President Tony

Wow! Another new year has already started. We have some new faces on the Board and new Officers too. This is an exciting time. We will bring new ideas and maintain the great momentum the Club has shown in the past.

Last year was jam packed with many types of fun events. We are already putting together a calendar of events for this year. I encourage the members' input as to proposed outings, mystery runs, social events, etc. You could then organize the details of the event which we could help you with.

Congratulations to the 10 year and 30 year members. A special congratulations to Doug Meeuwenberg on receiving his 50 year pin. Listening to his Bio, reminded us of how instrumental he was in many of the ideas and plans for the Club. Way to go Doug! This show of longevity tells us what great members we have and what an awesome Club we are.

Thanks for the vote of confidence as I start my 3rd year as your Club President. I really appreciate everyone's support. We have a Super Club with Great Members. Here we go into 2017!

Tony

The VP's Column

The VP's Word By Rick Miller

Greetings everybody,

First of all, Thanks to Donna for her guidance and assistance during this transition. I hope to be a good V.P. and will try my best to fill the big shoes of my so very qualified predecessor.

Welcome to 2017. We started the year in great fashion. Our banquet was a huge success and much thanks to Donna and Laura for all their hard work and to all who attended and made it such a great event. Kudos!

2017 promises to be packed with activities, socially, Corvette related and club events. What's the difference you ask? Well...

A **Social Event** is an event planned by a club member or members specifically intended for member and invited guests attendance. It may or may not include driving your Corvette.

A **Club Event** is an event held by another club that we choose to highlight and support. By doing so we hope that they will support our events in kind. Much more on this subject will be discussed beginning with February's meeting (note this month only the meeting is Wednesday 2/8). Have you a favorite destination you'd like to share or an event you'd like to plan please step right up! What we do depends on you. ☺

Our next Social event is our Valentines bowl on Feb 11th. This is a very fun event and requires no skill. Bring a dish to share at the post bowling pot luck. Come to bowl or just to cheer on those that do. Much much fun!!

Also in February is the Desert Association's Laughlin Run February 24-26.

These events and others are on our Website's Event Calendar. Check there often for updates and links to flyers.

Let me know if you have an event you'd like to have posted or send the info to Doug Mariani our webmaster.

I'm looking forward to a great CSS event year and your participation can do much to make it phenomenal.

Regards,
Rick

Rick's Birthday Bash with Family and Friends

By, Tony Schavone

On the occasion of Rick Miller's Birthday in January, he invited a group to accompany him and Lynne on a "Pilgrimage to the Holy Land." No, we didn't go to Israel. We went to the Holy Land of the Corvette in Bowling Green Kentucky. We flew to Nashville, Tennessee and rented vehicles to drive to Bowling Green. We arrived at the Corvette Museum the next day at 8 A.M. for the bus ride to the Corvette Assembly Plant. Our tour consisted of 4 people per guide. Of course this allowed us to spend a lot of time and ask lots of questions. What a "rush" seeing those beautiful red, white and blue Corvettes go to their final destination.

The Assembly plant was previously a Chrysler Air Conditioner plant that closed in the 1980's. The city of Bowling Green offered it to GM for one Dollar a year for 99 years. That was in 1991. WHAT A DEAL!!!

They build 137 Corvettes a day, 5 days a week, 8 hours a day.

We then returned to the Corvette Museum and toured it. This is where the sink hole appeared in the floor of the dome on February 12, 2014. The hole has been filled in but some of the cars on display are as they were when pulled out of the hole. What an amazing site.

The trip was really incredible and was a great way to celebrate Rick's Birthday.

Another highlight of the trip occurred one night as our group was leaving a sports bar. Rick and I were stopped by two men who saw us wearing Corvette jackets. They shook our hands and thanked us for buying Corvettes. They told us how we changed their lives and how the city of Bowling Green has steadily grown since the Corvette Plant and Museum was built. Events at the Museum bring thousands of people to the City every month, making Bowling Green, Kentucky one of the "go to" places in the State.

