Secretarial Scribblings:

Bert Wiest, Secretary

We are very fortunate as a club to be able to hold our meetings at the Sizzler. We have a facility with a large private room to use, a separate entry into the room, plenty of parking, a server who makes sure we are well taken care of, no trying-to-figure-out the check hassles, it's available to the club at no charge to us and they even provide a free meal for the dinner raffle every month. What we can do in return is to buy some dinners on meeting nights and I would ask all of us to please do this. This is the way we can show them a little support and say "thanks" to the Sizzler for what they provide for us. Let's all try and have our dinner there when we go to the meeting.

I'm sure that most of you know by now that the club has rented a storage space for all the club owned property. There is a ton of car show supplies, banners, records and paperwork, folding tables, etc. I do need to know if you have any club owned property, what it is and if you would like to have it moved to the storage unit and out of your hair. I believe we have an E-Z up somewhere, I just don't know who has it. Please email me if you have anything and whether you would like it moved to the storage unit or not.

Our board meetings are open to ALL members. We meet on the third Tuesday of every month (except December) and you are all encouraged to attend and see your board of governors in action. There is a notice sent out on the "wires" about 5 days before the meetings with the date, time and location.

If a guest at one of our meetings should ask for or hand you an application for membership, please direct them to the secretary and I will take it from there. The new procedure is designed to simplify and streamline the application/membership process. We have had 6 new members this year already!

Support the club, attend the meetings.

Bert

Who We Are

We are a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc.

We support (N.C.C.C.) **National Council of Corvette Clubs, National Corvette Museum**, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

CSS Family Updates

Laura Schavone's sister is not doing well. She is now in hospice care for her cancer. I am sure Laura would appreciate prayers and good thoughts.

Dennis Dawson's mother passed away April 1, 2015. Dennis also had his knee replaced.

Ellis Chee has suffered a mild stroke. I am sure he would like to hear from his friends in the club.

CSS Upcoming Events 2015

- May 2 Two low speed auto crosses in Santa Maria, Vapor Trails Vettes
- May 2-3 Railroad Days at Fullerton Train Station. Model Train Displays & Locomotive Exhibit
- May 3 Participants Choice Car Show in Temecula, CA. Corvettes of Temecula Valley. Sanctioned Show
- May 8 Airport Days at Fullerton Airport. Plane rides & vintage plane displays
- May 9 Trip to Calicinto Ranch
- May 17 CSS Corvettes at the Muckenthaler in Fullerton. A Car Show within a Car Show. See Tony or Flyer for information.
- May 17 Plastic Fantastic #38. North County Corvette Club, Seaport Village, San Diego. Info - (858) 538-8331
- May 19 30th Annual Fabulous Ford Forever at Knott's Berry Farm
- May 20 Downey HS Open House from 6-8pm for Automotive Engineering and Technology
11040 Brookshire Ave, Downey, CA 90241
- May 31 All American Car & Truck Show at Rotolo Chevrolet, Fontana, CA.
Pomona Valley Corvettes. NCCC
- June 6 Sal Cruz' Blood Drive at La Mirada Regional Park.
- June 7 Participants Choice Car Show - OC Vettes @ Huntington Beach concourse - Sanctioned Event
- June 13 Tony's Mystery Run
- June 20 Deerpark Winery and Car Museum Event - Bert
- June 26 The Bash Before Big Bear Bash at Garry & Shirley Jones at 2:00 pm**
- June 26-28 Big Bear Bash - Corvette West Car Show. Autocross, Gimmick Rally. Sanctioned Events**
- July 11 Poker Run. OC Vettes
- Aug. 8 Desert Breeze Rally with Victor Valley Vettes Corvette Club
- Aug. 16 CSS Car Show at Connell Chevrolet
- Aug. 22 Swim Party at Donna Stewart's house

Corvette Time Line: May 1, 1953. Zora Arkus Duntov is hired by Chevrolet. Then after being rejected by Chevrolet, Ford and Chrysler, he made a second effort after seeing the Motorama Corvette. GM then hired him as an Assistant Engineer for Engine Development.

We will be letting you know of Caravans for these events as soon as they are in place. Please let us know of any events you would like to plan and organize. We need all your ideas and participation.

Thanks,
Vice Prez.
Donna Stewart

**President
Tony**

CAR SHOWS

I like cars, all kinds of cars, but especially CORVETTES! I also like car shows. One of the best things about a car show is getting there. Old car or new car; just driving them to a show is a thrill. A Rush!! It's not that you're important, but you get a special feeling special driving a Corvette.

At the show I put out a sign board with information about the car, specifications and a saying "where were you in '62". People come up and say: "I wasn't born yet" or "Oh, I was a junior in High School"... just a conversation starter.

