Who We Are

We are a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc.

We support (N.C.C.C.) **National Council of Corvette Clubs, National Corvette Museum**, several social, civic, and charitable organizations. CSS is incorporated as a non-profit organization in the County of Orange, California.

The Treacherous Ride Back with Brian...

The ride home from Borrego Springs was a bit scary since Brian didn't have any power steering. We stopped in Banner to look under the hood. Then slowly and carefully drove to civilization we could recognize and ate dinner at Phil's BBQ. There, Brian's car got safely towed.

Here he is smiling, earlier in the day.

President Tony

Spring is here and Corvette Super Sports is beginning another great year with a lot of upcoming events.

April starts off with the Open House at Patriots and Paws in Orange. This is one of our charities we support and it would be nice to have a good showing of members.

The Long Beach Grand Prix allows the corvette lovers to park down by the beach next to the corvette tent. We get up close to the world of the C7R race cars, watch qualifying and enjoy the sounds of cars on the track.

The middle of the month has us travelling to Bellflower to Aero Wax Company. This will be the third year of "Wax Your Corvette Day." Aero provides all the products and techniques to clean and wax your own corvette. They provide snacks in the morning and lunch at noon. Last year we had 17 cars attend.

This is the third year I have put together the Corvette Corral at the Muckenthaler Car Show in Fullerton. Last year we had 25 cars with our own special parking place. It is a fun time for the Club to get together for a casual day. There are lots of nice cars to be viewed and good food to eat and vendors to be seen. There will also be some "special" prizes for the winners of the "Best Corvettes" voted on by the public.

Your attendance at these events make for an exciting Club. Be sure to put them on your calendar.

Tony
Save the Wave

(Answer to February's Trivia Question): What was the highest priced option on a Corvette?
The ZR-1 option in 1991-1993 \$31,683.

March Trivia: Did You Know? 47% of corvette owners hold college degrees, higher than the national average ... only 27% of all U.S. adults have a degree.

Corvette Time Line: April 1, 1967. The L88 Big Block 1967 Corvette sees its first action at the 12 Hours of Sebring Event, winning its GT class and placing 10th overall.

The VP's Column

The VP's Word By Rick Miller

Wow, 3 months of the year are already gone, seems like we were just at the banquet!

The Borrego Springs Cruise was a big success. We cruised a lot, rarely separated over nearly 150 miles getting there. We had a couple nice regrouping rest stops and a pleasant Country Club lunch before taking on the sights around Borrego Springs. The Flowers weren't as abundant outside the park as we had hoped but they did show off a bit. The Serpents and Dinosaurs, Mustangs and Saber Tooth Tigers, Elephants, Camels, Giant Prehistoric Birds, Tortoises and other such creatures weren't at all bashful as most wandered quite close to the road and none feared our intrusion.

I had a really great time and enjoyed having all of the 13 cars that joined in on this journey. It would not have been so great were it not for the participants, **Thank You all!**

So, what's ahead?

Corvette Racing, Car Shows, Rallyes, Poker Runs, Car Detailing, the Big Bear Bash, the Bash Before the Bash, Picnics, Museums, Club Bowling, Local Cruises, Long Distance Cruises and *especially* that event you've been wanting to share with the Club. Even with all that's going on this year there's still plenty of room for your event to be added to the calendar. Don't be shy, what you've got in mind is perfect!

One of the future events that's a ways off is Tahoe 49. It's not til September, but it is a bit of a journey and one that needs extra time for planning and saving. I've spoken about this event a couple times and can't only say enough how enjoyable it is. This is the Corvettes of Fresno's 49th consecutive year of putting this event on and they do a fantastic job of making you feel welcome and insuring you have a good time. Corvette Super Sports has won the Club Participation Award the last 3 years in a row. We've had from 10 to 13 cars register each year. I have it on good authority that Santa Clara Corvettes is out to claim that Honor this year and is currently registered more entries than CSS. An Information flier and Agenda as well as a Registration form is on our website. Want personal info?, seek out any of the 26 members who have attended in the past. I know they'd love to share. The host club is Corvettes of Fresno. They have posted pictures from past Tahoe events. If you'd like to take a look go to:
www.corvettesoffresno.com.

