birthday.

Corvette Super Sports wishes Larry Farrell a Happy Birthday.

"Went without," said Larry to describe his birthday. I did not pursue the question further because going without can mean more than I want to know. Anyhow, he watched football on the TV and sometime during the game lost \$25.

If you have a suggestion for a Corvette Event or a Social Event, please contact Geoff at [GBGirvin@yahoo.com](mailto:GBGirvin@yahoo.com)

One suggestion has been dropped into the suggestion box for a cruise to the Calico Ghost Town with a stop at Peggy Sue's. Thanks to Chuck Rosen for this. We will work to insert this into the schedule.

While at the Pahrump Banquet on 9/25, Linda and Vicki suggested that we look into a dinner theater. Later Art suggested a murder mystery dinner theater where the audience participates. Thanks to all of you for your suggestions.

We will work these into the social calendar.

## Club Events for September

September, or more precisely, Labor Day Weekend, is the annual Dave and Donna's pool party. Even though we missed our dear Dave, Donna felt that Dave would have wanted us to get together and not break with tradition. This year, Mark and Cindy Costello from Thousand Oaks, and Dave Alciatore from Fallbrook were able to come to the party as you can see in the pictures below

I fully expected to see Dave come out from behind the bushes like he always did.

## **Pahrump Autocross September 25-26**

The turnout for the semi-annual trek to Pahrump by CSS members was held on September 24-26<sup>th</sup> this year. Normally it is 4-6 weeks later when the weather is a bit more bearable. This year it was 104 on the track both days. Now before you all get on the phone to tell me that that was nuttin, I will save you the time. It was worse back at home with temperatures well above what we dealt with at the track. However, even though it was hotter at home, I bet none of you who stayed home drove around with the heater on in your cars to keep the engines cooled down.

The Corvette Track Days were attended by the usual crowd, but we also had some new-comers this year as well. Art Huhta came along and took some terrific pictures and Chuck and Sue rosen came in to watch as well. The weekend always starts out with a BBQ in the parking lot at the Best Western In Pahrump and this year was no exception even with the heat.

This year we even got our own Corvette Chase Car thanks to Chuck Rosen

We have a saying about Pahrump and that is “What happens in Pahrump stays in Pahrump and the Pahrump Gazette”. For more pictures and the real skinny on who did what at Pahrump, you have 2 choices. You can go to Pahrump and receive your own copy of the Pahrump Gazette or you can subscribe to the Pahrump Gazette for a life-time, onetime fee of \$300.

## Editor's Corner

I would like to express my gratitude to all the CSS members who sent me notes of congratulations about our newsletter winning 2<sup>nd</sup> place in the NCCC Newsletter Contest. The contest judges, 3 from various regions in the US, looked for a specific content and creativity.

"Under the Radar" achieved national recognition. Truly though, I could not have done it without all of you. First we owe thanks to Jennifer who originally wished we could run "Under the Radar" which became our Newsletter Name. Next we owe thanks to Officer Donnell who graciously gave up a day off to indulge me in a staged radar stop. We owe thanks to Ron D and Karen for their part for almost actually getting the ticket on the back cover when Ron could not find his registration when asked by Donnell. Finally I need to thank the membership at large for participating in all the events that you do which gives me ample situations to turn on my fertile mind as editor. My creativity would be nothing without your candid poses and comments.

So congrat to all of us
