President Tony

As President of CSS and a concerned husband, father, grandfather and more, I am adhering to the rules set up by our nation's leaders to try to prevent the further spread of the Coronavirus.

By Seniors (70+ years old) staying home and everyone keeping the 6' distancing when in public, we can help keep the spread of this disease to a minimum.

Also remember to buy only items you need for a short time. The stores are getting ahead of the short supply. They are cutting their hours of operation so as to restock the shelves.

The Senior Citizens can also take advantage of the special hours they have reserved for seniors.

This will soon be something in our rearview mirror and we will look back and be able to say "we each did our part" to defeat this disease.

In the short run, we can see for the immediate future, our social gatherings, meetings, eating out, car shows and other get togethers postponed.

In the meantime, be safe, not sorry. We are a strong club with strong and caring members.

ANSWER TO TRIVIA QUESTION FOR FEBRUARY: The C-3 Coupes featured the first use of what?

ANSWER: T-Top removable roof panels.

TRIVIA QUESTIONS: Con't on page 8.

The VP's Column

The VP's Word By Monica

Hi everyone!

These are definitely strange times we find ourselves in. What a complete change in our world since we last met March 3rd for our general meeting. I don't know about you, but that seems like a lifetime ago! Here we all are, spending the next 3 weeks at home, with the safe-at-home orders that we are all under. I have been working from home this last week, as others of you may have as well, and will continue to do so for at least the next three weeks. We'll see what happens at the end of this order; hopefully it has helped decrease the spread of this dangerous virus.

Our current situation has brought about a lot of changes. Super-Cars-By-The-Sea has been postponed, and our joint outing with Southwest Corvettes to the Tupper car collection will be rescheduled. The La Verne car show that was scheduled for April 11th has been postponed until August. The Long Beach Grand Prix with its Corvette Corral may be rescheduled, or cancelled. Plastic Fantastic, scheduled in May, has been cancelled. We are still waiting to hear if the Muckenthaler car show will continue, as they are waiting until early May to make a decision, based on our situation at that time. And as anyone that has gone on www.socalcarrculture.com can attest to, most events statewide have been cancelled.

So, what can we do in this unheard of situation we are all in? One thing we can do is to take part in a solo cruise in our corvettes. No lunch or dinner destination in mind, but still out on the open traffic-free road. Go out for a drive, on your own, with the music blaring on your radio. It will be a relief to get out of the house, and hopefully bring a smile to your face!

I don't know if you've heard, but Brian was able to pick up our new C8 on March 20th, which was a complete surprise to us both! A nice surprise in this crazy time! We need to put some miles on the car, so I know we'll be out for a ride or two this weekend.

Maybe we can all take a ride together, but stay in our cars to maintain safe social distancing. I'm thinking the next few weekends or so? Let me know what you think. I'll follow up with an email soon.

Meanwhile, stay safe everyone, and save the wave!

Monica

From the CAR SHOW Team

Hello fellow Corvette lovers and fellow CSS members! First of all, I hope everyone is well and staying healthy. These are such uncertain times and I am sure many of you are in a state of disbelief - just as I am. We are all dealing with shortages of food, toilet paper, water, medicine and other essential items we used to find with no problem. Now that we have a Worldwide Crisis, all of us are having to change our daily lives and habits in order to protect ourselves, our families, and our friends.

In order to protect one another, the CSS Board and CSS Leadership took proactive steps very early to protect all of us and suspended all meetings. The world around us has since followed suit and many are sheltering in place. Many businesses are shut down or workers are telecommuting if their businesses are operational. Many of us are retired and are staying home, while others of us are working under a new set of conditions.

Well, how does this impact our Car Show??? First, we are unable to meet. It has always been my philosophy to work as a team. I feel we are better together and more brains get the best results. Since we can't meet, we can't work as a TEAM. Secondly, the potential car show venues are no longer working and not returning our calls. Many malls are completely closed, while other non-essential businesses are also closed or operating under limited capacity. This presents a challenge to us because we are unable to secure a venue for our show.

