Corvette Super Sports

We are a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc. We support (N.C.C.C.) National Council of Corvette Clubs, National Corvette Museum, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

We welcome guests to our meetings on first Tuesday of each month at 7:00PM at "SIZZLER" Steak, Seafood & Salad Bar 1401 N. Harbor Blvd, Fullerton, CA 92835 (Harbor Blvd. at Brea Blvd.)

Corvette Super Sports Charities

For many years, CSS has been a major sponsor for our two main Charities; **H.I.S. House Transitional Shelter and CHiP's for Kids.**

HIS House is a 4-6 month program for homeless men, women, and children to prepare for and secure employment, education and permanent housing.

CHiP's for Kids began with an individual **CHP** officer that spread like wildfire within their own departments. To reach out in the community to help abused, orphaned, and seriously neglected children.

Charity Donations

Corvette Super Sports was blessed during 2011 to have provided venues that attracted many participants. From our activities, we were able to donate \$6,850 to our charities.

- HIS House \$2,850
- CHIPS \$1,250
- Council for Aging \$750
- Operation Home Front \$1,000
- Wounded Warriors \$1,000

Corvette Super Sports believes that it is our duty to participate in other Corvette Club's activities to support their charities.

Corvette Super Sports' Charities

These are the organizations and programs our members support ... because we believe in "giving back" to the communities in which we live ... and *drive* ... our Corvettes.

Message From Madam Prez.

WOW

It doesn't seem possible that we are at the half-way point of the year. And what a year it has been. We had the Love Bowl (aka the Valentine Bowling event), Long Beach Grand Prix and the Corvette Corral, the first annual Miniature Golf Tournament, racing at Pahrump, the Big Bear Bash and the Bash before the Bash, many car shows attended, rallies competed in, Bourbon Trail explored (by the Coopers and Wiests and highly recommended to all), and good times at the meetings seeing everyone and catching up on all the news.

I hope you all are looking forward to the rest of the year as I am. We have many fun events planned. Coming up is the car show in August at Connell Chevrolet, the Second Annual Variety Show in October (so start honing your singing, acting, juggling, miming or anything else you would like to showcase, abilities), Turkey Bowl in November and the Christmas party in December.

With July 4th here I would like to express my gratefulness to be in a country where we all have the ability to participate in these activities without any hindrances. I am grateful too that men and women, we will never know, have given their time, experience and the ultimate sacrifice, so that we may continue to live our lives in peace. It is a reminder that democracy and freedom never come easily.

Peace and Love
Dianne

Clean Car Award for June went to Jim Cooper

Message from the VP, Newsletter Editor, and Director of all things Social

Speaking as your Newsletter Editor, I decided to postpone the publishing of this June edition of “Under the Radar” so that we could include the results of the Big Bear Bash. But the Big Bear Bash would not be the same without the gracious hospitality of Shirley and Garry who open their home to all of us for the Bash before the Big Bear Bash. I have only been a member of CSS since 2005 so I am not sure when the Bash B4 the BBB started but all the ones I have gone to have been the cement that glues CSS together, before – during – and after. It is a place for all of us to go and renew old friendships, plan our strategies and talk about our winnings on Sunday morning at the brunch that is always there. Shirley and Garry deserve a great big “ABCD” award from all of us.

Let’s also remember that this great nation is built on patriots and patriotism. Let’s all remember why this country is great but never lose sight of the fact that complacency will drive this country into the ground. Part of our vigilance is being prepared. We kid a lot when we are at the range running this year’s HomeLand Security Advance Training that Home Land Security Begins at Home, but it is true. Come out sometime this year and participate with us. It is a time for competition, humility, comradeship, and breaking of bread together.

Finally, come one come all to the long awaited Mystery Run. We have not had one since Sal and Teresa Cruz took us for a boat ride one fine day some time ago. The only similarity to that Mystery run is that if you have an inflatable boat, bring it along because there will be some optional time for its use at the picnic grounds. This Mystery run will require a National Forest Pass which can be obtained from any Ski Chalet sporting goods store for July 14th. The cost is \$5. Or you can purchase it at the breakfast stop or you could just not purchase one at all and pay the parking fee for the ticket that you may or may not get and the cost for that is also \$5. So if you are feeling truly adventurous, you can hope that you are not cited. If you happen to have the National Senior Pass, that will work too. Bring a beach blanket, a picnic lunch and a sporting spirit for a very interesting drive.

Social Corner

The goal of the social chairman is to post the events for the entire year so that our membership can plan accordingly.

Social events are defined as a caravan to a place of interest where we can participate in an adventure and have time to talk with other members about recent Car Show and Rallies that we have participated in.

The Club event is defined as our club participating in another Corvette Club's activities to support their charities.

Current CSS events can be found at the following URL <http://www.corvettesupersports.com>

If you have a suggestion for a Corvette Event or a Social Event, please contact Geoff at GBGirvin@yahoo.com

Club Events for June

Autocross at Vapor Trail Vettes in Santa Maria

Dave Alciatore and Ed Norris once again represented CSS at the VTV Autocross in Santa Maria at the new autocross track at the Santa Maria Airport. Based on their individual scores for the 2 sanctioned races, CSS, thanks to them, brought home the trophies for first place.

