This Month's Trivia

Answer to May Trivia Question: What was the last year for a "CB" radio in a Corvette?

1985. 16 were ordered

June Trivia Question: What color was not available on the 2012 Corvette?

President Tony

The President's Column often reports on items of historical reference, current club activities, or just general information about the Club.

I recently found an article from another Corvette's Club Newsletter that fills an information gap. With the price of premium gasoline for our Corvettes pushing \$6.00+, it stands to reason that we find out some tips to save \$\$.

1. If you pull into a gas station and a Tanker Truck is dumping gas, it might not be a good time to fill up. As gas is being dumped into the underground tanks, the pressure from the truck will cause the tanker to stir up debris from the bottom of the tank. As you pump gas, this debris will be picked up and go into your tank. This could cause future problems.

2. Try to fill your vehicle early in the morning when the ground temperature is still cool. The cooler the ground, the denser the gasoline!

3. When filling, do not squeeze the nozzle trigger to the "fast" mode. Pump on the low setting to minimize vapors that are created while you are pumping. The hoses have a vapor recovery system. Pumping on the fast rate creates more vapors to be sucked up from the underground tank. You are getting less gas for your money.

Our Club participated in at least 2 events this past month.

1. Father's Day, June 19th - Brea/Burch Street Car Show: Three Members entered their cars: Richard Cheek, Bob Mosey and Tony Machaca displayed their Corvettes.

2. Bowling Alley Parking Lot Event: We had 12 Club Corvettes attend. Remember we meet the 3rd Saturday of each month.

Karaoke Event!!! This was hosted by Tina and Tom Horton. Tina has a professional Karaoke business with all the equipment and 50,000 song choices. WOW!

18 members attended our party. The potluck was fantastic with lots & lots of great food and, of course, beverages. Everyone really got into singing – solo, duets and groups! We really hope to do this again. THANK YOU, Tina and Tom!!!

Save the Wave!

The VP's Column

The VP's Word By Monica

Hi everyone! I hope all the dads had a great Father's Day and everyone got their summer season started! We're definitely having summertime weather...what happened to June gloom??

While some of these go year round, summertime seems to be the time that all the weekly car meetups really get crowded. We have Ruby's on Whittier Blvd that begins in May and ends the Friday around Halloween. It's every Friday night, and is for pre-73 cars only. The first Friday of every month has a car show at the Buena Park Elks club – we should support them as they were so gracious to us at our car show last year. Every Wednesday night brings us a car show at Dukes in Placentia. All these shows have food available at a nearby restaurant, DJ playing music, raffle prizes and trophies for the winners. Flyers for each of these are included in the newsletter.

Let me know if anyone has an idea for an outing in July. We can go to the beach, mountains, cruise to the desert...we've got great, warm weather coming up, so any of these locations would be fun!

August brings back the OC Vettes Poker Run. It is being held on Saturday, Aug 13th. Meetup at the Santa Ana Elks Lodge; the entry fee includes 2 hands for poker. The fee is \$40 and goes up to \$50 on the day of. This has been a fun event in the past, with plenty of raffle prizes, and awards. Lunch can be purchased separately for \$20 and will be held at the Elks Lodge.

Cruisin for a Cure is back at its original venue, the OC Fairgrounds. This event will be held Saturday Sept 24th and is limited to the first 3,500 entrants – what?!?!? Free screening for prostate cancer is available as this is a fundraiser for Prostate Cancer research.

That's it for now – I hope some of you took a cruise on the anniversary of the first Corvette, June 30th. Tony always makes sure to remind us of that day!

Thanks – and save the wave!

Dear Corvette Super Sports;

It is individual donations such as your \$ [REDACTED] that helps us at **Patriots and Paws** complete our mission and allows us to expand our services; including making donated home good pick-ups in and around Southern California, storing and organizing these items in a local warehouse, and helping active Military/Veterans receive these donated home goods weekly at no cost to them.

We also educate the public about our company as we attend local active Military/Veteran events in our area.

A goal for which **Patriots and Paws** is striving to have is an animal shelter that rescues animals and pair them with active Military/Veterans who need a comfort companion. A longer-term goal is to add on to our animal shelter to care for animals while their owners are deployed.

Patriots and Paws is a 501 (c)(3) organization. Your contribution is tax deductible to the extent allowed by law. We advise you to keep this acknowledgement of your donation for your tax records.

No goods or services were provided in exchange for this donation.

