Elections

I will be selecting a Nominating Committee for the elections at the November meeting. They will contact members to find out who would like to run for an Office or the Board. I encourage members to add your name to the Ballot for the election in December. Your voice in the Club is IMPORTANT!

THE CAR SHOW!!!

SUCCESS! SUCCESS! SUCCESS!

Yes, our Car Show at Hooters was again a success. We had 123 cars registered and many cars had returned from last year. The trophies were unique and loved by all the winners. As people were leaving, their response was "We'll Be Back Next Year."

A big THANK YOU to Brian, the Car Show Committee and to everyone who certainly put a 110% effort into making the Show one of the Best!!

Corvette Racing

The 2020 Corvette convertible was unveiled at the Kennedy Space Center on October 2nd. The Corvette C8R, in a surprise move, was debuted at the same event.

Sixty years of racing heritage started with the 1960 24 Hours of Le Mans race when the Corvette finished 8th overall and 1st in Class.

In the past 20 years of Corvette racing, the Corvette team has won 107 races. This is the most of any professional sports car team in North America. There were 13 IMSA Championships and 12 IMSA driven and manufacturer titles. In 2016 and 2017 they won the Driver and Team Championship.

In the 2015 racing season, the Corvette race team pulled a trifecta. The 24 Hours of Daytona, the 24 Hours of LeMans and the 12 Hours of Sebring.

The 2020 number 3 Corvette will be yellow with silver accents. This will continue the colors of the successful GTLM racing Corvettes of the past 20 years. The number 4 Corvette will be silver with yellow accents which was inspired by the color of the iconic Corvette concepts such as the 1973 Aerovette and the 1959 Stingray Racer.

The specifications of the new C8R will be a 5.5 liter V-8, 500 horsepower, 480 pound feet of torque and a 6 speed gear box.

The C8R will make its debut at the 2020 24 Hours of Daytona on the weekend of January 23-26.

Tony shared that on Oct. 2 the Kennedy Space Center was going to unveil the C-8 convertible. It has a retractable hard top. People need to sign up for the Long Beach Grand Prix that's taking place on April 17, 2020. There will be 100 spaces. Tony has the phone number to contact them.

Donna Stewart reported on no guests tonight. Joel Chesler was voted in the club at the board meeting. He is a former member from about 20 years ago. He has a 2006 and a 2019 ZR1 arrow package. Rich and Barb Carias are also former members and have re-instated their membership.

Pam DeForrest was asked to give a review of Bill DeForrest surgery and recovery.

Treasurer Monica Valparaiso gave report on current cash balance and car show balance. Dues are due at our November 5th meeting. Money for the banquet needs to be paid in December. Members will pay around \$35.00 a person. Monica is looking into the Square Credit Card devise to use at the car show and meetings.

Vice-President Wayne Heard announced the October birthdays and anniversaries. John Spurr played the harmonica. Wayne also reported on the upcoming events. They are listed in our newsletter.

Tony Schavone talked about getting a nomination committee together for the running of the offices and board for the club. He will pick out 4-5 members to get this going. The election will be in December and officers chosen will be installed at the January banquet.

Pam DeForrest had forms to be filled out for any roster changes.

Marsha Gallavan had nothing to report. Tony Menchaca gave us an update on his friend Rosana's ankle break from the picnic. Marsha sent a thank you note to Southwest Corvettes for the good time at the picnic. Karen DeBartolomeis is having hip replacement surgery tomorrow.

Donna Stewart brought up that we need to be thinking on who we want to nominate for Most Valuable Member.

Will Grohmann gave us an update on the Calicinto Ranch Thanksgiving dinner and talked about Christmas for the kids. They need gifts for 25 kids. Each child will get 2 gifts for a total of \$40.00.

Douglas Mariani said that Go Daddy is up to date with our website as of last night. The Yahoo group e-mail is still a problem because we get it for free. Wayne Heard is helping him out.

Debbie Ruby thanked everyone with the articles and photos. She talked about a tragic murder/suicide that happened in her family recently.

Richard Cheek and Tony Schavone picked out the trophies for the car show. He talked about Crusin for a Cure car show. He and Sarah got coolest convertible. Heritage Days and All Chevy show are coming up the weekend of the 12th and 13th.

Brian Valparaiso gave info on the Vetts for Veterans car show and where to stay for the weekend. We have 50 entries for our car show. We need goodie bag items for 100. Judging is people's choice. Everyone needs to set up for the car show at 6:00am. Goodie bag stuffing will be at Bill & Pam DeForrest's home on October 24th at 7:00pm.

Dave MacDonough reported on the Super Shoots shooting once a month. Everyone is invited even if you do not shoot. It's always the last Saturday of the month with lunch afterwards.

Goodies were provided by Sarah Cheek and Pam DeForrest. They had a Halloween theme.

The dinner raffle was won by Sal Cruz.

Clean car award went to Brenda Kalb and her 2014 Cyber Gray.

Brenda Kalb gave us info on a friend who is selling their 2017 C-7 Black on Black LT. It has about 15,000 miles. He wants \$52,000.00.

David Dunn donated a cool Corvette Thunder book for the raffle. It was won by Wayne Heard.

Raffle money winners where: Monica Valparaiso, David Dunn, Judy Spurr, Vicki Norris, Kevin Presser and Barb Carias.

December will be the big drawing of the left over raffle money.

Next meeting is the Board on Oct. 15th. The next General meeting will be November 5th. Meeting was adjourned at 8:20pm.

