President Tony

Happy June to all you Corvette Lovers. It looks like we are finally going to be seeing everybody's face!!!

We had a good response to our 1st meeting in May after a year's absence. Thanks to all who came and to the 3 new members who joined the Club last month. These 3 new members are the result of them driving by on Whittier Blvd. and seeing a row of beautiful Corvettes. Remember that you are invited to join the gathering at the La Habra Bowling Alley parking lot the 3rd Saturday of every month starting at 10:00 a.m. It is a great way to socialize and eat lunch with everyone. Last month we had 17 Corvettes all lined up in a row! Thanks to all who attended.

Everything Club wise has been pushed down the road to the end of the year. However, there are some upcoming events. Participation in these events is a way to get out and socialize and "exercise" your Corvette. Please try to attend and be a representative of CSS!

Congratulations to the Corvette Team #3 for winning the GTLM Class at the "6 Hours at the Glen." Jordan Taylor and Antonio Garcia were the drivers.

TRIVIA QUESTION FOR MAY: What years were there no Corvettes painted Black?

ANSWER: 1970-1976

The VP's Column

The VP's Word By Monica

Happy Corvette Anniversary!

Thanks for the reminder Tony Schavone; maybe I'll take the C8 out when I run errands after work today.....just kidding Brian! Now that we're starting to enjoy the new normal, I hope more of you are starting to enjoy your Corvettes again! Maybe you even took them out on Mother's Day or Father's Day – I hope everyone enjoyed theirs and was able to spend time with family that you may have missed last year!

Car shows are opening up again and the calendar is starting to fill up! How many of you will be at the car show down in San Juan Capistrano on July 10th? It's a beautiful area and parking is on the grass ... always preferred. We've also got the Country Fair in Brea this weekend – July 3rd at Brea City Hall Park on Brea Blvd; 9am-3pm. No registration fee – maybe we'll see you there?

Brian and I ran into the **gruisinpch** group while driving on PCH through Newport Beach on Sunday, luckily we were driving our '65. **Qruisinpch** (Quarantine Cruise PCH) is a grass roots group that formed last year, early on during the pandemic, and have taken a short drive through Newport Beach & Huntington Beach every month – this was their 16th cruise/month in a row. If you are on Instagram, you can look them up by their name, **gruisinpch**, and see photos of previous events. I didn't realize how large this event is – they end up with about 500 cars at the final meeting point. They even have their own merchandise, and a few sponsor booths. As soon as I get the information for the July cruise, I will send out an email to everyone. They tend to go the 3rd or 4th Sunday of the month.

With Summer and beautiful weather finally upon us, let's go out and enjoy those beautiful cars! Enjoy your Fourth of July!

Treasure Teresa Cruz reported on the current club bank balance. Nothing else to report at this time.

Vice President Monica Valparaiso reported on upcoming events and had some flyers available to hand out. She also wants to put something together to meet in June. The Malibu run was fun, but a bit winding.

Tony asked if anyone was interested in having a wax day at AERO Wax. The majority wanted to do this again. Tony asked, and it was unanimous, that we get a Brick at the Corvette Museum for Rick Miller.

Art Huhta reported on the Super Shots shooting day for absent Dave MacDonough. He wants more people to come out because there is as much, if not more, socializing as there is shooting and you don't even need to shoot to have fun. They go to Flo's at Chino Airport for lunch.

Tony reminded everyone of our meet in the La Habra Bowl parking lot the 3rd Saturday of the month.

Pam DeForrest talked about Patriots and Paws having their Open House Saturday July 17th. Breakfast and or lunch can be purchased and raffle prizes also. Board Meeting Minutes June 15, 2021

Officers present: Tony Schavone, Monica Valparaiso, Teresa Cruz, Pam DeForrest

Board present: Laura Schavone, Donna Stewart, Sal Cruz, Brian Valparaiso, Gary Maleski, George McMullen

Others present: Bill Wisnowski

President Tony Schavone called the meeting to order at 7:00pm

A quorum was declared to be present by President Tony Schavone. He asked us a Trivia question that we all missed!
What was missing on the first 5, 1953 Corvettes?
Answer: outside mirrors!

Vice President Monica Valparaiso talked about the various car shows coming up. Tony went to the Muckenthaler car show meeting and they are only having a 1 day show, combining the hotrods and Concourse de Elegance. He says that they still want our Corvettes for the Corral. He will keep us informed on the details.