Already this year we have served over 300 Veterans/Active Military/Reservist. We are able to provide this support because of your continuous generosity.

Thank you again. All proceeds from this donation will again ensure our clients, a majority who are low income and/or recently homeless, live with dignity and hope by receiving basic home furnishings and companionships animals at no cost. Our most recent client survey showed an average response of 4 out of 5 in believing their experience at Patriots and Paws increased their financial confidence and decreased their stress levels.

For information on upcoming events and activities, visit us at www.patriotsandpaws.org or our Facebook

Sincerely,

Penny Lambright

Ron DeBartolomeis led the members in the Pledge of Allegiance.

A quorum was declared by President, Tony Schavone.

President, Tony Schavone, called the meeting to order at 7:00pm.

Donna Stewart was absent, so Tony introduced our guest, Jerry Wheeler from OC Vettes. He talked about the August Poker Run that starts and ends at the Elks Club in Santa Ana. There will be lunch afterwards.

A motion to waive the reading of the minutes was made. There was a unanimous vote to waive the reading of the minutes.

Membership Secretary, Tom Horton, reported our club membership numbers and gave out badges to our new members.

Treasurer, Teresa Cruz, reported the club balance.

Vice President, Monica Valparaiso, reported on upcoming events and had some flyers and signup sheets available on the front table.

Laura reminded everyone about the karaoke potluck party on June 11, 2022. Meet at Tom and Tina's house at 4pm. She had a sign-up sheet for food for the party. BYOB.

Richard Cheek gave a review of the Canyon Cruise Car Show in honor of our former member, Steve Melton. There was a Steve Melton Memorial Trophy that Cathy gave to the winner.

Joe Orrico, NCCC Governor, announced that Cliff, the Regional Membership Director, died. Janet Cherry is the newly appointed Interim Regional Membership Director. Joe reported on an autocross accident in Santa Maria where the drivers were not covered by NCCC insurance. Since the drivers involved were not NCCC members, they will have to work it out with their own insurance. In addition, there was a fatality at the Western State Corvette Council and their insurance was revoked as a result!

Care and Kindness Representative, Marsha Gallivan, read the birthdays and anniversaries for the month.

Charity Representative, Will Grohmann, was absent. Marsha is hosting the container of Pop Tops and is considering creating a contest to guess the number inside.

Webmaster, Douglas Mariani, was present! He informed the club that the website is up to date. However, only three members have logged into the website this year!

Newsletter Editor, Debbie Ruby, thanked everyone who sent photos. She also updated her email list to reflect new members. Please email pictures to her at: Rubypics@aol.com. Make sure to send her pictures and anything you want for the newsletter no later than 4 days before the end of the month.

Tony S. announced that we will not be having a car show this year and that DJ is retiring at the end of this year. As of now, Connell Chevrolet will still support our club. The new Z06 Corvette will be on display at Connell Chevrolet on June 1st and 2nd. Come check it out!

Dave MacDonough encouraged everyone to come shoot with the **Corvette Super Shots** that meets on the fourth Saturday of every month. Even if you don't shoot, you can still come and eat at Flo's afterwards.

Tony reminded the club about meeting at the La Habra Bowling Alley parking lot on the third Saturday every month. He's been giving out Hot Wheels to the kids and they love it! We have gained new members since we started this event.

Debbie Ruby shared her experience at the Petersen Museum with the members who attended. It was an easy drive and a great day! Surprisingly, the museum wasn't too crowded on the Cinco De Mayo event they were having. Afterwards they went to lunch in West Hollywood.

The Clean Car Award went to Ed Sherlock.

Monica shared how Brian did in the Iron Man race. He finished under the time limit!

Eddie Flores talked about raffling off a photo shoot at his studio. One car can have 30 pictures or three cars can have 10-15 pictures each. He's giving the club a Friends and Family Discount.

Steve Dull has a C7 car cover for sale.

Think ahead towards 2024 for the 30th Anniversary of the Corvette Museum in Bowling Green, KY!

Raffle prizes were given after the break.

Dinner raffle was won by Ed Norris.

Yummy goodies were provided by Sal and Teresa Cruz.

Meeting was adjourned at 8:38pm.

Respectfully submitted by,
Debbie Ruby

Board Meeting Minutes June 21, 2022

Officers present: Tony Schavone, Teresa Cruz, Tom Horton, Debbie Ruby

Board members present: Sal Cruz, Art Huhta, Laura Schavone, Donna Stewart, Gary Maleski, George McMullen

Others present: Bill Wisnowski

President Tony Schavone called the meeting to order at 7:01pm

A quorum was declared by President Tony Schavone.

