### “Pilgrimage to the Corvette Holy Land (Trip #4)

Pilgrimage: A journey to a place well known or respected. Holy Land: The place where the only sportscar in America is built.

The 25<sup>th</sup> Anniversary of the Corvette Museum took place in August and 4 of our members made the trek to Bowling Green, Kentucky. Phil and Sherry Anderson and Laura and I represented the Club. Phil and Sherry went with the Caravan out of Los Angeles with 225 of their “closest Corvette friends”. Laura and I went with a smaller caravan of 5 cars from Corvettes of So. Cal.

It is 2066 miles to Bowling Green from Orange County and we made it in 5 days by averaging about 350 miles per day. We stopped at places like:

- (1) the only covered Bridge in Arizona,
- (2) Pie-O-Neer Café (Yummy) in Pietown, New Mexico,
- (3) the UFO Museum in Roswell, New Mexico,
- (4) an old restored 1950's Sinclair Gas Station
- (5) In Hope, Arkansas, we had lunch at Tailgaters Burgers (voted #1 Cheeseburger in Arkansas)
- (6) Memphis, Tennessee was great! We saw the Hotel where Martin Luther King died, the Blues Museum and ate at the Central BBQ for real Memphis BBQ.

Finally, we made it to Bowling Green along with 5000 other Corvette enthusiasts! The excitement level was very high and the “wave” arm got very tired! LOL.

The picture of Laura & I in front of the Museum was taken by Kai Spande, Plant Director of the Assembly Plant and his Rapid Blue 2020 Corvette was in the parking lot. There were lots of events available to the attendees like driving the motor sports track, tours of Caverns, dinner at Shaker Village, and tours at Maker's Mark Distillery just to name a few.

After leaving Bowling Green, we went and visited family in Illinois, friends in Indiana, and then traveled to my hometown of Ipava, Illinois (Pop. 400). We checked our farm out (crops are doing well), went to our farmer's daughter's wedding (held in the barn with reception at a winery) and much more. But the highlight of visiting Ipava was the annual “Camp Ellis Days” (a training & WWII Prisoner of War Army Camp in the middle of Illinois - interesting story to look up). The event features a Parade of local kids on floats, town dignitaries riding in cars, about 30 restored farm tractors and one Red Corvette. Yes, we were put in the parade! Red Corvettes are not too common in rural farming towns. After the parade, we had lunch where I ran into some High School classmates and reminisced . . . Super Fun!

5,531 miles later. We were HOME. It was a wonderful trip, and a big check off the bucket list. We made new friends and were able to drive across country in a very comfortable, gas efficient Corvette.

The trip to Bowling Green in your Corvette should be on your ‘Bucket List’. It was a ride of a lifetime.

## **CSS CAR SHOW CHAIRMEN**

**Brian Valparaiso and Brad Lee**

Hello everyone and thank you!

### **Thank you!**

We are about 30 days away from the Annual Corvette Super Sports Car Show. Can you believe how time has flown by!? Despite the precious time we have left, there is still far more to do. Some things can be done now and thru the actual show date....while other items can't be done until the show gets closer.

First off though, we need to recognize and thank everyone for their support. So many members have given of themselves by attending local car shows in order to advertise your show. It's not easy walking miles and miles and placing flyers in cars at a meet. Sometimes you get a grumpy old guy that will tell you "don't waste your paper".... Sometimes you get the person who just looks angry and you don't give him a flyer...and occasionally you get the nice person that thanks you and says they'll be there!

But for the majority of the time, you drop in the driver's window and keep walking. As a side benefit, you get a bunch of steps logged on your step counter- hahahahaha!

In addition, we need to recognize all the people who have donated gift cards. We have received gift cards to See's Candy, Panera Bread, Starbucks, and Visa! Thanks to everyone who has thus far donated. We can always use more. Please note these cards are the raffle prizes and this is a H U G E hit with the attendees. Please bring the gift cards at your earliest opportunity or bring them the day of the show.