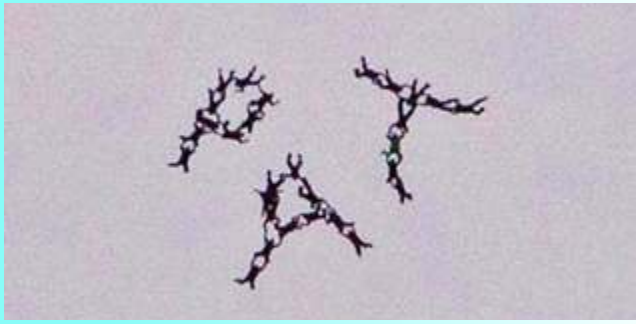

I know, I sound like a travel commercial. Sorry, I just don't want anyone to "wish they would have known about it sooner."

Easter is April 16th and Passover starts on April 10th this year. Whichever your preference, Have a Happy Spring Holiday.

Save the Wave ☺

CSS General Meeting Minutes March 7, 2017

Officers present: Tony Schavone, Bert Wiest, Michael Baddley, Douglas Mariani, Debra Ruby, Wayne Heard, Rick Miller

Board members present: Dianne Wiest, Laura Schavone, Donna Stewart, Sal Cruz, Eric Ellsworth

Members present: 50

A quorum was declared present by Secretary Bert Wiest.

Sergeant at arms Ron DeBartolomeis called the meeting to order at 1901 thanking all assembled for the cards and well wishes during his recuperation. Ron then led the assemblage in the Pledge of Allegiance.

President Tony Schavone welcomed all, thanking them for their attendance. He announced that the July meeting will be held on Wednesday, July 5th. He also reported that Patriots and Paws is in need of small appliances. The clean car award will begin again next month, change your clocks on Sunday.

Doug Utash, standing in for Wanda Utash accepted the regional NCCC award for first place, ladies car show.

Donna Stewart introduced our guests, Joe and Linda and Fred. New member Bill Wiznowski, returning to membership was presented his notebook.

Dianne Wiest made a motion: "I move that the reading of the minutes of the last general meeting be waived". Karen DeBartolomeis seconded the motion, the vote was called for and the motion passed.

Secretary Bert Wiest then read a prepared statement to the club:

"I am reading this as it will be included and recorded in the minutes. I owe this club an apology and am humbly offering it. At the end of the last general meeting, February 8, I spoke about the submission in writing of motions before the club. At the last board meeting several points were brought to my attention and that I was out of line. First of all, while the topic had been brought before the board for some future discussion and future consideration, no motion regarding this subject had been made and as of now, no such policy exists. It was my mistake thinking that after a brief and cursory discussion that this was the policy. I brought this up as the secretary is constitutionally charged with the recording and keeping of minutes, but I was wrong to do so and am sorry. It should be mentioned that the thought and purpose of writing these motions is to preserve the historicity, veracity and accuracy of all motions recorded within the minutes. Secondly, I was in error parliamentarily in being the one to announce this to the club.

The correct procedure would have been for the President to make this announcement, not myself. Also, I am told that my tone in making this announcement was harsh and loud, please know that such was not my intent. I am told that several members have expressed confusion and dismay over this situation, I bear the full blame and wholeheartedly and sincerely regret it. I am truly sorry for my actions and offer my apology to the club. If it is the desire and designation of the club that I step down as secretary, I am prepared to do so."

Treasurer Michael Baddley gave the treasurer's report.

Vice President Rick Miller gave thanks for all who attended Pat Works' memorial at Sky dive Perris, there were 21 cars parked on the tarmac. He mentioned that the upcoming events were listed on the website and there is now an upgraded link for club apparel on the website.

The March birthdays were: Tom Cuckoo, Sarah Cheek, Richard Cheek, Bert Wiest, Don Pritchard, Steve Melton, Will Grohmann, Phil Anderson, Sherry Anderson, Teresa Cruz and Ron DeBartolomeis.

The March anniversaries were: Geoff and Ginger Girvin and Will and Joyce Grohmann.

The Borrego Springs run is scheduled for March 19th. Further instructions will be sent.

The dinner raffle was won by Bill DeForrest.

Drive magazine has an article on the Muckenthaler car show coming up.

The club presented a gift to Jennifer Spencer for all she does for the club.

Club business cards are available at the front table.

Care and Concern Chairperson Dianne Wiest reports that Ann Meeuwenberg has been moved to a skilled nursing facility.

Webmaster Douglas Mariani reports the website is doing nicely.

