This Month's Trivia

Answer to January Trivia Question: What year did factory installed seat belts come on the Corvette?
1958

February Trivia Question: What was the last Corvette to run on "Leaded Gasoline"?

President Tony

Thanks to all those who read last month's Newsletter. I will continue with a little more history of the early Corvettes.

As I mentioned last month, the 1954 Corvette was essentially the same as the 1953. The only change was the numbering of the vehicle.

The big change would come in 1955. This was basically the same body as before, but there was a big change under the hood. The first seven 1955 produced Corvettes were the basic 6-cylinder model. The 265 cubic inch V-8 became the standard engine for the next 693 cars. Yes, only 700 1955 Corvettes were built in 1955 because there were 1,100 1954 Corvettes left over at the beginning of 1955.

The new V-8 engine produced 195 horsepower vs. the 6-cylinder 155 horsepower. Change to the 1955 Corvette included a 12-volt battery and at the end of the production run, about 75 cars were equipped with the 3-speed manual transmission.

In December 1953, Zora Duntov, using a 1954 Corvette with the new V-8, exceeded 156 MPH at the Mesa proving grounds.

We had a couple of events in February. The first was the run to Segerstrom Shelby Event Center in Irvine. The turnout was excellent with 17 Corvettes and 34 members making the trip. The Shelby Event Center is a 2-story museum for all Carroll Shelby vehicles. There were mainly Cobras and Mustangs. Over 80 cars are in this magnificent collection. Oh, there was one Corvette there: a coin operated ride that looks to be an original.

Thanks to all who attended the event. I believe everyone thought it was pretty amazing. It's good to see someone who devotes themselves to acquiring a lot of famous cars and displays them for the public to appreciate.

The second event is our monthly gathering at the La Habra Bowling Alley. We have been meeting on the 3rd Saturday of the month for over 18 months. We had 13 Corvettes and a '72 El Camino join us. A new possible member, Carlos, came with his red C-5 Convertible. The Club has gained at least 5 new members because they saw the gathering on Whittier Blvd. Thanks to all who attend our little assembly to talk and have lunch.

More events are coming next month and in April. So, make sure you sign up and have a Great Year.

Tony
Save the Wave!

The VP's Column

The VP's Word By Monica

Hi everyone! Ready to drive and show off your Corvette??! With things opening up again we're hoping to have a lot more events planned this year. Thanks to those members who have provided me information and flyers for upcoming events – remember, it's YOUR club! And thanks to Tony for organizing our visit to the Segerstrom Event Center to view the history of the Shelby and Mustangs; a good time was had by all!

The next event coming up is the Corvettefest as part of the Supercars by the Sea cars and coffee events. This group holds a car show once a month in Huntington Beach, near the sand, and will typically feature a car at each show. For March it's the Corvette! This is actually the event that was canceled at the start of the pandemic two years ago, so it will be nice to finally see what they have to offer! This year's event will be held on Sunday, March 20th.

For anyone interested in a car show, there is the Cool Cruise Car Show in La Verne, which will be held on Saturday, April 16th. This event is put on by Flying Deuces and will benefit the La Verne K9 Police Foundation. It is held in the downtown area of La Verne which will provide food, shopping, and entertainment. This is a fun car show; I've attended in the past.

Art Huhta is putting together an event for April, date TBD. It's a self-defense class that will be held down in Irvine. Art will have more information at our March meeting.

Gary Phlen provided a flyer for what sounds like a really great event. It's a weekend trip to Arizona to travel a 140 mile stretch of Route 66. Events are planned along the way, and they've had up to 800 cars participate in the past! Meet up in Seligman, AZ on April 29th, and the event concludes in Topock/Golden Shores on May 1st. Sounds like fun!!

Sign-up sheets and flyers for all the events are available at the monthly meetings; flyers and informational sheets are also included in our newsletter. And please, keep those flyers and information about events coming – we want to provide different options for everyone, as everyone has different interests.

Thanks – and save the wave!
Monica

Others present: Dave Dunn

Car Show Chairman, Brian Valparaiso, was not present. Tony talked with him about the Elks Club wanting us to return there for the car show. Someone donated money to help the Elks Club stay open, but we don't have to have the car show there. We need to come up with a new date that is NOT in October and a location that can be seen from the street. We NEED VOLUNTEERS! The question of whether or not to have a car show was discussed again.

Old Business:

- Lets create a Schedule of Events Calendar for the rest of the year so we can plan ahead.
- February 19, 2022 = La Habra Bowl Parking Lot
- March 1, 2022 = A photographer from Segerstrom Shelby is coming to our General Meeting.
- April 8, 9, 10, 2022 = Long Beach Grand Prix
- April 23, 2022 = Self-Defense Class in Irvine. \$25 a person for the hour. Minimum 10 people.
- Firehouse = Day event
- Aero Wax. We would like to go back, but the owners want 30 cars or more.

