## President Tony

Hi everyone! Since it's a little past halfway in the year, I thought I would give a review of the highlights.

As President of the club, along with the

Vice President, we try to have adventures for the members to participate in.

April brought us 4 events the club could choose from. (1) The March Air Force Base Air Show is one of the best on the West Coast. (2) The Long Beach Grand Prix gives Corvette lovers a fun gathering by the beach. Autographs from the Corvette drivers were provided by the four drivers, and the racing was also great. (3) The Gamblers Classic in Laughlin is a super 3-day event on the banks of the Colorado River. (4) The Vette Set car show completed the month.

May brought the 4<sup>th</sup> Annual Muckenthaler car show featuring the Corvette Corral with 13 CSS cars and also a wonderful car show on the grass.

Several members caravanned to Lake Elsinore for the Storm "A" Baseball game. Before the game we got to drive around the warning track, waving to the crowd. It was a real treat!

In June we attended the Tom Malloy car collection in Corona. It was a magnificent collection of Indy Cars and other auto related memorabilia.

July brought the Club two important events. (1) Irwindale Speedway, with special parking, a drive around the ½ mile track and free tickets to watch the evening of racing. (2) The second event was "Wax Your Corvette Day" at Aero Wax in Bellflower. The use of all of Aero's super products and instructions and help on how to use them, makes a nice way to keep your Corvette shine.

This is the 4<sup>th</sup> year we have done this. The Aero Wax company and products are really great!

This month 18 club members and 8 Corvettes returned to the Lake Elsinore Storm baseball game (because it is such a fun time). The next day club members were off to El Dorado Park in Long Beach for a joint picnic with Southwest Corvette Club. 23 of our members attended and 23 members from their club attended. The potluck food and fellowship were excellent. It was a great day and we agreed to do it again!

So as you can see, from the beginning of the year and throughout, there are plenty of good events to be enjoyed by the Club. As you read these, remember you could have been there. Club participation is really important.

Thanks to all who attended - there are more to come.

Offices present: Tony Schavone, Wayne Heard, Pam DeForrest, Monica Valparaiso, Debra Ruby

Board Members present: Laura Schavone, Donna Stewart, Sal Cruz, Ron DeBartolomeis, Gary Maleski, John Spurr

38 Members Present

Sergeant-at-Arms Ron DeBartolomeis led the members in the Pledge of Allegiance.

A quorum was declared to be present by Secretary Pam DeForrest.

President Tony Schavone called the meeting to order. He brought a gavel to keep meeting under order. (Was used twice)

Guest speaker present was Ed Reardon from North Coast Corvettes. He came to tell us about their car show Nov. 10th, 2018 at the Shoppes at Carlsbad. It's to honor San Diego Area Veterans. He brought flyers to sign up. Lot's to do there. 50-60's music by DJ. Vendors and silent auction and of course the Shoppes at Carlsbad.

Pam DeForrest made a motion to waive the reading of last month's minutes, the motion was seconded, the vote taken and the motion passed. Also told two trivia highlights about Corvette history.

Treasurer Monica Valparaiso gave report on what we have in the bank. 11 registrations have come in for our car show. The deposit has been given to the Phoenix club for our awards party in January. Marsha Gallavan donated \$100.00 in Bill's name to the club. Monica has also purchased a brick at the Corvette Museum for the club with Bill's name on it, in his memory. She has apparel here tonight for sale.

John Vega from the Santa Clarita Valley Corvette club has signed up for our car show and would like us to go to theirs. It's September 29 @ 3:00 pm - 9:00 pm, Route 66 Classic Grill, 18730 Soledad Canyon Road, Canyon Country, CA 91350.

Vice-President Wayne Heard reported on the August birthdays. Sue Killian, Ann Lee, Jeff Holt, Steve Dull, Greg Glodery, Barbara Cuccio, Kevin Presser, Jan Works. Anniversaries are: Ed and Linda Norris, Ken & Jean Pence, Jay and Marcia Lynch (60 yrs) and Sal & Teresa Cruz.

Wayne also reported on the upcoming events. They are listed in our newsletter.

President Tony Schavone gave info and had signup sheets for the Lake Elsinore Storm baseball game on August 18<sup>th</sup>, and the Picnic on August 19<sup>th</sup>.

Will Grohmann is back! He would like everyone to bring pop tops to the meetings for charity next month. He tried to contact Calicentro Ranch and has not been able to get a hold of them. He has been in contact with Penny with Patriots and Paws. They have moved into a new location in Anaheim that the DeForrest's own and went from 5500 sq ft to 7700 sq ft. It also has a large parking lot. They need metal racks and 3 shipping containers donated to get better organized. Their open house in September 22nd and car show is October 6th.

