This Month's Trivia

Answer to February's Trivia Question: What was the last Corvette to run on "Leaded Gasoline"?
1974

March Trivia Question: What Corvette used the same steering wheel as the Chevrolet Vega?

President Tony

This month I will again continue with more background of the evolution of the Corvette. Previously, I have highlighted the early production of the first three years of the Corvette. Now we see there was a new model in 1956.

The 1956 Corvette was changed considerably from the 1955. The body was a more pleasing shape with a sweeping side trim that would become a Corvette identification for several years. The 265 CI engine remained from 1955, but the compression ratio and horsepower were increased. A 3-speed manual transmission was offered along with roll up windows. The car was entered in the "12 Hours of Sebring Race" and did pretty well. The new Corvette, in its fourth year, was looking more like the sports car it was designed for.

I often talk about people who have been involved with the history of the Corvette. One of the early pioneers of the car was Betty Shelton. Betty Shelton was the first woman inducted into the National Corvette Museum's Hall of Fame in 2001. However, before that, she had made a name for herself as the "First Lady of Firsts". In 1965, Betty drove Art Arfon's green monster jet car at a record of 277.62 MPH. She was the "Fastest Woman on Earth".

She holds more combined aviation and automotive records than anyone in history. She could fly by the age of 12, but wasn't allowed to be licensed until 16 years old and received her commercial Pilot License rating at 18 years old. She followed later to become a flight instructor and attained multi-engine ratings. But neither the Military nor Commercial Airlines would accept female pilots.

In 1956 Betty, along with Zora Arkus-Duntov and racing driver John Fitch, drove Corvettes at Daytona Speed Week in the Corvette. She drove her Corvette 128 MPH to win 2nd place in the class.

She was the 1st woman to officially drive a land vehicle over 300 MPH, setting 9 sports car records for speed and acceleration. Betty retired to Florida in 2005, but was always seen driving her C-5 Corvette Convertible.

The VP's Column

The VP's Word By Monica

Happy Spring everyone! I hope everyone is doing well!

We've got a couple of events in April – the Cool Cruise Car Show in La Verne is coming up on Saturday April 16th. Entry for the show is \$55 and needs to be mailed in. There is also the Route 66 Fun Run which is held in Arizona during the last weekend in April. Entry for this event is \$55 (\$60 after April 15) and includes a goodie bag with a T-shirt and loads of other goodies. If anyone decides to do this event I'd love to hear how it goes. It sounds like a very cool event!

Art Huhta has put together an event in May – we'll be going to the Petersen Automotive Museum on Saturday, May 7th. Details of the event and a signup sheet will be provided at the April meeting. I know some of you have been to the museum, but there's a lot of members who have not. Should be a nice outing – thanks Art for putting this together!

Another event in May is the Gambler's Classic which is held in Laughlin. It's been a few years since this event has been held, and it sounds like it will be a very busy, event packed weekend. The event runs Thursday, May 12th – Saturday, May 14th. It's limited to 300 corvettes, so I'm not sure if registration is still available; it runs \$220 for a single and \$270 for a couple (includes the late fee).

There is an event the first weekend of June. The Steve McQueen Car & Motorcycle Show benefits the Boys Republic in Chino Hills. The event begins June 3rd, with the car show on Sunday, June 5th. Registration is \$65 and can be completed online. This show has been held since 2008. I've driven past it, but have never gone. A few members asked for information.

So, there you have it – a couple of car shows coming up in the next few months, as well as the visit to the Petersen Automotive Museum in early May. I hope to see more of you at these events.

Sign-up sheets and flyers for all of the events are available at the monthly meetings; flyers and informational sheets are also included in our newsletter. And please, keep those flyers and information about events coming – we want to provide different options for everyone, as everyone as different interests.

Thanks – and save the wave!

Officers present: Tony Schavone, Monica Valparaiso, Teresa Cruz, Tom Horton, Debbie Ruby, Joe Orrico

Board Members present: Sal Cruz, Gary Maleski, Art Huhta, George McMullen, Laura Schavone, Donna Stewart

46 members present.

Ron DeBartolomeis led the members in the Pledge of Allegiance.

A quorum was declared to be present by President, Tony Schavone.

President, Tony Schavone, called the meeting to order at 7:00pm.

DJ Martin, our club sponsor from Connell Chevrolet, brought the last printed copies of the Corvette Brochure. It will now be a collector's item.

Donna Stewart introduced our visitors. Michael Douglas is a photographer who shared beautiful pictures of cars he's taken. New members, Sean MacDonough and Sarah Dawes were not present. Former member, Paul Durazo attended. Bob and JoAnn Mosey have a '66 corvette. And, Dennis Blake is rejoining the club with his '65 corvette convertible.