Now, as we look at other support services that we need, we also find that they are closed. Trophy shops, the printer who makes the flyers, the vendors we need to make wrist bands, and on and on....are all closed for the time being.

For those of you who follow So Cal Car Culture, you will see that many many many events have been cancelled or postponed. One of the largest Corvette shows in California has been cancelled - Plastic Fantastic has been cancelled! In many instances, car shows are simply cancelling indefinitely. Due to the COVID-19 recommendations limiting gatherings of 10 people or more, car shows have no choice but to cancel. Despite these challenges, your CAR SHOW Team continues to seek out ways to overcome. Like many of you, the CAR SHOW knows this crisis will pass and we will move on with life. We will keep calling and trying to secure a venue. Like you, the CAR SHOW is a fighter dedicated to do its job.

The CAR SHOW planning efforts may be stalled for a time, but our collective enthusiasm and dedication for the Corvette is strong than ever. For now, please know that the CAR SHOW is still moving forward. We will keep you all advised on new developments or changes that impact our goal - good or bad. Please stay safe and healthy.

Yours in service,

Brian

As you heard, at our last meeting, I was fortunate to be given a 3 day pass for the Ron Fellows High Performance Racing School for ZR1 Owners.

For those who were not present, I would like to take this opportunity to elaborate on that experience.

The class is given at The Spring Mountain Motor Resort and Country Club, in Nevada. As you can see from the photo below, the facility is Corvette Heaven with literally hundreds of new Corvettes that are used for the various programs.

Guests are treated to a luxurious accommodation at the facility. Below is the suite that we were given.

The first day consists of about an hour of classroom instruction, followed by about 2 hours of driving in the vehicle that you are assigned to for the duration. Your guests (girlfriend, wife, etc.) are allowed to be a passenger in the instructor's car during the driving.

At noon, we were picked up by van and taken to The Club House for a delicious buffet lunch; all on Chevrolet.

On day two, we were split into 2 groups; one would continue practicing, while the other took part in an autocross event. The groups switched after another great lunch. I did not win!

The last day consisted of more practice; followed by a debrief and an elaborate ceremony where each driver was given their certificate.

Below, is a photo of drivers and professional instructors. They were all great.

This summary is just the highlights. To fully appreciate this event, you should all consider signing up for any program that you are eligible for.

General Meeting Minutes March 3, 2020

Officers present: Tony Schavone, Monica Valparaiso, Pam DeForrest, Debbie Ruby

Board Members present: Laura Schavone, Sal Cruz, Donna Stewart, George McMullen

41 Members Present

Ron DeBartolomeis led the members in the Pledge of Allegiance.

A quorum was declared to be present by Secretary Pam DeForrest.

President Tony Schavone called the meeting to order at 7:00pm.

Tony Schavone talked about us going to the Corvettes by the Beach. Wanted to know if anyone was interested in going back to Irwindale and get to drive our cars on the track again.

Donna Stewart introduced Tom Shay visiting tonight. He is looking for a touring club. Ron and Katie Kennedy are rejoining. They have a 2001 Red Coup.

Pam DeForrest made a motion to waive the reading of the minutes and it was seconded. She talked about more changes to the roster and should have a new one soon.

We do not have a Treasurer at the moment, so Monica Valparaiso filled in and gave a report on the current balance.

Vice-President Monica Valparaiso talked about the Super Cars by the Beach on March 15th. She had a sign-up sheet and flyers with info. South Coast Vettes is going to the Tupper car collection and has invited us to go with them March 21st. She talked about other events that are posted in the newsletter.

Marsha Gallivan, Care and Concern, read off the Birthdays and Anniversaries for March.

Will Grohmann had Penny Lambright from Patriots and Paws come to be presented with the donation check from the club. Penny gave us an update of what was accomplished with last year's donation and information on their Car Show on October 3rd. They also will have an Open House on May 17th.

Debbie Ruby, Newsletter Editor, has her Google Group working now.

Jan Works won the dinner raffle.

Richard Cheek talked about the All Corvette Show in Carlsbad on November 14th.

