Happy New Year!

Who We Are

We are a car club made up of Corvette owners with a passion for a fine driving machine, with the goal to participate in and support auto-related activities, such as: car shows, auto-crossing, rallies, drag racing, caravans, cruises, parades, etc.

CSS is incorporated as a non-profit organization in the County of Orange, California.

We Support

We support (N.C.C.C.) **National Council of Corvette Clubs, National Corvette Museum**, several social, civic, and charitable organizations.

Please let us know of any events of interest to Club members.

* **SAVE your POP TOPS** from cans for the Ronald McDonald House! *

* Please bring your pop tops to our next meeting and give them to Will.

Thanks!

ANSWER TO TRIVIA QUESTION FOR NOVEMBER: What year was the only one-year body design of the Corvette? **ANSWER:** 1973. Chrome rear bumper and vinyl front bumper.

TRIVIA QUESTION FOR JANUARY: What year did 4-wheel disc brakes become standard equipment?

CORVETTE TIMELINE: January 17, 1953: The new sports car meets the public for the first time at the General Motors Motorama held at the Waldorf-Astoria Hotel in Manhattan. From 1500 names submitted, Ed Cole selected the Corvette.

President Tony

Welcome to 2020! I hope everyone had a great Holiday and a Happy New Year!!

The new year, of course, brings some new changes to the Club. The new Officers are:

Monica Valparaiso – Vice President
Theresa Cruz – Treasurer

All the other officers remain the same.

The Board Members are: Sal Cruz, Gary Maleski, George McMullen, Laura Schavone, Donna Stewart and Brian Valparaiso.

As President, I am looking forward to the New Year and some exciting events that we are already discussing.

January brings the annual 24 Hours of Daytona race. I am writing this as I'm watching the new C-8-R Corvette circle the 3 ½ mile course for 24 hours. The #4 Corvette went out early with cooling problems. The #3 car ran an almost flawless race but came up short behind the BMW and the two Porsches. The C-8-R team drivers are a diverse group. The #4 car drivers were Marcel Fassler, Tommy Milner and Oliver Gavin. The 3 Corvette drivers were Antonio Garcia, Jordan Taylor and Nicky Catsburg.

Although the results didn't make Corvette lovers happy, the lessons that were learned are important. The absence of problems is a really good sign. The fastest time in the class was by Catsburg – quicker than the other Corvettes, both Porsches, both BMW's and the Ferrari.

For your information, the No. 10 Cadillac from Wayne Taylor Racing was the overall winner of the Rolex 24 Hours of Daytona race. The engine in the Cadillac is a Corvette engine.

We have 90 members in the Club and if everyone gives 100%, we can have the Best Year ever. If you have an event or place the Club would like to attend, make sure you contact Monica and work with her to help put it together.

The VP's Column

The VP's Word By Monica

Hi everyone!

I hope you all had a great holiday season, and are back into the swing of things! We had a few events since our last meeting, and both went pretty well!

Brian Valparaiso led us on the Tour D'Orange cruise on New Year's Day; we had about 8 cars. We met up just before 7am at Coco's, so no partying the night before! For those not familiar with this event, it has been held the last 17 years, and is open to all cars. There are anywhere from 400-500 cars that go on this run. We caravanned down to the pre-set starting location, where the organizers typically have food trucks and a band playing until maps with the route are handed out around 8am. Then we cruised through the back roads of Orange County for approximately 50 miles, ending at The District in Tustin for lunch. It's quite a sight to see all those cars, and there were other groups that we encountered going on their own cruises. Thanks to Chuck Rosen for meeting us for lunch and getting us a table at Red Robin!

The annual banquet was held January 11th at the Phoenix Club. A good time was had by all, and the new officers and board were introduced. Years of membership pins were given out, as well as the Member of the Year. The food was great, and entertainment always great – thanks Tom Cuccio! Along with providing music the entire evening, we also played a music trivia game, and lotto tickets were given out to the winning table. We also had a small raffle with a few prizes, some leftover from the car show. Each person was given one free ticket to participate in the raffle.

I'm looking forward to having a good variety of events coming up this year! Some of you have already contacted me with ideas, and are putting together trips on your own. I appreciate everyone's help, and please let me know if you are interested in a specific type of event. If you don't want to plan it, I can help.

Let's have a great year – and save the wave!

