The Monthly Newsletter of Corvette Super Sports

Volume 52 number 8

August 2011

Corvette Super Sports is a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc. We support (N.C.C.C.) National Council of Corvette Clubs, National Corvette Museum, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

We welcome guests to our meetings on first Tuesday of each month at 7:00PM at "SIZZLER" Steak, Seafood & Salad Bar 1401 N. Harbor Blvd, Fullerton, CA 92835 (Harbor Blvd. at Brea Blvd.)

Corvette Super Sports Charities, For many years, CSS has been a major sponsor for our two main Charities; **H.I.S. House Transitional Shelter and CHiP's for Kids.**

HIS House is a 4-6 month program for homeless men, women, and children to prepare for and secure employment, education and permanent housing.

CHiP's for Kids began with an individual **CHP** officer that spread like wildfire within their own departments. To reach out in the community to help abused, orphaned, and seriously neglected children.

Through our volunteer and club events such as car shows, visits, work/clean up day, donations, garage sales, Corvette Super Sports donated not only many hours throughout the year but also monetary donations. HIS House and CHiPs, combined, have been recipients of \$5000 each year. We hope that this will continue with our SUPERSPORTS member's efforts.

Charity Donations

Corvette Super Sports was blessed during 2010 to have provided venues that attracted many participants. From our activities, we were able to donate \$10,000 to our charities.

- HIS House \$3,500
- CHIPS \$2,000
- Hillview Acres \$2,000
- Council for Aging \$1,000
- Navy Relief Fund \$1,250
- Ronald McDonald House \$250

Corvette Super Sports believes that it is our duty to participate in other Corvette Club's activities to support their charities.

Corvette Super Sports' Charities

These are the organizations and programs our members support ... because we believe in "giving back" to the communities in which we live ... and *drive* ... our Corvettes.

Come to a board meeting and you too can be pictured here!

The August Board meeting was held at Mimi's Café In Anaheim

AUGUST – BACK TO SCHOOL IS APPROACHING.....

Hi Everybody!!!

If you haven't gotten your vacations in, better hurry up..... or wait till prices go down! I went with Joe up to St. George, Utah, with a stop along with way to the Red Rock Hotel & Casino in Las Vegas – I just wanted to thank anyone who was there and let us take over some of your cash for you. But don't worry – you should find it again in Pahrump in September!

Well, just as I sat down here to begin what happened during August, I realized that I bought a new calendar, one that starts in September, so guess where all my last year information is? Yep – so I guess I just have to “wing it” – and if I miss something that was important, my apologies now!

One thing is for sure, I did NOT forget that our Car Show was in August! I can speak for myself that I had a great time. My personal expectation of wanting 80 cars was met and then some. Weather was perfect and having the show at our Sponsor, Connell Chevrolet made it ‘so easy’. I had returned to Connell the next day and was greeted with so many compliments, so *huge* thanks goes out to everyone at Connell.

We had so many wonderful Corvette enthusiasts, as ourselves, that enjoyed the day of socializing and many thanks go out to them also, not only from our fellow Corvette Clubs, but also for those who were on their own.

While there are thanks that go our to **ALL CSS** members for making this show a success (I can't name them all – but you know who you are; the parkers, the cooks, the servers, the ticket sales, the setting up of the tables and parking lot for the whole show, the Goodie Bags, the waivers, the picture taking, the minor clean up, the basket section <did I say basket section?>, the trophy set up), however, I'd like to make special mention to:

Bob & Kelli – for all the fabulous gift baskets! SO appreciative for all you did.

Tom Cuccio – we know you love to DJ, but we know all the work of loading/unloading/set up – thanks.

Tracy & Linda – for the coffee and donuts. What a great table and system you had going!

This may be required at all events!

Marge – for being there for me since ‘Day 1’ of planning and controlling my spending!

Greg – for the making of our Grand Prize – the “Truck”

Cliff & Michele – for Registration – we all know this might be the toughest job!

Mark & Cindy – for being in town to attend! LOL Good to see you!

Art – for whatever you suggested to me, that I did, however, we have both forget what that was – thank you.

Joe – for supporting me on going with the “KISS” method.

We had many compliments on the show being only 4 hours this time – thought for the future. Since it was finished by 1:00pm, we were able to gather at WingNuts down the street to reflect on our day with smiles! Can’t wait for details for next year!

