## President Tony

"See the USA in your Chevrolet, America is asking you to call. Drive your Chevrolet through the USA, America is the greatest land of all."

This was the catchy commercial tune sung by Dinah Shore in 1953 to promote the 1953 Chevrolet.

Well, that is exactly what Laura and I did!

We just arrived home from our road trip of 25 days and 5,327 miles in our Chevrolet. We took the Traverse, not the Corvette this time.

Our trip took us back to the Midwest - Illinois, Indiana, Minnesota and all the states in between.

In almost every state, signs were up everywhere for the local car shows. In the town of Astoria, Illinois (close to our farm), the car show was July 24<sup>th</sup>. There was no admission charge, but the local businesses provided the trophies. They would always draw up to 50 nice cars. I just don't know where these farmers find time to farm and have classic cars.

In Middlebury, Indiana at Das Dutchman Essenhaus & Bakery, there is a car show every Thursday afternoon. About 150 Classic cars show up. The Bakery provides the awards in the form of cakes and pies. Let me tell you, the Amish can make some really "fine" pies.

The last car show of the year was held in October at the Bakery. It brought in over 500 Classic cars from all over Indiana and Michigan. WOW!!

Car Show events are back and our Club's Show is set for October 23<sup>rd</sup>. Let's all get behind Brian and have our usual great car show.

So, in closing – Make a date to "See the USA in your Chevrolet."

TRIVIA QUESTION FOR JUNE: What years were there no Corvettes painted Black?

ANSWER: 1970-1976

TRIVIA QUESTION FOR JULY: Why was the 1978 Corvette pace car painted black and silver?

## The VP's Column

### The VP's Word By Monica

Hi everyone!

I hope everyone has been enjoying our beautiful weather this past month – at least we were able to enjoy our 4<sup>th</sup> of July a little better than we did last year!

A few of us enjoyed the car show down in San Juan Capistrano, as well as the La Habra Lions event a few weeks ago. I think everyone is just happy to be able to get out and show off their cars, and enjoy seeing friends we may not have seen for a while. It was a little warm out there, but they had plenty of food and drink (and drink and drink) to keep us happy!

There aren't any specific events coming up this month; just the standard weekly/monthly get togethers we've had. I'd like to get an event planned for a Sunday this month; take a drive somewhere and enjoy some lunch. I've got a couple of options, but if anyone has any specific place they'd like to go, please let me know! This is everyone's club so I want to make sure we have something for everyone.

Coming up in September we have the 65<sup>th</sup> anniversary picnic for Corvettes SoCal; they've been nice enough to invite us to this event. There will also be a modified "Cruisin' for a Cure" event as part of the South OC Cars & Coffee at the Outlets in San Clemente. Information for both of these events is included in the newsletter.

I'll continue bringing flyers of upcoming events to the meetings – if you're like me it's nice to have a hardcopy of the flyer as a reminder. And as always, please let me know of any upcoming events or ideas for outings that you may have.

Monica

## San Juan Capistrano July 10, 2021

This young man had come to search and study personalized license plates! First he noticed the bright red Z06 and saw a personalized plate and pointed out to his mom "look". Then carefully, he studied my plate and sounded the letters out loud, one by one and then yelled "Ketchup".... and what kid doesn't like "Kach Uhp"! And Finally, he was sure to record his new discovery for future reference and proof. And after all, who knows, he may even be a "FCO"?! – Kevin.

## Pics from Brenda

These pics were taken in Plymouth, MA, Brenda's new / old home town. She ordered the vette from Kerbeck in Atlantic City, NJ and had it shipped to her. The pics are when it came off the delivery truck - the day before her birthday. Happy birthday to Brenda!!! It's shadow grey, but looks blue in some light.

Congratulations to Brenda! We miss you!

## NCCC PRESIDENT's MESSAGE: July 2021

July already – the year seems to be racing by!

The 62nd annual NCCC Convention just wrapped up a couple weeks ago. If you weren't there you missed a great time. Dozens of tours, including Historic Cleveland, a trip to the Rock and Roll Hall of Fame, Pro Football Hall of Fame, and the Mongoose and Packard Museums. Wednesday found us enjoying a dinner cruise on the Goodtime III and Thursday a group of us enjoyed an all-day wine tour. Parties with live entertainment, two banquets, and valve cover races filled the evenings and the hospitality room and Corvette mall could be enjoyed every day. Competitive events on Monday included a judged Concourse, a people's choice car show, a rally, and a funkhana. Tuesday was the high speed time trial at the Nelson Ledges Road Course and Wednesday found competitors at Dragway 42 for the autocross. The competition wound up Thursday with matching time, bracket, and record drag races. I could probably go on and on about the fun and great times, but let me just say that, most importantly, I enjoyed seeing old friends and making some new friends.

Now it's time to mark your calendar for the 63rd annual convention – June 12th through 17th, 2022 in Atlantic City, New Jersey. I'll be there and I hope you will too. Here's the link for the latest information <https://www.corvettesnccc.org/2022Convention/Convention2022.php>.

Start your planning now!

Just a reminder – Four NCCC offices are up for election this fall. They are: Vice President of Competition, Business Manager, Secretary, and Sergeant at Arms. For details please contact your club Governor.

The next major event at the National Corvette Museum will be the 27th Anniversary Celebration, September 2nd – September 4th. You can find all the details at the Museums web site: <https://www.corvettemuseum.org>. Maybe I'll see you there.

Pretty much every club has a calendar full of car shows, drive and dine's, parades, etc., etc. With the year flying by, take time to enjoy your Corvette and your Corvette family. You won't find a better group of people.

That's all for now, stay safe, and...

**Save the Wave,  
Dale Samuelson  
NCCC President**

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

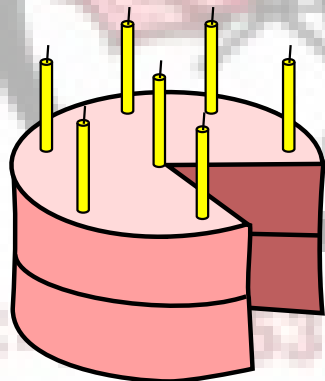

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

CSS Governor