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

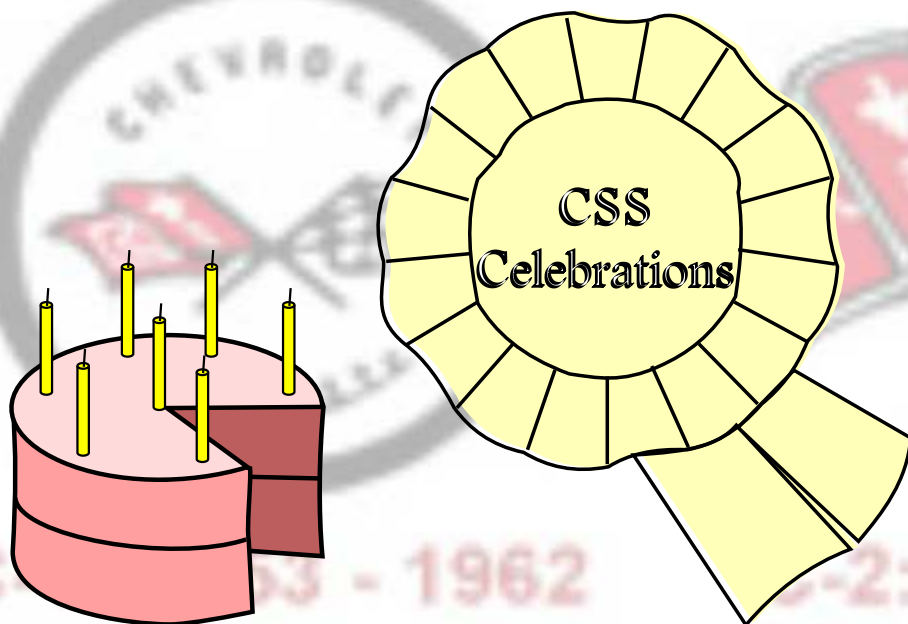

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Sponsor's Corner:

Connell Chevrolet helps sponsor our Corvette Club. They have been family owned and operated by the Doddridge family since 1989 when Paul Doddridge purchased the franchise from John Connell. Paul is still active with the dealership, but he also spends a lot of his time at his ranch in Montana. His son Wayne Doddridge is the active General Manager.

Connell Chevrolet was first opened in the late 1950's and was located in Newport Beach on Pacific Coast Highway. Then in 1963, they relocated to Harbor Boulevard in Costa Mesa.

Connell has one of the largest new, certified, and pre-owned inventories in Southern California. If you're looking for a specific Tahoe, Silverado pickup, Corvette, or a late-model used car or truck, chances are, Connell Chevrolet has it.

And over the years, Connell's Service Department has built a reputation fixing your GM vehicle right the first time and in a timely manner. They currently have more Chevrolet Master Technicians than most other Chevrolet dealers in the entire USA.

When you go to Connell for service ask for Todd Mack. Todd has been a Service Consultant at Connell for over 20 years and is a recommended advisor in the Corvette forum. For you "do-it-yourselfers," Connell Chevrolet has an expansive Parts Department. They are one of the largest wholesale dealers in the area. And if they don't have your specific automotive part on hand, they can probably secure it within a few days.

Lastly, let's talk about the Connell employee family. To many, their employment at Connell is not a job... It's a career. Many employees including the sales, service and office personnel have worked at Connell for twenty years and more. Even the outside vendors who help to support Connell Chevrolet, have been within the Doddridge family for many years.

Look for Wayne Doddridge next time you're at the dealership and introduce yourself. He is a family man with 6 children and supports the local community. He and Connell Chevrolet help sponsor Orange Lutheran High School, Crean Lutheran High, Costa Mesa High, Fountain Valley High, Estancia High, the Orange County 4H clubs, Newport Harbor Corvettes, Corvette Super Sports, Better Business Bureau, Auto Club, Costco, Los Angeles County Police and Fire Departments, the Orange County Fire Department, Costa Mesa Police, Newport Beach Police, Huntington Beach Police and Irvine Police.