Marietta had also set up another wonderful Sunday for us to join her and Bill over at Sunrise Senior Center. This year was a different location and a lot more seniors (besides us) and their families came out to share with us. Great time. They are always so gracious in serving us lunch too. Thanks, Marietta.

Not too many times do we run across an event that we can say wasn’t much fun, it’s just how we are, right? We just got back from the Vapor Trail Vettes event, car show and rallye, in Santa Maria. Pictures should be available. This was Joe’s and my 6th year of attending. If you haven’t been to Santa Maria, you should try it. From what I heard on Friday, some came in from Riverside where the temperature was 108 degrees when they left – it was 71 degrees in Santa Maria. Their event is ideal: Friday night Hospitality (and Vapor Trails are very Hospitable!), drinks, food. Saturday is a 2 hour car show, 1 hour lunch, 2 hour rallye then on to dinner, prizes and awards – rest of the night is fun with everybody. I learned that Pomona Valley Club all go to a movie and that Inland Empire all go to a little dive restaurant for steaks. Corvette Super Sports, along with Wild West Corvettes went to the Martini Bar in the basement of the hotel. Wonderful weekend!

September is in a day or two and 1st we have the Labor Day weekend to get through, which also means **Donna’s Pool Party**. I finally get to make this one after 7 years. Some things to look forward to in September are Homeland Security, the CSS Wine Cruise, Cruise for a Cure and Spring Mountain Racing – check the website for more!

And let us “NEVER FORGET” – September 11th I’ll be wearing my Red, White & Blue.

I send out special thoughts and prayers, not only our CSS members that may be in need, but also extend those out to all of our fellow Corvette Clubs members too.

I will always continue to be so grateful and proud of our Service Men and Woman and send extra thanks and prayers to them every day!

God Bless America – Now and Always!

Save the Wave!!!

Respectfully,
Cindy Orrico
President – 2011

Editor’s Note: Bob Reed did a spectacular job getting donations for the goodie bags but I still wonder what he meant when he said he got “Stool Samples” for the bags and how exactly did he do that for 72 bags and did he have help or did he do all that alone.

Charities Byline – Bob Reed

GIVE AND IT WON'T HURT!

One thing is for sure, during this down-turn in the economy there is less charitable giving at a time when it is needed more than ever. I'm confident that we all still want to contribute. The problem is those extra dollars may no longer be available! Our club's charity slogan for this 2011 is "Give and it won't hurt." There are ways that you can help without opening your wallet!

Earlier in the year I introduced several organizations that our club can support without writing a check. These are worthwhile charities that support our armed forces, children and others that are truly in need. Take a moment to look over how you can support these organizations. I would be surprised if you said that you don't have at least one item on the list.

In cooperation with our primary sponsor, Connell Chevrolet, we will be collecting "Cell Phones for Soldiers." That old, unused cell phone in the bottom of your drawer can be turned into minutes that our young men and women in uniform can use to call home. Be sure to bring your old cell phone to our August Car Show and receive 5 raffle tickets! For more information go to:

<http://www.cellphonesforsoldiers.com/>

In that same drawer, next to that unused cell phone, you probably have a gift card with a few cents or a few dollars of value that you will never use. The Salvation Army is collecting those cards and turning them into needed cash to help those regardless if it local or around the world.

For more information go to: <http://www.salvationarmyoc.org/giving.htm>

For a number of years now, St. Jude's Ranch has been supporting the needs of children through their recycled greeting card program. The children use the fronts of the cards to create new cards that are sold around the world. While Christmas cards are the most popular, Get Well, Birthday, and other occasion cards are needed. For more information go to: http://www.stjudesranch.org/help_card.php

What to do with your donation: You can either bring your items to a club event, such as our monthly meetings or mail them to the club's address: CSS PO Box 592, La Habra, CA 90631.

In addition to the three new "painless" projects that I outlined above, I want to remind you that a thrift shop, *Charity's Closet*, run by one of our primary charities, *H.I.S. House*, is a great way to turn your unwanted items (clothing, furniture, etc) into a means of providing a shelter for a family in need.

And yes, they do provide receipts for tax purposes.

Club Events for August

Where to begin, oh where to begin?

August was a very fun month for CSS members. Every weekend we did something.

Gene Autry Museum

On August 6th, we caravanned to Griffith Park to go to the Gene Autry Western Museum. On the way, true to form, yours truly missed a turn and took the caravan on an unplanned “U-Turn”. This is not something I try to do, but fate seems to get in the way.

The museum was indeed a spectacular collection of artifacts from the old west. I was really impressed by the collection of fire arms and chuck wagon utensils being the outdoor chef that I am.

