Answer to September Trivia Question: In what year did the Corvette Assembly Plant only build one (1) Torch Red Corvette? 2005

October Trivia Question: What was the only year the corvette was not produced?

## President Tony

October has been a big month for Corvette Super Sports. We have three events to report on.

The eighth annual Muckenthaler Car Show took place on October 3<sup>rd</sup>. We had our Corvette Corral with nine corvettes in attendance. The weather was nice which resulted in a good day for the show.

The Corral Corvettes are voted on by the public and the winners were:

- 3<sup>rd</sup> Place: Gary Maleski and Phil & Sherry Anderson tied
- 2<sup>nd</sup> Place: Brian & Monica Valpariso
- 1<sup>st</sup> Place: Bill DeForrest

On the main field of the Concourse, two of our club members were winners:

- \* Richard Cheek won 2<sup>nd</sup> place for his immaculate 1965 corvette in the Sports Car Class.
- \* Pam DeForrest won "Best Closed Car" for her 1967 Mercury Cougar XR7.

**CONGRATS TO ALL THE WINNERS!!!**

Our monthly Parking Lot Event at the La Habra Bowl had 15 corvettes. This is the 13<sup>th</sup> month in a row that we've met to sit, talk and eat. This has been a fun time during the pandemic. We will continue to meet on the 3<sup>rd</sup> Saturday of the month.

The final event in October was our annual CSS Car Show at the Buena Park Elks Club. The day started out terrible with rain most of the day. However, despite the rain, the turnout was better than expected. There were 18 entries that showed up and 18 Club Corvettes. The number of entries doesn't always mean a better show. We placed the cars so that it looked like there were a lot more. I found out that the fewer number of cars meant you could talk to everyone, which resulted in a more closeness between drivers.

Overall Club winners were Dave MacDonough, Debbie Ruby, Randy Valparaiso, Bill DeForrest and the top vote getter was Richard Carias. CONGRATULATIONS TO ALL WINNERS!!!

We have certainly squeezed a lot into the month of October and more events are planned through the end of the year.

Tony  
Save the Wave!

## The VP's Column

### The VP's Word By Monica

Hi everyone,

Well, our 2021 car show is behind us, and while it wasn't as large as it has been in the past, it was still a success! There was a little weather to contend with, but it sounds like everyone dealt with it. Brian and I were dealing with our own weather event in Sacramento – we were able to enjoy the "bomb cyclone atmospheric river fire hose" rain system, and it did not disappoint! Now on to planning next year's car show which we hope will be larger and even more successful!

November promises to be a full month of events. This weekend we've got the Vettes for Veterans car show in Carlsbad. I know a few members from our club will be attending whether it's just for the day, or making it a weekend trip. The following weekend - the 13<sup>th</sup> - sees the return of our CSS miniature golf tournament – thanks Laura for organizing and putting this together! The weekend after that – the 20<sup>th</sup> – may find some club members at the Cruisin' La Verne car show which requires a new unwrapped toy.....let's see how much participation we can get to all these events! And then we finish off the month with Thanksgiving.

December brings us the Brea Holiday Car Show on the 5<sup>th</sup>. There are more ideas for outings so let's see if we can squeeze one more in before the end of the year!

I hope you all have a wonderful Thanksgiving, and hope to see you at one of these events!

Monica

## General Meeting Minutes October 5, 2021

Officers present: Tony Schavone, Monica Valparaiso, Teresa Cruz, Debbie Ruby

Board Members present: Laura Schavone, Sal Cruz, Donna Stewart, Gary Maleski

42 Members Present

Tony Schavone led the members in the Pledge of Allegiance.

A quorum was declared to be present by President, Tony Schavone.

President, Tony Schavone, called the meeting to order at 7:00pm.

Tony started the meeting sharing the winners at the Muckenthaler car show this past weekend.

Andy Ersek thanked everyone for coming to the Muckenthaler.

Tony showed off some of the prizes for our raffle.

Donna Stewart presented our newest member, Eddie Flores with the club notebook. There was one guest who came, but had to leave early, Leon Winderrall. Donna encouraged all of the women to make sure to get their mammograms this month.

Secretary, Pam DeForrest, was not present. Debbie Ruby took notes for the meeting.

Treasurer, Teresa Cruz, reported the club balance and collected dues at the meeting. If you do not pay dues by November there is an additional charge. She sent out an email to update the roster.

Vice President, Monica Valparaiso, reported on upcoming events and had some flyers available to hand out. She also had some B&W entries available for club members who wanted to enter their cars in our show.

Ann Meeuwenberg talked about Chips for Kids and car shows attached with this charity. There is one on December 5<sup>th</sup> in Brea.

Laura Schavone talked about an upcoming event on November 13<sup>th</sup> – Mini-Golf at Camelot. She encouraged the club to participate and sign up!

Joe Orrico, NCCC Governor, was not present, so Dave Alciatore spoke in his absence. Dave talked about new competition rules and events are small because people aren't going out to them. He expressed his dismay that the car show for Corvettes West is the same day as ours and that participation might be split between us. The regional governors meeting was at a new facility, but only six clubs were represented. The next meeting is in November.

