Morgan Schavone, Tony and Laura's Grandson, received the honor of Eagle Scout this month. Family and Friends (including Donna Stewart) attended the ceremony.

Morgan graduated from Servite High School this year and will be attending the University of Kansas. (He's a California Boy?? Just wait till Winter!) His graduation wish was to take one of our Corvettes to Kansas!! NOT!!!

We love him and are so proud of him.

### ~~~~~ **Surprise! I Went Shooting!**

Eric, as you may know, is an avid shooter for over 30 years. He's been trying to get me to go with him and the Corvette Super Shots for the past three years, but I was afraid. I was afraid of the noise and just shooting a gun at all. Then, while on vacation, he wanted to find a place to go shooting. We found Kauai Eco Sporting Clays. It was our anniversary and suddenly, I felt inspired to try it!

Ben Ellsworth is the owner and teacher. Eric wanted a "family discount," but we didn't get one. I liked Ben's positive and excited personality. He said he loves teaching beginners and especially teaching women because they listen and follow directions (unlike the men. ☺) He wanted to teach me how to shoot and I wanted to learn! He was a great teacher and I had fun! Imagine that?! It wasn't as scary as I had imagined and definitely not as loud. Fireworks are much louder! We had a private session since we were the only people there that day. It was great! Eric even had a lesson and has improved his shooting since we've been home from vacation.

It was a great first time experience with a gun. I had beginner's luck hitting many of my targets.

Debbie :-)

### RICK HENDRICK'S CORVETTE COLLETION

At a recent Barrett-Jackson Collector Car Auction in Scottsdale, Arizona, Rick Hendrick paid \$1.65 Million for a collection of three rare Corvettes. These all had Vin. No. 001, from 1955, 1956 and 1957. "These three cars have been kept in incredible condition" said former Hendrick Nascar Driver Jeff Gordon. "These cars are a work of art."

Hendricks later paid \$525,000 to acquire a 1969 Corvette convertible (1 of 116) built with the rare L88 power plant that produced 560 HP.

Last year Hendrick bid on Vin No. 1 of the 2015 Corvette Z06. He paid \$1 Million for the special Corvette. The money went to Karmanos Cancer Institute.

In 2014, Rick Hendrick bid and won the 1<sup>st</sup> 2014 Corvette Coupe. He also paid \$1 Million for this car. Later he bought the first 2014 Corvette convertible. He actually went to the factory where the Corvette is produced in Bowling Green, KY to pick up the car.

Hendrick's favorite Corvette is the 1967. Among the 67s he has in his collection, is one owned by Roy Orbison. Another 1967 in the Hendrick's Collection was once owned by King Leopold III of Belgium.

Rick Hendrick's 1967 car collection is known to be the largest in the World. There are over 40 1967 427 Corvettes. He has every color combination available from Chevrolet in 1967. There are a total of 140 cars in his collection with 98 of them Corvettes. That's pretty good for a man who sold his first Corvette to get enough money to get his first car dealership. He now has over 100 car dealerships; four Nascar Race Teams and a net worth of a Billion Dollars.

I really wish everyone a Great 4<sup>th</sup> of July. There are many ways to celebrate it: with families, friends or at special 4<sup>th</sup> events. However you celebrate it, please remember to honor our Nation's Birthday and it's American Flag.

## The VP's Column

### The VP's Word By Donna Stewart

The Summer is flying by so fast I can hardly keep up with all the many activities, both past and future ones. Reports from the Club picnic were that a good time was had by all. Thank you's to Bert and Dianne Wiest for the planning and organization of the event. We will certainly look forward to a second annual Club picnic.

Once again my many thanks to Shirley and Garry Jones for hosting the Bash Before the Bash during Corvettes West event in Big Bear. The weather was great for us and we all had a super time with an array of good food and drinks. Our Club participants came away with many trophies. *My Congratulations to all the winners!* A great job was done by all!

We are also very busy with the planning of our own annual car show, Sunday, Sept. 25<sup>th</sup>. We need a lot of help from all of you! We have many jobs and committees to be filled and, of course, need raffle prizes and items for the goodie bags. Please step up and let us know in what capacity you would like to help and be involved in. We need you all to help in order to have a fun and successful car show.

As to the upcoming 4<sup>th</sup> of July holiday; please have a great time, but most of all a "safe and sane" one.