The members on this trip were Gary, Art, Geoff, Dave, Ron and Karen. Yes there is one more in the picture. She is Dave's friend.

CSS Car Show

To quote Cindy: "I can speak for myself that I had a great time. My personal expectation of wanting 80 cars was met and then some. Weather was perfect and having the show at our Sponsor, Connell Chevrolet made it 'so easy'. I had returned to Connell the next day and was greeted with so many compliments, so *huge* thanks goes out to everyone at Connell.

We had so many wonderful Corvette enthusiasts, as ourselves, that enjoyed the day of socializing and many thanks go out to them also, not only from our fellow Corvette Clubs, but also for those who were on their own.”

I agree. The day went off without a hitch. There is something to be said for a simple plan and lots of enthusiastic members doing their assigned jobs. I would like to mention, if it is not already known, the delicious coffee that Tracy and Linda provided came from their coffee plantation in Hawaii and you can find a link to purchase more on our website. Look at the photos below and tell me that people were not having fun!

LA Maritime Museum and Pt Fermin Light House

On the next weekend after the Car Show we went on an outing called "Free is good or nearly so". We went to the LA Maritime Museum near Ports of Call in the LA Harbor. The entry fee was \$1. Parking was free. Then we went for a Picnic at Pt. Fermin and the tour of the lighthouse was free. Yet again, even with pre-planning, fate was against me again. This time my SAT NAV preprogrammed a "U-Turn" into the route to the Light House. It led us right by the site, to the next right in a residential section, then a left, then a left back to where we originally were going the other direction to park at the Pt. Fermin Park next to the Light House. Drat!

Lee and Hazel from Hemet came along on this adventure as well as John and Michele from San Diego. Lee and Hazel used to be members of our club but Jay and Marsha convinced them to tag along. I'm glad they did. The caravan was also attended by Armando and Hortencia, Dave, Jenny, and their kids, Rick and Lynn, and Chuck and Sue. Art rode with me too.

We started off at the usual place at Coco's parking lot then went to meet Rick and Lynn and John and Michele at Art's house, then went on our way. We went on a path that took through Terminal Island and over the Vincent Thomas Bridge. It was a real adventure because some of us had never been to these spots and they were spectacular. The weather was perfect (even for a U-Turn adventure).

I also want to thank John and Michele for taking pictures on this event. This means that you actually get to see me for a change. It is a great help having someone else take pictures and comment on them for the newsletter.

At Art's we staged an impromptu car show

Then another at the maritime museum

And along the Freeway

And at the bridge.

Maritime Museum front door

Volunteers at the Museum can ride Angels Gate once a month

I always thought Charlie Tuna was a Radio DJ

Museum used to be a ferry landing for Terminal Island and the Tuna Industry

So after the Museum we went for a picnic at the Point Fermin Park and Light House. Picnics are so much fun.

If I had known that there was an outdoor stage I would have brought all my harmonicas and given a concert. I guess you will all Have to wait for the talent show in October.

Then we went to the light house. Unfortunately they did not have enough docents to provide all of us tours. Some went and some did not. But we did wander the grounds looking at the flowers and resting in the shade.

Got Michele taking a picture of me

Dave trying to figure out how the camera works

But finally into the light house.

 Yet another fun adventure comes to an end.
Santa Maria Vapor Trails Car Show and Rally

On August 27th some of us went to our annual jaunt to Santa Maria to visit the gang from VTV and support their charities. Once again the VTV folks put on a great event at the Santa Maria Inn. The Rally this year went west to the coast, north to San Luis Obispo County, east to the Edna Winery and the wine county of Santa Maria, and south back to Santa Maria. We saw some beautiful country side and picked out cards for the poker rally. Can you believe it? Three Jacks got second place. Someone pulled out a straight. Drat. Unfortunately, all of us on the rally were concentrating on driving and answering clues so no underway pictures.

Another big thanks goes out to Cindy and Art for taking pictures at Santa Maria.

Homeland Security Qualifying

For those not going to the cool ocean breezes of Santa Maria, some went to what some might call "Hell's Kitchen". The temperature at the Prado gun Range was 104 at 11:30am. I am surprised more people did not melt. Please congratulate John and Michele for qualifying on this outing.

Leave it to Kathy Baddley to find a creative way to cool off.

Nice Shooting Michele! For someone who has not shot in many years, she killed 17 out of 25 her first time up. Nice qualifying!
