President Tony

Wow, the year has flown by really fast. Of course, it goes by the same speed every year. LOL

The reason the year seemed to go by so fast can only be attributed to the number of events the Club has participated in this year.

January started off the year with our Banquet . What a special one it was...a Prom!! WOW

Just in case you forgot, we started off in February with 17 cars from the Club going to "Wax Your Corvette Day" at Aero Wax in Bellflower.

March was the time to begin the car show meetings that went on every month until September.

April kept things moving with the Gambler's Classic in Laughlin and the Downey High School Open House.

May took us to the Fullerton "Trains, Planes and Automobiles" events. The Muckenthaler Car Show featured a Corvette Corral for the 2nd year with 24 Club members showing up.

June always starts with "Big Bear Bash" at Shirley and Garry's house. Then down to town for more festivities.

July brought us a great time visiting the Reagan Library. Everyone came away with a good feeling about President Reagan and Nancy.

We had 18 Club cars visit the Battleship Iowa in August. Art Huhta and Don did a great job as tour guides. We attended the Day Family Museum in Corona the following week. The Day Family car museum was really super.

September is the month when we always look forward to the Tahoe Run (#48) put on by Corvettes of Fresno. We had 14 members attend. On September 25, we held our Annual Car Show at Hooters in Anaheim. With almost 100 cars attending and with the great support from Connell Chevrolet, the show was a huge success.

October is the month for our Miniature Golf Tournament. We had a record turnout and lunch at Blake's was superb. Our other event in October was a trip to Calicinto Ranch. It was very inspiring to see how this place helps children.

The November "Vettes for Vets" car show in Carlsbad resulted in several trophy awards for the Club. Let's not forget our annual "Turkey Bowl!" It was fun, painful (for us old folks) and the food is awesome.

December brings us the Club Christmas Party. What a way to end the Year!!!

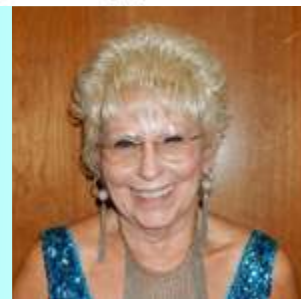

Thanks to all who took the time to join in on the Club events. Just ask those who participated if they had a good time and they will tell you "YES."

WE LOOK FORWARD TO MORE GOOD THINGS THIS COMING YEAR.

Tony

The VP's Column

The VP's Word By Donna Stewart

I know this is the busiest time of the year for all of you. I sure hope you all had a wonderful Thanksgiving holiday with family and friends.

My congratulations to the Club Winners at the Vette for Vets car show. We had a great showing of club members showing their cars and it was especially great to have club winners bring home trophies as Richard and Sarah Cheek took the Best of Show trophy. A good job was done by all of you.

Many Thanks to those participating in our Turkey Bowl and pot luck. I know we all had a good time bowling with some great food to top off the event.

YOUR VOTE COUNTS!

I want to encourage as many of you as possible to attend the December meeting. It is important for you all to cast your ballots for next year's officers and board members.

As the car show season has about come to an end this year, we are already into the planning of our next year's car show. Please let us know any input that would be helpful for next year. We would really appreciate it.

We are planning the Annual Club Awards Banquet, Saturday, January 21st, 2017. We look forward to seeing you all there. You can pay your money at the club meeting...\$25.00 for club members and \$35.00 for non club members. I know you will have a good time, good food, good people and good fun. More details are to come.

As we look forward to the new year, we are planning an evening on Tuesday, Dec. 8th to tour the beautiful Holiday Lights in Brea and of course our "holiday party and pot luck" Dec. 17th at Tony and Laura's home. Please let them know if you plan to attend.

I want to wish you all a Wonderful holiday season and Happy New Year! Please take time to enjoy your family and friends and try to relax!

Happy Thanksgiving.

Please check the events calendar for exciting events ahead of us.

Thanks to You All

Connell Chevrolet
Costa Mesa, CA

Attention: Wayne and D J

The Corvette Super Sports of Southern California would like to thank all of you at Connell Chevrolet for your awesome support to our Annual Car Show.

It was a great success mainly due to you and certainly helped us put on a "Class 1" car show. Thank you for the generous monetary donation which enabled us to buy trophies and more. We also greatly appreciate the "Car Show Shirts" which really completed the uniform look of the car show. The shirts also gave us a chance to acknowledge Connell Chevrolet at the show.

Your generosity has enabled us to "Pay it Forward" by contributing to our deserving Charities.

We are honored to present you with this Trophy as a THANK YOU for your continued support to us.

Sincerely,

Tony Schavone

FISHER HOUSE SOUTHERN CALIFORNIA

We count on our military. Can they count on you?

WHAT IS A FISHER HOUSE?

The Fisher House program is a unique private/public partnership that supports America's military and America's military families. The program recognizes the special sacrifices of our men and women in uniform, and the hardships of military service, by meeting a humanitarian need beyond that provided by the Departments of Defense and Veterans Affairs. Fisher House is a "comfort home" enabling family members to be close to their loved ones during the traumatic hospitalization of a wounded, injured or ill service member, veteran or family member. Fisher House Foundation has earned a four (out of four) star rating from Charity Navigator and an A+ from the American Institute of Philanthropy.