Thank You,  
Donna Stewart  
Vice Prez

## FRIENDS, FOOD AND FUN AT CORVETTE SUPERSPORTS CLUB PICNIC

BY BERT WIEST, PICNICMEISTER

53 brave and intrepid club members braved the drizzle and mist to attend the club picnic on June 11 at Tri Cities park in Placentia. The club provided hot dogs, condiments, chips, potato salad, coleslaw and dessert for the event. Dianne Wiest, Ron DeBartolomeis, Tony Schavone and Bert Wiest rotated as the grill masters on the barbecue cooking the hot dogs.

The first game was a Corvette trivia and CSS trivia game won by Ed Norris and Tony Schavone, chocolate race cars were handed out as prizes. Game number two was the beach ball relay which required the participants to move the beach ball to their partners by way of a stocking stuffed with a potato, tied around their waist to their relay partner. This was won by partners Karen DeBartolomeis and Doug Utash in a hilarious finish. The next game was pass the ping-pong ball on the spoon held between your teeth, won by John Spurr, Linda Norris, Joe Orrico and his guest Kellie. Finally came the pass the orange under your chin again won by Joe and Kellie. Unfortunately, there were no takers for the cornhole tournament.

Another high spot of the day was the birthday celebration of member Eric Ellsworth, the picnickers gathered, sang the traditional rendition of "Happy Birthday" in our usual outstanding choral manner and then enjoyed a delicious birthday cake, one of the offered desserts.

The general consensus was that it was a fun event and all are looking forward to another picnic next year. Special thanks to Rich Carias, Ed Norris and Dace MacDonough for their help in the teardown and carrying stuff to the truck.

## BIG BEAR BASH 2016

We had another fun filled weekend at the Big Bear Bash. The weekend kicked off with the Bash Before the Bash at Garry and Shirley Jones house, and as always we had lots of delicious food, refreshing drinks, along with the good company of friends and the awesome music that Garry puts together for our afternoon enjoyment.

The car show was held on Friday afternoon at the Robin Hood Inn. Bob and I won first place in the C4 class with our 40th Anniversary coupe and Dave and Jenny Mac Donough took first place with their C-5, 50th Anniversary. It must have been a weekend for the anniversary cars. After the car show some people participated in the Horseshoe Rallye. This was an event where you drove your car around town stopping at four different locations picking up keepsakes along the way and finishing at the Horseshoe pits for the horseshoe competition. The teams representing Corvette Super Sports were, Bud and Shannon Norris and Dawnette Norris and Dave MacDonough. Bud and Shannon won second place and Dawnette and Dave had a lot of fun trying to get that horseshoe around that stake. The Trivia contest was also held on Friday evening, this was to test our knowledge of the Corvette. This year Shannon Norris and Doug Lyon represented our club and earned a very respectful fourth place. Way to go Shannon and Doug!!! To top off the awards for the evening Corvette Super Sports won the Club Participation plaque.

Saturday we were off to the **races!!** Corvette Super Sports was well represented and did pretty well dodging the cones out there on the track!

Bud Norris, Ed Norris, Kevin Presser, Doug Lyon, Jackie Lyon and Shannon Norris all got first place in the classes. Best Time Overall with a 37.17 went to Ed Norris and Best Time of the Day for women with a 41.399 went to Shannon Norris. Congratulations you two!!

Our dinner Saturday night was delicious, we had our choice of Salmon, Tri Tip or Chicken with potatoes, salad, vegetables and of course dessert all of it really Yummy!!! The rest of the evening was spent catching up with old friends, great music to dance to and we can't forget those Raffle prizes which consisted mostly of cash with some of our members lucky enough to win and Shannon was the big grand prize winner!

Sunday it is time to pack up and get ready for our trip home, but not before some of us went on the Gimmick and Poker Rallye. Shannon and Dawnette along with Doug and Jackie represented our club. Shannon and Dawnette won first place in the Gimmick Rallye just nosing out Doug and Jackie who won second place. Dawnette and Shannon also were lucky enough to win second in the Poker Rallye with three 5's. While Shannon, Dawnette, Jackie and Doug were out mounting up the NCCC points the rest of us went back to Garry and Shirley's to say our "Good Byes" and enjoy the delicious brunch Shirley always prepares for us.

So, if you like to Race your Corvette, Show your Corvette off, Drive your Corvette and cruise in your Corvette then you definitely need to go to the Big Bear Bash and the Bash Before the Bash hosted by Garry and Shirley.

I would like to send a big Thank You to Garry and Shirley and Corvettes West for a Fun Filled Weekend.

