The VP's Column

The VP's Word By Monica

Hi everyone! Well summer is definitely going out with a bang; I hope everyone is able to stay cool this next week or two!!

You all probably got the email about the Prescott Corvette Show (thanks Ron!) This event is being held September 22-24 in Prescott, Arizona. Check in is on Thursday with all events happening Friday and Saturday, including a Poker Run, and various drives to choose from on Friday. The car show itself is on Saturday, and they expect up to 300 cars to attend.

Another option for that weekend is the Cruisin' for a Cure show, which will be held September 24th, at the OC fairgrounds. Lots of cars and clubs at this event, along with a free screening for prostate cancer as this is a fundraiser for Prostate Cancer research.

Patriots and Paws, one of our charities, is hosting a car show on Saturday, October 1, at the Canyon RV Park. It would be great if some of us are able to attend in order to donate to this great cause. If you're not able to enter the car show, I know they would appreciate a donation of the \$35 entry fee.

For those who would like to visit our local desert, PSCC is holding a car show on Sunday, October 16th in Indian Wells. It's open to all cars, even though it is a NCCC sanctioned event. Sounds like it will be a fun event; might make for a nice weekend trip!

As always, flyers for these events and more are included in the newsletter, and I'll have some hard copies at the general meeting.

Thanks – and save the wave!
Monica

General Meeting Minutes August 2, 2022

Officers present: Tony Schavone, Monica Valparaiso, Teresa Cruz, Tom Horton, Douglas Mariani, Debbie Ruby

Board Members present: Sal Cruz, Art Huhta, George McMullen, Laura Schavone, Donna Stewart

35 members were present.

Tony Schavone led the members in the Pledge of Allegiance.

No quorum was declared by President, Tony Schavone.

President, Tony Schavone, called the meeting to order at 7:01 pm.

No minutes were read from the July meeting.

Membership Secretary, Tom Horton, reported our membership totals.

Treasurer, Teresa Cruz, gave the treasury report.

Vice President, Monica Valparaiso, reported on upcoming events and had some flyers and signup sheets available on the front table. She reminded the club about our monthly gathering at the La Habra Bowl on the third Saturday of the month. August 27 we will be going to see Glenda, the Bling Lady. Monica then discussed apparel and that we need someone to make shirts and jackets with our logo. We need to find out how much a digitized file of our CSS Logo costs.

Tony pointed out that our server, Robert, has been with Sizzler for 31 years. CSS has been meeting at the Sizzler for that long!

Joe Orrico, NCCC Governor, was absent.

Care and Kindness Representative, Marsha Gallivan, read the birthdays and anniversaries for the month.

Webmaster, Douglas Mariani, said the website is up to date.

Newsletter Editor, Debbie Ruby, thanked everyone for sending her pictures. She also thanked Sandy and Laura for taking notes at the last two meetings.

Dave MacDonough talked about the Corvette Super Shots meeting on the last Saturday of the month. Everyone is welcome even if you don't shoot. New people joined in July and had a great time!

Tony and Laura will be out of town for the next four weeks and will miss the La Habra Bowling Alley and the board meeting. It was agreed upon to cancel the August board meeting.

There were several questions about the banquet this year. We need to start thinking about it now for January 2023. A location is hard to find and is expensive. It costs about \$50-\$60 a person and catering costs three times as much. The Elks Lodge was a possibility, but won't work now. Gulliver's restaurant has no charge to rent the room with less than 100 people in attendance. Art will ask about whether or not we can rent the US IOWA as a possible location. We, as a club, need to look into various locations and get back to the group with the details.

The Clean Car Award went to George and Sandy McMullen.

Dinner raffle was won by Sarah Cheek.

Meeting was adjourned at 8:07pm.

Respectfully submitted by,
Debbie Ruby
Recording Secretary

President's Article

August 2022

Hello Corvette Club. As you read this, we are in Illinois or Indiana on vacation.

This is our annual trip to see family, friends, and our farm that Laura and I own. We raise corn and soybeans, an important crop in the world today.

We left California in mid-August and spent three days on the road. The roads: I-5 North to Utah then East on I-70 through Colorado. If you haven't taken this route East on I-70 you should. Every turn is a Postcard Picture of Beauty: through Vail Pass at 12,000 feet and through the Eisenhower Mile Long Tunnel is spectacular. The mile high city of Denver marks the end of the Rocky Mountains then onto the plains of Nebraska and Iowa (flat and boring).

Illinois has its problems – the only state with 5 seasons: Winter, Spring, Summer, Fall and Road Construction. LOL

We then go to Indiana to visit the Amish families we have known for over 30 years. It is a step back in time – no electricity or cars. The horse and buggy are their main mode of transportation. The Mom & Dad came here on a plane years ago to visit us. We toured them around. So, one of their sons and friends (a group of 7) came by train last January to visit us. They rented a 17-passenger vehicle and stayed at the Days Inn in La Habra. We took them everywhere. It was great. Marvelous People, Wonderful Food and Great Popcorn.

We are going to meet with former CSS members, Jeff and Peggy Henninger, who live near Indianapolis, Indiana. Jeff works for the Indy Speedway and has invited us to tour the facility. I will send pictures.

People ask us, "why don't you just fly back East, it only takes 5 hours." Our answer is: this Country, from Sea to Shining Sea, is beautiful and driving through it makes it all worthwhile.

Lions Automobilia Museum Event: This Club event was on August 6th. The museum is a tribute to the Lions Dragstrip that was in Long Beach and started in 1955 and ran through December 1972. The track was named after the sponsors, Lions Club International and was sanctioned by the AHRA (American Hot Rod Association).