Newsletter Editor Debra Ruby reiterated the for sale section in the newsletter and that pictures and articles are always needed and welcomed.

Car show chairman Wayne Heard announced that the car show is set for October 21 at Hooters Anaheim.

The raffle winners were: Lynn Miller, Vicki Kump, Gary Maleski, Jay Lynch, Doug Utash, Judi Spurr, Brad Lee and Bert Wiest.

The goodies were courtesy of Brenda Kalb and Debra Ruby.

The meeting was adjourned at 2030.

Respectfully Submitted,
Bert Wiest, Secretary

CSS Board Meeting Minutes March 21, 2017

Officers present: Tony Schavone, Bert Wiest, Rick Miller, Michael Baddley, Debra Ruby

Board members present: Donna Stewart, Laura Schavone, Wayne Heard, Sal Cruz, Eric Ellsworth

Others present: Kathy Baddley, Lynn Miller

A quorum was declared to be present by Secretary Bert Wiest.

President Tony Schavone called the meeting to order at 1906, thanking all for their attendance. He read a thank you note from Jennifer Spencer to the club for the gift card the club gave her for all her efforts over the past several years.

Vice President Rick Miller reported on the Borrego run. It was a leisurely drive and lunch at Warner Springs then on to Borrego to view the wildflowers and sculptures.

Treasurer Michael Baddley gave the treasurer's report.

Secretary Bert Wiest had no report, nothing being planned now.

Newsletter Editor Debra Ruby needs the reports and columns for the upcoming newsletter.

Care and Concern Chairperson Dianne Wiest was absent, Bert reported for her that Ann Meeuwenberg and Dave Alciatore are slowly improving. Ann is now in a rehab facility and Dave is home after a bypass and aortic valve replacement.

Car Show Chairperson Wayne Heard reports the show is set for Oct. 21 and the flyers are in the works.

April 15 is the annual "wax your corvette" day, email to be sent by Tony.

Downey High School Auto shop open house is on March 29. Plans are to meet at the Stonewood Mall parking lot and caravan to the school.

Sal Cruz suggested the board consider paying for the banquet in total this year. No action taken.

The next board meeting is April 18th.

The meeting was adjourned at 2012.

Respectfully Submitted
Bert Wiest, Secretary

Doug Utash, standing in for Wanda Utash accepted the regional NCCC award for first place, ladies car show.

The club presented a gift to Jennifer Spencer for all she does for the club.

Green for St. Patty's Day!

NCCC PRESIDENT's MESSAGE MARCH 2017

Spring is here I think. As I look out my window it is 78 degrees outside and it is only February 22, 2017. There should be snow on the ground and a temperature of about 20 degrees outside. Here in Chicago area we have broken the temperature record for the last five days as it has been in the high 60's to 70's every day. The grass is even starting to turn green. What is up with this?

On a brighter side, January 2nd 2017 registration opened up for the 2017 NCCC Convention in Bowling Green, KY. Hotels and events filled up faster than anyone had expected. If you are on a waiting list for events, hold on as the convention team is working on ways to get everyone entered in the events. NCCC promoted this convention as the one to attend due to the National Corvette Museum, the Corvette Factory, the Motor-sports Park, and all the sites and things to do around Bowling Green. Planning was done over two years in advance and then the news that the factory would be shutting down in June for three months instead of the normal two-three weeks for change over to the new model. What to do now? Many members were attending the convention in KY to go on the tour of the Corvette plant. Now it is closed during the week of convention.

Keep in mind that what is happening with the plant being closed is like going to a fine restaurant to eat and you order the meal and the waiter comes back and tells you they are out of green beans with the meal. Would you get up and leave? There is more to the NCCC Convention than the plant tour. Convention is about friends and members getting together for five days to have fun with their favorite hobby and their Corvette. Parties, tours, events, and just having a good time in Bowling Green with everyone is what Convention is all about. And who knows, maybe the plant construction will be done and we can still tour and see how the Corvette is built. Never give up!

As the weather gets better every day, I encourage you to do things with your club, even if it is only to go out to eat somewhere. Last Sunday 57 members from my club, Windy City Corvettes, went to dinner at the White Fence Farm Restaurant and had a great time together. And then we all went home to bed because that is what older people do. But it was great to get together. Get involved in your club. You never know what fun you can have with just a drive out somewhere.