Marsha Gallivan read the birthdays and anniversaries for the month.

Webmaster, Douglas Mariani, was absent.

Debbie Ruby, Newsletter Editor, reported that she e-mailed the club newsletter and asked that anyone who attended the Patriots and Paws car show and/or the Muckenthaler car show to please email her pictures.

Will Grohmann shared that the forest fire near his home in Montana is finally out. An interesting fact about pull tabs is that they are not worth more than the can, but are made of higher-grade aluminum. One million pull tabs is only worth \$360 dollars and 100 pull tabs will only get you .03 cents! He asked everyone to keep collecting them because they do help the Ronald McDonald House. Will also talked about our other charities, Patriots and Paws and Calicinto Ranch. Calicinto Ranch is collecting presents for the children and if we are interested in donating a \$40 gift, he will give you a name of a child and their wish list. Will plans to get the gifts to the ranch in December.

Brian Valparaiso, Car Show Chairman, was out, so Monica gave the report. There is a corvette catalogue for our car show goodie bags. A volunteer sign-up sheet and goodie bag list went around. Get a minimum of 75-100 count of your item. We still need \$25 dollar gift cards. Please bring everything to the Goodie Bag Stuffing Party on October 21<sup>st</sup> at Bill and Pam's house. The next car show meeting will be part of the board meeting on October 19<sup>th</sup>. Both the party and the meeting will be at 7pm. A C8 category was added for the car show. Tony brought more flyers to Connell Chevrolet and received our donation from DJ.

DJ, Connell Chevrolet representative, was present and spoke to the club about asking for a donation for the free coffee and doughnuts to recoup the cost.

Tony Schavone brought up that we are still meeting at La Habra Bowl the 3<sup>rd</sup> Saturday of the month. He also reminded the club about Corvette Super Shots. Dave MacDonough goes shooting with the group on the last Saturday of the month. Tony then talked about the Muckenthaler car show. Eight cars were there and almost everyone won an award!

Tony Menchaca talked about the Lion's Automobilia Foundation and Museum. It was a private car collection that was made into a public foundation and museum in Long Beach.

After the break, raffle was held and conducted by Laura Schavone and Linda Norris. Several members won more than once!

Tony Schavone asked the board members to remain after the meeting. He also asked if anyone in the club could donate their printer for car show materials. Debbie Ruby donated her printer.

Dinner raffle was won by Ed Sherlock.

Yummy goodies were provided by Sarah Cheek and Pam DeForrest.

Meeting was adjourned at 8:20pm.

Monica Valparaiso went over all the forms and said that she had to purchase a new laptop as our old one does not work. The board had to approve this as we needed a new one for the car show. It was \$800.00 plus the excel program. Discussion was held on the dash plaques being done without a printer. She will go over with Teresa on how to use the computer for the show. There was a discussion about the entry classes.

## NCCC PRESIDENT's MESSAGE: October 2021

October already – where is the year going? At least in the Midwest part of the country, this is one of the most beautiful times of year. The colors are changing and the temperatures are moderate. Seems like the perfect time to enjoy your Corvette.

I spent my Labor Day weekend at the National Corvette Museum in Bowling Green, KY for the 27<sup>th</sup> anniversary celebration. The big news of the weekend was the announcement of the museum's new president and CEO, Sharon Brawner. Sharon comes to the museum with experience in tourism, museum, and non-profit leadership and the museum is looking forward to having her on board.

NCCC just held its regularly scheduled business meeting in St Louis, Missouri. The weekend consists of two full days of committee meetings and the Governors meeting. We had a pretty full agenda with a presentation of proposed By-Law changes and a proposed two-year competition rulebook. This meeting also marks the deadline for officer nominations for next year's open positions. We are lucky to have a qualified candidate for each of the four NCCC officer positions up for election. They are: Vice President of Competition, Bill Docherty; Secretary, Ellen Schwartz; Business Manager, Allen Morris; and Sergeant-at-Arms, Butch DeWitt. For further information on any of the above, please contact your club Governor.

NCCC sponsor, Hagerty Insurance is hosting a webinar this Tuesday, October 5<sup>th</sup>. Look for details below. Take time to attend (it's free) – I think you'll enjoy.

My calendar is starting to fill for next year and one of the highlights will be the 63<sup>rd</sup> annual NCCC convention – June 12<sup>th</sup> through 17<sup>th</sup>, 2022 in Atlantic City, New Jersey. Here's the link for the latest information: **[2022 Convention information:](https://www.corvettesnccc.org/2022Convention/Convention2022.php)**  
**<https://www.corvettesnccc.org/2022Convention/Convention2022.php>**

Start your planning now!

It is so good to see club activities returning to some kind of normal. Both social and competitive events seem to be filling club calendars and attendance seems to be returning to pre-Covid levels.

As the year races by, enjoy your Corvette, your Corvette Club, and your Corvette family. That's all for now. Stay safe and...

**Save the Wave,  
Dale Samuelson  
NCCC President**

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer your club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
