This Month's Trivia

Answer to November Trivia Question: What year could you buy a Corvette without an engine installed by the Factory? 1987

January Trivia Question: What year did factory installed seat belts come on the Corvette?

President Tony

As we begin a new year, I would like to take you back to the beginning – 69 years ago to January 1953. The General Motors Motorama opened on January 17, 1953. Sitting on a turntable was the 1953 Corvette.

The dictionary meaning of “Corvette” read: (1) A warship of old sailing class. Having a flush deck and usually one tier of guns. (2) A lightly armed fast ship used mostly for convoy escort and ranging in size between a Destroyer and a Gun Boat.

Myron Scott, Assistant Director of Public Relations for General Motors, is credited with naming the new fiberglass bodied sports car.

On June 30, 1953, the first production Corvette rolled off the makeshift assembly line. The really only new part of the Corvette was the fiber glass body. All the other parts were from the Chevrolet parts bin along with the items from Cadillac.

Thus started a new model from General Motors that resulted in building “America’s Only Sports Car”. Only 300 1953 Corvettes were assembled at the customer delivery garage on Van Slyke Avenue in Flint, Michigan.

Because fiberglass was a new process, each car was literally hand built. This resulted in a lot of imperfections in building.

The first two productions Corvettes were sent to Engineering for evaluation. The whereabouts of these first two cars are unknown. The oldest known Corvette is the 3rd car produced and it was originally owned by Ed Thiebaud of Creson, California.

The 1953 and 1954 Corvettes were identical cars. The only difference was the serial number plate: E53F and E54S (“F” for Flint and “S” for St. Louis).

So, I’ve given you a little background on the history of this Great American Sports Car. In the coming months, I will bring you more highlights of Corvette History.

In 2023, there will be offered a 70th Anniversary Edition of the Z06. The first production model will be auctioned off at Barrett Jackson in Scottsdale, AZ.

Happy New Year to all and may 2022 be a great year for Corvette Super Sports and the Corvette.

Tony

The VP’s Column

The VP's Word By Monica

Hi everyone and Happy New Year! It’s the start of 2022, but it sure feels like we’re at the beginning of 2021 again with this surge in the pandemic! I hope everyone is staying safe and doing everything they can to get things to whatever our new normal is going to be.

We’ve had our first board meeting of the year, and are hoping to plan real events this year that involve driving those Corvettes we all have in our garage! We discussed some ideas and will get more details once plans are made. And please remember, this is YOUR club and we need YOUR input and help to plan events!

There are a few car shows coming up in the next few months and flyers will be available at the February meeting. One of the larger events coming up is the Gambler’s Classic which is put on by Corvettes of Bakersfield and held in Laughlin. This year it will be held May 12-14th. It is a multi-day event, including a meet and greet the first night, dinner & entertainment the following night, and then the car show, poker run, and awards show the final day. There are some optional activities, including a dinner cruise, cocktail cruise, boat ride to London Bridge, or a scenic river cruise. It’s sure to be a fun event; information is in the newsletter and I’ll have registration packets at the meeting.

As some of the larger events are coming back this year, and car shows are happening earlier this year, let’s look forward to 2022 being a much better year! Again, let’s put some club events on and get out there!

And remember, if you want pictures in the newsletter, anyone can email them to Debbie at rubbypics@aol.com. With no events held last year it was tough to post pictures, but let’s turn that around this year!

Your VP - Monica

General Meeting Minutes No Meeting

Board Meeting Minutes January 18, 2022

Officers present: Tony Schavone, Monica Valparaiso, Debbie Ruby

Board present: Sal Cruz, Art Huhta, Laura Schavone, Donna Stewart

Others present: Dave Dunn, Bill Wisnowski

President Tony Schavone called the meeting to order at 7:07pm

There was no quorum declared by President Tony Schavone.

Treasurer, Teresa Cruz, was not present.

There is no Secretary at this time. Debbie Ruby took notes for the meeting.

Webmaster, Doug Mariani, was not present.

NCCC Rep., Joe Orrico, was not present.

Newsletter Editor, Debbie Ruby's deadline for photos and articles is the 28th.

Tony Schavone talked about our charities. We did not donate to our charities in 2020 because there was no car show. Since we did have a car show in 2021, we have money to donate this year.

We discussed splitting the job of Secretary in two. One person will be Secretary at the meetings to take minutes etc. We need a Secretary. Tom Horton will be in charge of Membership and updating the roster as necessary.

The cost of our mailbox and storage has increased this year.

Car Show Chairman, Brian Valparaiso, was not present. There was a question about whether or not to have a car show this year, 2022. If we decide to have one, we need to start planning now. We need to set a tentative date ASAP. It was suggested that we may want to move the car show to the springtime for 2023. There was also a question about the Elks Club and whether or not it will still be there as a possible location.

At our General Meeting, February 1, 2022, the MVM will be announced. Membership pins will be given out and we will give away money at our Raffle.

February 5, 2022 is a special event at the Segerstrom Shelby Event Center. There are 90 Shelby cars. The cost is \$15 a person, which is Tax Deductible! If we have enough cars in attendance, they will open up the parking lot for us.

February 19, 2022 is our monthly Bowling Alley Parking Lot Event in La Habra. This has been a great way to expand our membership. Come and hang out and support the local restaurants.

