President Tony

July has not only had HOT weather, but also HOT events involving the only American sports car – the Corvette!

Many of our members attended several events this month. The Elks Club in Buena Park brought 160 cars together with 6 of our Club members present. The 50/50 was over \$2,000 which Richard Cheek won a part of.

We had 8 Corvettes at Irwindale Speedway. A great time was had by all of us driving around the track after the auto-graph session. I believe Dan Anziano wore out a sharpie.

Richard Cheek and I attended the All American Original Car Show in Tustin. Congratulations to Richard who won 1st place in his class.

Wax your Corvette Day at Aero Wax was attended by 13 of our Club members. The Aero people are the best hosts. They provide products and instructions on how to maintain a beautiful finish on your Corvette. They also provide coffee, donuts and pizza for us. This is a great outing!!

Corvette racing continues from last month . . . Pratt & Miller is one of General Motor's official racing teams since 1999. They developed the C5-R. Today, Pratt & Miller construct, maintain and run the Weather Tech Sports Car Championship Corvette Racing Team. Corvette racing has won their class at the 24 hours of Le Mans 8 times, claimed the overall victory at the Rolex 24 at Daytona in 2001 and won 7 straight American LeMans Series Championships. Corvette racing won the 2012 and 2013 American Le Mans Series GT team and Manufacturer's Championship.

Since the development of the Ford GT with the mid-engine turbo charged V-6, Corvette has struggled to keep up. This may all change next year if GM brings out the mid-engine Corvette. I'm sure it's being tested as I write this.

40 Members Present

Sergeant-at-Arms Ron DeBartolomeis led the members in the Pledge of Allegiance.

A quorum was declared to be present by Secretary Pam DeForrest.

President Tony Schavone called the meeting to order and has been in contact with Rod Natale. Rod has been busy with hurricane relief in Houston, Florida and Puerto Rico for work. He stayed on to help out with the communities and should be back by the time of our car show. His company is in the parking lot of Hooters and was instrumental in getting that site for us. Tony also had the sign-up sheets for Irwindale and Aero Wax day. Aero gives us product to use that day and asks that we purchase from them. They provide donuts and coffee and then pizza for lunch. The club gets a discount and they will also fill your empty bottles for free.

Laura Schavone let us know that Marsha Gallavan sent the club a thank you note for all the cards and support in the passing of Bill. She donated \$100.00 in memory of Bill for the club to use.

Donna Stewart introduced our guest, DJ Martin from Connell Chevrolet who is a sponsor for our car show. They will donate a door prize and the t-shirts for us all who are working. They will need the order for the t-shirts 36-37 days before we need them. DJ also brought some beautiful 2019 brochures of the new Corvettes for anyone who wanted them. DJ also talked about the 6 Hours at the Glen Race. One of the Corvettes came in 2nd. Donna also introduced Jerry Wheeler from OC Corvette Club. Jerry told us about their Poker Run on Saturday August 11th. Open to all cars. It starts at the outlets in San Clemente and ends at Prego Mediterranean in Tustin. Their charity is Choc Children's Hospital. He will e-mail info to Tony. He also would like to work with our club on some road trips.

Pam DeForrest made a motion to waive the reading of last month's minutes, the motion was seconded, the vote taken and the motion passed.

Webmaster Douglas Mariani was not present.

Newsletter Editor Debbie Ruby thanked George on story and Gary on photos and story. Please keep it up. Please send anything you want published to her 5 days before the end of the month.

Other topics discussed were:

1. Car show meeting will be Thursday July 26th at Laura and Tony's house @ 7pm. Tony reported that Richard Cheek is on top of car show publicity. Brian and others are already handing out flyers at car shows. Need gift cards donated for prizes. Donna and Laura to get shirt order. It was discussed to maybe have the dates taken off the shirts so that we can wear the same one each year.

2. Laura reported on the Club Banquet is set for Saturday January 19th, 2019. Laura and Karen made the calls and got the big room again at the Phoenix Club. Need \$500.00 for deposit. Club will donate \$10.00 per person for the dinners. They will let us know how much additional pay the Club members will need to make. Tony will bring up who wants to volunteer to decorate.

3. Donna brought up that whoever is speaking at the General meeting needs to use the microphone. As many people in the back cannot hear. Ron suggested another speaker in the back or that it might be the microphone.

4. Gary and Donna mentioned, how do we get club members out to the events? And we need ideas for events. Maybe a suggestion box and or form. John Spurr will make up a form. Sal suggested different functions during the month and maybe a social night.

5. Wayne to bring a signup sheet for the picnic and what to bring. Laura has a sheet to give to Wayne.

The meeting was adjourned at 7:55 pm.

Respectfully submitted,

NCCC PRESIDENT's MESSAGE

July 2018

THE PAST AND THE FUTURE

June 21st thru June 23rd 2018 I had the pleasure of attending the Bloomington Gold Corvette Show in Indianapolis Indiana. I want to thank NCCC member Guy Larsen for allowing NCCC to have a space for NCCC to raise some dollars for charity and host an Autocross event to introduce Corvette owners to how much fun one can have with their Corvette. NCCC Clubs from Indiana chaired and worked the Autocross for anyone who wanted to try their skills on a small course.

The Bloomington Show offered many other things to do. You could take your own Corvette for two laps around the famous 2.5 mile track at controlled speeds. However what was special this year was **"The L88 EXPLOSION"**. Three years, 1967, 1968, 1969, GM/Corvette produced the L88 engine option with only 20 produced in 1967. This was the most L88 cars in one location at one time. The L88's were on display inside for people to view. On Saturday the noise began when the L88's started and drove out into the court yard to line up for two laps on the famous Indy track. It was so cool to witness the L88's driving around the 2.5 mile track. A life time experience!

The show also provided for attendees to enjoy the Ron Fellows Performance Driving School. The school brought in 6 new "ZR-1" Corvette's to Indy for everyone to get a ride on the infield road course. The ZR-1 is the most powerful production Corvette ever, going full power on the straight. WOW! The line was all day to get a ride going down the straight at speeds most people never see. I heard the ride was around 130 MPH!

The Grand Daddy of Corvette Shows had everything from Corvette Vendors to every manufacture of anything automotive. All the major sponsors and providers of Corvette items were there. There was something to see or do every day. I encourage you to put this show on your calendar for 2019. The Bloomington Corvette Show will be held again in Indy in 2019. It is now in the **PAST!**

The 59th Annual NCCC Convention is happening this month July 15-20, 2018. Here is a chance to see all there is to do as a member of NCCC, see and meet members from around the country, visit with friends you know, all in the party city of New Orleans. If that is not enough there are activities with your Corvette and without your Corvette for everyone attending. Five days of fun with your favorite car. There are parties at night with events during the day. Even tours of sites and things to see in New Orleans. Week long registrations are over but you can still come for one day or more on a "day pass". If you have never attended the annual convention, I encourage you to try to come for a day or more to see and experience one of the benefits of belonging to NCCC. Attending over 40 NCCC Conventions I have always enjoyed every moment. This is still in the **FUTURE!** Don't let this be one of the things you get to **SOMEDAY!**

This year NCCC will be attending "Corvettes of Carlisle" in August and "Corvette Funfest" in September. Both these shows are something to put on your bucket list. Don't let things you wish or want to do be part of your **PAST!**

Enjoy the summer and make to most of all we have. The glass is never half full. The glass is waiting for you to fill it up!

God bless you all and have a great summer.

Dave Heinemann
President NCCC

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)