In Other News:

Corvette Super Shots typically meets on the fourth Saturday of each month with lunch afterwards. All are welcome to join!

Editor's Note: rubypics@aol.com

Hi everyone! Reminding everyone that I welcome pictures and extra articles from other members as long as you send them to me at least **five (5) days before** the end of each month. I especially need pictures and copy (articles) for events I do not attend!

*** It has been brought to my attention that I have had a unique advantage being the newsletter editor. I've been advertising my photography. Well, from now on, there will be a **new feature for EVERYONE'S benefit**.

A **"FOR SALE" Page** has been added. This means that each month, you may put in an ad for anything you want to sell. You may put it in the newsletter as often as you like, provided you let me know to keep it in there; otherwise, it will be removed from the next month's edition.

The other stipulation is that the ad must be the size of a business card or only one quarter of the page - max. That means I will have to cut my ad down to size also. Since there weren't any new ads yet, I kept my ad the same size as before - for now...

Depending on how many items you want to sell, I will add more pages to this feature to accommodate the space needed.

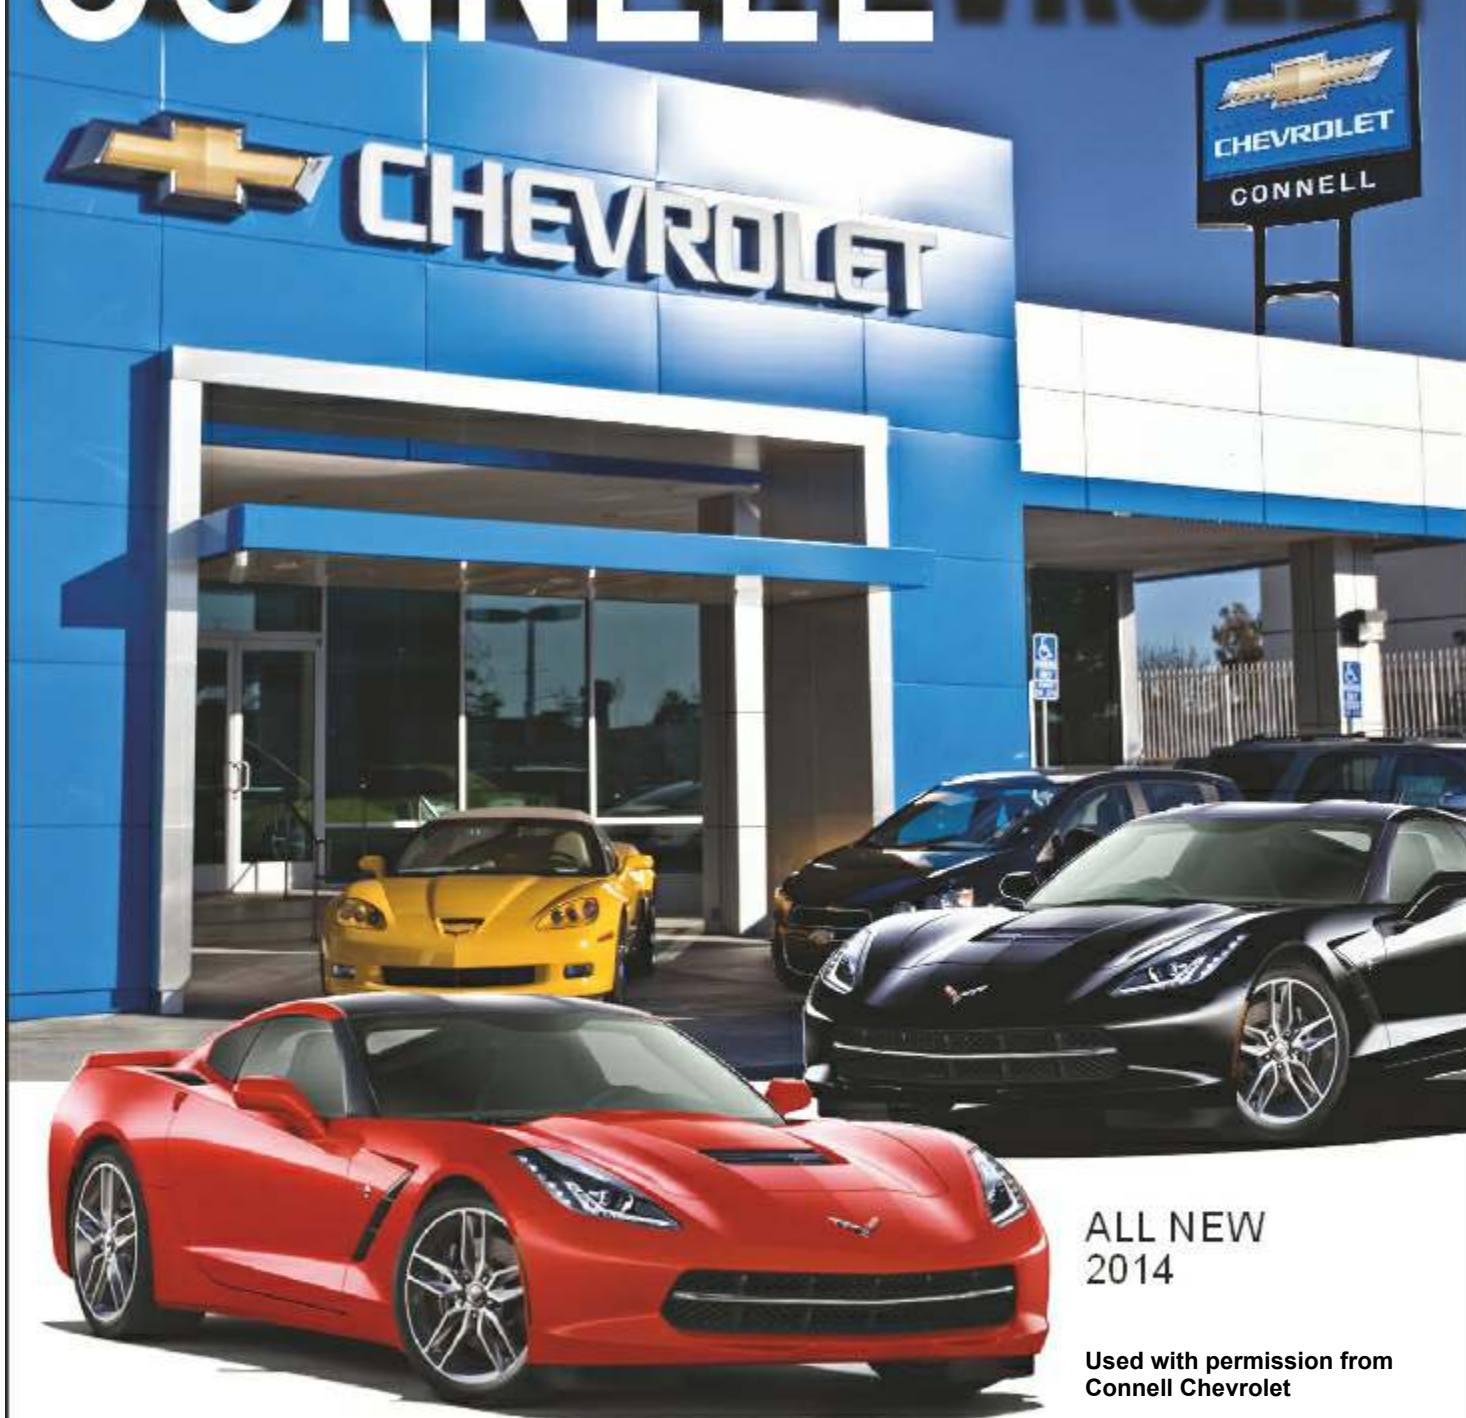

Thanks! ☺

Debbie :-)