Webmaster Douglas Mariani was not present.

The dinner raffle was #7 which was Ann Lee and it was her birthday today too!

Marsha and Jay Lynch asked to come up and give us some information. They have sold their house and moving to Florida in 3 weeks to be near family. They have been in their house 43 years and members of the club for 20 years. It's a fly in community. They are leaving the 10th of September. They will be missed by all, but got well wishes for the future.

Pam DeForrest reported that Douglas Mariani posted photos from the last John Force show on the Web site.

Newsletter Editor Debbie Ruby thanked everyone for their photos for the newsletter.

Clean car award went to Eric Ellsworth. His car was washed with new product at the Aero event. They have a C6 2011 Blue Coupe.

Publicity Chair Richard Cheek reported that he has been in contact with the people at Blacktop Magazine. They are on line and plan on coming to our car show and take video to put on their site. Richard has been passing out our car show flyers at car shows and Corvette shops in the area.

Car Show Chairman Brian Valparaiso reported that the car show is on track, but needs more participation from our club members. We need more people to come to the meetings. Next meeting is August 30<sup>th</sup> @ 7:00pm at Tony and Laura's house. Stuffing of the goody bags will be at Pam And Bill's house the week of the car show. We need everyone to donate \$25.00 gift cards for raffle prizes.

Laura Schavone sent around forms to sign up for jobs at the car show as well as what size t-shirts to order. They are going to suggest no date be put on the t-shirt so that we can re-use them every year.

John Spurr came up with a flyer to give out as a communication tool for ideas for club events. These events bring us all together at social activities.

Laura Schavone reported that the deposit has been made to the Phoenix club for the January 19th banquet. We need volunteers to decorate.

Tony gave a report on the Aero Wax day. They had about 13 cars. 5-6 people to assist the club members on all their products and how to use them. Plenty of food. When you buy their products, keep the metal bottles and they will re-fill them for you. The owner also gave a talk on how they got started in the aircraft industry. They have an amazing clay bar that has wax in it. So you only have one step not two like most on the market.

Bill DeForrest talked about the day at Irwindale Speedway. It was a fantastic evening with about 8-10 cars. We were treated really well. Got to take a couple of laps around the track behind a pace truck. Only got to go about 22 MPH, but felt like 122 MPH! Pam DeForrest sent in photos to Debbie and Doug for newsletter and Web-site. We would do it again.

Our newsletter is on line. Bill DeForrest brought 10, B & W copies to the meeting to share tonight.

Linda Norris and Vicki Kump brought the goodies and decorated the table in a summer beach theme. (It was really cute and good goodies!)

Raffle winners for the money: Bill DeForrest, Richard Cheek, Eric Ellsworth and Brenda Kalb.

Chuck Rosen wanted help at Cruising for the Cure in Costa Mesa September 22, to pass out flyers for our car show.

The meeting was adjourned at 8:20 pm.

Pam DeForrest, Secretary

## CSS Board Meeting Minutes August 21, 2018

Officers present: Tony Schavone, Wayne Heard, Monica Valparaíso, Pam DeForrest, Debra Ruby

Board present: Laura Schavone, Donna Stewart, Sal Cruz, Ron DeBartolomeis, John Spurr, Gary Maleski

Others present: Will Grohmann, Art Huhta

A quorum was declared to be present by President Tony Schavone

President Tony Schavone called the meeting to order at 7:00 pm.

Tony reported on Vets for Veterans Nov 10<sup>th</sup> and Tahoe 50. He will have info on meet time to caravan. Commented on this past week's events and would have liked more participation from club members. What's it going to take to get more people involved in club events? There were about 46 people from both clubs at the picnic.

Donna-how to motivate?

Will suggested to advertise the event at least 2 General Meetings ahead. Maybe make a refrigerator memo for everyone to remind them of upcoming events.

John Spurr commented on the Storm baseball game and thought it was much better than he thought it would be and had a great, fun time! Better than going to a major league game.

Monica commented that it's always the same people and maybe talk up the events more.

Pam commented that there are only about 46 people signed up to get e-mails.

Donna commented that the picnic information was vague. No one really knew what to bring and for how many.

Gary commented that more people need to get involved in planning events.

Vice President Wayne Heard gave info on Super Car Sunday Sept 2nd. Meet at 6:00am to get there by 7:00am. It's Corvette Only day.

