President Tony

With the events at the first of the year having been slowed down, they have all been pushed to the last few months.

There were four events that the club supported, which a few of the members attended. First was the 65th Anniversary of Corvettes of So Cal. Second was our monthly gathering at the La Habra Bowl parking lot. Third was a drive-by car show for a special autistic boy. And finally, the Long Beach Grand Prix.

For sake of space, the stories are included next to or near the pictures for each event.

This year's Muckenthaler car show is next weekend, October 3. We have 12-13 cars signed up. We always have a good time at this show. We are under the trees and it is a great show in and of itself. Hot Rod and Concourse cars are the same day. Prizes for most popular corvettes and good company to talk and tell stories with make the DAY!!! I'll give out the winners next month.

The VP's Column

The VP's Word By Monica

Hi everyone,

Hard to believe we're into the fall season, and almost to the end of this different (again) year! The weather is cooling off, and days are getting shorter, but car shows are definitely in full swing. Don't forget we have our CSS car show coming up on Saturday, October 23rd at the Buena Park Elks lodge. Please participate by donating items for the goody bags, \$25 gift cards for the raffle prizes, and donating your time on the day of the show. Signups for volunteers will be at the general meeting.

An event that has come up is the **Evolution of the Corvette** at the Zimmerman Automobile Driving Museum in el Segundo. It's a quick exhibit running thru October 10th. For anyone that is interested in going, please see the information in the newsletter. Maybe a group of you retired folks can go during the week and enjoy the ice cream in their on-site ice cream parlor while checking out all the cool cars!

Also coming up is the Holiday car show in Brea on Sunday, December 5th. It's held on Birch Street, the same location as the Father's Day show. We've also been invited to participate in a holiday parade in Laguna Niguel on Saturday December 11th; details to follow. And, of course before both of these events is the Vettes for Veterans car show in Carlsbad on Saturday, November 6th. Information on all these events is included in the newsletter.

We also decided to bring back a fan favorite, the miniature golf event! More information to come up at the meeting, but mark your calendars for November 13th! I hope we can get a big turnout for this event. As always, please let us know the types of events you'd like, or please feel free to plan one yourself! I can always help out with the details.

I hope to see you at one of these, if not all of these, events. And remember, stay safe out there! ☺

Board present: Laura Schavone, Donna Stewart, Sal Cruz, Gary Maleski, George McMullen, Brian Valparaiso

Others present: Bill Wisnowski Sarah and Richard Cheek

President Tony Schavone called the meeting to order at 7:00pm

A quorum was declared to be present by President Tony Schavone. Nelson Betancourt gave Tony a box of CSS face masks that he had printed. We are going to try and sell them at the General Meeting for \$10.00 each, to give money back to Nelson. Tony also talked to a woman from the La Habra Chamber of Commerce about their parade coming up, to see if we would like to be included. More details to come.

Vice President, Monica Valparaiso, talked about the e-mail that she sent for the Laguna Niguel parade December 11th. 10am-12pm. 12 cars per club have been invited. She will get a count at the General Meeting. Monica also reported on other car shows coming up.

Secretary, Pam DeForrest, let the Board know that two new members, Luis Pasache and Eddie Flores' NCCC numbers finally came in. Badges are made and Donna Stewart will pick them up before the next meeting. Pam also brought up about the five new members and if we should have them pay dues for next year as they just joined. It was discussed and voted on and it was unanimous that they do not have to pay for this year.

Newsletter Editor Debbie Ruby needs articles and photos by the 26th or 27th.

NCCC Rep Joe Orrico was not present.

Car Show Chairman, Brian Valparaiso, held a meeting for the car show. He went over notes from the General Meeting and email that he sent out. Tony went to storage and got what bags we had. We discussed what to use and in what order to use them, as we had two that we have to use. We have 18 entries and three of those are club cars. Tony said that the trophy place needs two weeks to make them. Monica said that Cliff Owen has a ballot made up for us. We are going to have a cash opportunity drawing instead of a 50/50.

Other topics discussed were:

65th Anniversary Picnic September 11, 2021

The club was invited to Corvettes of So Cal on September 11th to celebrate their 65th Anniversary. Laura and I, along with about 25 corvettes, met them at the Block of Orange and took an hour-long scenic drive through south Orange County to Bola Chica Park in Westminster. We sat under large shade trees and ate lunch and shared stories. There were games and raffle prizes to be played and won. For dessert their club had a huge and beautiful cake to celebrate their 65 years!!! It was a fun day!

La Habra Bowl September 18, 2021

Drive by for Gavin September 19, 2021

Tony's article (Con't)

Our monthly event for the past 12 months has been the Parking Event at the La Habra Bowling Alley. This has provided our club with an outing, in the midst of the pandemic, that most people found safe and easy to attend. We're outside, social distancing and driving our corvettes. We have been averaging 13 cars and 25 club members every month. As time went by and people saw a row of fine corvettes parked along Whittier Blvd., it caught their attention. Because of this gathering, we gained five new club members. It's a fun time and we're going to continue gathering there every 3rd Saturday.

The club was invited to drive-by the home of an autistic 18-year-old boy in Orange for his birthday. Gavin especially loves corvettes! Club members Andy Ersek, Ken and Jean Pence, Chuck and Sue Rosen, Tom Horton and his dog, as well as Laura and I participated. There were probably 75 cars driving by – honking, giving presents, and doing burnouts on the street. Gavin was also happy because I gave him his first ride in a corvette!