Treasurer Teresa Cruz reported that nothing has changed with the budget. Tony and Teresa are going to meet at the bank to get her on the club's account.

Secretary Pam DeForrest presented the applications for 3 new members and all were voted on and accepted. Pam will send Joe Orrico the information to get their NCCC memberships and numbers. Once that is done, Pam will update the roster, lists and get name badges made. Pam also asked Monica and Teresa if we can get some online methods for payment to the club.

Newsletter Editor Debbie Ruby was not present.

NCCC Rep Joe Orrico was not present.

Car Show Chairman Brian Valparaiso talked about getting the date with the Elks for October 23rd for our All Corvette Show there in Buena Park. He will start setting up a meeting and organizing it. We will have to pay \$100.00 to the bartender and everyone agreed.

Other topics discussed were:

Laura Schavone gave us information on her call with the Phoenix Club for our banquet. They are moving in January so she is looking at other dates. The Elks was suggested to see if they would let us have the banquet there. She will look into it. If we have to bring in another caterer, Donna suggested Lucille's BBQ. They have been used in the past and she and Bill Wisnowski will look into it.

George McMullen talked about the Monterey Car Show.

Monica wants to bring up door prizes at the General Meeting. What do we want to do about getting more? Go back to the old way of having people be responsible for bringing them?

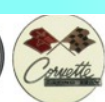

Sal Cruz looked into having an outing at miniature golf and sent the info to Laura Schavone.

The meeting was adjourned at 8:00pm

NCCC PRESIDENT's MESSAGE: June 2021

Memorial Day was yesterday and June is officially here. It certainly looks like it's going to be a much better summer 2021 than what we were looking at a year ago. While I have probably been overly cautious during this pandemic, it is certainly nice to get together with friends and family and see activities resume.

The 2021 NCCC annual convention in Cleveland, Ohio is just a couple weeks away. June 1, is the last day to register for competitive events. After today, you can still register for weekly or daily passes as well as many tours. Perhaps you've seen in the news from Ohio that as of June 2nd there will be "No" Covid-19 restrictions except at nursing homes and retirement communities. Ohio is open for business. You might also have seen that the Embassy Suites host hotel has recently completed renovations and the pictures that I have seen look great. Your convention hosts have been busy for months planning every detail of this convention including parties, tours, banquets, and competitive events. You really don't want to miss this – register today!

Just a few weeks ago, NCCC held its first in person Governors meeting in over a year. There was plenty of business to cover and it was a full weekend. Several Covid safety precautions were in place and I think everyone did their best to remain safe. It was so good to see everyone in person and I look forward to our next meeting in September. Just a reminder – there are four national offices up for election later this year. They are Vice President of Competition, Business Manager, Secretary, and Sergeant at Arms. For details on the Governors meeting or for any interest in an elected position, please contact your club Governor.

The next major event at the National Corvette Museum will be the 27th Anniversary Celebration, September 2nd – September 4th. NCCC will have a hospitality tent. Make plans to attend and stop in and say Hi. You can find all the details at the Museums web site: <https://www.corvettemuseum.org>. Of course you don't have to wait until September to visit. Plan a club drive out and spend a couple days experiencing everything Corvette.

In addition to the national events mentioned above, it is great to see local Corvette Club events happening around the country. I attended my first in person club meeting in many months, our club held a spring run, and car shows are on the calendar. I'm sure your club is doing the same.

One of the things that this pandemic has taught me is to savor those moments you spend with your friends and family. And you all are my extended family. That's all for now, stay safe, and...

Save the Wave,
Dale Samuelson
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

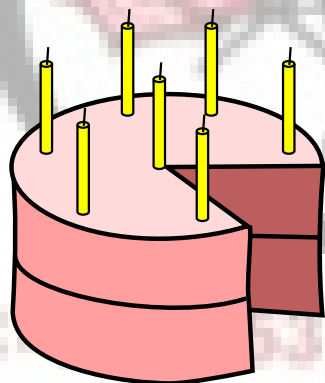

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

FUTURE CORVETTE OWNERS ASSOCIATION

FOUNDED 1992

NATIONAL COUNCIL OF CORVETTE CLUBS

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2nd-generation FCOA members come thru the organization.

FCOA has its own website, www.corvettesnccc.org/fcoa1.html and email FCOADirector@corvettesnccc.org. The program is facilitated and fully supported by the NCCC FCOA Director.