Monica - VP

Board Meeting Minutes January 21, 2020

Officers present: Tony Schavone, Monica Valparaiso, Pam DeForrest

Board present: Laura Schavone, Sal Cruz, Gary Maleski, Donna Stewart, Brian Valparaiso, George McMullen

Others present: Will Grohmann, Art Huhta, Bill Wisnowsli

A quorum was declared to be present by President Tony Schavone

President Tony Schavone called the meeting to order at 7:00 pm.

Tony announced that the 24 Hours of Daytona is going to be this weekend.

Vice President Monica Valparaiso talked about the Tour De Orange on Jan. 1st and we had 8 cars entered. They had a great time. The Awards banquet went great and Brian Valparaiso got Member of the Year for his great job as Car Show Chairman. Great job! Feb. 1st is the San Juan car show. Times 7:30 to 2. Park on the grass. South West Corvettes are having 2 events that we might tag along with. First one is Feb. 1st to the car racing museum in Corona. There will be more info to come on a private collection in March. Tony is trying to get a road trip together to Edwards Air Force Base in Palmdale. It's a 2 hour drive and we get a tour.

Treasure Teresa was not present, so Monica Valparaiso gave the current club balance. Most of the activity spent on was the banquet, membership and December raffle.

Donna Stewart suggested that we get the room booked for next year's banquet. It was suggested to do it more toward the end of the month in January 2021. Maybe the 23rd. Monica said that she would call to reserve. Art Huhta is concerned that we only get about 50% of the club to go to the banquet. Laura Schavone thinks it has to do with the date being too soon in the month.

Secretary Pam DeForrest talked about getting the roster out for this month and how there have been more changes. She will address the changes at the next General meeting and re-send the roster. Pam also gave her concerns on not getting the e-mail in December from Douglas Mariani that he had changed us as a club from Yahoo to Google for e-mails. Some at the meeting had not gotten the memo either. This should be addressed at the General Meeting.

Newsletter Editor Debbie Ruby was not present.

**It was another great party,
thanks to our great DJ, Tom!**

Board Meeting Minutes (Con't)

Car show Chairman Brian Valparaiso talked about getting a new venue for our car show. Until he gets it, we have no date. Suggestions were given to him for Enderly Center, Ruby's in Whittier, Brea Mall and several others. Donna feels that we need a contract so that we do not get blind sided like last year. Maybe we could see if Chuck Rosen could help with that.

Other topics discussed were:

1. Monica Valparaiso wanted to know if our Care and Concern committee person, Marsha Gallivan could announce the birthday and anniversaries at the General Meeting instead of the Vice President? Tony will talk to her and see if she is willing to do it.

2. Richard Cheek has stepped down as Publicity Chairman. We need a new one. Donna suggested Kevin Presser. Tony will talk to him and see if he is interested.

3. Will Grohmann has stepped down as the Charity Committee person. Tony as President will have to appoint a new one. A suggestion was brought up to not have three charities as this spreads our money too thin. Sal Cruz felt that we should keep them closer in Orange County. Tony made a motion to only have Calicinto Ranch and Patriots and Paws as our charities of choice. It was seconded and passed. There was concern on the limited amount of funds generated by the car show for our charities, so a motion was made to add funds from the general budget to give each charity an equal and even amount. It was seconded and passed. Will to call Calicinto Ranch to see when they could come to our General meeting to get their check. Tony will call Patriots and Paws. John Spurr had talked to Tony about the Paws part of Patriots and Paws. There was some confusion on where Paws fit in with that charity. So, Pam said that she would talk to Penny and get it clarified. In an e-mail Pam sent out to the Board she responded with: "They are considered a Community Partner and the funds that we donate to Patriots and Paws is not shared with them. They are totally separate and the Patriot part (Penny) only refers Veterans to their service for dogs and other services they provide. Her part of the charity only focuses on the Veterans and the household goods that are collected and given to them. The money that we raise and donate to them goes for overhead and \$250.00 worth of goods given to each veteran that applies to them. They try and have enough to help at least 100 families a month and 1000 a year."

4. Tony passed out a point system sheet that has been used before in the club. It's so that members can get points for going and doing specific things with their Corvette. Donna said that the last time was a disaster and did not want to do it again! Tony just thought it would get members more involved with the club.

5. Art Huhta suggested that we might do a weekend coast trip as a club. Pam already has an itinerary that she will send to him. A suggestion was made to maybe get a Coffee and Cars, going once a month.

The meeting was adjourned at 8:10 pm.

Next month's General Meeting is Tuesday Feb. 4, 2020.

Next month's Board Meeting is Feb. 18, 2020.