Respectfully Submitted,
Pam DeForrest, Secretary

Board Meeting Minutes October 15, 2019

Officers present: Tony Schavone, Wayne Heard, Monica Valparaíso, Debbie Ruby

Board present: Laura Schavone, Donna Stewart, Sal Cruz, Gary Maleski, John Spurr, Brian Valparaíso

Others present: Art Huhta, Bill Wisnowski

President Tony Schavone called the meeting to order at 6:58pm

A quorum was declared to be present by President Tony Schavone.

Tony gave an update on Bill DeForrest. Kathy Dull had also been in contact with Tony via email and a phone call regarding multiple surgeries that Steve Dull had undergone. He is currently in a skilled nursing facility recovering.

Vice President Wayne Heard had nothing to report.

Treasurer Monica Valparaíso reported on the budget. A review of actual figures versus budget for 2019 was given, as well as a brief overview of the draft for the 2020 budget. Car show and charity figures in the 2020 budget were also discussed.

Other topics discussed were:

Charity – Will Grohmann suggested again that the incoming 2020 board members decide on the amounts and charities to donate. Will moved and Donna seconded this motion; motion was carried. Calicinto Ranch is having their annual Thanksgiving meal on 11/23 – they have requested members of the club to help serve the meals, and pumpkin pies would be appreciated. Will is going to bring this up at the November general meeting. He will also bring the wish lists for the children for Christmas gifts; anyone who would like to participate will be given the opportunity to do so. The gifts will be delivered by Will.

Newsletter – Debbie Ruby gave a deadline of 10/28 for next month's newsletter. The car show is 10/26 so that is the reason for the extension.

Car show – Brian Valparaíso said we currently have 84 registered participants. 150 goodie bags were donated by a local real estate agent. The next car show meeting is Thursday 10/17 at which time final arrangements will be made for all outstanding issues.

Old business – the membership banquet was briefly discussed. Donna brought up a motion for the club to pay (at most) \$15 towards the member fee to attend the banquet. The motion was passed.

Sal brought up members frustrations with the current email system. The officers and board will contact Doug Mariani about meeting prior to the November general meeting to solve this ongoing problem.

New business – As former member Steve Melton recently passed away, purchasing a brick at the museum in his name was discussed. Tony Schavone agreed to pay for the brick out of the President's discretionary fund.

A reminder that President Tony Schavone will name the nominating committee for the upcoming officer and board elections at the November general meeting. We will have general elections at the December meeting, as well as voting for the Most Valuable Member.

The meeting was adjourned at 8:00pm

Respectfully submitted,
Monica Valparaíso, Treasurer (in Pam's absence)

NCCC PRESIDENT's MESSAGE: October 2019

October! Where has this year gone? It seems like just yesterday we were wishing for spring. At least fall brings beautiful colors and crisp, cool weather.

September was another busy month starting with the NCCC Governors meeting in St Louis on Sept 6th and 7th. We were presented with a list of proposed by-law changes, a proposal from the East Ohio Region for a 2021 Convention, and campaign speeches from each of the candidates for the positions of NCCC Vice President-Competition, Secretary, Business Manager, and Sergeant at Arms. Your Governor will be voting on all of this electronically over the next few weeks. If you'd like more information, please contact your club Governor. Also presented was a proposal to accept a new rulebook for the years 2020 and 2021. The red-line version of the proposal should be available on the web site shortly. This will be voted on by the Governors represented at the November NCCC meeting. Your feedback is an important tool to help your Governor make informed decisions.

The next major event in September was the Mid America Corvette Funfest in Effingham, IL on Sept 19th thru 22nd. This is a huge event with thousands of Corvettes and Corvette enthusiasts. A street party, a wine tasting charity event, and a concert were just some of the events to keep everyone entertained. NCCC hosted a hospitality tent where we were able to spend some time with current NCCC members and promote NCCC to prospective members. A huge thanks to all who made this possible. Also, thanks to NCCC member and Mid America Chief Cheerleader Mike Yager and crew for hosting another great event. Put this event on your calendar for next year.

John Cantelmo, NCCC Director of Public Relations is updating a video that we have on display in the National Corvette Museum. He is looking for photos and especially for video of NCCC members having fun. It could be a competitive event, a club social event, or any activity that could be used to promote NCCC. Please talk to John with any material you may have.

At least for me, things should start to slow down a little in October. A couple of weekend autocrosses, a rally (maybe), and hopefully participate in some local club events. It's been a pretty busy year, but I can't think of a better group of people to spend my time with!

**That's all for now – see you out there.
Save the Wave,**

**Dale Samuelson
NCCC President**

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

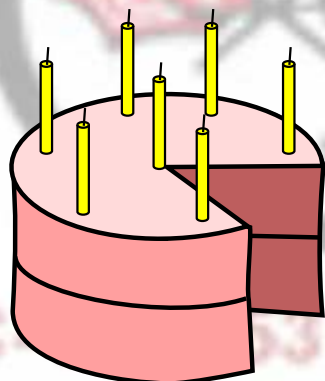

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Volunteer Opportunities

While financial contributions are critical to support a staff of nine people, provide child care, and assure regular maintenance of the shelter, we couldn't do it all without our dedicated volunteers.

Thrift Shop: *Charity's Closet* has a variety of volunteer opportunities available to suit your schedule. Stop by and speak with a day manager and pick up a volunteer form.

Office Volunteers: We do not have a full time secretary on staff, volunteers are needed to answer phones, help with filing and other administrative duties. Can you help two –four hours per week?

Mentor Program: This committee is designed to mentor current residents. The committee meets roughly once per month. The time commitment for mentoring is anywhere from a-half to two hours per week with a resident.

Children's Play Hour Volunteer: Volunteers are needed to play with the children or help with homework in the early evening so parents can attend mandatory meetings.