Events are starting all over the country as you read this. I encourage you to get involved in NCCC at some level. NCCC is like belonging to a family. It is what you make of it. If you have a favorite place to go, share it with your members and set a date. You won't regret leading an event for others. Giving is when you receive. Have fun this year.

Scholarship applications for any child or adult of a NCCC member are now on the NCCC web site. Applications need to be in by June 15, 2017.

The new NCCC Corvette Raffle program is in its second year awarding cash or a certificate for a new Corvette at the Bowling Green Convention this summer. You can order or buy tickets on the NCCC web site.

Have a great spring and fun doing what you enjoy doing. Life is too short not to.

God bless and see you soon.

**Dave Heinemann
President NCCC**

This arrived too late to include in the February newsletter, so I'm adding it to March.

Regional Membership Director's Message **February 28, 2017**

Hi Governors,

Since we have new governors this year, here is an introduction...

Allen Morris (Regional Executive), Joe Orrico (Regional Competition Director) and I (Regional Membership Director) go to St. Louis, MO for the national NCCC meetings 4 times a year. We have job-specific meetings on Friday night and the national governors meeting on Saturday afternoon.

As usual, in the order I wrote it down (more or less)...

Friday, February 24. Membership Committee meeting.

We had 19188 NCCC members at the beginning of renewals (October 14th, 2016) and 17669 members at the end of renewals (December 15th). We normally lose about 20% of our members during the renewal process and about 10% renew late. We lost 8 clubs during the renewal process. None of those are from the West Coast or North West regions. We did gain one club in the West Coast Region, Corvettes of Bakersfield.

10958 renewal packets were mailed out and the last of them went out by the end of January.

We have a problem with split memberships (the Primary and Spouse are in different clubs). Since the clubs don't renew at the same time, it is very difficult to match up the Primary and Spouse. Theoretically all mailings go to the Primary member but with a split membership the mailing to the Spouse must be mailed separately.

There is a place in the NCCC membership database for the clubs to add their mailing address. When you log in to the main menu there is a button, "Update Club Information". Click that button and you will see editable fields to enter your club's info.

In the future it will be possible to print your own membership card on the national NCCC web site.

We finished 2016 with about \$16,500 surplus.

We project to finish 2017 about \$17,000 ahead, thanks to the cost savings that have been implemented.

Enthusiast members are covered by the NCCC liability insurance.

It is suggested that each club print the club number on the club checks. This makes it easier for the NCCC Treasurer to track where the money is coming from.

I received about 20 renewal packets that had been returned by the US Postal Service because of address problems. Governors are asked to keep their members' addresses up to date so this doesn't happen in the future. This also affects Blue Bars Magazine because the mailing addresses are taken from the database. I will be mailing these returned packets to the appropriate governors and you are asked to update the membership database with correct addresses.

RMD's Message (Con't)

Saturday, February 25. National Governors meeting.

We were told that an unnamed person claimed that NCCC did not donate any money to NKF (National Kidney Foundation). Treasurer Betty Parks went through the check register that was kept by Patrick Dolan (the former Charity Director). She found that NCCC donated slightly less than \$750,000 since the early 1990s when the Charity program was begun.

It was mentioned that only 3 clubs have submitted newsletters to the newsletter contest (Corvettes of Temecula Valley is one), which means the chances of winning are very good. The rules are online at the main NCCC web site (<http://www.corvettesnccc.org>).

We need accurate email addresses for all the members so that President Dave Heinemann's monthly message gets to everybody. IT Director Walt Jenkins said our "reputation" online is lowered by email bounces due to bad addresses.

There is a club web site contest. See the rules online at the main NCCC web site.

540 people have registered for the NCCC Convention in Bowling Green. There was some concern because some people have made room reservations but did not register for any Convention events. They thought that the non-registered people were taking rooms from people who will go to participate. When I called to make a reservation I was told that all the rooms had been taken. I asked how much it would cost for a room outside the NCCC block. The answer was \$889 for one night. I looked up the Holiday Inn on Expedia for Sunday night and the price was \$900. Apparently the hotels are taking advantage of the demand for rooms because of the total eclipse of the sun that will occur on Monday of Convention week. Some tours still have openings. All the high speed and low speed slots are taken (since then I was informed that the number of runs has been expanded and now everybody on the waiting list will be accommodated).

Director of Sponsorship Debbie Lindsey said that the Eckler's calendar has a discount code in every month.

If an FCOA kid moves fill out the address change form on the main web site.

