Happy Holidays

&

Happy New Year

President Tony

I hope everyone had a wonderful Christmas and Holiday. We sure did. It's such a special time of the year. Now as the New Year comes and we look back at 2016, we find that it was a good year for Corvette Super Sports.

I want to personally thank all those who attended our Holiday Party. There were 67 in attendance. A lot for our house, but things went well and the food and fellowship was the best.

As we start a New Year, changes in the leadership will occur. Yes, some new faces are replaced with some different faces. I would like to give a heartfelt thank you to all of those people who have been part of the leadership group in 2016 year.

Vice President, Donna Stewart, has been in the club for 26 years and this past year, as VP, she has been so very helpful when I have any questions about the Club.

Will Grohmann, as Treasurer, has set new standards of what the office should do. His leadership was 1st class.

Thanks to the Board members from 2016 that won't be coming back in 2017. Ron DeBartemoleis, Gary Plehn and George McMullen. Thanks to you guys for being there for the Club and voicing your opinions.

As the New Year approaches, I want to wish all of you a Happy New Year and, as always, all of your participation will make 2017 a great year again for the Club. This will be the Club's 58th year. . .WOW!!

The VP's Column

The VP's Word By Donna Stewart

I hope you all had a wonderful and safe holiday season with a new year to look forward to. December was an exciting, busy and fun filled month. Everyone really enjoyed the tour of holiday lights on the streets of Brea.

My many thanks to Tony and Laura for hosting the club holiday party attended by so many club members with all the great food and drink. I know a great time was had by all.

Thank you Tony and Laura.

As I write my last message of the year and my term in office finishes, I want to say thank you to everyone for all the help and support you have given me throughout the years. My sincere thanks go to all the executive officers, board members and chairpersons, along with their helpers for a fine job done by you all. All the jobs are strictly volunteer and with all our busy schedules, it is very gratifying to have so many people willing to go that extra step and take the extra time required to help run and organize a successful club. You should all feel very proud and good about yourselves. With the continued help and support of the club members, things should continue along the same path. My heartfelt thanks to each and every one of you!

As the Vice Presidential position passes on to Rick Miller, the club will be in very good hands. Rick has always been a very active and vital member of the club with a lot of experience and good ideas. It is so good to know we can all look forward to a great year ahead of us with his leadership.

As I sign off have a wonderful and safe New Year.

Sincerely,
Donna S.

HELPING WITH A CALICINTO HOLIDAY

BY DIANNE WIEST, CHARITY CHAIRPERSON

As you know, Calicinto Ranch is one of the charities we support as a club. Last month's parents. Part of its mission is to provide a place for these kids to come for the summer and school breaks for a few days at a time. They stay at the ranch learning team work, responsibility, caring for the environment and caring for the animals they have on site, the family has a real desire to help these children and hopefully by a good example break the vicious cycle of breaking the law and going to jail. The club gave me a check for \$1000.00 and we were able to provide quite a bit of holiday cheer for kids that otherwise might not have any. The Ranch has, by invitation, a holiday party for several hundred of these kids. The ranch has contacted the imprisoned parents and will attach a letter written by the parent to the child as well as a gift tag on the gift from "the parent." The gifts that CSS donated were: 5 skateboards, 5 footballs, 5 basketballs, 5 soccer balls, 4 radio controlled corvettes, 2 star wars spaceships, 5 lego sets, 6 art sets, 4 men's grooming sets, 1 cosmetic basket, 1 lotion set, 2 sweat shirts, 1 purse with scarf and sox, assorted cosmetics, 4 scarves, 1 set of notepads, 2 hair ribbon sets, 7 purse/wallet combinations, 4 bath sets, 2 nail stations, 3 back packs, 1 box of AAA batteries and a very nice desk set. We also provided 3 large rolls of wrapping paper and 30 bags of various sizes.

Thank you for your kindness and generosity in making someone's holiday a bit brighter.

Dianne

Merry Christmas to My Fellow CSS Members

Douglas Mariani

'Twas the night before Christmas
And in the garage.
There wasn't a trace of a Ford or Dodge.
The presents were wrapped and the lights were all lit,
So I figured I'd go mess with my Corvette for a bit.
I popped the release and I lifted the hood,
When a deep voice behind me said "Looks pretty good."
Well as you can imagine, I turned mighty quick,
And there by my workbench, stood good Ol' Saint Nick!
He just stared at first, not sure what to say,
Then Santa piped in "Don't suppose you'd trade that for my sleigh?"
"Forget it, Mr. Claus" then I started to grin
"If you've got some time we could go for a spin!"
His round little mouth, all tied up like a bow,
Burst into a smile when he said "C'mon then, Let's GO!!"
So as not to disturb all my neighbours' retreat,
We pushed my old Stingray quietly onto the street.
Then, taking our places to drift down the hill,
I turned on the key, then let the clutch spill.
The sound erupted and took Santa by surprise,
But he liked it a lot, by the look in his eyes.
With cold tires spinning and exhaust pipes aglow,
We headed on out to roads hot rodders go.
And Santa's grin widened, approaching his ears,
With every shift up as I went through the gears.
Then he yelled "Can't recall when I've felt so alive!"
So I backed off the gas and said "Do you wanna drive?"
Ol' Santa was stunned when I gave him the keys,
As he walked past the headlights he shook at the knees!
Then the big block exploded with raspy exhaust sound!
Santa let out the clutch as the tires tore up the ground.
Power shift into second, again into third!
I grabbed for the handle, at loss for a word.
With the tank reaching empty, Santa returned to his sleigh,
Never to forget that ride in my '69 Stingray
Later, I heard him exclaim, as he blasted from sight,
"Merry Christmas, to all,
it's been a great night!!!"