Respectfully submitted,
Pam DeForrest, Secretary

NCCC PRESIDENT's MESSAGE: January 2020

Happy New Year! I can't believe 2019 is now history and we embark on another new year. Time seems to fly by at a faster pace every year. If only my skills on the autocross course would get faster every year!

As I reminisce about 2019, I think of the many autocross weekends, a few rally and car show weekends, major Corvette gatherings such as Bloomington Gold and Mid America Fun Fest, NCCC Governors meetings, NCCC Convention, and the National Corvette Museum's Bash and 25th anniversary celebrations. It was a very busy year, 2020 looks to be just as busy, and I look forward to doing it all again. I enjoy the cars and the activities, but mostly I enjoy spending time with Corvette people. You are my extended family and I am truly grateful.

As we look forward to 2020 and start to organize our calendars, don't forget to put this year's NCCC Convention in Indianapolis, IN on your schedule. The dates are July 5th through July 10th and more information can be found at: <https://www.corvettesnccc.org/2020Convention/Convention2020.php>. Registration will open February 1st.

You still have one more chance to help support the NCCC charity program benefitting St Jude Children's Research Hospital. A set of tires will be raffled off at the February NCCC Governors meeting. Details are available at: <https://www.corvettesnccc.org/Charity/FreeTiresForm.pdf> and the deadline for this drawing is Feb 10th. Please help support this worthy cause.

Have you ordered your "next generation" C8 Corvette yet? I have not, but I have at least 4 friends that have. There certainly seems to be plenty of excitement and the car seems to be generating a lot of interest from both the traditional Corvette enthusiasts as well as a new demographic of young people. The car was engineered with a possible right hand drive configuration, so we know GM is looking at the export market also. I can't wait to see one at an autocross course.

I recently attended the Board of Directors meeting of the National Corvette Museum. There are many upgrades and expansions in various stages of planning. I think you can almost feel the excitement in the air as the Museum moves forward. Are you a member and do you support the Museum? Check out their website at: <https://www.corvettemuseum.org> to find out all about what's new and how you can be a supporter.

That's all for now – see you out there.

**Save the Wave,
Dale Samuelson
NCCC President**

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

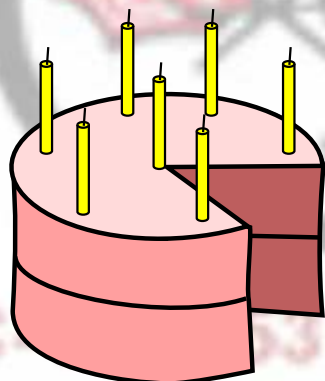

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

H.I.S. HOUSE

Homeless Intervention Shelter

Our Mission

H.I.S. House assists people experiencing homelessness to regain self-sufficiency.

Our Program

H.I.S. House provides transitional shelter to families and individuals who are homeless, but have the motivation and capability, with assistance, to regain self-sufficiency.

H.I.S. House offers a home-like environment where residents can sleep in a private room, prepare meals, do laundry, read or do homework, receive mail, make and receive phone calls, all while looking for employment.

H.I.S. House residents stay up to 4 months while they develop a source of permanent income and save money for housing.

H.I.S. House provides residents with an on-site computer lab to assist with their job and housing search.

H.I.S. House provides weekly case management meetings, assistance with counseling, employment guidance, child care, classes in finance, and other life skills.

If you are in need of housing please call on Mondays to check H.I.S. House availability

714.993.5774

- Diapers and Wipes
- New Pillows
- Pillowcases
- Towels
- Twin Sheets
- Blankets

Volunteer Opportunities

While financial contributions are critical to support a staff of nine people, provide child care, and assure regular maintenance of the shelter, we couldn't do it all without our dedicated volunteers.

Thrift Shop: *Charity's Closet* has a variety of volunteer opportunities available to suit your schedule. Stop by and speak with a day manager and pick up a volunteer form.

Office Volunteers: We do not have a full time secretary on staff, volunteers are needed to answer phones, help with filing and other administrative duties. Can you help two –four hours per week?

Mentor Program: This committee is designed to mentor current residents. The committee meets roughly once per month. The time commitment for mentoring is anywhere from a-half to two hours per week with a resident.

Children's Play Hour Volunteer: Volunteers are needed to play with the children or help with homework in the early evening so parents can attend mandatory meetings.

Contact H.I.S. House to Volunteer
714-993-5774

Well, maybe 155?
