## President Tony

One of our members has his Corvette in the movies. It is a movie about astronauts. I thought it might be relevant to give little history about America's sports car (the Corvette) the astronauts.

The astronauts from the "Mercury" flight (May, 1961 – May, 1963) were John Glenn, Alan Shepard, Gordon Cooper, Gus Grissom, Scott Carpenter, Wally Schirra and Deke Scobton.

Alan Shepard received a 1962 fuel injected Corvette. Astronauts were not allowed to receive gifts or endorsements. The General Motors, Jim Rathman (former Indy 500 winner), made a deal with GM to lease the Corvette to six of the Mercury Astronauts for \$1.00 a year. The dollar lease program ended in 1971.

Apollo 12 astronauts Pete Conrad, Frances Gordon and Alan Bean each received identical 1969 Corvette Stingray Coupes. They were 390 HP, 427 V-8's, painted black and accented with Riverside Gold and designed by Alan Bean.

The Apollo 15 crew consisting of James Irwin, Alfred Worden and David Scott, each received red, white and blue Corvettes. Each Corvette had 2 racing stripes which represented the American flag colors.

In 2011, a parade was hosted at Cocoa Beach, Florida to commemorate 50 years of Corvettes and astronauts.

Surviving astronauts gathered and drove their Corvettes that represented six generations of designs since its debut in 1953.

.....

There were two events in October. Patriots & Paws Car Show and our CSS Annual Car Show.

The Patriots and Paws Car Show was held at Canyon RV Park. There were 80 cars in a nice grass and tree setting. Penny Lambright and her volunteer crew put on an excellent show. A band played songs and the dragsters made wonderful noise at 150 decibels.

The Annual CSS Car Show was held at Hooters. 104 cars entered the show with Corvettes being the most in attendance. 19 other American cars attended.

The Show went very well with several people saying that this was the best show and that they would be back next year.

Thanks to all who helped to make this year's show a huge success. Special thanks to Brian Valparaiso and Brad Lee for their excellent job as Car Show Chairpersons.

### Answer to last Month's Trivia Question:

What do the terms Rat Motor and Mouse Motor mean?

Mouse Motor means Small Block Motor

October Trivia Question: What is the difference between "Stingray" and "Sting Ray"?

Corvette Time Line: October 7<sup>th</sup>, 1960. The Route 66 TV Show debuts, starring Martin Milner, George Maharis and the Corvette.

## CSS General Meeting Minutes October 2, 2018

Officers present: Tony Schavone, Wayne Heard, Monica Valparaíso, Douglas Mariani, Debra Ruby, Joe Orrico

Board Members present: Laura Schavone, Sal Cruz, Ron DeBartolomeis, Gary Maleski, John Spurr, Donna Stewart

53 Members Present

Sergeant-at-Arms Ron DeBartolomeis led the members in the Pledge of Allegiance.

President Tony Schavone declared a quorum and called the meeting to order.

Guest speaker present was Sean Hopson who talked about Dive Warriors. They provide scuba diving to veterans for free. They started the program 3 and a half years ago. He shared a staggering statistic that 22 veterans commit suicide a day!

Donna Stewart introduced guests, Bruce and Nancy Bronson who have a 2012 Grand Sport Centennial corvette; Sean Hopson from Dive Warriors.

Donna spoke about breast cancer awareness month and encouraged ladies to get their mammograms.

Tony recognized Tom Cuccio's new corvette, a C7 2015. Tom had a C2 1964 corvette for 50 and a half years.

Secretary, Pam DeForrest was home sick. Reading of the minutes was waived by Monica Valparaíso.

Treasurer Monica Valparaíso reported on the club finances. She will present the Car Show's budget at the next board meeting. Club Dues are due! \$45 per person or \$75 per couple. The deadline is November 15. If you miss the deadline, then there is a \$10 late fee added. We also need gift cards for the goodie bags.

Tony announced that West Ways Magazine on page 75 mentioned our car show on October 20.

Vice-President Wayne Heard announced the August birthdays and anniversaries.

Wayne also reported on the upcoming events. They are listed in our newsletter.

Jean Pence won our dinner raffle tonight.

NCCC Governor, Joe Orrico, reported that at the St. Louis meeting a new rule book was adopted. The 2019 National Convention will be in Denver, CO from July 7-12. Indianapolis will be July 2020.

Care and Kindness representative, Marsha Gallavan, had nothing new to report. No news is good news!

Charity representative, Will Grohmann reported on Calicinto Ranch. November 17<sup>th</sup> is the Calicinto Ranch Thanksgiving Dinner. If you want to donate gifts for Christmas, he will provide a list of children who have created a personal wish list of items they want. \$20 is the maximum amount to spend on each gift. Do NOT wrap your gift. Calicinto Ranch will wrap them and sign the parents' names to each child's gift. In December, he will bring our donated gifts to the ranch for the children. Again, the staff at the ranch will wrap the gifts.

Will also mentioned that nine CSS members went to the Patriots and Paws Open House. Tony was disappointed that so few members showed up to see their new facility. Home Depot helped out with paint and landscaping.