Thanks also to the members who have donated items to fill the goody bags. We have received peanuts, chips, shower caps, chapstick, and other items. Again, thank you! We can use more.... If you are able to find some snacks, pens, pencils, or other items to place in the goody bag, it is appreciated. These items need to be brought to the meeting or to the stuffing party.

### **So what's the latest?**

We have ordered really cool trophies and will be organizing them as we did last year. We will derive NON CORVETTE car classes as we determine who has entered. We will be having the NON CORVETTE's judged by CSS members. (Want to be a judge?)

Corvettes will be judged by people's choice. All CSS cars will be judged separately from the non members' cars. (If you haven't registered, please do so ASAP!)

### **Entry Count?**

So far, we have 45 entries and hoping to grow this to over 100. There are several more car shows where we can advertise, so please take some flyers and pass them out.

## CAR SHOW Info. (Con't)

### Volunteers

We have volunteers for many things....we can always use more volunteers to help out during the show. If you have the time to help out, please let us know. ## CSS General Meeting Minutes September 3, 2019

Officers present: Wayne Heard, Monica Valparaiso, Debra Ruby

Board Members present: Sal Cruz, Donna Stewart, Brian Valparaiso, John Spurr

46 Members Present

Ron De Bartolomeis led the members in the Pledge of Allegiance.

A quorum was declared to be present by Acting Secretary Sue Rosen.

Vice-President Wayne Heard called the meeting to order at 7:00 p.m.

Donna Stewart introduced our guest: Robert Payonon. He has a green Corvette, his first. He lives in Whittier.

It was moved, seconded, and passed to waive the reading of last month's minutes.

Treasurer Monica Valparaiso gave the report on the current cash balance. The storage unit was renewed for fourteen months, a deposit was put down for the January 11 banquet, and money is there for the car show. Monica told everyone not to forget to register for the car show if you're planning on going. The car show is in October, membership dues are due in November, and the banquet money is due in December. Monica gave us more information on the banquet: It is January 11 at the Phoenix Club. The contract has been signed, and the committee will pick the menu and decide on centerpieces. Monica then shared information on club-wear: Glenda has some T-shirts and polos. If we want to go to Glenda's, the earliest she is available is October 13. We can send Glenda a shirt rather than going to her, if we know what we want on the shirt.

Vice-President Wayne Heard literally "changed hats" to report. He announced the September birthdays and anniversaries. John Spurr played the harmonica. Wayne also reported on the upcoming events. They are listed in our newsletter. During discussion, another event was brought to members' attention: On October 12, from 10:00 to 2:00, the Automobile Driving Museum is highlighting Corvettes. The museum is located at 610 Lairport, El Segundo. They will have Corvettes for people to ride in. Admission is \$10. Wayne also told about the 60<sup>th</sup> Anniversary CSS baseball caps.

Joe Orrico, NCC Governor, was not present.

Marsha Gallavan reported on Care and Concern. In the discussion, it was brought up that Rosana broke one ankle and sprained her other ankle at the joint Southwest Corvettes picnic. Also, Bill DeForrest will be having four surgeries on his back. We will send cards to them.

Will Grohmann reported on charities. He reminded us to bring aluminum can pull-tabs. Also, he brought up that last year we voted in November and gave out checks to our club's charities in February-April. He would like to move it 3 months forward to next year starting in February. He asked the members what we thought. Opinions were discussed. We will bring it up at the board meeting.

Webmaster Douglas Mariani was not present.

Debra Ruby, newsletter editor, thanked everyone for all the pictures and articles.

Richard Cheek, publicity, reported that he and Sarah have been active in passing out flyers for our car show. He also told about two great car shows they attended, and won! He reported on the upcoming All-Corvette Car Show "Vettes for Veterans" in Carlsbad November 9. The application is on the North Coast Vettes website. He suggested we register now so they will support our car show, which they have in the past.

Dave MacDonough reported on Corvette Super Shots. The group will meet at Prado Dam again next month.

Doug Meeuwenberg made a recommendation to be brought up at the board meeting: Since our club had 28 people at the picnic sponsored by Southwest Corvettes, we should offer to pay their club \$5 per person. Discussion was held. Marsha Gallavan will send their club a card thanking them.