Issues from the Floor:

Art suggested several possible events and starting a calendar to keep track. Donna brought up an issue about events. EVERYONE has a responsibility to participate and come up with ideas for events. Dave Dunn suggested creating a form for event suggestions. He also mentioned possibly doing an event with Ferrari.

The third weekend in May will be the Muckenthaller Car Show.

Since the Treasurer was not present, we did not have all of the information we needed for the meeting. If an officer knows he/she will not be present at the meeting it is important to get the information to another Officer or Board Member to impart at the meetings. Another idea is to have that person on speaker phone during the meeting.

The meeting was adjourned at 8:04pm.

Next General Meeting at Sizzler: Tuesday, February 1, 2022

Next Board Meeting at Laura and Tony's: Tuesday, February 15, 2022

Respectfully submitted by,
Debbie Ruby

NCCC PRESIDENT's MESSAGE: January 2022

Happy New Years! I can't believe the Christmas holidays have come and gone and it's 2022 already. Here in the Midwest we have had a very mild December, but the last week has brought three separate weather systems and now we have a few inches of snow on the ground. I'm already looking forward to spring.

Just a few short weeks ago, I attended the Board of Directors meeting at the National Corvette Museum. It just happened to be a couple days after tornadoes ripped across several states, including Kentucky. Most importantly, all staff – National Corvette Museum, NCM Motorsports Park, and NCM Insurance – were reported safe. The Museum itself was largely unscathed and there was no damage to the artifacts and vehicles in the collection. Unfortunately, the Motorsports Park did sustain significant damage. While the MSP was closed temporarily, I am happy to report that the track is now welcoming guests for limited Touring Laps, Corvette Touring Laps, and Delivery Laps. The rebuilding process will be ongoing for some time to come. NCCC continues to be a supporter of the National Corvette Museum. Are you a member? Look for information here: <https://www.corvettemuseum.org/support/membership>.

The 2022 Competition database is up and running. It looks like Regions are planning a full 2022 season and I know my calendar is filling up pretty quickly. Maybe this is the year to try an autocross, car show, or rally. What a great way to meet fellow Corvette owners and enjoy your car.

Did you know that NCCC has an online pre-registration program in place for your clubs use? The price is right (it's free!) and it works for any competition or social event your club might want to host. Our Director of IT, Walt Jenkins, will give a presentation on the program at our February NCCC Governors' meeting. Stay tuned – additional details to follow.

The 2022 NCCC Convention will be here before you realize and registration opens February 1st. Mark your calendars now for June 12th through June 17th. Here's a link for the latest information: <https://www.corvettesnccc.org/2022Convention/Convention2022.php>. Over the last sixty plus years, the NCCC Convention has taken us to many different cities, but this will be the first time our convention lands in Atlantic City, New Jersey. I'm sure there will plenty to see and do for everyone. Don't miss it!

That's all for now, stay safe, and...
Save the Wave!

NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

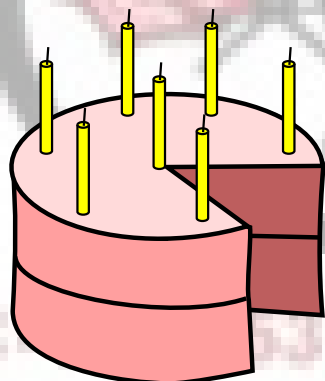

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer your club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

FUTURE CORVETTE OWNERS ASSOCIATION

FOUNDED 1992

NATIONAL COUNCIL OF CORVETTE CLUBS

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2nd-generation FCOA members come thru the organization.

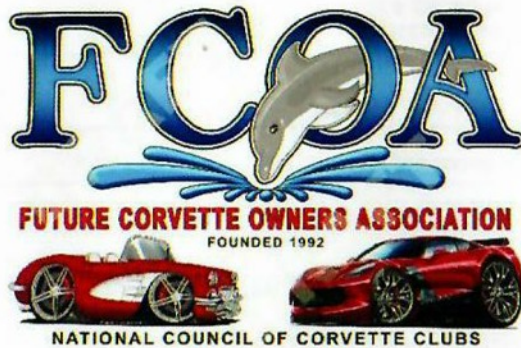

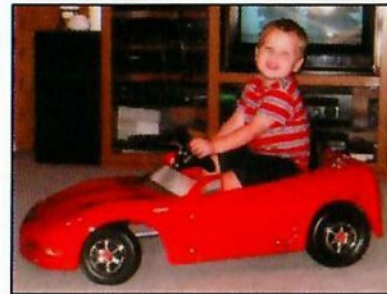

FCOA members do receive a membership packet that is tailored for the different age groups. The packet includes a personalized welcome letter (see sample to the right), an FCOA patch and membership card plus a notepad, dash plaque, stickers, trading cards and various other items supplied by members and sponsors who support the FCOA program. It's not always possible however we strive to collect enough items so that all current members will also receive an annual packet of "goodies".

We maintain a list of Activities and Holiday links for the kids to have fun with. Various FCOA Merchandise can be obtained for the kids.

These are a couple of photos that have been shared; clearly showing the excitement that the kids have when they join FCOA!

FCOA has its own website, www.corvettesnccc.org/fcoa1.html and email FCOADirector@corvettesnccc.org. The program is facilitated and fully supported by the NCCC FCOA Director.

**\$10 one-time
Membership Fee**

NCCC's youth organization

FCOA Membership is limited to family members of current NCCC members.