The Long Beach Grand Prix is normally held in April each year, but was transferred to September 24-26 this year. Each year the corvette racing team sponsors a Corvette Corral at the LBGP. The only members attending were Dave MacDonough and myself. It was a fun weekend event in downtown Long Beach right on the beach. Friday's events consist of practice by the teams of the four classes of cars. The corvette drivers attend and usually sign autographs and answer questions. The corvette qualified 1st and 2nd in their group. The #3 car, driven by Antonio Garcia and Jordan Taylor, was 1st. the #4 car, driven by Tommy Milner and Nick Tandy, was 2nd.

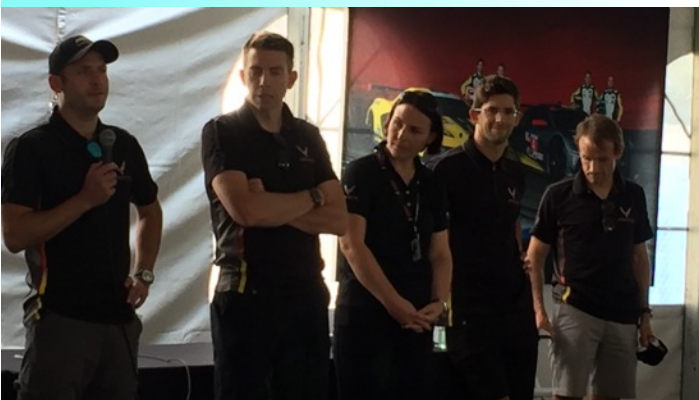

The race on Saturday gave corvette the win in the GTLM. The #4 car came in 1st and the #3 car was 2nd. That gave corvette #5 wins this year and with two races left, the corvette only has to start both races to win the championship. The corvette team has won many more championships in the past 22 years. In fact, corvette has accumulated 110 victories around the world – more than any other entrant in IMSA history: eight wins at 24 hours of LeMans and three wins at the Rolex 24 at Daytona. More on the history of corvette racing next month.

NCCC PRESIDENT's MESSAGE: September 2021

September is here and the Labor Day weekend is just a couple days away. After being locked at home for most of 2020, I can't believe how fast this year is flying by.

I'll be spending my Labor Day weekend in Bowling Green, KY attending the 27th Anniversary Celebration of the National Corvette Museum. I hope to see many of you there. If you haven't made plans yet, you can still register in person at the event or you can register online for a "virtual" show. NCCC and its members have been an integral part of the museum since its inception and the museum thanks you for your support. If you'd like to become a member or find a way to help support the museum, check out their website: <https://www.corvettemuseum.org/support/>

The following weekend the September NCCC Governors meeting is scheduled in St Louis. Despite increased Covid concerns, it looks like we will be able to host this meeting safely. Check the NCCC web site for any last minute changes. This meeting will be the deadline for anyone interested in running for any of the four national offices up for election. Those offices are: Vice President of Competition, Business Manager, Secretary, and Sergeant at Arms. If you have any interest in one of these positions, please see your club Governor.

A little further in the future is the 63rd annual NCCC convention – June 12th through 17th, 2022 in Atlantic City, New Jersey. I'll be there and I hope you will too. Here's the link for the latest information <https://www.corvettesnccc.org/2022Convention/Convention2022.php>.

Start your planning now!

It's been a busy 2021 and I've been able to attend many competitive events and also a few social events. It's been great to get back together and up to date with old friends, but also great to see new faces that I can now call friends. It's all of you that make up this extended Corvette family and make this whole thing so special.

As the year races by, enjoy your Corvette, your Corvette Club, and your Corvette family.

That's all for now. Stay safe and...

**Save the Wave,
Dale Samuelson
NCCC President**

We have 17,892 members in 235 clubs as of September 1st.

Renewal instructions will be emailed next week.

There have been 228 new NCM NCCC members as of June 1st.

2022 Convention in Atlantic City is in the works.

The 2023 Convention - No concrete plans yet. There is a rumor that it might be in Bowling Green.

The 2021 profit was about \$40K. This will be split between NCCC and the hosting clubs.

That's all for now. Let me know if I missed anything.

See ya,
Cliff

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

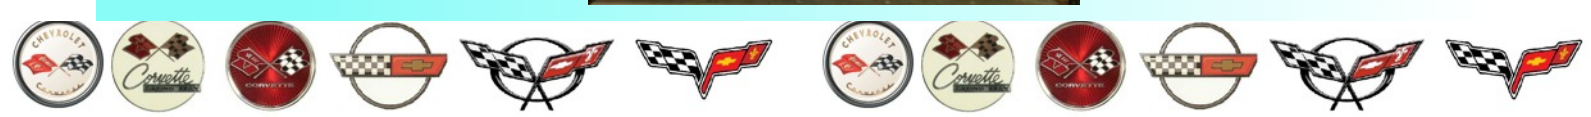

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

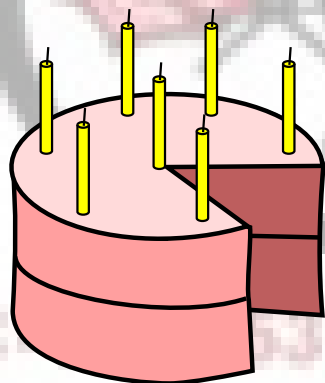

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer your club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
