# Happy Holidays!

## President Tony

November ended with two car adventures: the Vets for Veterans Car Show in Carlsbad and Tony's Mystery Run II.

The Vets for Veterans Car Show features over 200 Corvettes from all over Southern California. Our Club was represented by 14 Club members and 7 cars. This is always a good show.

The second event was Tony's Mystery Run to Joe's car collection in Pasadena. This was the 2<sup>nd</sup> year we've made this run. There were 13 corvettes and 28 club members attending. I am giving you those stats because 77 other club members didn't attend this event.

I met Joe several years ago and we've continued to keep in touch. Joe is rather a private person and doesn't show his collection to everybody. But he did share his collection with our Club and the response from those who attended was more than positive.

Joe's cars are his very personal possessions. Each one has a story and Joe makes each one very interesting and special.

Thanks to all who shared the day and lunch together.

With December arriving I just want to remind everyone what a special month this is. It is a time to share and enjoy family and friends and reflect on the great past year. I want to wish each of you a Happy Holiday and a great New Year in 2018!!

Tony

## The VP's Column

### The VP's Word By Rick Miller

Hi all,

I hope you all had a very Happy Thanksgiving. It's hard for me to believe the year is almost over. It's been a mixed bag of emotions mostly good, but such is life itself.

This has been a very productive, rewarding and exciting year for the club. We've been on boats, to trains and on planes. We've raced and been to races, gone on day cruises, seen prehistoric creatures, and ventured hundreds of miles from home to meet up with old friends and make new ones. We attended car shows from Reno to San Diego and proudly brought home hardware to prove it. We've seen our clubs coffers grow from very successful general meeting raffles, due largely in part to the creativity and generosity of Steve & Kathy Dull and from our car show. Well done.

Sadly we've had to say goodbye to several club members who will always be remembered by the 2017 CSS club. They will be missed.

This is the last newsletter of the year so I'll use this forum to say thank you to the 2017 board members, thank you to the Schavone's for hosting the board meetings and also to congratulate the new Officers and Board members. Your efforts and devotion to the club and its members keep it strong. I'd also like to thank the membership for their enthusiasm and participation, especially the many new members who never hesitated to become part of the club as contributing members.

Wishing you all a Very Merry Christmas and a Happy and Healthy 2018.

Rick

## CSS Most Valuable Member for 2017

The following members, listed alphabetically, have been nominated as Corvette Super Sports **Most Valuable Member** for 2017 and the reasons given for their nomination. For the sake of brevity and to avoid redundancy when duplicate or like reasons were given I have only given the reason once. Please look over the reasons as you would a sample ballot in order to help you with your voting decision.

**MIKE BADDLEY** – He has done an outstanding job for several years.

**WAYNE HEARD** – He did a great job with the car show. I think he's humble and helpful. Really works hard for the club. He works very hard. Wayne chairs the car show, his task takes all year, Wayne is always enthusiastic. He is thorough and thoughtful in his approach in asking for volunteers and seeking prizes for the car show. He did an excellent job.

**VICKI KUMP** – Just because.

**DOUGLAS MARIANI** – He is so great with the website, smartest guy in the room. He does an amazing job.

**RICK MILLER** – Rick has always organized some great trips and other activities. Always doing and organizing, being there and makes nice clothes. He's very informative about car shows and tells great stories. Very active and spends time welcoming everyone. Gives lots of his time to the club. He has done an excellent job as V.P., planned several trips that have been excellent. Very organized and makes trips fun.

**DEBRA RUBY** – She is always there to take fabulous, fun pictures at all our events. Lots of work. She does an outstanding job producing a stellar newsletter. Also, last but not least, providing a venue for meetings. An excellent photographer, terrific newsletter, always enthusiastic and willing to help in any way possible. Always friendly. All the work to put together the newsletter. She gives a lot of her time. Her enthusiasm is contagious and the job she does on the newsletter is stellar. Her time and effort really show.

**LAURA SCHAVONE** – Her unwavering support of Tony and her work with the club.

**TONY SCHAVONE** – He has a servant's heart and cares very much for the club being successful. He always steps up and takes the job of President when no one else will take it. He does an excellent job. Very diligent, caring, considerate and friendly. He is always available and listens. Attends all CSS events. Calls all members if they are sick. He approaches people to join the club when he sees a corvette and is not a member and more often than not they will come to a meeting. He is the grease that makes all things happen. He has brought in several new members. He is well liked. Dedicated and has a good humor. Always there when needed. Willing to jump in and do whatever is needed. His leadership and positive attitude in running the club.

**DONNA STEWART** – She's the patriarch of hospitality, enthusiasm and club history.

**BERT WIEST** – He has been extremely welcoming to me as a new member and has solidly represented himself as a great member of CSS. As the secretary for multiple terms has done an outstanding job from keeping the minutes to bringing in the new members and making sure they are "up to speed", handling the elections and lots of other duties, he's the best. Efficiently "cranky" and has the hardest job on the board. Has helped with the car show raffle.