The Lions Drag Strip Museum opened in June of 2019. A local man Rick Lorenzen grew up down the street from the Strip. He was a successful Wilmington Businessman in the trucking industry.

The Museum consists of over 100 cars representing many from the 40's, 50's and 60's. The owner is fascinated with the Willies Automobile and has many early examples of this car that was a prized race car with a blown Hemi under the hood.

The Museum consists of several buildings with car and displays depicting the era with background of the drag strip.

We had 20 Club members join this outing and everyone agreed, "we have to come back."

We then headed to the Salt & Pepper Restaurant in Fullerton for lunch. People were very pleased with the food.

A great time was had by all.

Have a wonderful Summer and enjoy some quality time with your family.

Tony

Who is D. J. Martin? by Arthur Huhta

D.J. sells cars, trucks and fire engines, which sounds like fun. He has been doing this at Connell Chevrolet since 1986. While he repeatedly mentions about retiring, Connell convinces him to stay to sell Corvettes and train a new sales force.

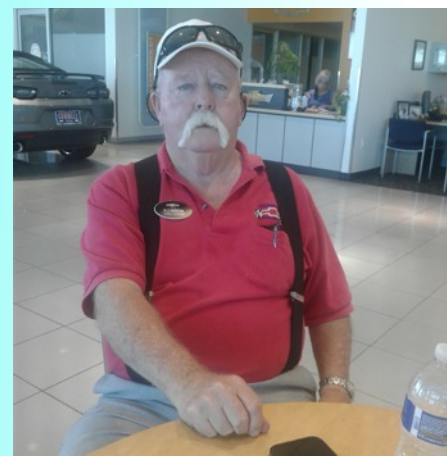

A favorite talking point is the shortage of microchips that has resulted in a shortage of new cars at dealerships. Connell is no exception. The Corvette allocation are all priced \$10,000 to \$15,000 over sticker. He claims when a dealer sells a car at MSRP, customers will swoop in and resell it on Ebay at a higher price. This results in the dealership emptying its Corvettes inventory and watch them resold on Ebay for \$10,000 to \$15,000 more. So, Connell sells Corvettes above MSRP because that is what other dealers do.

He is proud of outstanding service, and claims a strong customer loyalty. However, he cannot offer discounts on parts and service.

When not pushing cars, D.J. is in the field fishing and hunting. As a hobby, he refurbishes saddles. Without the horse, of course. He used to trade and train horses, but no longer. Feeding and boarding became too expensive.

After graduating from South Gate High School, he continued to study at Pierce College and later earned a Bio Chem Masters Degrees from USC. A Vietnam Vet, he modestly does not talk about three deployments.

The next time you visit Connell Chevrolet look for him.

NCCC PRESIDENT's MESSAGE: August 2022

August already! It seems not long ago we were wishing summer would get here and now summer seems to be flying by.

A couple big events still to come this year:

Corvettes at Carlisle will take place August 25th through 27th and is celebrating 40 years. NCCC will have a booth, so stop in and say Hi to our hard working crew. Details can be found here: <https://carlisleevents.com/events/events-detail/index?id=corvettes+at+carlisle>.

The National Corvette Museum will be celebrating its 28th anniversary September 1st through 3rd. Events include the Hall of Fame induction, an Andy Pilgrim driving experience, several seminars including GM speakers, etc. I'll be there and hope you will too. For more information check out the NCM website:

<https://www.corvettemuseum.org/explore/events>.

Plans are already underway for next year's NCCC annual convention to be held in Bowling Green, Kentucky. Mark your calendar now for June 25th through 30th as we celebrate the 70th birthday of the Corvette. We'll have tours, parties, competitive events of all types, and more. Stay tuned for updates.

Once again a shout out to some NCCC clubs celebrating major milestones. They are (in no particular order): San Jacinto Corvette Club celebrating 65 years, Chester County Corvette Club celebrating 25 years, Hampton Roads Corvette Club celebrating 50 years, Michiana Corvette Club celebrating 65 years, and Colorado Springs Corvette Club is celebrating 60 years. Congratulations to all – you are what make NCCC great.

If you'd like a shout out for your club's major milestone, please let me know – I'll be happy to include it in an upcoming blast.

The September NCCC Governors meeting is just around the corner (September 9th and 10th). In addition to regular business, we will hear from each of the candidates running for National office. This year five offices will be up for election. They are: President, Vice President of Membership, Treasurer, Parliamentarian, and Director of Public Relations. If you have an interest in any of these positions, please see your club Governor for details.

Enjoy the rest of your busy summer.

That's all for now, stay safe, and...
Save the Wave,

Dale Samuelson
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

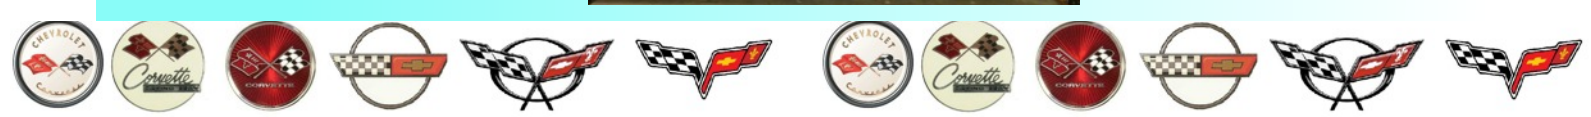

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

Joe Orrico
CSS Governor