I met Annette at a recent show. She got her first Corvette, a 1974, when she was 15 ½ years old. She had to have an adult ride with her to drive it! Well, that was 15 years ago and she still has the car. Such a typically great story about a Corvette.

You meet a lot of father and son stories too. One such story, was a son who was 10 years old, working in his father's garage. The 10 year old learned to repair fiberglass. A 1958 Corvette came in with a broken fender. "Can you fix that?" the father asked his son. "Yes I can" the son replied and he did and he became the fiberglass repair person for the shop. Now that he is older, he now, of course, has his own Corvette.

Car shows are like the Heart Beat of Southern California. Look on line Saturday and go to a show on Sunday. You'll meet the greatest people, see a lot of cars and enjoy the exercise.

More later.

Tony

TRIVIA QUESTION:

What was the 2nd lowest production year after the 1953 Model?

(Answer to Last Month's Question: 1st year of the 327 CI Engine – 1962.)

The VP's Column The VP's Word By Donna Stewart

Headlines at the NCCC Regional Convention in Las Vegas: "Corvette Super Sports Rules." We really left our mark at the convention. Congratulations to everyone in our club that attended. We had the most in attendance, garnered most of the awards in the Car Show, Auto Cross and Rally! It could not have been much more fruitful for our club. You should all be very proud of yourselves.

It was also very nice to interact with persons from other clubs and areas of our country. We had wonderful weather and some members of the club were lucky enough to bring a bit of the Vegas economy home with them. A great time was had by all.

Our club was also represented at the Vette Set Car Show in Redondo Beach and came away with some trophies. Doug Utash was a big winner; Congratulations to you.

We were well represented at the Long Beach Grand Prix and Corvette Corral, with many of our club members in attendance. They all reported to have had a great time.

We have some great events to look forward to in May and June.

Be sure and especially plan to attend and support our trip to Calicinto Ranch on Saturday, May 9th. It is one of our main and deserving charities. The staff, and especially the children needing so much help and support, are so glad and excited to have us there. Please mark the day Sat. May 9th! You will find it a very worthwhile and humbling outing.

Also mark your calendars for Sunday, May 17th for our Car Show and display at the Muckenthaler Cultural Center in Fullerton. Be sure and pick up an entry form at the meeting and return it to Tony or myself so we can get a count of who will be in support of this worthwhile event. We will discuss the details of the time, where to enter the facilities and parking at the meeting.

Please refer to the upcoming events calendar for many more exciting club events and contact myself or other board members with any questions or input about them.

Get out there and enjoy your wonderful cars and interact and get to know some great people and Club Members.

See you all at the next meeting.

Thanks,
Vice Prez
Donna Stewart

**NCCC West Coast
Regional Convention:
Road Trip to Las Vegas, NV!**

Welcome!

Autocross:

Thank you Geoff Girvin & Douglas M.
for sharing your pictures from the weekend!

Corvette Car Show:

Awards!

Long Beach Grand Prix:

Thank you Gary Maleski for the pictures!

Career Technical Education (CTE)

The Downey Unified School District and the Los Angeles County Regional Occupational Program (R.O.P.) have partnered to create a Career Technical Education (CTE) Program at Downey High School which will include several career pathways available for high school students. <http://www.dusd.net/downey/cte-rop/>

The Downey Patriot
Thursday, April 16, 2015

Phil Davis

"A record 26 DUSD students brought home gold medals at the Skills USA state competition in San Diego. The competition tested students in a variety of occupational and leadership skills, designed to meet the demands of new and expanding occupations."

"This final outcome is a true testament to the hard work and focus that our teachers and students put in throughout the entire year," said Phil Davis, Downey Unified's CTE and STEM director. "This year's medal count far exceeded any other year."

May 20, 2015 * Downey HS Open House from **6-8pm** for Automotive Engineering and Technology

Downey, CA 90241

* Come support the kids and show your Corvette! ☺

NCCC West Coast Region 2014 Clubs - 1st Place Corvette Super Sports!

Oops!
I Meant to include these winners last month!

National NCCC News:

Friday, April 24th. Membership committee meeting:

Blue Bars editor Elaine Heretta said the Spring issue of Blue Bars will be mailed on Monday. The soft copy in PDF format will be available on May 4th. She said Kennedy Printing has a every old issue of Blue Bars on disk going WAY back, so theoretically all those old issues could be put online someday. Sounds like a BIG project for somebody...

There were many complaints from various RMDs that the governors are not clicking the "Submit to RMD" button in the database after entering new members' information. Somebody said they thought it was missed because it's at the top of the screen instead grouped with the other buttons at the bottom of the screen. It was suggested that Walt make the button bigger so it would be easier to find (that has been done — it's big and red and pretty hard to miss now).

