Happy 4th of July!

I hope you all had a fun and safe holiday! ☺

Who We Are

We are a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc.

We support (N.C.C.C.) **National Council of Corvette Clubs, National Corvette Museum**, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

CSS Family Updates

Our Condolences go out to the Miller family for the loss of Lynn's brother. Our thoughts are with you.

The reason why Dorothy Secker has not been to any meetings or events this year is because she had knee surgery and then a heart attack after returning home. She had six stints put in her arteries! Thankfully, she is doing very well now and will be returning to the club soon.

CSS Upcoming Events 2016

- Aug. 13 Battleship Iowa Tour – Art Huhta
- Aug. 20 Day Family Car Museum – Bert Wiest
- Sept. 8-11 Tahoe 48 Hosted by Fresno Car Club
- Sept. 11 Belmont Shores Car Show
- Sept. 24 Cruisin for a Cure @ The Orange County Fair Grounds

On July 6, 2016, Eric and I met up with Doug and Jackie Lyon at the Candlelight Pavilion in Claremont, CA for the Tom Petty tribute band called, *The Petty Breakers*. It was a great concert and many danced in the aisles - not Eric. 😊

Unfortunately, we didn't get to sit together, but we still had a blast singing along to our favorite songs!

President Tony

WHERE IT ALL BEGAN

It was 1972 when my neighbor, Dan, (who had a 1970 Corvette) came to

me with the Long Beach Newspaper. There was an advertisement for a 1972 Corvette, Sunflower Yellow, T-top, 4 speed for sale in San Pedro. The price in the paper was \$3,800. I accepted that price and picked it up. This was my daily driver for the next 4 years.

Then in 1975, Dan called me again and told me he had found a 1962 Corvette in Downey. The car had 6,702 original miles and was partially disassembled and in boxes. It certainly interested me, but I was still driving the '72.

So in 1976 I decided to sell the '72 and buy the '62. I parked the '72 in a store parking lot with a price of \$5,500 on it. It sold in two days!! With cash in hand, I headed for Downey. It was raining that day so the owner of the '62 told me to come back the next day. Leaving the building, the sun was shining. So, I made a deal and paid for the car that day. This is important because only one other person knew about the car and he came the next day to purchase it.

I reassembled the '62 with all the original parts and painted it in my garage in 1980. I've owned the car for 40 years. It now has 10,275 miles on it.

In 2012, I had been looking for another Corvette. A Torch Red coupe with 9,000 miles came up for auction at the GM Corporate sale. I bought it!!

Looking at the window sticker, I discovered that the serial number for this 2012 was 1 number higher than my 1962's serial number. They were 3581 and 3582. What a lucky draw to be this close.

I've really enjoyed the power and refinements in the four years that I've had the 2012. Both cars are red and are quite an attraction when placed side by side.

The question often comes up as to when I'm going to get a C-7. Only if I sell the two I have, and I feel they should stay together, sorta like siblings. LOL Sooo, Hard Decision - Probably NOT

The trip to the Reagan Presidential Library in Simi Valley was super. We had 21 members and 11 Corvettes in the caravan. Everyone had a great time and thanks to Gary Maleski for organizing it so well.

It's great how busy the Club is with past and future outings. The many activities certainly give our members a varied choice of fun things to choose from. Remember, the more involved you get, the more fun you have and friends you make.

The VP's Column

The VP's Word By Donna Stewart

As the summer months fly by, I hope you are enjoying them despite some very hot and uncomfortable days.

We had a very busy month with a lot of fun activities. We had a number of members attend the Friday night car show at the Buena Park Elks Club. We talked to many people and friends of our car club and passed out fliers for our upcoming car show in September.

I would especially like to thank Gary and Alina Maleski for planning and organizing our trip to the Regan Library. We had 11 cars with 22 people in attendance. For some members it was their first visit and for many of us it was the 2nd and 3rd visits. I think many enjoyed the special and spectacular exhibit of arts and relics on view and loan from the Vatican. A good job done Gary and Alina, my thanks and appreciation to you both.