Joel Chesler shared that he has a man who will put polyurethane strips at the bottom of the splitter on cars so scraping damage is not done when entering and leaving driveways. See him for the specifics. You will get a discount if you mention Joel's name.

Snacks were provided by Dorothy, Karen, Marsha, Wayne, and Will.

The dinner raffle was won by Sal Cruz.

The Clean Car Award was won by Debra Ruby, Eric Ellsworth, and their blue C6.

Raffle money and Corvette poster winners were: Ken Pence, Brian Valparaiso, Diane Chesler, Jean Pence and John Spurr.

The next board meeting is September 17 and the next general meeting is October 1.

The meeting was adjourned at 8:05 p.m.

Respectfully submitted,  
Sue Rosen, Acting Secretary

## Board Meeting Minutes September 17, 2019

Officers present: Tony Schavone, Wayne Heard, Monica Valparaiso, Debbie Ruby

Board present: Laura Schavone, Sal Cruz, Donna Stewart, Brian Valparaiso, Gary Maleski

Others present: Teresa Cruz, Bill Wisnowski

President Tony Schavone called the meeting to order at 7:09 pm

A quorum was declared to be present by President Tony Schavone.

Tony reported that he and Laura had a great time on their trip back to Bowling Green, Kentucky for the Corvette Caravan trip to the 25<sup>th</sup> anniversary of the Corvette Museum. They were gone approximately three weeks, including time spent at their farm and with family and friends.

Vice President Wayne Heard was thanked by Tony for running the general meeting of September 3<sup>rd</sup> in Tony's absence. Wayne reviewed the top moments of the meeting for Tony.

Treasurer Monica Valparaiso reported on the budget. An email will be sent to membership reminding all about upcoming financial payments; the club car show, membership dues, and the annual banquet. Donna and Monica also had a meeting at the Phoenix Club to finalize the date of the banquet and pay the deposit to secure the date. The price of the banquet will be determined at a later time, but is expected to be around the same as the prior year banquet. Monica will begin the process of coming up with the 2020 budget to present to the board and the membership.

Secretary Pam DeForrest was not present. In her absence, a vote was taken on a potential member that had submitted an application at a previous meeting. A vote was taken and Joel Chesler was unanimously voted in. He is a previous member of CSS.

Other topics discussed were:

Charity – Will Grohmann was absent, but his proposal of when to make the donations to charities was discussed. A discussion was had on our current charities, other potential charities, and the dollar amount in total of our donations. At this point, it will be discussed at a later board meeting, and will need to be included in the 2020 budget.

Car show – Brian Valparaiso talked about the current registrations for the car show which is at 29. He reviewed the car shows that he and Monica attended the previous weekend in order to hand out flyers, and thanked others for doing the same. He discussed the timeline of what remains to be done, and it was agreed to have a car show meeting on Thursday September 19<sup>th</sup>. Brian and Monica will be unavailable for the previously announced meeting on September 26<sup>th</sup>. To Do's will be gone over in more detail at the car show meeting.

Debbie Ruby – needs all articles and pictures for the newsletter by September 24<sup>th</sup>. She also wanted to let the board know of a tragedy that hit her family the previous week. A cousin of her mother's was murdered by her husband in a murder-suicide, along with their son. The daughter was able to escape.

The meeting was adjourned at 8:14 pm

Respectfully submitted,  
Monica Valparaiso, Treasurer (in Pam's absence)

## NCCC PRESIDENT's MESSAGE: September 2019

**Labor Day is almost here and that marks the unofficial start of fall.** I hope you had a great summer and took time to enjoy your Corvette and most importantly, your Corvette friends.

**August was a busy month for NCCC.** Corvettes at Carlisle took place August 22nd through 25th and NCCC hosted a hospitality tent to welcome NCCC members and to introduce NCCC to non-members. Thanks to John and Michele Cantelmo and their group of volunteers for hosting. As usual, this was a huge Corvette event and it is important that we were represented.

