O.C. Vettes Charity Poker Run July 15, 2017

President Tony

I met Dwayne Bower at the Muckenthaler Car Show. Our conversation concluded with Dwayne telling me about him having a 50-car collection in Ojai, California.

The caravan to Ojai left at 8 a.m. with 12 Corvettes and 24 Club members.

We met Dwayne at the "Bower Garage", driving his 1969 Corvette T-Top. This large building was previously the Ojai Van Lines (also known as the Mayflower Van Lines). Dwayne's father, Bud, started the company and one of the 1st trucks was the 1917 White, which was in his collection. This 100-year old truck started on the 2nd crank of the engine! Dwayne had driven this truck in the July 4th Ojai Parade.

Dwayne's car collection didn't have a lot of concourse cars. In fact, none of them were pristine. His fleet of well maintained and almost all in running condition vehicles are just the way he purchased them. If they needed a repaint, he did that himself in the barn by his house. He painted the red Corvette with black stripes because the finish was cracking. A paint job well done.

His first car was a 1929 Packard two door that he purchased for \$100. It is in the same condition as it was when he bought it at the age of 13 years old. He drove it for the first time when he was 13.

One other car worthy of mention is a 1954 Buick that Dwayne and his wife Kathy took on their honeymoon around the USA. It is exactly the same as it was in 1954.

I wrote this little story for the other 90 members of the Club that were unable to attend this outing.

It was an exciting day; a little warm but the lunch at the Ojai Golf Course restaurant, was delicious and pleasant in the air conditioned room.

Thanks to all who attended. It was a great day!!!

Tony

The O.C. Vettes charity Poker Run was great. We had 7 cars attend from our club and ask anyone who did attend and I'm sure they'll tell you it was a fun day. Thanks to Brenda, Donna, Andy, Brian V, Monica, Brad, Ann, Jay, Marcia and Lynn, and kudos to Doug, Wanda and Brian M, our long distance attendees from Apple Valley and Vegas respectively.

As in the past, the host club had an outrageous number of raffle prizes and we took our fair share home. Brad and Ann won a Wedding album (photo book) a picture frame and a cake cutting and serving set. Maybe now they'll decide to get married (again) LOL ☺

No super poker hands for us, but lots of fun none the less. The Poker Run included a very easy to follow list of instructions for your cruise through Irvine, Tustin, Mission Viejo and the Canyons within. It was a well organized and managed event by O.C. Vettes. If you weren't able to make it this year I hope you'll keep the event in mind for next year; you won't be sorry.

Supporting other Corvette clubs in our area is a great way to have a fun day out with your car, meet new friends with things in common and encourage other clubs to support our events.

Our evening at Irwindale is August 12th. The bigger the club turn out the more fun filled and exciting the event promises to be. I hope it's on your calendar.

Corvettes of Fresno's "Tahoe 49" event runs Thursday evening 9/7 through Saturday night (head home Sunday 9/10). Plans for a caravan heading up to Reno on Wednesday Sept. 6 are being formulated as is a CSS fun club day Thursday for those interested. Back by popular demand, our pre-event club day on Thursday will include a boat cruise aboard the Dixie Queen across Lake Tahoe to Emerald Bay on the CA side and back. Tahoe 49 is about 7 weeks away. If you haven't yet registered and would like to go it's not too late. If you're one of the many already registered, the event and all the fun will be here very soon!

August 15th is the Registration cut off for Tahoe 49. Event and Registration info is available on our website. If there's additional info not covered there in, let me know and I'll do my best to get you answers.

NCCC PRESIDENT's MESSAGE

July 2017

I want to share some things I experienced this past month. Over the years I have heard from clubs and members about what does NCCC do for their club and each member. Jack Wilson has written reports about how important insurance is for members and clubs. I have written about friendships and getting to talk to others outside your club attending events around the country.

June 10th 2017 I attended in Michigan the memorial for Jim Harris, a member of Flint Corvette Club, who passed away in Arizona earlier this year. Jim was a past NCCC National Officer for 13 years leading the NCCC Convention Steering Committee. Jim was also very active in his club and region as an Officer and Governor. Jim's passion was caring about NCCC and its members. I found out Jim was also very talented in many ways I never knew about. Jim was always helping others when there was a need. He even designed a cup holder for C-3 Corvettes sold at all the major Corvette suppliers which he holds a patent on.

Barb Harris, Jim's wife, asked me to come up and say a few words. I talked about how Jim and I over the years would go battle about rules and by-laws and yet always remained friends. At the podium I asked how many attendees were Corvette people. I would guess over 90% held up their hands. I was not shocked, but amazed how many took time out of their busy lives to attend. Folks came from Michigan, Ohio, Indiana, Illinois, Wisconsin, and many other states. I would say there were about 150-200 paying their respects to Jim, Barb and their family.

On the drive back home that evening I became aware what NCCC is really all about...FAMILY! We talk about it, our brand slogan states, "we joined for the car...we stay for the people". How true this is. I know I have many friends in NCCC, but to see the folks attending Jim's memorial really hit home that this is the best part of belonging as a member of the National Council of Corvettes. NCCC is full of caring people who develop friendship across the country that last a life time. Jim had lots of friends for sure.

So what is NCCC really about? The best part of NCCC is all the people we get to interact with, have fun with, compete against, travel with, attend convention with, and become friends for life. All the other NCCC benefits are important, but just stuff!

Something else I would like to share. The weekend of June 17-18, Corvette Club of Illinois in Champaign, sold food for everyone attending the autocross each day in Rantoul IL. The food and IGA food wagon were donated. The club voted to distribute monies from this event to Beth's Place, a comprehensive domestic violence shelter for women, and the Eastern Illinois Food Bank. They do this every year even though the autocross is not their event. This is not a club that hosts competitive events, but the 200 + members are sure out there helping others. Caring and giving folks like so many others clubs in NCCC.

