This Month's Trivia

Answer to April Trivia Question: What year could you get two different types of paint on your Corvette? **1981**.
Corvettes were produced at St. Louis and Bowling Green Plants. The St. Louis Plant painted cars in Lacquer Paint. The Bowling Green Plant painted cars in Enamel with a Clear Topcoat.

May Trivia Question: What was the last year for a "CB" radio in a Corvette?

President Tony

I hope all Club members are doing well and Covid is in our rearview mirrors. June brings us to the halfway point of 2022. It seems to be going fast!

The Club has been growing with at least 7 new members in the past couple of months. Remember to talk to the new members and make them feel welcomed! Attendance at our monthly General Meetings has been a little short. Remember to put the 1st Tuesday of the month on your calendar. Also, remember the monthly Board Meeting on the 3rd Tuesday each month at Tony & Laura's home. All members are welcomed, and your input is important.

There were 2 events in May that Club members attended.

1. The Gambler's Classic in Laughlin returned after a 2-year recess. It is a 3 day, all Corvette gathering hosted by Corvettes of Bakersfield. About 135 Corvettes came from all over the West Coast, Arizona, Nevada and Utah. I was parked next to Ron from Missouri who drove 1,440 miles in his C-6 to attend the show.

One of the highlights was the trip to Oatman, Arizona (Population 43). It is known for the wild Burros, descendants of the Burros brought here by the miners in 1880. When the miners didn't need them, they just turned them loose. Each morning they come from the hills into the town looking for food and to greet the tourists. Sometimes they wander into the shops!! See the pictures of our events in this issue of the newsletter.

2. Our monthly gathering at the La Habra Bowling Alley brought 10 Corvettes. It is an exciting time to have people and families just stop to look at these wonderful Corvettes. I have been giving the kids Hot Wheels as a treat for showing up.

Our Club Sponsor, Connell Chevrolet in Costa Mesa, will have the new 2023 Z06 Super Corvette at their dealership on June 1st and 2nd. I hope some of you can make it down there and talk to D.J. Martin.

As we announced at last month's General Meeting, we will not be having a Car Show this year. It is becoming more difficult to find someone to help in planning the show. So, if you feel inclined to volunteer for the position for next year, please speak up!!

Remember June 30th is the Birthday of the Corvette. So, on that Thursday, dust off your Corvette and drive it proudly all day! Don't hesitate to tell everybody that the Corvette is 69 years old and is the only American Sport Car!!!

Thanks to all and have a wonderful summer.

Tony
Save the Wave!

The VP's Column

The VP's Word By Monica

Hi everyone! I hope all our moms had a wonderful Mother's Day and got a little spoiled. Next, it's our turn to celebrate all the dads out there, and welcome the season of summer, my favorite season!

The month of June brings us quite a few car shows, most during the first weekend. There's the Steve McQueen car show in Chino Hills, the Canyon Cruise at the Canyon RV Park in Anaheim, and the Huntington Beach Concourse at the Huntington Beach Central Park next to the library. If you're not entering your car in any of the shows, you can go view cars, as there will be lots of them and a large variety of different cars.

There is a car show on Father's Day, in downtown Brea on Birch Street. This show has been going for about 25 years, and is a pretty cool way to celebrate Father's Day. Cars are parked along Birch Street and the adjoining side streets, and all the restaurants are open. There are also vendors and plenty of spectators to mingle with. Registration is still open if you're interested, or come by and take a walk around the show.

For those wanting to get together socially, Laura has organized a Karaoke Night at one of our newer member's home – Tom and Tina Horton. This will be held on the evening of June 11th. Sign-ups will be available at the June meeting. Bring a dish and your choice of beverage (adult or not!) and come out and see your corvette friends.

Information for these events is in the newsletter, and will also be available at the general meeting.

Thanks – and save the wave!
Monica

NCCC PRESIDENT's MESSAGE: May 2022

May 1st! For me that should mean that flowers are blooming and it's time to mow the lawn. But this year Mother Nature seems to want to let us know that she is in charge and spring will be here when she is good and ready! Within the last couple of weeks we have had temperatures in the 80's one day and a covering of snow a couple days later.

The annual NCCC Convention in Atlantic City, New Jersey is just a few weeks away. I hope you're planning to be there. Your hosts have worked hard for many months to ensure that you will have plenty to do and a good time will be had by all. The Atlantic City area offers so much to see and do. Harrah's Resort will be our host hotel. The resort offers 5 hotel towers, 10 bars and lounges, 13 restaurants, pools, and of course a world class casino. The world-famous boardwalk is close and you can spend an entire day just strolling along the boardwalk. Organized day trips include Philadelphia, PA, a trip to Cape May, NJ, a trip to Tuckerton Seaport and Baymens Museum, and more. Competition events are going to be held at beautiful facilities and of course a party almost every night. And don't forget a model car competition as well as valve cover racing. There's still time to register and I hope to see you there. For additional information check out this link:

<https://www.corvettesnccc.org/2022Convention/Convention2022.php>

I'm writing this blast from the Michelin NCM Bash. I hope you had a chance to attend this year. Hundreds of Corvettes and Corvette owners had access to a full schedule of events, including tours and caravans, seminars and presentations, tours of the National Corvette Museum, and a very nice GM display of Corvettes – including the new Z06. Check out the NCM web site: <https://www.corvettemuseum.org> for more information including upcoming exhibitions, future events, and ways to support the museum by becoming a member. I'll be at the 28th Anniversary Celebration in September. I hope to see you there.

At our recent February NCCC Governors meeting, Business Manager Allen Morris gave us highlights of a magazine article regarding the annual 1979 NCCC convention in Colorado. 1700 members attended the convention out of a total membership of about 5000. That got us all wondering what it might be like to have 33 percent of our current membership of 18,000 attend a convention! I've personally attended most of the major shows and events across the country and I think the NCCC Convention is the one of the best. What would it take for you to attend an NCCC Convention? Send me your ideas, your compliments, and your complaints. Are our current conventions too long, too short, or too expensive? Would you like more tours and day trips? Different parties or more parties? Any and all ideas are welcome. I will collect all your responses and forward them to the Convention Steering committee. This is your organization and it is what you make it. My email is: president@corvettesnccc.org

Enjoy your Corvette, your Corvette Club, and of course your extended Corvette family this spring.

That's all for now, stay safe, and...

Save the Wave,
Dale Samuelson
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

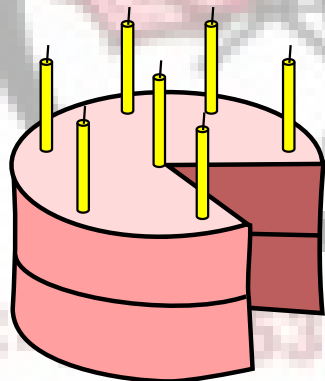

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