Laura shared that Ron fell several times in his home and is in the hospital.

Vice President, Monica Valparaiso, was absent.

Treasurer, Teresa Cruz, gave the budget report.

Tom Horton, Secretary/Membership, reported our current membership count. Two reinstatements, Steve and Kathy Dull, were approved.

Tom shared that he received a letter from Pic Rights, a copyright compliance company. They look for copyrighted images on the internet and then charge for the use of that image. We were billed \$250 for a picture that appeared in our February 2018 newsletter. There was discussion about what to do. We could do nothing and risk paying more later. Pay it. Or, fight it. Tom knows about a "Fair Usage Exemption" law that says if an image was used for news and for our own members, then there were no damages. Tom drafted a letter in response that asks them to come back with more information about the image in question. The board voted to send the letter. There was one descent; Art suggested we not send the letter because then they know they hooked us. The board decided that it was better to fight it than do nothing and risk having to pay more with their next correspondence.

Webmaster, Doug Mariani, was absent. Tony will tell Douglas to remove the February 2018 issue from our website.

NCCC Rep., Joe Orrico, was absent.

Newsletter Editor, Debbie Ruby's deadline for photos is June 27th and June 29th for articles. In light of our recent legal query, Art asked if we should remove the comics from page two of our newsletter. We will keep them until further notice.

Will Grohmann, Charity Representative, was absent.

Care and Kindness Representative, Marsha Gallivan, was absent. There was discussion about whether or not to send out an email blast to the club about members' health. If the family approves, then yes, the club should let the rest of the membership know. There have been several health related issues with our members recently.

It was confirmed that CSS will not have a car show this year, 2022. Since we are not having a car show, we will not be getting any money from Connell Chevrolet. If we have a car show in 2023, we will get money from Connell Chevrolet then. In lieu of a car show, each member can donate \$25 to the club that will go towards our charities. Art will be our liaison between the club and Connell Chevrolet. He will report monthly to the board. The Buena Park Elks Lodge is still running and said CSS is welcome to return for another car show or banquet anytime.

- Zoom Meetings?
 - Art asked if we could use Zoom for future meetings.
 - Several members do not have computers, or are not computer savvy enough to use this system. Also, we want to be together in person!

The meeting was adjourned at 7:51pm.

NCCC PRESIDENT's MESSAGE: June 2022

The annual NCCC convention is now just a couple of weeks away. Full week registration and events are now closed, but if you make a last minute decision to attend, you can still sign up for day passes. I'm sure this is going to be a great time and hope to see you there. Details are available here: <https://www.corvettesnccc.org/2022Convention/Convention2022.php>

I'm aware of three clubs celebrating big anniversaries this summer. Corvette Club of Iowa recently celebrated their 60 year anniversary and two Midwest Region clubs are celebrating their fifty year anniversaries: Northern Illinois Corvette Club and Northern Rays, Ltd. Congratulations to all! If you'd like a shout out for your clubs' big anniversary, send me an email.

At our recent May NCCC Governors meeting, several Bylaw and Standing rule change proposals were submitted to the Governors. All proposals were tabled in accordance with our bylaws and will be read and discussed at the September meeting. They will then be voted upon by the NCCC Governors via electronic ballot. If you'd like details, please see your clubs' NCCC Governor – he/she should have a copy.

A new exhibit just opened at The National Corvette Museum titled Hot Wheels: Race to Win and lasts through September 25, 2022. What Corvette lover didn't own a few Hot Wheels when growing up? The exhibit is a family oriented interactive display where you can design and build your own Hot Wheel. Several different tracks will allow you to test your theories. Of course, the 28th Anniversary Celebration will take place later this year (September 1 -3). Make plans to include the NCM in your summer travel plans. Don't forget to support the museum whether you can be there in person or not. Details on the various opportunities are available at: <https://www.corvettemuseum.org/support/>

I can't emphasize safety enough. Whether you are a participant in a competitive event or driving in a caravan or parade, safety is everyone's responsibility. Do your part, keep your eyes open, and if you see something that looks questionable, say something. We want to keep doing this for a long, long time.

That's all for now, stay safe, and...

Save the Wave,
Dale Samuelson
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer your club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