A motion to waive the reading of the minutes was made. There was a unanimous vote to waive the reading of the February minutes.

Tony asked for a vote about the new secretary. Debbie Ruby will be the Recording Secretary and Tom Horton will be the official Secretary/Membership representative. A vote of affirmation was made. There was no opposition.

Treasurer, Teresa Cruz, reported the club balance.

Vice President, Monica Valparaiso, reported on upcoming events and had some flyers and registration packets available on the front table.

Richard Cheek talked about an event on June 5, 2022, The Canyon Cruise.

Art Huhta talked about the self-defense class on April 23, 2022.

Tom Cuccio discussed club shirts, jackets and other accessories we could put our logo on. He has a friend who can print and embroider for us. His friend needs a file format with our logo. George McMullen and a new member know people who can do this who live closer to us.

Joe Orrico, NCCC Governor, shared what happened at the most recent NCCC meeting. The next convention will be in Atlantic City, NJ. The 70th Anniversary of the Corvette will be in Bowling Green, KY in 2023! A Hagerty Insurance rep gave a talk at the meeting and Joe shared lots of good information about them. Check out their website at: <https://www.hagerty.com/>. Joe also discussed what NCCC insurance covers for the club. NCCC only covers members at car shows and other club events. If you are a guest, then you need to provide your own insurance at the events. Dave Alciatore is also an NCCC representative and continued after Joe with more information.

Tony let the club know about a cruise to San Diego coming up on April 10, 2022.

Care and Kindness Representative, Marsha Gallivan, read the birthdays and anniversaries for the month.

Charity Representative, Will Grohmann, had nothing to report.

Webmaster, Douglas Mariani, was absent.

Tony S. reminded everyone that Dave MacDonough hosts the **Corvette Super Shots** on the fourth Saturday of every month. Tony also reminded the club about meeting at the La Habra Bowling Alley parking lot on the third Saturday every month. This month will be on March 19, 2022. He also talked about the Segerstrom Shelby event and what's happening with the Elks club.

After the break, Laura Schavone talked about a karaoke event hosted by Tina Horton, Tom's wife. Tina said she and Tom could host a karaoke party at their house and asked if anyone was interested.

Raffle prizes were given.

Dinner raffle was won by Debbie Ruby.

Yummy goodies were provided by Karen DeBartolomeis and Sandy McMullen. A signup sheet was passed around for future meetings.

Meeting was adjourned at 8:33pm.

Board Meeting Minutes March 15, 2022

Officers present: Tony Schavone, Monica Valparaiso, Teresa Cruz, Tom Horton, Debbie Ruby

Board present: Sal Cruz, Art Huhta, George McMullen, Laura Schavone, Donna Stewart

Others present: Doug and Ann Meeuwenberg, Ron and Karen DeBartolomeis, Bill Wisnowski

President Tony Schavone called the meeting to order at 7:00pm

A quorum was declared by President Tony Schavone.

Vice President, Monica Valparaiso, provided information about upcoming events.

Treasurer, Teresa Cruz, gave the budget report. Our P.O. Box and storage costs went up this year.

Recording Secretary, Debbie Ruby, discussed the minutes as well as the newsletter being sent to Douglas for the website.

Membership, Tom Horton, informed us that we have 76 current members. Four new members were unanimously voted in, Bob and JoAnn Mosey and Dennis and Kay Blake. Make sure your information is correct on the roster. There will be a green sheet available at the next general meeting for members to make corrections as necessary.

Webmaster, Doug Mariani, was not present.

Doug Meeuwenberg reported issues about privacy on the website regarding our birthday and anniversary lists online. It is also possible for anyone to bypass the passwords and access personal information on our website, which could be very dangerous.

NCCC Rep., Joe Orrico, was not present.

Ann Meeuwenberg talked about the NCCC insurance. She reminded us that 100% of the club members have to be NCCC members in order to be insured. If a spouse comes to an event who is not a member, he/she is not covered by NCCC. Individuals are responsible for their own insurance at club events.

Newsletter Editor, Debbie Ruby's deadline for photos and articles is March 26th.

Tony Schavone talked about our charities in Will Grohmann's absence. Will suggested that the club donate to Ukraine. There was lively discussion about this. Ultimately, there was a motion NOT to donate to Ukraine. It should be up to individuals to give to Ukraine if they want. As a club we should continue working with the same local charities we currently have. A motion was made to give a donation to Patriots and Paws that will be discussed at the next general meeting.

Brian Valparaiso was not present. Tony brought up whether or not to have a car show. Doug Meeuwenberg suggested that we could raise dues and/or collect donations of \$25-\$50 from each member instead of collecting gift cards. That way we could raise the money for our charities without a car show.