Lastly this past weekend June 22nd-24th at the Bloomington Gold Corvette Show in Indianapolis IN. the clubs from the Indiana Region hosted the autocross event. This was a non-competitive event for people attending the Bloomington Gold Show. This show has grown every year and they create smiles for all who try out the course. NCCC members come on Wednesday to set things up and volunteer to manage the entire event for three days. Thank you to all the Indiana clubs that came out to host and help manage this event. NCCC's charity committee was also present selling raffle tickets to win a Corvette or cash to support St Jude Children's Research Hospital. We even took money for tickets when we ran out of tickets. Michele Cantelmo is mailing the stubs to those who bought a ticket without a ticket! What a great feeling for that kind of support for St. Jude!

I guess my point is these experiences in NCCC are more than just about joining a Corvette club. Members give of their time, energy, and friendship so that others can enjoy, have fun, or be help in some way. I know many clubs out there are doing things within their own regions to help others. This is what NCCC is all about. Insurance is important for sure, competition is part of NCCC, by-laws keep us on track, rules keeps us honest, and meetings conduct NCCC business, but that is all just stuff. People are what are important, and NCCC members are the BEST at what they do.

That's it for this month. Remember to get involved in your club. Get to know all the members and expand your friendships. You will not regret it.

God bless you all and be safe. You get out of life what you are willing to put into life.
Blessings received come from blessings given!!!

Until next month,

Dave Heinemann
President NCCC

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

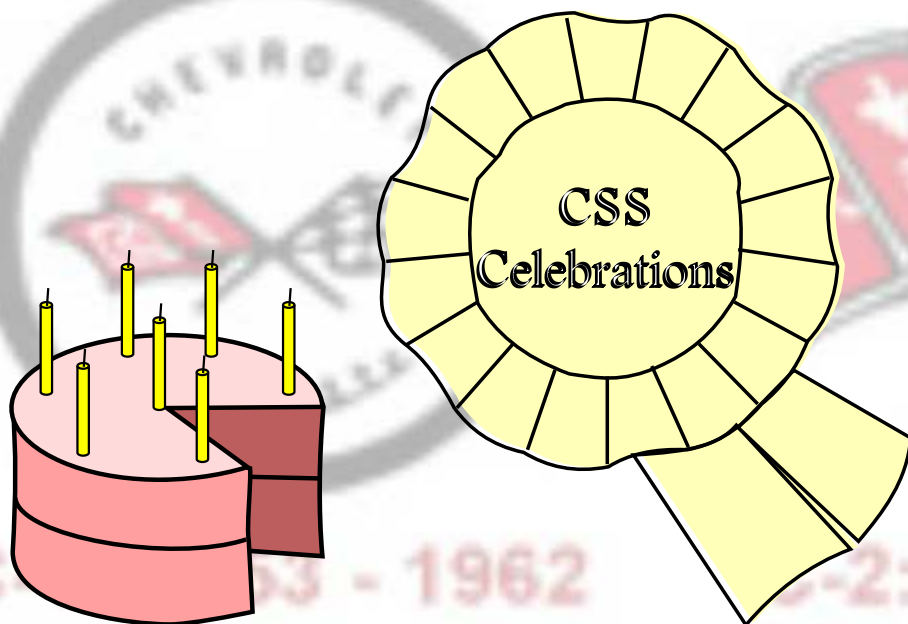

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Sponsor's Corner:

Connell Chevrolet helps sponsor our Corvette Club. They have been family owned and operated by the Doddridge family since 1989 when Paul Doddridge purchased the franchise from John Connell. Paul is still active with the dealership, but he also spends a lot of his time at his ranch in Montana. His son Wayne Doddridge is the active General Manager.

Connell Chevrolet was first opened in the late 1950's and was located in Newport Beach on Pacific Coast Highway. Then in 1963, they relocated to Harbor Boulevard in Costa Mesa.

Connell has one of the largest new, certified, and pre-owned inventories in Southern California. If you're looking for a specific Tahoe, Silverado pickup, Corvette, or a late-model used car or truck, chances are, Connell Chevrolet has it.

And over the years, Connell's Service Department has built a reputation fixing your GM vehicle right the first time and in a timely manner. They currently have more Chevrolet Master Technicians than most other Chevrolet dealers in the entire USA.

When you go to Connell for service ask for Todd Mack. Todd has been a Service Consultant at Connell for over 20 years and is a recommended advisor in the Corvette forum. For you "do-it-yourselfers," Connell Chevrolet has an expansive Parts Department. They are one of the largest wholesale dealers in the area. And if they don't have your specific automotive part on hand, they can probably secure it within a few days.

Lastly, let's talk about the Connell employee family. To many, their employment at Connell is not a job... It's a career. Many employees including the sales, service and office personnel have worked at Connell for twenty years and more. Even the outside vendors who help to support Connell Chevrolet, have been within the Doddridge family for many years.

Look for Wayne Doddridge next time you're at the dealership and introduce yourself. He is a family man with 6 children and supports the local community. He and Connell Chevrolet help sponsor Orange Lutheran High School, Crean Lutheran High, Costa Mesa High, Fountain Valley High, Estancia High, the Orange County 4H clubs, Newport Harbor Corvettes, Corvette Super Sports, Better Business Bureau, Auto Club, Costco, Los Angeles County Police and Fire Departments, the Orange County Fire Department, Costa Mesa Police, Newport Beach Police, Huntington Beach Police and Irvine Police.