ABOUT THE VA LONG BEACH:

Known as one of the most diversified health care providers in the Department of Veterans Affairs, the VA Long Beach Health Care System encompasses over 400 beds on its 100-acre campus in Long Beach and has satellite clinics throughout the area. California is home to the Nation's highest population of former servicemen and women—over 2 million, and VA Long Beach annually provides care to over 50,000 of those veterans, including almost 18,000 from the Iraq/Afghanistan conflicts, with 9% of those being women. Specialized programs include the Nation's largest Spinal Cord Injury Center, the Blind Rehabilitation Center (one of only 14 Centers in the Country), in and out-patient mental health facilities, radiation oncology, and surgical services, to name a few. The VA Long Beach is also distinctive in having academic affiliations to train the newest generation of health care providers. VA Long Beach Healthcare System has been named among the Joint Commission's "Top Performers on Key Quality Measures," a recognition given to only 19 of the 152 VA hospitals accredited by the Joint Commission.

PFC Matthew Zajac, U.S. Army, Medically Retired, with his father Mike Zajac

HOW CAN YOU HELP?

The campus of the VA Long Beach Medical Center was recently approved for a Fisher House and we need your support to fund construction. All donations are tax-deductible to the maximum extent allowed by law. For the fewer than 10% of our population who have given so much to ensure the freedoms we all enjoy in this great Nation ---

CSS General Meeting Minutes November 1, 2016

Officers present: Tony Schavone, Donna Stewart, Bert Wiest, Will Grohmann, Douglas Mariani, Debra Ruby

Board members present: Dianne Wiest, Ron DeBartolomeis, George McMullen, Eric Ellsworth, Laura Schavone, Gary Plehn

Members present: 57

A quorum was declared to be present by Secretary Bert Wiest.

Sergeant at arms Ron DeBartolomeis called the meeting to order at 1900 and led the assemblage in the pledge of allegiance.

President Tony Schavone opened the meeting by welcoming all and thanking them for their attendance. He commented on the fact that there was a full house and we had a lot to do. He has stickers available for Vietnam Veteran Corvette owners.

Vice President Donna Stewart welcomed the evening's only guest, Wayne and Betty Heard's son, Jorge.

Secretary Bert Wiest passed out the MVP nomination slips with instructions to the members to nominate the member they feel should receive the award. Dianne will collect the slips, hand them to Bert and he will post the nominees in an email for the members to peruse prior to their vote in December.

There was a motion made, seconded and passed to waive the reading of last meetings minutes.

Treasurer Will Grohmann reports that dues are now due and after the 9th there will be a \$10.00 NCCC late fee assessed. Will passed out copies of next years proposed budget. Sue Rosen made a motion to adopt the budget as proposed; the motion was seconded and passed unanimously.

Donna Stewart reported on the club's upcoming events: Nov. 5, Vettes for Vets car show; Nov. 12, Turkey Bowl; Dec. 17, club holiday party; Jan 21, annual banquet.

Donna talked about the upcoming banquet, the cost is about \$35.00 per person. She made a motion that the club pay \$10.00 per member and the members pay the rest. The motion was seconded and passed unanimously.

Donna announced the November birthdays and anniversaries. The birthdays are: Wanda Utash, Dave Alciatore, Marcia Lynch, Jenny MacDonough, Dave MacDonough, Tom Scully, Donna Stewart, Monica Valparaiso.

The anniversaries are: Wayne and Betty Heard, Jim and Elaine Cooper, Brian and Monica Valparaiso, Scott and Renita Glover, Andy Ersek.

Marcia Lynch called on the candidates for the board to stand, introduce themselves and say a few words about themselves, they are: Dianne Wiest, Donna Stewart, John Spurr, Laura Schavone, Gary Plehn, George McMullen, Wayne Heard, Eric Ellsworth and Sal Cruz.

Charity and Care and Care and Concern Chairperson Dianne Wiest reports that all are healthy. She also reported on the club trip to Calicinto Ranch and the work they do, she also stated that Calicinto Ranch has a need expressed to her by Sophia for Christmas gifts for pre-teen and teenaged youth.

There then ensued some discussion regarding our charitable donation to the Ranch. Some members felt that given the balance in the clubs account, a larger or extra donation might be called for. Renita Glover made a motion that the club donate more money. The motion was seconded, the vote called for and the motion defeated. There seemed to be some going back and forth regarding past donations made and when. It was determined that the Secretary would scour the minutes, write a report, report his findings to the board and then to the membership at the December General meeting.

Regarding the Calicinto Ranch Christmas gift donation Laura Schavone made a motion that the club send them a check for a smaller amount. The motion was seconded and discussion called for. Bert Wiest made an amendment to the motion that Dianne Wiest get money from the club to shop for gifts and take them to the Ranch. The amended motion was seconded, the vote called for and passed 21 aye, 16 nay, 1 abstention.