**DIANNE WIEST** – Did a wonderful job on the car show raffle. Through the years she has helped the club in many different ways. She is currently in charge of care and concern, charities, meeting hostess and she and Bert Made a lot of money for our club at the car show by heading up the raffle and changing it to gift cards, it was a great idea! She is always volunteering for one project or another. Always doing an outstanding, more than expected job. Always involved in more than one-time consuming job perpetually. She works very hard with our charities and promoting them. She also does a great job with our members that become sick. Her efforts in keeping members informed about members with health problems is outstanding, also she did an outstanding job in streamlining the car show raffle. For all the charity work she does. Dianne takes on the jobs no one else volunteers for, taking care of the charities, sending out birthday cards to every member but particularly, getting and shopping for all the car show raffle prizes, that's a huge job.

## RMD Message

Hi Governors,

### **Friday, September 8. Membership Committee meeting.**

The digital membership card printing guide can be found under "Members Only" on the NCCC web site. Username: NCCCMember Password: 1963SplitWindow

It was suggested that the card be converted to PDF so that everybody can print it.

Some members REALLY want a plastic card.

High speed certification is entered into the database by the RCD.

RMDs must do the MAL cards.

Don't mark any NCCC messages as spam. It damages NCCC's "reputation" on the web. That has multiple consequences, including the possibility of the web blocking all NCCC messages and lowering NCCC's ranking in searches.

### **Saturday, September 9. National Governors meeting.**

VP of Membership Amelia Workman said that governors should put "transfer" in the comment section of a member's entry when they are transferred.

To get a plastic membership card, send a SASE to Amelia. Use the Bowling Green address:

NCCC VP of Membership  
1945 Scottsville Rd. B2 #267  
Bowling Green, KY 42014

Business Manager Jack Wilson said that if alcohol is served at an event that it must be given away to be covered by NCCC's insurance. He said the 2020 Convention is open, so any club/region can apply.

Parliamentarian Kathy Brisbois said there will be no newsletter contest for 2018 due to lack of participation in recent years.

IT Director Walt Jenkins said the NCCC web site will be transferred from DomainHost to GoDaddy some time in early January. He said that emails from NCCC do NOT contain spam and only go out once a month. That would be President Dave Heinemann's message on the 1st of each month.

NCM ambassador Dave Goebel said that you can use your NCM member number to get a \$1000 discount on a new Corvette.

Guy Larson (owner of Bloomington Gold) talked about the event. He said new for 2018 are: a Friday night cruise, Saturday night road tour, hospitality suites for the entire weekend and free T-shirts for large groups. There will be a "67 L-88 explosion" on Saturday afternoon and they hope to get the largest gathering of L-88s seen to date.

Jerry Britner, 2018 Convention Coordinator said the Convention web site will be updated daily. There will be a Mardi Gras party with costume awards. Note that there is a Mardi Gras store across the street from the hotel.

The voting results were announced. The important result is that the 2019 Convention will be in Denver, CO.

That's all for now. Comments and suggestions welcome.

See ya,

Cliff

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

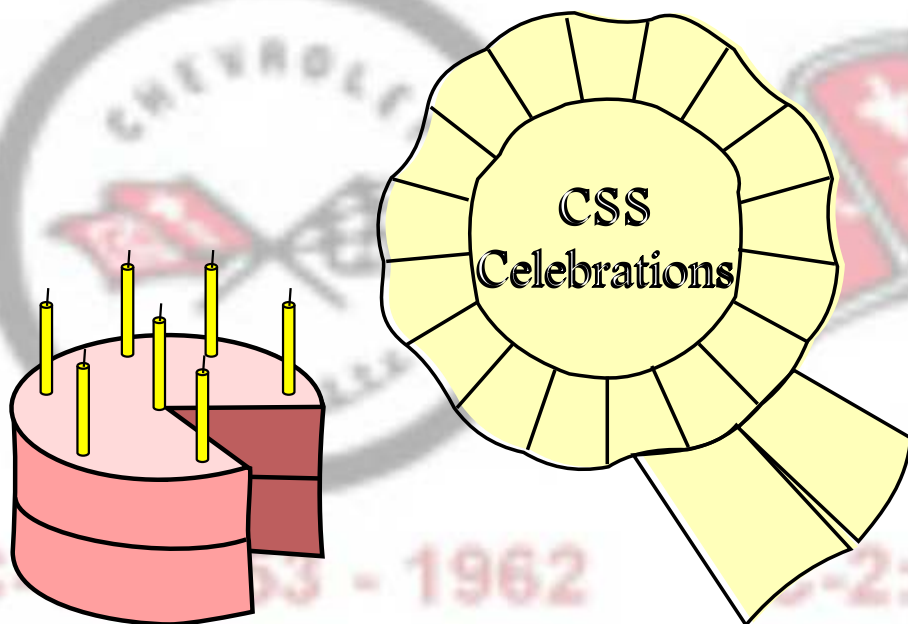

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)