We now have over 1000 NCCC members on the NCCC members-only Facebook page.

I was considering not writing this message to you because you will get the full minutes of all the St. Louis meetings from the NCCC Secretary in a few weeks. Allen said my "Reader's Digest" version would be read whereas the full minutes would not, so I decided to go ahead and write this.

That's all for now. Comments and suggestions welcome.

See ya,

Cliff

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

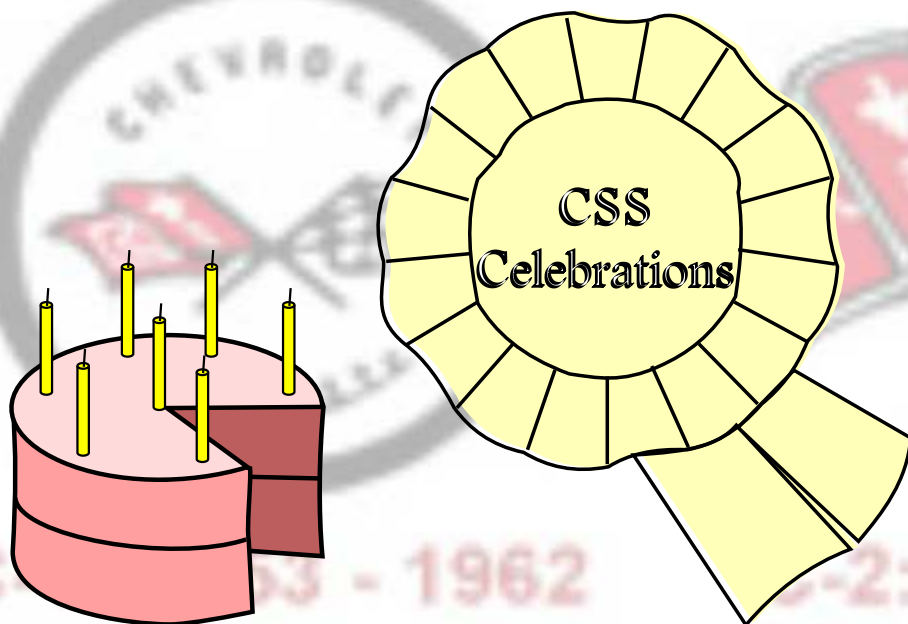

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Sponsor's Corner:

Connell Chevrolet helps sponsor our Corvette Club. They have been family owned and operated by the Doddridge family since 1989 when Paul Doddridge purchased the franchise from John Connell. Paul is still active with the dealership, but he also spends a lot of his time at his ranch in Montana. His son Wayne Doddridge is the active General Manager.

Connell Chevrolet was first opened in the late 1950's and was located in Newport Beach on Pacific Coast Highway. Then in 1963, they relocated to Harbor Boulevard in Costa Mesa.

Connell has one of the largest new, certified, and pre-owned inventories in Southern California. If you're looking for a specific Tahoe, Silverado pickup, Corvette, or a late-model used car or truck, chances are, Connell Chevrolet has it.

And over the years, Connell's Service Department has built a reputation fixing your GM vehicle right the first time and in a timely manner. They currently have more Chevrolet Master Technicians than most other Chevrolet dealers in the entire USA.

When you go to Connell for service ask for Todd Mack. Todd has been a Service Consultant at Connell for over 20 years and is a recommended advisor in the Corvette forum. For you "do-it-yourselfers," Connell Chevrolet has an expansive Parts Department. They are one of the largest wholesale dealers in the area. And if they don't have your specific automotive part on hand, they can probably secure it within a few days.

Lastly, let's talk about the Connell employee family. To many, their employment at Connell is not a job... It's a career. Many employees including the sales, service and office personnel have worked at Connell for twenty years and more. Even the outside vendors who help to support Connell Chevrolet, have been within the Doddridge family for many years.

Look for Wayne Doddridge next time you're at the dealership and introduce yourself. He is a family man with 6 children and supports the local community. He and Connell Chevrolet help sponsor Orange Lutheran High School, Crean Lutheran High, Costa Mesa High, Fountain Valley High, Estancia High, the Orange County 4H clubs, Newport Harbor Corvettes, Corvette Super Sports, Better Business Bureau, Auto Club, Costco, Los Angeles County Police and Fire Departments, the Orange County Fire Department, Costa Mesa Police, Newport Beach Police, Huntington Beach Police and Irvine Police.