We are now very busy working on our car show. It will be upon us way too soon. This past week Tony, Richard Cheek and myself spent the better part of a day canvassing around our venue handing out fliers and soliciting for car show raffle prizes. We met and talked to some very friendly people and hopefully will produce some rewards for our car show. We will also be doing more of these days until our event. We didn't get kicked out or have any negative responses from our efforts.

Next month, on August 13th, we have the trip and tour of the Battleship Iowa organized by Art Huhta. August 20th is the Day Family Car Museum in Ontario, organized by Bert Wiest. Please try to keep these days open so you can all attend and enjoy. See other events on the "Upcoming Events" page in the newsletter.

Thanks to all,
Donna Stewart

Viva Las Vegas! Cracker Barrel Grand Opening with The Cooper's

A fun weekend was enjoyed by Karen, Ron, Dianne and Bert visiting the Cooper's (Jim & Elaine) at their fabulous new home. It's a dream come true for them and certainly they want everyone to come see them. My advice is to "book early" as they are a great host and hostess.

The girls enjoyed shopping at the many stores that were more than willing to take their money while the guys went gambling. Ron lost a whopping .75¢ cents. The guys checked out the shooting range, Carroll Selby Museum and a restoration facility.

As some of you may know, I live my life for the Cracker Barrel (I don't get out much ☺). So, when a brand new Cracker Barrel opened in Las Vegas, we had to go! The best part was getting to visit with Jim and Elaine while we were there. These pictures documented the occasion.

Thank you Jim and Elaine. You are proof that CSS people are The BEST!

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

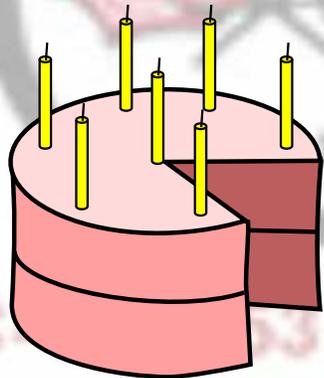

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Sponsor's Corner:

Connell Chevrolet helps sponsor our Corvette Club. They have been family owned and operated by the Doddridge family since 1989 when Paul Doddridge purchased the franchise from John Connell. Paul is still active with the dealership, but he also spends a lot of his time at his ranch in Montana. His son Wayne Doddridge is the active General Manager.

Connell Chevrolet was first opened in the late 1950's and was located in Newport Beach on Pacific Coast Highway. Then in 1963, they relocated to Harbor Boulevard in Costa Mesa.

Connell has one of the largest new, certified, and pre-owned inventories in Southern California. If you're looking for a specific Tahoe, Silverado pickup, Corvette, or a late-model used car or truck, chances are, Connell Chevrolet has it.

And over the years, Connell's Service Department has built a reputation fixing your GM vehicle right the first time and in a timely manner. They currently have more Chevrolet Master Technicians than most other Chevrolet dealers in the entire USA.

When you go to Connell for service ask for Todd Mack. Todd has been a Service Consultant at Connell for over 20 years and is a recommended advisor in the Corvette forum. For you "do-it-yourselfers," Connell Chevrolet has an expansive Parts Department. They are one of the largest wholesale dealers in the area. And if they don't have your specific automotive part on hand, they can probably secure it within a few days.

Lastly, let's talk about the Connell employee family. To many, their employment at Connell is not a job... It's a career. Many employees including the sales, service and office personnel have worked at Connell for twenty years and more. Even the outside vendors who help to support Connell Chevrolet, have been within the Doddridge family for many years.

Look for Wayne Doddridge next time you're at the dealership and introduce yourself. He is a family man with 6 children and supports the local community. He and Connell Chevrolet help sponsor Orange Lutheran High School, Crean Lutheran High, Costa Mesa High, Fountain Valley High, Estancia High, the Orange County 4H clubs, Newport Harbor Corvettes, Corvette Super Sports, Better Business Bureau, Auto Club, Costco, Los Angeles County Police and Fire Departments, the Orange County Fire Department, Costa Mesa Police, Newport Beach Police, Huntington Beach Police and Irvine Police.