Old Business:

- Club corporation papers were discussed.
- Embroidery person for club apparel is needed. George McMullen talked about who he knows.
- La Habra Bowling Alley Parking Lot gathering is the third Saturday. March 19th.
- Corvette Fest will be on March 20th.

New Business:

- Laura Schavone talked about Tina Horton hosting a Karaoke Party / Potluck possibly in June. No cost. BYOB.
- Art will organize a visit to the Petersen Automotive Museum sometime in May or June.

Issues from the Floor:

- We need to elect a new Car Show Chairman.
- Do we want to host a car show at all?
 - If yes, then we need to plan earlier in the year.
 - Several members said that a car show is a way for the club to bond with each other.
- Bill Wisnowski talked about the Elks Club.
- Communication is an issue with our club.

The meeting was adjourned at 8:11pm.

Next General Meeting at Sizzler: Tuesday, April 5, 2022

Next Board Meeting at Laura and Tony's: Tuesday, April 19, 2022

NCCC PRESIDENT's MESSAGE: March 2022

March 1st and as the saying goes: "In like a lion, out like a lamb". At least here in the Midwest, the beginning of the month is bringing very spring like temperatures and I think it's about time to get the toys out of storage.

Just a few days ago the NCCC held its first regularly scheduled Governor's meeting of the year. The usual business includes a vote of confidence for elected and appointed National and Regional officers. I'm pleased to announce the appointment of Rita Robison as our new Director of Social Media and also thank Teresa Austin for her years of service. The Governors also approved a budget for 2022 that will challenge all of us due to increasing cost of insurance, Blue Bars publication costs, and a host of other increases that every organization is facing.

We had a presentation from Cris Vanderburg of Haggerty Insurance. Haggerty has been a major sponsor of NCCC for several years and is looking to be MORE involved. Cris stated that MORE means More Activation & More NCCC Members in More Locations. They are much MORE than just an insurance company and we look forward to working together. Look for updates in the next couple of weeks.

NCCC membership cards have been mailed and you have probably received yours. A very few cards do have an error in the printing of the membership number. If your card has an error, please contact your club Governor for a replacement. Any cards with errors will be replaced at no cost to NCCC.

Registration for the annual NCCC Convention is open and the link is:

<https://www.corvettesnccc.org/2022Convention/Convention2022.php>. You still have time to register and I think this is going to be a great convention that you won't want to miss. Atlantic City and Harrah's Resort have so much to offer. I've been to most of the major Corvette events across the country and I still think the annual NCCC Convention is the best bang for the buck. Mark your calendar for June 12th through the 17th and I hope to see you there.

April 28th through 30th will be the National Corvette Museums Michelin NCM Bash. NCCC will be present with a hospitality tent. This is a great event, a chance for us to talk to prospective new members, and also a chance for all of you to stop in and say Hi. The Museum has a full schedule of activities planned including seminars, book signings, road tours, and events at the Motorsports Park. For more details, check out the Museums web site at:

<https://www.corvettemuseum.org>.

I'm so looking forward to spring, a full schedule of Corvette events, and most of all, spending time with my extended NCCC family.

That's all for now, stay safe, and...

Save the Wave,

Dale Samuelson
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer your club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

Joe Orrico
CSS Governor

HOW IT ALL STARTED.....

More than **800 vehicles carrying thousands of friends** will be joining the Historic Route 66 Association of Arizona from **April 29, 30, and May 1, 2022** for a weekend of adventure! Fun Run participants from across the globe will meet in Seligman to **travel a 140 mile stretch of Route 66** with events planned in nearly every community along the way! The procession will conclude in Topock/Golden Shores with an awesome award ceremony to cap-off the weekend.

The annual Fun Run fundraiser traces it's roots to early 1987 - when 15 individuals embarked on an ambitious journey to champion the rebirth of Route 66. This collaboration lead to the formation of the Historic Route 66 Association of Arizona. Recognizing capital as a vital component of their work and the absolute importance of community, the Association got creative and the Annual Historic Route 66 Fun Run was born. That following the spring, the First Annual Historic Route 66 Fun Run attracted the 152 entrants! The governor of Arizona, Rose Mofford, cut the ceremonial ribbons, Will Rogers, Jr. participated as the first Grand Marshal, and the Delgadillo's band headlined the event - it was a blast!

Today, the experience has become a tradition. It's continued success has allowed the Association to aggressively pursue it's mission for the preservation, protection, and promotion of the Mother Road. In many ways, it embodies all that we love of Route 66 - family, community, cars, and Americana. The Association will always stay true to those things that made the first Fun Run work - creating **a relaxing, fun packed weekend of camaraderie, cars and the celebration of an American icon... Historic Route 66.**