There were no reports from Webmaster Douglas Mariani, Newsletter Editor Debra Ruby, Publicity Chairman Richard Cheek.

See Rick Miller for club apparel.

Bert Wiest briefly spoke about the miniature golf tournament.

The goodies were courtesy of Marcia Lynch, Sandy McMullen and Jennifer Spencer.

The raffle winners were John Spurr, Jay Lynch, Ann Lee, Andy Ersek, Monica Valparaiso, Laura Schavone, Sarah Cheek and Jan Works.

The meeting was adjourned at 2042.

Respectfully submitted,
Bert Wiest, Secretary

Fun Exciting Day

I took the opportunity to participate in a HOOKED ON DRIVING event. The portion I participated in was geared for novices, which meant you followed an experienced driver around the track.

What a great time getting the feel for the cars' ability to accelerate, break and handle the curves. It was great fun and safe. I also had an instructor riding with me who not only is an experienced competition driver, but is none other than our own Joe Orrico.

HOOKED ON DRIVING is focused on providing high performance driver training in a controlled environment on the race course with no competition.

Oh, by the way, it was loads of FUN!

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

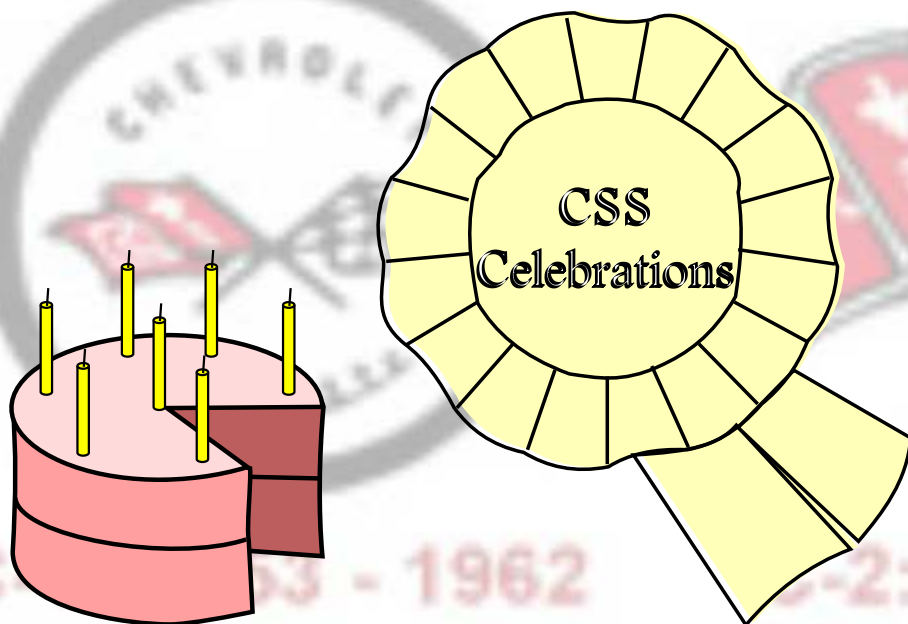

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Sponsor's Corner:

Connell Chevrolet helps sponsor our Corvette Club. They have been family owned and operated by the Doddridge family since 1989 when Paul Doddridge purchased the franchise from John Connell. Paul is still active with the dealership, but he also spends a lot of his time at his ranch in Montana. His son Wayne Doddridge is the active General Manager.

Connell Chevrolet was first opened in the late 1950's and was located in Newport Beach on Pacific Coast Highway. Then in 1963, they relocated to Harbor Boulevard in Costa Mesa.

Connell has one of the largest new, certified, and pre-owned inventories in Southern California. If you're looking for a specific Tahoe, Silverado pickup, Corvette, or a late-model used car or truck, chances are, Connell Chevrolet has it.

And over the years, Connell's Service Department has built a reputation fixing your GM vehicle right the first time and in a timely manner. They currently have more Chevrolet Master Technicians than most other Chevrolet dealers in the entire USA.

When you go to Connell for service ask for Todd Mack. Todd has been a Service Consultant at Connell for over 20 years and is a recommended advisor in the Corvette forum. For you "do-it-yourselfers," Connell Chevrolet has an expansive Parts Department. They are one of the largest wholesale dealers in the area. And if they don't have your specific automotive part on hand, they can probably secure it within a few days.

Lastly, let's talk about the Connell employee family. To many, their employment at Connell is not a job... It's a career. Many employees including the sales, service and office personnel have worked at Connell for twenty years and more. Even the outside vendors who help to support Connell Chevrolet, have been within the Doddridge family for many years.

Look for Wayne Doddridge next time you're at the dealership and introduce yourself. He is a family man with 6 children and supports the local community. He and Connell Chevrolet help sponsor Orange Lutheran High School, Crean Lutheran High, Costa Mesa High, Fountain Valley High, Estancia High, the Orange County 4H clubs, Newport Harbor Corvettes, Corvette Super Sports, Better Business Bureau, Auto Club, Costco, Los Angeles County Police and Fire Departments, the Orange County Fire Department, Costa Mesa Police, Newport Beach Police, Huntington Beach Police and Irvine Police.