Will reminded the club to bring pop-tops to the next meeting so he can deliver them to Ronald McDonald House.

Webmaster, Douglas Mariani, asked everyone to please send him pictures to him or Debra for the website. The website is all up to date.

Newsletter editor, Debra Ruby, thanked everyone for sending her pictures for the newsletter. The cover this month is from Tahoe 50 in Reno, NV. She apologized to Douglas for not sending him the pictures for the website and promised to do better in the future.

Public relations representative, Richard Cheek, shared that he and Tony went to the Costa Mesa Car Show.

Car Show chairman, Brian Valparaíso, gave an update on the car show. There are currently 51 entries and 43 trophies. There are donations from Garage Magazine, AERO Wax and quite a few gift cards. We are looking for volunteers to judge the corvettes at the show. And there are more car show flyers to give out. The Goodie Bag Stuffing Party is at Pam and Bill DeForrest's home at 7pm on October 18<sup>th</sup>. Meet at 6am on the day of the car show to help set up.

Laura Schavone has the signup sheet for volunteers. She changed the time for the games. They are now from 10am to 12pm. We need more people to sign up for volunteer positions. We need signs and banners and help picking up chairs at 6am.

Marge Huhta brought several raffle prizes for the car show from a photographer who is donating various portrait sittings worth \$11,000!

Brian said what a great time he had at Tahoe 50 and that CSS won for most participation.

Tony recognized Dave MacDonough on getting a perfect score of 25 out of 25 shots. Corvette Super Shots meets the last Saturday of each month to go shooting. Next Saturday, October 13<sup>th</sup> is the Pistol Shoot. There are six spots available. Contact Dave or Art.

Tony mentioned that next year is our 60<sup>th</sup> anniversary of CSS and we need ideas. Bring your ideas to the Board Meeting. Elections are in December. We need to pick nominating committee for November, vote in December to be announced at the Banquet in January.

Nelson Betancourt shared that he posted on Facebook and Twitter about our car show to help advertise.

Refreshments provided by Jean and Ken Pence.

Meeting adjourned at 8:44pm

Notes taken by John Spurr and typed by, Debra Ruby in the secretary's absence.

## CSS Board Meeting Minutes October 16, 2018

Officers present: Tony Schavone, Wayne Heard, Monica Valparaiso, Pam DeForrest, Debra Ruby

Board present: Laura Schavone, Sal Cruz, John Spurr, Gary Maleski

Others present: Will Grohmann, Ron DeBartolomeis, Karen DeBartolomeis, Art Huhta, Brian Valparaiso

A quorum was declared to be present by President Tony Schavone

President Tony Schavone called the meeting to order at 7:03 pm.

Tony announced that Dick Mallory, Activity Director from South West Corvettes is planning on coming to our General meeting.

Vice President Wayne Heard had nothing to report.

Tony talked about the November event on the 10<sup>th</sup>, Vettes for Veterans and Calicinto Ranch on Nov. 17<sup>th</sup>. He also wants to do a mystery car run for our club and needs to find a date before the end of the year.

Treasure Monica Valparaiso presented the budget for next year and our current balance. It was a unanimous vote on the budget. She also wanted to know if t-shirts would be something to carry for members to buy with club logos and such on them. We will re-visit this suggestion in January.

Secretary Pam DeForrest presented applications for the three new members and asked for a vote to include them in our club. It was unanimous to vote them in. They have all paid the application fee and Pam will get a hold of them to pay the new member dues.

Newsletter Editor Debbie Ruby asked for all articles and photos sent to her by the 26<sup>th</sup> or 27<sup>th</sup>.

### *Other topics discussed were:*

1. Will Grohmann talked about past donations to our charities: Calicinto Ranch and Patriots and Paws. We have been invited to Calicinto Ranch event in November and would like us to bring pies. He talked about the children's Christmas party on December 15<sup>th</sup>. They would like us all to donate \$40.00 for the gifts and they will give us a list of what the children want. They will have 2 items on their wish list. They need to be **unwrapped**.

Calicinto Ranch is also being hit with a \$300,000.00 bill to have city water brought into their ranch because of the Indian Casino going in across the street from them. They are on a well right now. So they have asked for more money. It was discussed to give them a onetime gift to help them out.

It was discussed to add the Dive Warriors to our charity list without taking away donations from the other two charities. Everyone agreed that we can do this. Art asked John what they use the money for. John replied for expenses to help the veterans dive such as, boat charter, gas, oxygen for tanks, gear rental and many other things that they would need. They have 12 major outings a year and other minor outings. A proposal was passed and will bring to the General Meeting.

2. Car Show Chairman Brian Valparaiso reported that we have 85 registered cars and we are on track for the car show. We have more vendors that want to come. Laura talked to DJ about the t-shirts and asked if there was a mix up because we did not get any large and many 3XL!

3. Tony reported on the nomination committee for voting. 1 member is not returning.

4. Tony reported that there is not a Rookie of the Year this year.

5. Most Valuable Member will be nominated in November and announced at the January awards party. Pam DeForrest will make up ballots to bring to the meeting.

