President Tony

It has certainly been a long year, being stuck at home and worrying about all the problems. We have now maybe turned the corner and the Corvette is

finally out of the garage. Thanks to all who attended our May 4th General Meeting at the Sizzler. It was our first meeting in over a year, and it looks like by the middle of this year, we could get back to being somewhat normal.

Our Parking Lot events at the La Habra Bowling Alley have been well attended. Last month we had 17 Corvettes and over 30 Club Members. The attention we bring to the cars and people on Whittier Boulevard has resulted in several prospective new members. We will continue to meet there on the 3rd Saturday of the month from 10 a.m. to 2 p.m.

We hope to announce several upcoming events happening, in the near future.

As the owner of a 1962 Corvette for over 36 years, I would like to give you a profile of the final year of the C-1 model.

This was the 9th year of the Corvette and with over 14,000 built, General Motors was now in the "Black" for a couple of years. It was a true Sports Car of which power steering, power brakes and air conditioning were not available. Being capable of accelerating from 0-60 in less than 6 seconds, President John F. Kennedy proclaimed "America's Sports Car Day" in honor of the 1962 Corvette.

On June 30th of each year, we celebrate the birth of the Corvette. So, get your Corvette out on that day and let the world know that the CORVETTE IS KING.

Look for upcoming events on the Club Website and participate by coming out and joining in the fun.

TRIVIA QUESTION FOR MAY: What years were there no Corvettes painted Black?

As a bonus, and for "extra credit", and also to keep you busy, I am adding a few more Trivia Questions to be answered at our next meeting.

EXTRA TRIVIA QUESTIONS:

1. How many fins are on the aluminum valve covers on the 1956 Corvette?
2. What year did sun visors become optional?
3. What was the first year a limited slip differential was offered as an option?
4. What was the only thing new on the 1953 Corvette?
5. The 1st five Corvettes off the Assembly Line in 1953 did not have this?

The VP's Column

The VP's Word By Monica

Hello all!

As I'm putting together this article, I read through the previous articles I had written in 2020.... the last article came out just as we went into lockdown.....and we thought we'd only be on stay-at-home orders for 3 weeks! What an absolute life time ago that was, with so many changes in all our lives! Hard to believe we just had our first meeting – 15 months later - and will finally start going to actual car shows and events! I hope you're all able to start enjoying going out and visiting with friends and family again!

We had our first club event on May 22nd which was a cruise out to Malibu and up into the hills before meeting up for lunch at Neptune's Net. We had a total of 15 cars head out from Coco's and were able to keep together until that first pit stop in Malibu. Thanks Kevin Presser for helping regroup everyone! Everyone was able to keep on the route and meet up for the second stop. I'd say the guys had a blast driving those curvy roads with blind spots through the hills.....some of the ladies not so much! It was still a great day, clear weather, and fun times had by all! It was a great turnout!

We're working on another cruise for June, but haven't hammered down the details yet. As soon as the details are confirmed, Tony or I will email everyone. In the meantime, there is the Cruisin' Brea Father's Day car show in downtown Brea on Sunday June 20th. We may have a member or two that has entered so come on out and support them and enjoy checking out all the cars – the car show itself is sold out.

We have more car shows coming up in the next few months; please see the attached registration and information flyers. Beautiful locations and great charities should make it a blast to start going out again and socializing. I'll continue to also plan monthly club excursions for those who just want to get out there and ride!

So welcome back to our new normal – and let's start showing off those corvettes again! And remember, if you have any ideas on an outing you'd like, please let me know!

Thanks,
Monica

Board Meeting Minutes May 18, 2021

Officers present: Tony Schavone, Pam DeForrest

Board members present: Laura Schavone, Donna Stewart, Sal Cruz, George McMullen

Others present: Bill Wisnowski, Will Grohmann, Art Huhta

President Tony Schavone called the meeting to order at 7:00pm.

A quorum was not declared to be present by President Tony Schavone. He talked about people he has spoken with about becoming members.

Vice President Monica Valparaiso was not present.

Treasurer Teresa Cruz was not present.

Secretary Pam DeForrest talked about membership paperwork she has received for 2 new couples. She has invited them to our next General meeting at the Sizzler. Pam thanked Donna Stewart for taking notes at the last General meeting.

Newsletter Editor Debbie Ruby was not present.

NCCC Rep. Joe Orrico was not present.

Car Show Lead Brian Valparaiso was not present.

Other topics discussed were:

Will Grohmann reported on our charities. We donated \$2000.00 each to Calicinto Ranch and Patriots and Paws last year 2020. Another \$1000.00 was donated to Calicinto Ranch for Christmas. Patriots and Paws is having their car show again Oct. 2nd. Will wants to ask membership if they will pay for entry for the donations to Patriots and Paws even if they do not attend. Pam will bring flyers to the next General meeting. D.J. from Connell Chevrolet is planning on their donation for our car show at the Elks, if we can get that going.

