## **The VP's Column** **The VP's Word** **By Donna Stewart**

I would like to extend my heartfelt caring and sympathies to Joe Orrico and family for the loss of his beloved Cindy.

Cindy was a very Vibrant and Vital part of our Corvette family, always greeting everyone with a smile and willingness to be of help.

My heart also goes out to Tony and Laura Schavone for the loss of Laura's sister. She will live long in the memories of their family and friends. We will also miss one of our newest club members, Ed McCallister. He was just beginning to participate and enjoy the many activities of the club. He would have been a great addition to our club.

Our thoughts and prayers go out to these wonderful people. They will not be forgotten and will remain with us for all time to come.

Sincerely, Donna

As the summer progresses, we have many great activities to look forward to and participate in. I hope you will all be ready to help out with our fund raising car show. It takes all of you to make it a success.

Be sure and mark your calendars for the club Bar-B-Q and pool party Saturday, August 22<sup>nd</sup>. It will be a great day to go over and recover from the car show.

### **"On the Road Again"**

I'm so sorry I had to miss out on a couple of great events this past month: Tony's "Mystery Run," which I heard was a great success, and the Deer Park run. I thank you all for organizing and planning these events.

Linda Norris and ("AKA Known as Thelma and Louise") were on a road trip in my Vette to Texas. Myself, to San Antonio for a granddaughter's high school graduation, and Linda to spend time with her daughter and family in Corpus Christi.

We basically had good weather. We were in some rain but not in any of the horrific flooding. We have many good stories to talk about when occasions permit or I guess when the book or movie comes out!

Please keep up with all your participation and involvement in the club. We have been proven to be one of the premier and best clubs in the West Coast region.

Thanks,  
Vice Prez  
Donna Stewart

### **TOP CORVETTES BEFORE 1989**

Chevrolet managed to sneak special Corvette "Non Racing" packages into the corporate system. The cars were factory-constructed race vehicles. I feel these Corvette greats are the early true Chevrolet high performance vehicles.

The 1957 RPO 579E: This 1957 used the fuel injected 283 cubic inch power plant. It had a cold air induction system and steering wheel mounted AC tachometer, heater was not available, wider wheels (15 X 5.50), and heavy duty suspension and brakes were all in the package. Total production was reported to be 43 units.

The 1963 Z06: The Z06 was a special Corvette option that included dual-circuit master cylinder, special heavy duty brakes with cooling fans, and a 36 gallon fuel tank included in the package. The L-84 360 HP, 327 cubic-inch engine was the top option for 1963. I wrote about this car in last month's newsletter. Production estimates of about 199 cars were produced.

1967,'68, '69 L-88: These vehicles came in a coupe or convertible. The package included aluminum head 12:1 compression ratio, 427 cubic-inch rated at 430 horsepower. You couldn't order a radio or heater, except in '68 and '69. Positraction, heavy duty brakes were required. 1967 production was 20 units. 1968 produced 80 vehicles and 1969 L-88 production was 116 units.

Other "Top Corvettes" info will be continued next month.

"Save the Wave"!!

Tony

**TRIVIA QUESTION:** In what model year did the Corvette attain 1 horsepower per each cubic inch?

**(Answer to Last Month's Trivia Question):** The 1<sup>st</sup> year that Corvette paced the Indy 500 was 1978. Corvettes have paced the Indy 500 for 13 years: 1986, 1995, 1998, 2002, 2004, 2005, 2006, 2007, 2008, 2012, 2013 and 2015.)

**Tony's Mystery Run!**

**6/13/15**

Tony organized a run to Pasadena to see the car collection of Joe and Susan. The collection consisted of two warehouse buildings filled with approximately 25 Corvettes, a Dodge Hemi, a Ferrari, a Cobra, and numerous other one-of-a-kind cars. The highlight of the collection was the 6 LT-1 Corvettes that are very rare.

17 Corvettes and 30 people from the Club attended. It was a great time for all with lunch following at a nice Italian Deli. Thanks to everyone for coming. Tony

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

## Sponsor's Corner:

Connell Chevrolet helps sponsor our Corvette Club. They have been family owned and operated by the Doddridge family since 1989 when Paul Doddridge purchased the franchise from John Connell. Paul is still active with the dealership, but he also spends a lot of his time at his ranch in Montana. His son Wayne Doddridge is the active General Manager.

Connell Chevrolet was first opened in the late 1950's and was located in Newport Beach on Pacific Coast Highway. Then in 1963, they relocated to Harbor Boulevard in Costa Mesa.

Connell has one of the largest new, certified, and pre-owned inventories in Southern California. If you're looking for a specific Tahoe, Silverado pickup, Corvette, or a late-model used car or truck, chances are, Connell Chevrolet has it.

And over the years, Connell's Service Department has built a reputation fixing your GM vehicle right the first time and in a timely manner. They currently have more Chevrolet Master Technicians than most other Chevrolet dealers in the entire USA.

When you go to Connell for service ask for Todd Mack. Todd has been a Service Consultant at Connell for over 20 years and is a recommended advisor in the Corvette forum. For you "do-it-yourselfers," Connell Chevrolet has an expansive Parts Department. They are one of the largest wholesale dealers in the area. And if they don't have your specific automotive part on hand, they can probably secure it within a few days.

Lastly, let's talk about the Connell employee family. To many, their employment at Connell is not a job... It's a career. Many employees including the sales, service and office personnel have worked at Connell for twenty years and more. Even the outside vendors who help to support Connell Chevrolet, have been within the Doddridge family for many years.

Look for Wayne Doddridge next time you're at the dealership and introduce yourself. He is a family man with 6 children and supports the local community. He and Connell Chevrolet help sponsor Orange Lutheran High School, Crean Lutheran High, Costa Mesa High, Fountain Valley High, Estancia High, the Orange County 4H clubs, Newport Harbor Corvettes, Corvette Super Sports, Better Business Bureau, Auto Club, Costco, Los Angeles County Police and Fire Departments, the Orange County Fire Department, Costa Mesa Police, Newport Beach Police, Huntington Beach Police and Irvine Police.

## In Other News:

Homeland Security Training is now called: **Corvette Super Shots**. We typically meet on the fourth Saturday of each month with lunch afterwards. All are welcome to join!

## Editors' Note:

Hi everyone! I am really enjoying my new position as newsletter editor! I was a little nervous about taking over Geoff's job, since it was an award winning newsletter! I think I've made it my own while keeping the structure the same. As always, I welcome pictures and extra articles from other members as long as you send them to me at least **five (5) days before** the end of each month. I especially need pictures and copy for events I do not attend!

Thank you to those who provided me with pictures from all of our events this month, especially Laura and Kevin for pictures from the Big Bear Bash at the last minute! I couldn't have done it without you!

Enjoy!

Debbie :-)