President Dave Heinemann said he wants to have the NCM put a card with NCCC signup information in every museum delivery Corvette. They do about 1400 museum deliveries a year and roughly 500 are already NCCC members, so this would reach a lot of potential new members. Dave proposed a year's free membership but this was vetoed by the Finance Committee because it needs to be examined for its financial impact.

Tire rack is running a "Teen Street Survival" course, which takes teenagers and puts them on an autocross course and teaches them how to drive. They are getting a lot of attention with this and it was suggested that Corvette clubs do something similar to help publicize the club.

Saturday, April 25th. National governors meeting:

2015 Convention in the Poconos: 337 have registered so far (I'm one). See the NCCC Convention web site for more information.

NCCC has not received any bids for a 2017 or 2018 Convention.

Parliamentarian Jim Walton said the effort to trademark the NCCC logo has been dropped. He said they would need a trademark attorney and have to pay a lot of fees. They decided it was too expensive and too complex. We've been using the logo for 55 years without any problems so we'll just continue as we have...

Insurance: New rule: no chairs for corner workers. They decided that it takes too long to react to a situation and get out of a chair if there is a problem.

Certificate of Insurance: You only need one if the venue asks for one. On the other hand, it's better to have it just in case you do need it. There have been cases where the venue asked for a COI at the last minute, which can become a problem. The turnaround time on the COIs has been very quick recently, in some cases only hours.

Blue Bars will be online in PDF format on May 4th under Blue Bars on the main NCCC web site. Elaine insisted that the online edition not be available until after the paper issues are mailed out. I don't understand the logic there, but there it is...

Governors can check a box in the membership database "Blue Bars Soft Copy" and those people will not be mailed a paper copy (the mailing label will not be generated for that person).

There may not be a charity raffle car in 2016. Charity may change to a \$55,000 certificate (the equivalent value of the car). There have been problems with the financial aspects of the raffle (like people opt for the cash and then the Charity Committee is stuck with the car). One problem with the Charity raffle car is that we compete with the NCM raffle cars and our car is a plain vanilla car because that's all we can afford while the NCM frequently gets special cars that are more appealing. Patrick said they are considering changing from the National Kidney Foundation to a different charity, such as Wounded Warriors. The problem with that is that the whole charity program must be "cashed out" and donated to NKF and the new charity would have to start from scratch. Patrick said that if the charity car raffle is discontinued the scholarship and other funds will remain in place.

The NCM is going to reduce the prices of their car raffle tickets. They have been bringing in too much money on the raffle cars and it is competing with the donations. They need to have more donations than income to remain a charitable organization for tax purposes.

The website contest for club websites is now open for entries. There have been very few entries so far. If your club has a nice website you might want to consider entering.

Offices up for election at the end of the year are: VP of Competition, Secretary, Sgt. At Arms and Business Manager. Kathy Brisbois has been Secretary for 4 years so that position is open. The other office holders have indicated that they would run, so if you decide to run you will be running against an incumbent.

Dave and Linda Goebel obtained a list of all the NCM donors and looked them all up in the NCCC membership database. We knew that large percentages of NCCC members have donated to the museum but now we have proof. Dave broke it down by ranges of dollars (the NCM has a name for each group). NCCC was over 30% in every group and all 3 of the people who donated over a million dollars were NCCC members. This information has given the NCM a wakeup call and they are now VERY willing to work with us. You can buy an acre of NCM Motorsports Park property. Over half of the acres were purchased by NCCC members. Dave said it's possible to go to the NCM website, register, and find out how much you have donated in your lifetime.

A motion was made to allow the Competition Committee to break out controversial sections of the Competition Code for separate vote. In the past the voting has been done on an "all or nothing" basis and if one section caused people to reject a change then none of them would be implemented.

The Competition Code vote has always been done at the November meeting in the past and they said it would go electronic at some time in the future. Cliff

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Sponsor's Corner:

Connell Chevrolet helps sponsor our Corvette Club. They have been family owned and operated by the Doddridge family since 1989 when Paul Doddridge purchased the franchise from John Connell. Paul is still active with the dealership, but he also spends a lot of his time at his ranch in Montana. His son Wayne Doddridge is the active General Manager.

Connell Chevrolet was first opened in the late 1950's and was located in Newport Beach on Pacific Coast Highway. Then in 1963, they relocated to Harbor Boulevard in Costa Mesa.

Connell has one of the largest new, certified, and pre-owned inventories in Southern California. If you're looking for a specific Tahoe, Silverado pickup, Corvette, or a late-model used car or truck, chances are, Connell Chevrolet has it.

And over the years, Connell's Service Department has built a reputation fixing your GM vehicle right the first time and in a timely manner. They currently have more Chevrolet Master Technicians than most other Chevrolet dealers in the entire USA.