Tony Schavone talked about Rick Miller's passing. He is wondering if we want to get a brick at the Corvette Museum for Rick even though he was not a current member, but was for many years until he and Lynn moved. Tony talked about having our car show at the Buena Park Elks. We need to come up with a date. Corvettes only. Limit of 100 cars.

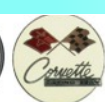

Sal Cruz talked about Corvette's of So Cal having a picnic at the American Legion in Huntington Beach.

The meeting was adjourned at 7:40pm.

Next General Meeting at Sizzler, Tuesday June 1, 2021

Next Board Meeting at Laura and Tony's, Tuesday June 15, 2021

NCCC PRESIDENT's MESSAGE: May 2021

May is here and it looks like summer is too. It was 86 degrees in northern Illinois yesterday, which is more like the temperature for mid-July than late April. Not only is the weather pretty nice, but it looks like the Covid19 numbers are going down, vaccinations are up, and many events and activities are starting to happen again. The pandemic certainly isn't over yet, so please be safe and don't get complacent.

A couple weeks ago, I went to my very first NCCC Time Trial. I've been to dozens of track days (or HPDE's) over the years and this was a sanctioned competitive event held within a HPDE. It was held at Nelson Ledges (site of the 2021 NCCC Convention High Speed event) and hosted by the East Ohio Region. What a blast with 4 15 minute sessions on the track each day. Safety was stressed throughout the weekend and there were no incidents. Congratulations to the folks from the East Ohio Region for a very nice event.

After getting home from the Time Trial, I had one day to unpack and pack again for a trip to the National Corvette Museum in Bowling Green, KY. This was the annual Michelin NCM Bash. A packed schedule included seminars, book signings, car shows, vendors to check out, and events at the Motorsports Park. It was fun to see dozens of C8 Corvettes of most every color in one place. NCCC had a hospitality tent and we enjoyed renewing friendships with old friends as well as meeting new friends. My thanks to all who helped staff the tent and donate their time to promoting NCCC.

After the Michelin NCM Bash, I headed to the Midwest Region's first autocross since 2019. I think we were all a bit rusty, but it sure was nice to get in the Corvette and have some fun. It was also good to see all of our friends that we have been missing for over a year. I'm looking forward to the next event in a couple weeks.

NCCC will host its first in person Governors meeting on April 30th and May 1st. We have been working with the hotel to do as much as possible so that this meeting can be held safely. Meeting rooms have changed to allow for bigger rooms and masks and hand sanitizer will be available. This is our first in person meeting since February 2020, so there will be a lot of business to cover.

In just a little over a month, the East Ohio Region will host the annual NCCC Convention. I hope you will consider attending. There are several tours planned, a dinner cruise, parties to attend, and several competitive events. The annual convention is always a great time and you don't want to miss this one. There is still time to register and the information can be found here: <https://www.corvettesnccc.org/2021Convention/Convention2021.php>

That's all for now, stay safe, and...

**Save the Wave,
Dale Samuelson
NCCC President**

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

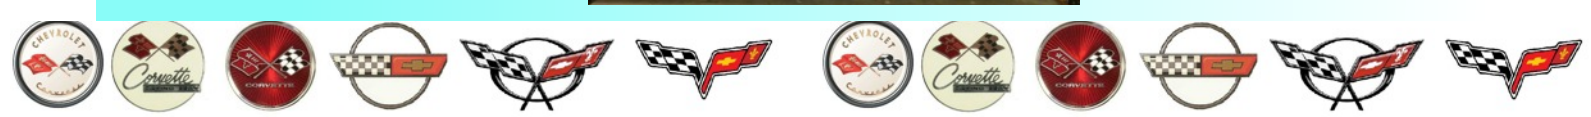

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer your club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

Volunteer Opportunities

While financial contributions are critical to support a staff of nine people, provide child care, and assure regular maintenance of the shelter, we couldn't do it all without our dedicated volunteers.

Thrift Shop: *Charity's Closet* has a variety of volunteer opportunities available to suit your schedule. Stop by and speak with a day manager and pick up a volunteer form.

Office Volunteers: We do not have a full time secretary on staff, volunteers are needed to answer phones, help with filing and other administrative duties. Can you help two –four hours per week?

Mentor Program: This committee is designed to mentor current residents. The committee meets roughly once per month. The time commitment for mentoring is anywhere from a-half to two hours per week with a resident.

Children's Play Hour Volunteer: Volunteers are needed to play with the children or help with homework in the early evening so parents can attend mandatory meetings.