**We just got back from the 25th anniversary of the National Corvette Museum in Bowling Green, Kentucky.** Again, NCCC hosted a hospitality tent to introduce Corvette owners to NCCC. Thanks to Dave Heinemann and the many volunteers who made this happen. Literally thousands of Corvettes and tens of thousands of Corvette enthusiasts gathered to celebrate 25 years of the museum. NCCC is proud to be a founding member of the museum and we continue to support the museum in many ways.

**September 6th & 7th will be the NCCC Governors meeting in St. Louis, MO.** Routine business needed to run an organization takes place. Also, election of 4 national officers (Vice President - Competition, Secretary, Business Manager and Sergeant-at-Arms) will happen soon and the September meeting is when the candidates are officially announced. See your club Governor for the complete slate of candidates and help him or her make an informed vote. Your vote counts.

**September 19th through 22nd is Mid America Motorworks Funfest in Effingham, IL.** Again, NCCC will host a hospitality tent. If you happen to be there, stop in and say hello. This is another big event with lots to see and do.

**In between all these major events, I managed to attend a few social events** with my club, participate in a few autocrosses, and have had a great (and busy) summer. I hope you did too.

**That's all for now** – see you out there.

**Save the Wave!**

**Dale Samuelson  
NCCC President**

## **RMD's Message - September 9, 2019**

### **Friday, September 6 — Membership Meeting**

The important renewal dates are: the database will close on approximately 10-15-19. This is to switch over to renewal mode. At that time the members added after 9-1-19 will change status to AutoRenewPrimary/Spouse at no charge. Regular Primary members will change to \$25 and Spouses will remain at \$10, as always. The database will reopen for renewals on approximately 10-17-19.

Now that Shannon Davis has taken over the FCOA position, the FCOA membership database has been incorporated in the regular membership database. The FCOA information is private and is not accessible.

Andy Alleshouse gave a presentation on product life cycles, which applies to NCCC clubs. Generally, membership rises quickly right after a club is formed. Then the rate of growth tapers off and eventually reaches a peak. After that membership drops until the club disbands. The drop off doesn't have to happen and the club can grow if the club leadership can generate a growth in membership.

Generally, the number of clubs has decreased in recent years. The overall number of NCCC members has increased. This means that existing clubs are growing in membership numbers.

Ways to recruit new members was discussed. It was noted that NCCC had a presence at all recent big Corvette events, like Carlisle and FunFest. NCCC had a booth at those events and many people who visited the NCCC booth were not aware that NCCC existed, so we are not advertising NCCC effectively.

### **Saturday, September 7 — National Governors Meeting**

VP of Membership Amelia Workman said we currently have 18408 members. That number will drop at renewal time. Approximately 20% will not renew and about 10% will renew late.

Business Manager Jim Walton said the 2021 Convention will be hosted by East Ohio in Cleveland.

The Denver Convention had a profit of \$21,600+. That will be split between the hosting clubs and NCCC.

The 2020 Convention will be in Indianapolis on July 5 through 10.

The 2019 voting will take place during the month of October. The only contested office is for VP of Competition. The candidates are Joe Eller and Bill Docherty. The By-Law changes are available on the NCCC web site.

Let me know if you have any problems or suggestions. Thanks.

See ya,

Cliff

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

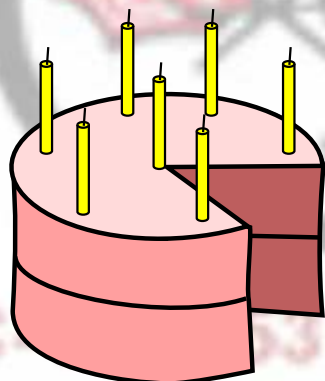

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Hi everyone! Reminding everyone that I welcome pictures and extra articles from other members as long as you send them to me at least **five (5) days before** the end of each month. I especially need pictures and copy (articles) for events I do not attend!

Thank you, Tony and Laura for pictures and a great story about their trip to Bowling Green. Thank you, Brian for writing up a Car Show Update. Thank you, Sue and Monica for taking notes at our meetings this month in Pam's absence. Thank you, Eric for pictures and for being my editor.