6. Art Huhta talked about some events that we can maybe attend in 2019. Blue Angels in El Centro, a golf tournament and visit on the Iowa Battleship in San Pedro. Gary Maleski also brought up that we need to do something for our 60<sup>th</sup> club anniversary.

The meeting was adjourned at 8:45 pm.

Respectfully submitted,  
Pam DeForrest, Secretary

## NCCC PRESIDENT's MESSAGE: October 2018

### Business at Hand

**Fall is a busy time for NCCC.** Our membership usually tops out about this time of year as we get ready to start renewals for 2019. Each club Governor and their region RMD have until October 15th to get all membership transactions completed and the membership database updated. **On October 15th at 9 PM CT** the membership database will be closed. It is expected that in one or two days it will be reopened after all data validation has been completed. During the renewal period, as each member is renewed, the membership database will send an email confirmation letter with a link to a printable membership card to all that have renewed their NCCC membership. After all renewals have been completed a **plastic membership card will be sent to each active member via US Mail**. Everyone will get both types of cards.

**The hope is clubs**, club members and MAL's rejoin NCCC as they feel they have enjoyed belonging to NCCC. NCCC is a family of Corvette people. I would hope that each of you have experienced something that makes you feel you belong to this family. I have said it many times that if you get involved you will find something or someone in NCCC that drives you to be part of this great group of friends and family. *Renewals are \$25 primary and \$10 for a spouse or youth.*

**Voting for new NCCC National Officers** takes place this month. Members can tell their club Governor who you would like see represent all members and clubs for 2019. Nominations were made and candidate for the office of **Director of Public Relations** is John Cantelmo. The current **Parliamentarian** Kathy Brisbois and **VP of Membership** Amelia Workman are seeking a second term. Chris Reitz is candidate for the position of **Treasurer**. Candidates for **Office of President** are Bernyce Molenda and Dale Samuelson. These are all good people, long time members of NCCC, and willing to give to the membership so we can all have a good time with our Corvettes. I am sure no one thinks about it, but it takes qualified people to run an organization of 18,000 plus members. That is why NCCC is great because of members like these six. Please show your support for them by letting your Governor know you care. All the candidates "Bios" can be read on the NCCC web site under [Candidates](#).

**Officer Voting for Governors** opens on *October 1st at 6 PM and closes October 31st at 6 PM CT*. On the ballot along with Officers there will be a line to approve the 2020 NCCC Convention in Indianapolis hosted by the Indiana Region of Clubs.

**August 23rd-26th**, my wife and I attended along with the Charity team, Sponsorship team, and the NCCC Merchandise folks the **Carlisle Corvette Show in Pennsylvania**. This four day show has to have the most vendors and used parts of any show in the country. What fun it was meeting many of the NCCC members from the clubs out east. If you are ever able to attend this show make sure you allow at least several days to walk the show. There is that much to see!!

**The next week August 29th-September 1st** I attended the 24th Anniversary of the National Corvette Museum (NCM). Attendance was down a little as people are waiting for the 25th next year. The nice part was the NCM had everything they always do and there were no lines or waiting for a seat to hear a GM person talk about Corvettes. I felt the best seminar was the past and current Hall of Fame members, about 25-30 previous HOF members, sharing stories about saving the Corvette and hiding things from big brother GM. Got to love it.

**September 20th-23rd, 2018**, NCCC attended the World's largest Corvette Party in Effingham, Illinois. The Charity team, Sponsorship team, Merchandise team, FCOA Director Pat Kelly, Director of Public Relations Denny Luther, and my wife and I all had a great time talking to NCCC members who stopped by as we raised some money for St. Jude selling tickets to win a Guitar. If you have never attended this fall event, it is something you should put on the bucket list for the future. NCCC member, and NCM Hall of Fame member Mike Yager and his family make sure everyone attending has a great time.

**So time marches on.** Each day we get **older**. I'm not sure if we get **wiser**; we just know a lot more, but **can't remember** what we know. We walk into a room and **forget why** we came in. We see a face and can't **remember the name**. But we always remember the stories about the adventures we have with our Corvette and friends. Make the most of the time you have spending it with people who have the same passion about the Corvette. That's a good thing, and NCCC members will help you remember why you came into the room.

**Today is the first day** of the rest of your life. Don't wait too long as the day will soon be over. Call a friend, tell someone thanks for something they did, and be thankful for who you are and what you have. We all own Corvettes. We are the lucky ones.

**God bless you all. Blessings flow from blessings given. Be a blessing to someone!**

**Dave Heinemann**  
President NCCC

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

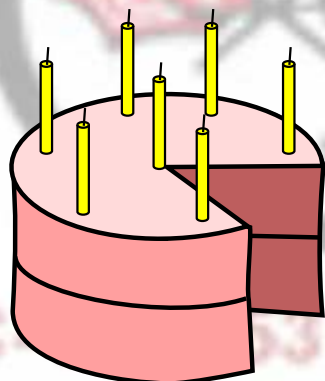

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)