When you go to Connell for service ask for Todd Mack. Todd has been a Service Consultant at Connell for over 20 years and is a recommended advisor in the Corvette forum. For you "do-it-yourselfers," Connell Chevrolet has an expansive Parts Department. They are one of the largest wholesale dealers in the area. And if they don't have your specific automotive part on hand, they can probably secure it within a few days.

Lastly, let's talk about the Connell employee family. To many, their employment at Connell is not a job... It's a career. Many employees including the sales, service and office personnel have worked at Connell for twenty years and more. Even the outside vendors who help to support Connell Chevrolet, have been within the Doddridge family for many years.

Look for Wayne Doddridge next time you're at the dealership and introduce yourself. He is a family man with 6 children and supports the local community. He and Connell Chevrolet help sponsor Orange Lutheran High School, Crean Lutheran High, Costa Mesa High, Fountain Valley High, Estancia High, the Orange County 4H clubs, Newport Harbor Corvettes, Corvette Super Sports, Better Business Bureau, Auto Club, Costco, Los Angeles County Police and Fire Departments, the Orange County Fire Department, Costa Mesa Police, Newport Beach Police, Huntington Beach Police and Irvine Police.

Connell Chevrolet is located at:

2828 Harbor Boulevard, Costa Mesa, CA 92626

Sales (714) 546-1200

Service (714) 755-3335

In Other News:

Homeland Security Training is now called: **Corvette Super Shots**. We typically meet on the fourth Saturday of each month with lunch afterwards. All are welcome to join!

Editors' Note:

Hi everyone! I am really enjoying my new position as newsletter editor! I was a little nervous about taking over Geoff's job, since it was an award winning newsletter! I think I've made it my own while keeping the structure the same.

As always, I welcome pictures and extra articles from other members as long as you send them to me at least five (5) days before the end of each month. I especially need pictures and copy for events I do not attend!

This month, I especially thank Geoff and Ginger, Gary M., and Douglas M for helping me include many of the pictures from the NCCC West Coast Regional Convention and the Long Beach Grand Prix.

Enjoy!
Debbie :-)

NCCC Members Non-NCCC

\$50

\$60

before April 30th.

Registration limited to no more than 50 entries.

Gate Opens at 7:30am + Gate Closes at 8:30am

Registration Check-in 7:30am—8:00am

Tech Inspections—8:00am-9:00am

Mandatory Drivers Meeting—9:00am

First Car Out—9:30am (approximate)

These events are sanctioned by the National Council of Corvette Clubs, Inc. (NCCC). Autocross classifications are as outlined in NCCC guidelines. • For members of NCCC the sanction numbers are WC-518-001 and WC-518-002. • Non-NCCC members and all makes of cars and trucks are welcome to participate. All non-NCCC member participants, including non-NCCC Corvettes, will be placed in the Open Class.

Registration is accepted online only at motorsportreg.com. • There will be no registration the day of the event. • If two participants are driving the same car, both must register as separate drivers. Participants must be at least 18 years old. • Registrants will receive an email registration confirmation with car number. Please be sure your email address is correct on your on-line registration.

SNELL approved "SA" or "M" helmets less than 10 years old are required. Drivers must wear securely fitting shoes with closed toes. Entrants will be divided into two groups for both the morning and afternoon events. Unless physically unable, all participants will be asked to volunteer as course safety workers.

Santa Maria Airport is a TSA controlled facility with strictly enforced security. • Vapor Trail Vettes must conduct this event accordingly. • Participants must enter and leave via one secure gate monitored by a TSA guard. The gate will open at 7:30am and will be closed at 8:30am and unmanned until the event's conclusion. • We strongly urge you to arrive no later than 8:00am to be sure you get checked-in, get your car tech checked and walk the course before the drivers' meeting at 9:00am. No one will be allowed to enter after 8:30am. All participants must sign an event waiver and be issued a wristband that must be worn at all times within the TSA boundaries. Once you enter the TSA controlled zone, you must leave through the secured gate only once. One entry and one exit only, so make sure that before you enter the facility you have everything you need for the day including enough fuel for all the events. All entrants must be a driver or a volunteer event worker. Sorry, TSA regulations do not allow this to be a spectator event.

Hwy 101 North Directions:

- ♦ Exit right from the 101 N. to E. Union Valley Parkway.
- ♦ Turn left on E. Union Valley Parkway
- ♦ Follow to W. Union Valley Parkway
- ♦ Turn right on S. Blosser Road
- ♦ Follow Blosser to autocross main gate.

Hwy 101 South Directions:

- ♦ Exit right from the 101 S. to E. Union Valley Parkway
- ♦ Turn right on E. Union Valley Parkway
- ♦ Follow to W. Union Valley Parkway
- ♦ Turn right on S. Blosser Road
- ♦ Follow Blosser to autocross main gate