Issues from the Floor:

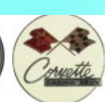

- It was suggested to highlight members in the newsletter.
- Have someone who goes to an event write an article about it for the newsletter. It would be nice to have another perspective besides the President and VP writing about events.
- Directions to Segerstrom were apparently an issue and were discussed.
- "Corvettes & Coffee" event was proposed. Meet for coffee and breakfast sometime.

The meeting was adjourned at 8:02pm.

Next General Meeting at Sizzler: Tuesday, March 1, 2022

Next Board Meeting at Laura and Tony's: Tuesday, March 15, 2022

NCCC PRESIDENT's MESSAGE: February 2022

February 1st and spring still seems a long way off! With weather reports of everything from record snow falls, record cold temperatures, and even tornadoes, I hope you are all surviving winter the best you can.

The next NCCC Governors meeting will take place on February 25th and 26th. Along with normal business, at this first meeting of the 2022 we make yearly officer appointments and confirm all committee membership. Also during the weekend, Walt Jenkins, Director of IT, will give a presentation of the online pre-registration program. This is a free program that is available to any NCCC club and will work for social as well as competitive events.

Registration for the annual NCCC Convention opens today. **Click here to register for Convention.** This year's convention is in Atlantic City, New Jersey and the area has so much to offer. The competition venues are new to most of us and your hosts have a complete menu of tours and activities planned. Mark your calendar for June 12th through the 17th and I hope to see you there.

April 28th through 30th will be the National Corvette Museums Michelin NCM Bash. NCCC will be present with a hospitality tent. This is a great event, a chance for us to talk to prospective new members, and also a chance for all of you to stop in and say Hi. The Museum has a full schedule of activities planned including seminars, book signings, road tours, and events at the Motorsports Park. For more details, check out the Museums web site at: <https://www.corvettemuseum.org>.

Occasionally I get asked: "what does NCCC do for me?" The standard answer includes the usual list such as liability insurance, annual convention, Blue Bars magazine, competition program, etc. Don't forget a couple additional items. We have an active charity program to benefit St. Jude Children's Research Hospital as well as a scholarship program. You can find details of both below.

I know my 2022 calendar is starting to fill with both social events as well as sanctioned competition events. I hope yours is too! I can't think of a better way to spend time with my extended NCCC family.

That's all for now, stay safe, and...
Save the Wave!

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

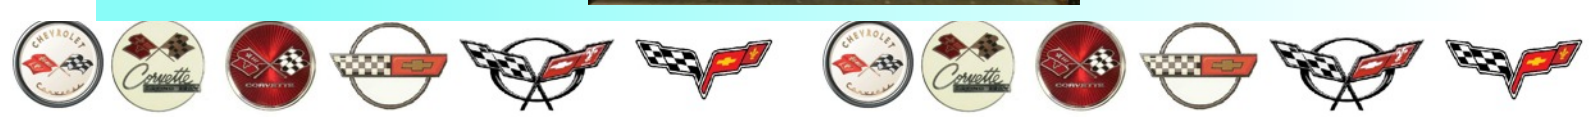

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

HOW IT ALL STARTED.....

More than **800 vehicles carrying thousands of friends** will be joining the Historic Route 66 Association of Arizona from **April 29, 30, and May 1, 2022** for a weekend of adventure! Fun Run participants from across the globe will meet in Seligman to **travel a 140 mile stretch of Route 66** with events planned in nearly every community along the way! The procession will conclude in Topock/Golden Shores with an awesome award ceremony to cap-off the weekend.

The annual Fun Run fundraiser traces it's roots to early 1987 - when 15 individuals embarked on an ambitious journey to champion the rebirth of Route 66. This collaboration lead to the formation of the Historic Route 66 Association of Arizona. Recognizing capital as a vital component of their work and the absolute importance of community, the Association got creative and the Annual Historic Route 66 Fun Run was born. That following the spring, the First Annual Historic Route 66 Fun Run attracted the 152 entrants! The governor of Arizona, Rose Mofford, cut the ceremonial ribbons, Will Rogers, Jr. participated as the first Grand Marshal, and the Delgadillo's band headlined the event - it was a blast!

Today, the experience has become a tradition. It's continued success has allowed the Association to aggressively pursue it's mission for the preservation, protection, and promotion of the Mother Road. In many ways, it embodies all that we love of Route 66 - family, community, cars, and Americana. The Association will always stay true to those things that made the first Fun Run work - creating **a relaxing, fun packed weekend of camaraderie, cars and the celebration of an American icon... Historic Route 66.**