Secretary Pam DeForrest wanted to know if there was a formal Thank You letter that we send out to people who donate items to us for the car show. There is not one, but one could be done on letterhead.

Treasurer Monica Valparaíso reported on the balance in the bank. Reported that we have a total of 22 entries so far for our car show. Need more people to sign up from the club.

Newsletter Editor Debra Ruby asked that all newsletter contributions be in by the 27<sup>th</sup> this month. She would like photos of the ball game and picnic to put in the newsletter. Pam DeForrest has some to share and will send to her.

Gary Maleski sent out a Thank You note to Tom Mollory for the tour the club took .

Other topics discussed were:

1. Car show meeting will be Thursday August 30<sup>th</sup> at Laura and Tony's house. 7pm.
2. Will Grohmann needs everyone to bring their pull tabs to the meeting. Patriots and Paws open house is September 22<sup>nd</sup> and we would like to have a good turnout from the club. Will got a hold of Calicinto Ranch. They need 2 things. November 17<sup>th</sup> is their Annual Christmas meal and asked if we would bring pies.

December 15<sup>th</sup> is their Annual Christmas Party. Calicinto Ranch has two ways for us to donate.

- a. Get a list of what the kids want. Take ahead of time and they will wrap and these will be given to the kids from their Parents.
- b. Gifts donated and get them up to them by the 15<sup>th</sup> of December. They will be handed out by the CA Highway Patrol at random.

It has not been determined if we want the club members to donate or the club to donate.

Want to suggest an event? John Spurr made event flyer forms and passed them out at the last General Meeting. Another event suggested was a Mystery Lunch. Info goes out and you participate if you can. Monica says these are fun.

Ron and Karen DeBartolomeis went on the San Clemente Poker Run and had a fun time. There were lots of raffle gifts and ate at a good restaurant.

2019 will be our clubs 60<sup>th</sup> year. We need to plan a special event!

Art Huhta wants to establish an event Saturday Oct. 13<sup>th</sup> to go pistol shooting.

The meeting was adjourned at 7:55 pm.

Respectfully submitted,  
Pam DeForrest, Secretary

## FROM THE CAR SHOW TEAM:

Hello everyone and happy end of Summer!

I wanted to share with you all that the Car Show is fast approaching. Yes, October 20<sup>th</sup> will be here before we know it. Everyone has been fantastic and helpful. We have received donations for the goody bags and commitments to donate items as well. We have gift cards and commitments from members to donate them too!

Many thanks to all for the support.

Despite the progress, there is more to do. As the show date approaches things start to happen quickly and the Club will need help pulling this together. Much of the preliminary groundwork like; promotions, ordering trophies, calling vendors, etc... is all underway and done. The really difficult part of the show will happen over the next 5 weeks.

### TO DO's:

- Last ditch flyer hand outs at upcoming Car Shows and Cruises
- Get all volunteer people signed up so we can get the Volunteer shirts ordered
- Need more goody bag items
- Need volunteers at the goody bag stuffing session (October 18<sup>th</sup> @7:00 pm)
- Need volunteers to stuff registration packets

### Week of preparations:

- Stage pop ups
- Stage game equipment
- Inventory and prep for launch

### Day of:

- Set up staff

The car show team is really enthusiastic and excited about this year's show. We all hope that the turnout equals the past years' turnouts and that we achieve success for our Charities. Participate however you can - it is all appreciated! Maybe at least show your car! Look forward to seeing you all soon.

## NCCC PRESIDENT's MESSAGE: August 2018

### BEING A VOLUNTEER

**I think it is human nature** to be a volunteer. We all have helped someone at one time or another. Being a volunteer is giving your time and energy, doing something you don't have to do. It may be as simple as holding a door for someone, helping a person in need, giving a friend a ride someplace, picking up a prescription for someone, or just listening on the phone. It could also be a chairperson or worker at an NCCC event. It's helping out where needed not expecting anything in return.

**NCCC is comprised of the most giving** people in the world. Volunteering starts at the top from the NCCC President and all the Officers all the way down to the members. No one receives any compensation for being a national officer, director, chairperson, leader, regional officer, club officer, event chairperson or worker. The task at hand is done out of love for the organization, the hobby, the friends, and members of NCCC, expecting nothing in return.

**July 22nd, 2018 was the start** of the 59th NCCC Annual Convention in New Orleans. Over 400 NCCC members and guests attended this five day event.