President Tony Schavone welcomed all and thanked all for their attendance, explaining that there was a lot to accomplish tonight, elections and motions to vote on.

Vice President Donna Stewart introduced the evening's guests: Michael Plotnik and former member Bill Wisnowski.

Secretary Bert Wiest explained the voting procedures and distributed the ballots for the board and the MVP voting. He then explained that the board had voted to donate 2000.00 to Calicinto Ranch, going over the report the club had asked him to complete, mentioning that in March of this year the club unanimously voted to make no donation. Bert made a motion that the club override the earlier motion to not donate and donate 2000. The motion was seconded, the vote called for and the motion passed 63 aye, 3 nay.

Board Meeting Minutes November 15, 2016

Officers present: Tony Schavone, Bert Wiest, Will Grohmann, Donna Stewart, Debra Ruby

Board members present: Dianne Wiest, Laura Schavone, Gary Plehn, Ron DeBartolomeis, Eric Ellsworth

Others present: Wayne Heard, John Spurr

President Tony Schavone opened the meeting at 1900 hours, thanking all for their attendance.

Treasurer Will Grohmann had a list of paid members for 2017. The approved budget was handed out.

Secretary Bert Wiest moved that applicants Brian Miller, Bill and Pam DeForrest, Jeff and Marybeth Holt and Ed Sherlock be admitted to club membership. The second was made, the vote called for and the motion passed unanimously.

Bert gave the report findings re: Calicinto Ranch donation, the club had voted unanimously in March to make no contribution this year (2016), also, there is confusion regarding contributions since the budget is approved at the end of the year and contributions are made at the beginning of the following year. The board would like to make a donation this year. Bert made a motion that the board recommend to the club that the vote in March be overturned and the club donate \$2000.00 to be paid by December, 2016. The motion was seconded, the vote called for and the motion passed 7 aye, 3 nay. Bert was so directed to make the motion at the next general meeting.

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Sponsor's Corner:

Connell Chevrolet helps sponsor our Corvette Club. They have been family owned and operated by the Doddridge family since 1989 when Paul Doddridge purchased the franchise from John Connell. Paul is still active with the dealership, but he also spends a lot of his time at his ranch in Montana. His son Wayne Doddridge is the active General Manager.

Connell Chevrolet was first opened in the late 1950's and was located in Newport Beach on Pacific Coast Highway. Then in 1963, they relocated to Harbor Boulevard in Costa Mesa.

Connell has one of the largest new, certified, and pre-owned inventories in Southern California. If you're looking for a specific Tahoe, Silverado pickup, Corvette, or a late-model used car or truck, chances are, Connell Chevrolet has it.

And over the years, Connell's Service Department has built a reputation fixing your GM vehicle right the first time and in a timely manner. They currently have more Chevrolet Master Technicians than most other Chevrolet dealers in the entire USA.

When you go to Connell for service ask for Todd Mack. Todd has been a Service Consultant at Connell for over 20 years and is a recommended advisor in the Corvette forum. For you "do-it-yourselfers," Connell Chevrolet has an expansive Parts Department. They are one of the largest wholesale dealers in the area. And if they don't have your specific automotive part on hand, they can probably secure it within a few days.

Lastly, let's talk about the Connell employee family. To many, their employment at Connell is not a job... It's a career. Many employees including the sales, service and office personnel have worked at Connell for twenty years and more. Even the outside vendors who help to support Connell Chevrolet, have been within the Doddridge family for many years.

Look for Wayne Doddridge next time you're at the dealership and introduce yourself. He is a family man with 6 children and supports the local community. He and Connell Chevrolet help sponsor Orange Lutheran High School, Crean Lutheran High, Costa Mesa High, Fountain Valley High, Estancia High, the Orange County 4H clubs, Newport Harbor Corvettes, Corvette Super Sports, Better Business Bureau, Auto Club, Costco, Los Angeles County Police and Fire Departments, the Orange County Fire Department, Costa Mesa Police, Newport Beach Police, Huntington Beach Police and Irvine Police.

Hi everyone! Reminding everyone that I welcome pictures and extra articles from other members as long as you send them to me at least **five (5) days before** the end of each month. I especially need pictures and copy (articles) for events I do not attend!

This month I want to thank Eric for taking pictures of the holiday lights; Bert and Dianne for their article and picture about Calicinto Ranch; and Douglas M. for sending the cute story about Santa and the Corvette. Also, thanks to Joe for sending the next car show flyers.