If there are any birthdays or anniversaries that I missed, please email me so I can correct it for the future!

Remember to send me your business cards or other ads for the **For Sale** page!

Please contact me about any comments or suggestions you may have regarding the newsletter.

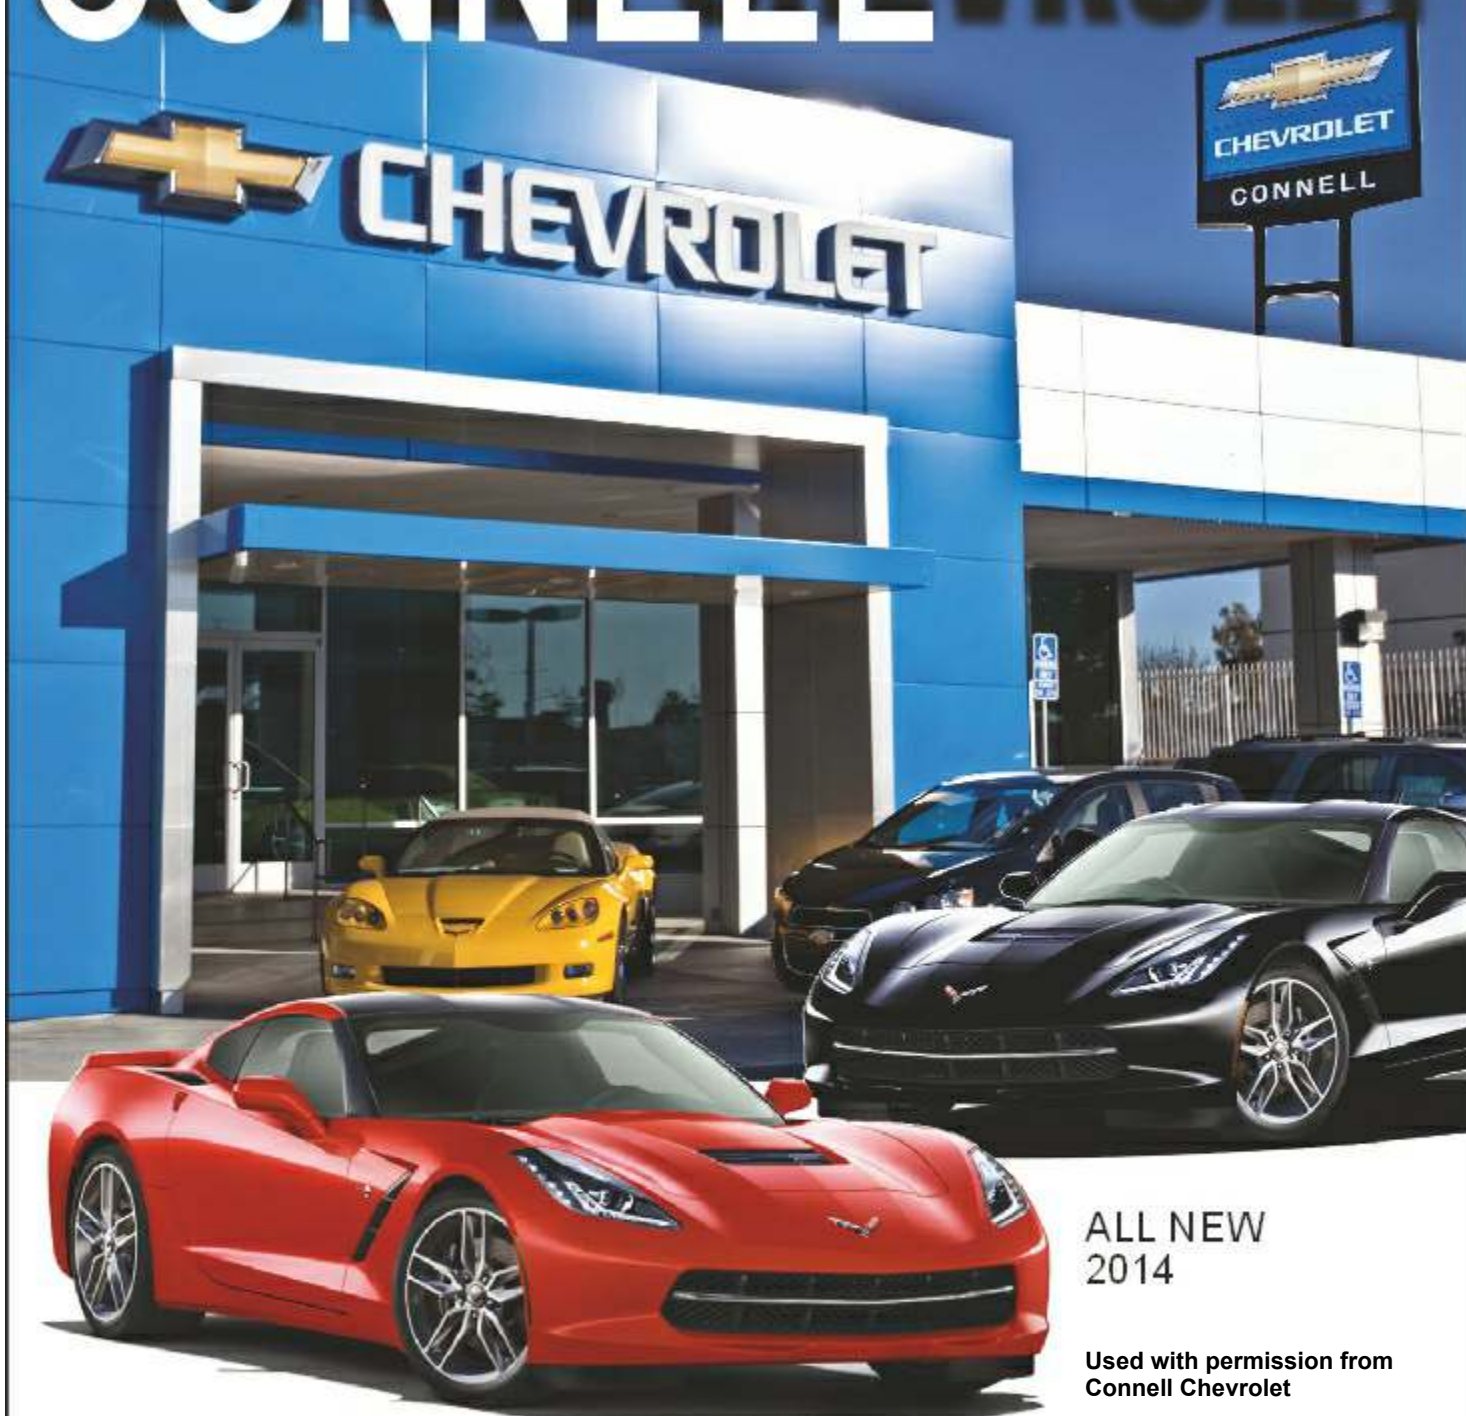

Thanks!

Debbie ☺

*H.I.S. House* provides residents with an on-site computer lab to assist with their job and housing search.

### Volunteer Opportunities

While financial contributions are critical to support a staff of nine people, provide child care, and assure regular maintenance of the shelter, we couldn't do it all without our dedicated volunteers.

**Thrift Shop:** *Charity's Closet* has a variety of volunteer opportunities available to suit your schedule. Stop by and speak with a day manager and pick up a volunteer form.

**Office Volunteers:** We do not have a full time secretary on staff, volunteers are needed to answer phones, help with filing and other administrative duties. Can you help two –four hours per week?

**Mentor Program:** This committee is designed to mentor current residents. The committee meets roughly once per month. The time commitment for mentoring is anywhere from a-half to two hours per week with a resident.

**Children's Play Hour Volunteer:** Volunteers are needed to play with the children or help with homework in the early evening so parents can attend mandatory meetings.

**Contact H.I.S. House to Volunteer**