HomeLand Security Advanced Training

On June 23rd, the posse met at the range for additional close order target practice. The Agents that were present were Geoff, Art, Jim and Elaine Cooper, George, Tracy John and Michele. We had the fortune or misfortune (take your pick) of shooting behind a group of agents who obviously came to the range every day. Their marksmanship was something to behold. Although our completion rate for dispatching clay pigeons was comparable, they used fewer shells and shot with 2 pigeons in the air at the same time. They shot at what is known as “true pairs”. We will get there someday, but not this time.

Bash B4 the Big Bear Bash

This says it all:

The Big Bear Bash

On Friday the BBB had its annual car show and Funkana. The Funkana was a remote control car run around a track filled with pretty girls. Two laps for time was the challenge. The second part was the best of 10 free throws at a basketball hoop. The following are some typical pictures:

The cars that were entered were devoid of rain or pollen as in the last few years. The winners as best as I can remember are Bud and Dawnette First C5 Stock, Ed and Linda First in C5 Modified, Bob and Vicki First in C4, Kevin Presser 3rd in C6.

And then there was dinner and dancing. CSS would have won the dance contest had there been one on Friday night because we closed the dance hall down. Doug and Jackie are all about hip-hop. Rich and Barbara are all about ballroom dancing and Donna got the line dancing going. With Ginger taking pictures I got a little hard up and danced with Chris. Tell me if Shirley and Garry are not just cute on the dance floor.

Some of us proved that alcohol has helped white men dance for 400 years and Friday night was no exception! But late nights and early morning racing do not make for bright eyes. So the Saturday Autocross came way too early.

The day was hot and the track was hot. The course was a twice around configuration with a cross over in the center with a slalom down the left side into the roundabout and into the stop box. The best times were in the low 60's for the 7 tenths of a mile loop. The final results were: Doug and Jackie First in their classes, Ed first in C5 Z06 Stock and Dave Alciatore Second in C5 Z06 Stock. Mark and Cindy were First each in C3. Kevin was First in C6 stock and Geoff was Second in C6 Stock. Bud was Second in C5 Z06 Modified.

All the final results will be in the July "Under the Radar" issue.

And then there was dinner, and raffle prizes. All First place autocross drivers received a tote bag instead of a trophy that just gathers dust anyway. Racers also won cash awards for their driving skills. Again, these exact winnings will be in the July issue.

Now the raffles were very interesting as well. Ginger got a half gallon of Tequila and some Margarita mix. Shannon got the Big Bear Bash Bear. It will fit nicely riding shot gun with her in that big truck of hers. Bob and Vicki won a TV. The Kumho tires were won by Kevin Presser. Other winners were Jay Lynch, Bud and Dawnette.

On Sunday there was the annual BBB Poker run. The course went around the lake stopping at many of the local parks. One of the stops for drawing cards was at the top of the Ski Lift at Snow Summit. Now that was a real trip. We sat in a 4 person seat and went a mile up the mountain from 7000 feet at the lodge to 8200 feet at the summit. The views were breathtaking and we saw lots of Corvette owners coming and going.

When we returned to the Marina Resort for the last poker hand and the awards we found the following:

5th place 3 Aces and a 2 4th place 3 Aces and a 7, 3rd place 3 Aces and a 9, 2nd place 3 Aces and a Queen. But Ginger and I had first place with 3 Queens and 2 10s. A full house beats 3 of a kind! So we got first place in the Poker run and each received a check for \$150 in cash.

All the other cash prizes will be detailed in the next issue of “Under the Radar” so everyone can get equal time in the limelight.

NCCC Convention

Joe and Cindy went to the NCCC Convention in Kansas. I got a text from Cindy telling me that they were looking for the Emerald City and the Great Oz. Cindy sent us several pictures to include, but her story will be published next month. After looking at these pictures, I am sure that her story and Joe's story will be radically different. See below!

Officers,

First, Hal, Ron & I would like to thank all of you, your clubs and last but not least all the volunteers for helping to get this member benefit program kicked off.

The 1st issue of the **[Family Helping Family directory](#)** published, secured and available from our NCCC National Website. The directory is sorted by State, City, then in alphabetical order by volunteer name.

User Name: **[NCCCHelp](#)** pwd: **[QFHF1nccc](#)** Note: the document password will change periodically; you will be notified when it does.

Please feel free to pass this email along to your club membership so that they can access this **FHM NCCC Directory** when they travel.

We also hope that this sparks some interest in other members volunteering to provide support in areas where members might need assistance, as they travel across our great nation. If additional volunteers would like to sign up, please review the **[Family Helping Family](#)** information. Then we would ask that you complete the questionnaire and email it in so you can be there in the event that someone from our extended family needs assistance in your area.

Regards,