Submitted by Vicki Kump

## Corvette's Birthday!

June 30th 1953 was the birth of Corvette. Celebrating this momentous occasion on this day at the Corvette Museum seemed like the ideal place and time for a visit and a piece Birthday history. I hope you enjoy a few of our pictures as much as we enjoyed taking them with our new babies.

The non museum pictures are from the Blue Ridge Mt. Parkway and the end of the Tale of the Dragon in North Carolina.

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

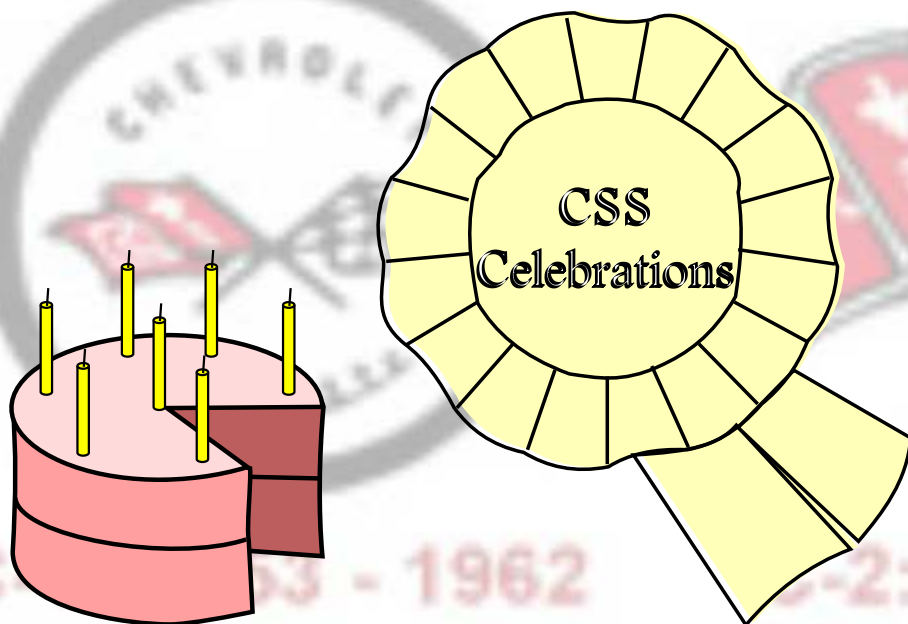

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

## Sponsor's Corner:

Connell Chevrolet helps sponsor our Corvette Club. They have been family owned and operated by the Doddridge family since 1989 when Paul Doddridge purchased the franchise from John Connell. Paul is still active with the dealership, but he also spends a lot of his time at his ranch in Montana. His son Wayne Doddridge is the active General Manager.

Connell Chevrolet was first opened in the late 1950's and was located in Newport Beach on Pacific Coast Highway. Then in 1963, they relocated to Harbor Boulevard in Costa Mesa.

Connell has one of the largest new, certified, and pre-owned inventories in Southern California. If you're looking for a specific Tahoe, Silverado pickup, Corvette, or a late-model used car or truck, chances are, Connell Chevrolet has it.

And over the years, Connell's Service Department has built a reputation fixing your GM vehicle right the first time and in a timely manner. They currently have more Chevrolet Master Technicians than most other Chevrolet dealers in the entire USA.

When you go to Connell for service ask for Todd Mack. Todd has been a Service Consultant at Connell for over 20 years and is a recommended advisor in the Corvette forum. For you "do-it-yourselfers," Connell Chevrolet has an expansive Parts Department. They are one of the largest wholesale dealers in the area. And if they don't have your specific automotive part on hand, they can probably secure it within a few days.

Lastly, let's talk about the Connell employee family. To many, their employment at Connell is not a job... It's a career. Many employees including the sales, service and office personnel have worked at Connell for twenty years and more. Even the outside vendors who help to support Connell Chevrolet, have been within the Doddridge family for many years.

Look for Wayne Doddridge next time you're at the dealership and introduce yourself. He is a family man with 6 children and supports the local community. He and Connell Chevrolet help sponsor Orange Lutheran High School, Crean Lutheran High, Costa Mesa High, Fountain Valley High, Estancia High, the Orange County 4H clubs, Newport Harbor Corvettes, Corvette Super Sports, Better Business Bureau, Auto Club, Costco, Los Angeles County Police and Fire Departments, the Orange County Fire Department, Costa Mesa Police, Newport Beach Police, Huntington Beach Police and Irvine Police.