Ann Meeuwenberg talked about supporting Southern Cal Corvettes with their car show on May 3rd. It's in Midway City and has a 50 car limit. She also talked about how everybody in the club should support NCCC. She wanted to bring up that even spouses who are not signed up as a member will not be covered by insurance if they participate in car events. It would be an additional \$30.00 membership to be covered.

Joel Chesler brought memorabilia from Ron Fellows Performance Driving School that he participated in. Only for ZR1's.

Dave MacDonough reported on the Super Shoots shooting once a month. It's always the last Saturday of the month with lunch afterwards.

Goodies were provided by Sandy McMullen and Karen DeBartolomeis. Lots of yummy stuff!

Raffle money winners where: Jan Works, Doug Meeuwenberg, Sandy McMullen, Tony Schavone, Rosie Valparaiso, and Richard Cheek.

Tony reminded us that we had a sign up sheet for future goodies to be brought. We still need June and September.

Andy Ersek reminded us of the Muckenthaler show on May 17th. It's their 26th year. We will have to pay \$25.00 to be there in our Corvette Corral. Fun day!

Next Board Meeting is March 17, 2020

Next General Meeting April 7, 2020

Meeting was adjourned at 8:20pm.

Respectfully Submitted,
Pam DeForrest, Secretary

Penny Lambright from Patriots and Paws with Tony S., Will and Marsha

TRIVIA QUESTION FOR MARCH: What years were there no Corvettes painted Black?

As a bonus, and for "extra credit", and also to keep you busy, I am adding a few more Trivia Questions to be answered at our next meeting.

EXTRA TRIVIA QUESTIONS:

1. How many fins are on the aluminum valve covers on the 1956 Corvette?
2. What year did sun visors become optional?
3. What was the first year a limited slip differential was offered as an option?
4. What was the only thing new on the 1953 Corvette?
5. The first five Corvettes off the Assembly Line in 1953 did not have this?

CORVETTE TIMELINE: March 15, 1977. St. Louis builds the 500,000th Corvette; a white T-Top Coupe with red interior.

Joel presenting his poster. Tony S. Helped!

NCCC PRESIDENT's MESSAGE: March 2020

March is here and spring is surely just around the corner. I am so looking forward to the new season and all that goes with it – even mowing the lawn!

The NCCC Tire raffle will continue this year and the details are attached below or check out the link on the NCCC web site (<https://www.corvettesnccc.org/Charity/FreeTiresForm.pdf>). What a great chance to win some tires and help with a donation to St. Jude Children's Research Hospital. In 2019, the tire raffles along with gifts and donations from NCCC clubs, we were able to give almost \$25,000 to St. Jude's. Thanks to all of you that made this possible and a special thanks to Michele Cantelmo and her Charity Committee for all their hard work.

While looking in at all the various meetings taking place at last week's quarterly NCCC Governors meeting, I was reminded of all the many volunteers it takes to run this organization. From Club Governors to Regional officers to National officers and every single one a volunteer. A staggering number of hours are devoted to making this the great organization that it is. Please join me in saying thank you to everyone involved – what a great group of people you are!

There is still time to get your club or region logo included in the new video being produced for display at the National Corvette Museum. There was a typo in the address posted last month. The correct address to send your logo is: cecchinivideo@gmail.com

The 2020 NCCC Convention in Indianapolis will be here before you know it and registration is now open. Check the web site (<https://www.corvettesnccc.org/2020Convention/Convention2020.php>) for a full list of parties, tours, competitive events, and more. I'm pretty sure a week is not going to be enough time to do it all! I'll be there and hope to see you there too.

NCCC will be officially represented at four major events this year: Michelin NCM Bash @ National Corvette Museum in April, Bloomington Gold Corvette show in June, Corvettes at Carlisle in August, and Mid America's FunFest in September. If you happen to be at any of these events, stop in and say Hi, enjoy a cool drink, and maybe talk all things Corvette.

My calendar is once again jam packed with NCCC competitive events, shows, National Corvette Museum events, and more. I enjoy every event and every Corvette that I see. But mostly I enjoy getting together with the all of you.

That's all for now – see you out there.