**Convention planning** starts about three years prior to the planned date. NCCC members commit to giving a huge amount of time and energy to ensure everyone attending has a good time. I want to commend the **59th Convention Directors Jerry Britner and Bernyce Molenda** and all their support staff, the event chairs, and all the workers for one of the best NCCC Conventions I have attended. Thanks to all of you for giving of yourselves so others can have a good time. Arriving on Sunday and parking in the reserved parking lot, to Friday at the convention Champagne Breakfast, everyone was treated like royalty. Checking into the Copeland Towers was a breeze, registration was easy, and tech was quick. All the events all week were well run, and all the parties in the evening were great. There was not a moment during the week where anything was not happening. There were plenty of tours to go on, ending the week with a paddle boat river cruise with lunch on the GREAT MISSISSIPPI RIVER. There was so much to do I don't have the space to list everything.

**I have been told too many times** that convention is all about racing. Yes, there are competitive events during the week, but that is only part of the experience. This convention proved there is a whole lot more to do at the weeklong party than compete. Every morning started with breakfast for everyone. Evening parties included some of the best food New Orleans offers. Several evenings everyone was entertained with the best entertainment from the New Orleans area. And there was no lack of places to go and see and enjoy all the different sites and restaurants around the area. What a fun week it was!

**Three years ago I appointed** Teresa Eller as Director of Social Media. This convention Teresa took pictures and videos of just about everything going on and posted them on the NCCC's Facebook page (please contact Teresa Eller for access). I want to personally thank Teresa for taking the most photos and live video action of any convention ever. All of you who get this monthly message have the ability to join the **NCCC Facebook** page where you can see all the fun everyone is having in New Orleans. You can see that the NCCC Conventions are not all about racing. I have heard people say that NCCC conventions are like a huge family reunion each year. Friendships are made that last a life time. Thank you Teresa for performing beyond what I envisioned and showing all members what goes on at convention.

**The 2019 60th NCCC Convention** will be held in Denver, Colorado. I am sure it will have things to do and see as in New Orleans, only in Colorado. I encourage adding this annual event on your list of things to do. I promise you will not regret it! Everything that was happening in New Orleans just moves to a different state. It is still the same people having a good time getting together.

**August 23rd-26th is one** of the largest Corvettes shows held in Carlisle, PA. NCCC has a booth in the show to promote NCCC and raise dollars for NCCC's charity St. Jude. I encourage you to attend this show if you can. Lance Miller and Corvettes of Carlisle is also a supporter of NCCC.

**August 30th – September 1st** is the 24th Anniversary of the opening of the National Corvette Museum in Bowling Green, KY. This year NCCC life time member Mike Yager from Mid-America Motorworks is being inducted into the NCM Hall of Fame. Mike Yager is also a supporter of NCCC. September 20th - 23rd is the 25th anniversary of Corvette Funfest in Effingham, IL. I am sure Mike is throwing a party for everyone attending and it is free to attend this year.

**There are all kinds of things** to do and see in the Corvette world and family. Remember, today is the first day of the rest of your life. Make it count for something. You cannot go back and experience something once it is over! And thanks for volunteering helping others. It's a good feeling when you volunteer for something.

Take care, be safe in what you do, and always be thankful for what we have.

**God Bless you all.**

**Dave Heinemann, President NCCC**

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

### Our Program

*H.I.S. House* provides transitional shelter to families and individuals who are homeless, but have the motivation and capability, with assistance, to regain self-sufficiency.

*H.I.S. House* offers a home-like environment where residents can sleep in a private room, prepare meals, do laundry, read or do homework, receive mail, make and receive phone calls, all while looking for employment.

*H.I.S. House* residents stay up to 4 months while they develop a source of permanent income and save money for housing.

*H.I.S. House* provides residents with an on-site computer lab to assist with their job and housing search.

*H.I.S. House* provides weekly case management meetings, assistance with counseling, employment guidance, child care, classes in finance, and other life skills.

If you are in need of housing please call on Mondays to check H.I.S. House availability

### Volunteer Opportunities

While financial contributions are critical to support a staff of nine people, provide child care, and assure regular maintenance of the shelter, we couldn't do it all without our dedicated volunteers.

**Thrift Shop:** *Charity's Closet* has a variety of volunteer opportunities available to suit your schedule. Stop by and speak with a day manager and pick up a volunteer form.

**Office Volunteers:** We do not have a full time secretary on staff, volunteers are needed to answer phones, help with filing and other administrative duties. Can you help two –four hours per week?

**Mentor Program:** This committee is designed to mentor current residents. The committee meets roughly once per month. The time commitment for mentoring is anywhere from a-half to two hours per week with a resident.

**Children's Play Hour Volunteer:** Volunteers are needed to play with the children or help with homework in the early evening so parents can attend mandatory meetings.