Save the Wave,

**Dale Samuelson
NCCC President**

NCCC Update - COVID-19: March 17, 2020

Greetings all,

I hope this message finds you well and safe. We are all dealing with constantly changing situations as it relates to COVID19.

I wanted to clarify the status of upcoming NCCC activities. The NCCC Executive Board will be making decisions (and communicating those decisions with you) on any cancellations or changes to upcoming national events such as the NCCC Governors meeting in May, the NCCC Convention in July, etc. We are constantly evaluating the situation and will make decisions at a later date.

NCCC will not dictate to Regions or individual clubs what events need to be postponed or cancelled.

NCCC Regional officers should be making decisions (and communicating those decisions with you) on any cancellations or changes to upcoming regional events.

Individual clubs should be making decisions (and communicating those decisions with you) about any club events including social and sanctioned competition events.

I would STRONGLY suggest that we all follow local and federal guidelines to insure that all NCCC members are safe. Please be sure to notify all involved as soon as reasonably possible.

Thanks and stay safe – we will make it through this.

Dale Samuelson
President NCCC

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

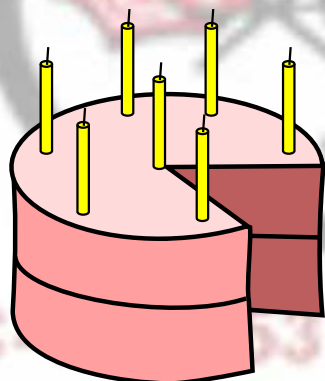

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

H.I.S. HOUSE

Homeless Intervention Shelter

Our Mission

H.I.S. House assists people experiencing homelessness to regain self-sufficiency.

Our Program

H.I.S. House provides transitional shelter to families and individuals who are homeless, but have the motivation and capability, with assistance, to regain self-sufficiency.

H.I.S. House offers a home-like environment where residents can sleep in a private room, prepare meals, do laundry, read or do homework, receive mail, make and receive phone calls, all while looking for employment.

H.I.S. House residents stay up to 4 months while they develop a source of permanent income and save money for housing.

H.I.S. House provides residents with an on-site computer lab to assist with their job and housing search.

H.I.S. House provides weekly case management meetings, assistance with counseling, employment guidance, child care, classes in finance, and other life skills.

If you are in need of housing please call on Mondays to check H.I.S. House availability

Volunteer Opportunities

While financial contributions are critical to support a staff of nine people, provide child care, and assure regular maintenance of the shelter, we couldn't do it all without our dedicated volunteers.

Thrift Shop: *Charity's Closet* has a variety of volunteer opportunities available to suit your schedule. Stop by and speak with a day manager and pick up a volunteer form.

Office Volunteers: We do not have a full time secretary on staff, volunteers are needed to answer phones, help with filing and other administrative duties. Can you help two –four hours per week?

Mentor Program: This committee is designed to mentor current residents. The committee meets roughly once per month. The time commitment for mentoring is anywhere from a-half to two hours per week with a resident.

Children's Play Hour Volunteer: Volunteers are needed to play with the children or help with homework in the early evening so parents can attend mandatory meetings.

FUTURE CORVETTE OWNERS ASSOCIATION

FOUNDED 1992

NATIONAL COUNCIL OF CORVETTE CLUBS

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2nd-generation FCOA members come thru the organization.

These are a couple of photos that have been shared; clearly showing the excitement that the kids have when they join FCOA!

FCOA members do receive a membership packet that is tailored for the different age groups. The packet includes a personalized welcome letter (see sample to the right), an FCOA patch and membership card plus a notepad, dash plaque, stickers, trading cards and various other items supplied by members and sponsors who support the FCOA program. It's not always possible however we strive to collect enough items so that all current members will also receive an annual packet of "goodies".

We maintain a list of Activities and Holiday links for the kids to have fun with. Various FCOA Merchandise can be obtained for the kids.

FCOA has its own website, www.corvettesnccc.org/fcoa1.html and email FCOADirector@corvettesnccc.org. The program is facilitated and fully supported by the NCCC FCOA Director.
