### This Month's Trivia

Answer to September Trivia Question: When were Radial Tires first used on the Corvette?

1973

Trivia Question for October: What year did the high center mount stoplight first appear on the Corvette?

## President Tony

At a recent Board Meeting, the Corvette Mako Shark Concept Car was discussed. There is a little-known story behind this design that I will bring you.

The Mako Shark design was a product of Bill Mitchell and Designer Larry Schinoda. The car would show the design of the next generation of the Corvette – the C-2. The streamlining pointed snout and other detailing was partly inspired by the sleek, fast-moving shortfin Mako Shark.

The story goes that Bill Mitchell had an actual Mako Shark mounted on the wall of his office and ordered his team to paint the car to match the distinctive Blue-Gray upper blending into the white under side of the Fish.

After numerous attempts to match the Shark's color scheme failed, the team hit upon the idea of kidnapping the fish and painting it to match the car. Mitchell never realized the difference and ok'd the final paint scheme.

The Club has gotten several new and returning members this past month. Wayne and Betty Heard and Steve and Kathy Dull have rejoined the Club. Russell and Claudia Hill purchased their first Corvette (a 2023 Torch Red Coupe) and Cheryl Abellano who also has a new 2023 Corvette are new members. Please make sure you greet and talk to all of these people.

A big thank you goes out to Ann & Doug Meeuwenberg for all the work they have done putting together the Banquet.

The Club is looking strong and with elections coming in November, we can look forward to a good 2023.

Tony

## The VP's Column

### The VP's Word By Monica

Hi everyone, and welcome fall!

It's time to pull out the sweaters and warm clothes, and snuggle under the blankets during the colder nights!

We've got a couple of good events coming up in the next few months, and always have time to add an impromptu road trip! We're seeing the return of events that have had to take a break the last two years.

First is the Vettes for Veterans car show. This show is being held, November 12<sup>th</sup>, at The Shoppes at Carlsbad, it's location for the last few years. This year there is NO DAY OF SHOW REGISTRATION, so if you plan on attending, I hope you've already registered. We've always had a few cars attend this event, so I hope we can continue that this year. Net proceeds go to a few veteran organizations in north San Diego, and they always have great raffle prizes, and silent auction items.

The following weekend, November 19<sup>th</sup>, brings us the Cruisin' La Verne car show, being held in old town La Verne. This event benefits the CHP Chips for Kids; bring an unwrapped new \$10 toy. Lots of cars will be at this event, and it's a great location. The downtown area of La Verne includes lots of shops and food locations, along with the vendors and music that will be brought in for the show. Signups end 11/5.

For December, we have the Brea Holiday car show, held on Sunday December 4<sup>th</sup>. This is also benefiting the Chips for Kids program, so bring an unwrapped \$10 toy to this event as well. It's held in the downtown Brea area, on Birch Street, home to many food and unique shops. Registration for this show end 11/15.

After a few years of not having this event, 2023 will bring the return of the CSS Annual Banquet. It will be held on Saturday, January 21<sup>st</sup> at the Orange County Mining Company. Ann Meewenberg has worked hard on putting this event together – thank you Ann! Details are included in the newsletter, and will be presented at the general meeting.

As always, flyers for these events and more are included in the newsletter, and I'll have some hard copies at the general meeting.

Thanks – and see you at the meeting!  
Monica

## General Meeting Minutes October 4, 2022

Officers present: Tony Schavone, Monica Valparaiso, Tom Horton, Joe Orrico

Board Members present: Donna Stewart, Laura Schavone, George McMullen, Gary Maleski

32 Members Present

Ron DeBartolomeis led the members in the Pledge of Allegiance.

A quorum was declared to be present by President Tony Schavone.

President, Tony Schavone called the meeting to order at 7:00pm. He thanked Monica for covering for him last month. Tony let us know that Andy Ersek is doing well and doing therapy. Call him if you get a chance. Tony has asked four of the ladies of the club to be a nomination committee to get ahold of the membership on who wants to run for office. Club dues are due by November.

Monica went over all the cars shows coming up and supplied fliers. Monica gave an update on Cruisin for the Cure. There were about 3000 cars, but no Corvettes won. Donna gave an update on Patriots and Paws car show; about 150 cars participated, but no Corvettes won there either. Monica told us about the mechanical problems with their 2020 Corvette. Thank goodness it's still under warranty! Pam DeForrest brought up that Patriots and Paws is having an open house on October 15<sup>th</sup> with a pumpkin patch.

Donna Stewart had no new members to report. Donna was wearing all her Breast Cancer Pink in honor of being cancer free and for Breast Cancer month. She urged all the women to get checked regularly. Tony Menchaca brought two friends with Corvettes to the meeting, Brian Barkhoff with a 2008 Z06 and David Aragundi with a 2003 Yellow Z06. Wayne and Betty Heard are coming back into the club and were present tonight.

Pam DeForrest filled in to write notes for Debbie Ruby who could not make it tonight. Pam put forth a motion to waive the reading of the minutes for last month's meeting. It was a unanimous vote to waive the reading.

Tom Horton reported that membership dues need to be renewed by November 15<sup>th</sup>. They can be paid next month at the meeting. \$75.00 per couple and \$45.00 for single. Tom passed out a ballot for nomination of "The Most Valuable Member." He needs them back by next meeting. Tom received a new member application for a 2023 Black C8 and as we did not have a Board meeting, he wanted to get the Board to vote tonight. 8 Board members were present and it was unanimous to let him in. (Sorry I did not get the name.)

Treasurer, Teresa Cruz was not present. Tony Schavone gave the bank balance.

Joe Orrico gave us an update on the National Corvette meeting in St. Louis. They tried to get the Regional meeting in Las Vegas, but it was voted down. They are exploring this for 2024 or 2025. Dues for NCCC need to be in by November 10<sup>th</sup> or you will have to pay an additional \$10.00.

Karen DeBartolomeis asked why we never have any articles in the National Blue Bars magazine. The answer was that we really don't do anything to write about.

Marsha Gallivan was not here. Laura Schavone read the birthdays and anniversaries for the month.

Will Grohmann went over the two events at Calicentro Ranch for Thanksgiving and Christmas. Every year we are assigned 25 kids that you can sponsor and buy presents for.

Webmaster, Douglas Mariani, was not present.

Art Huhta is doing articles for our newsletter.

Tony gave out the Clean Car award to Tom Horton for his beautiful Super Sonic Blue 2012 Grand Sport.

Barbara Carias let us all know that her and Richard are going to some concerts at Pala Casino. They wanted to know if anyone wanted to join them. See her on the dates and who is playing.

Ann Meeuwenberg talked about the banquet in January. The date has been set for Jan. 21, 2023. The club will pay \$10.00 per person. This is based on 50 people. We are going to the O.C. Mining Co. They will have special parking for us. It's a buffet for \$57.00 per person, which includes tax and tip. Tina and Tom will be doing the music this time. Your money has to be turned in by December 6<sup>th</sup>.

Dave MacDonough was not at the meeting.

Tony talked about meeting at La Habra Bowl the 3<sup>rd</sup> Saturday of the month. It's still going strong and fun. 11 cars attended last month.

Russ Hill, who is going to join our club, brought up Breast Cancer month and how his wife is now cancer free with the fabulous medical care at City of Hope.

After the break, raffle was held and conducted by Tony Schavone and Linda Norris. Raffle was money only. Two \$25.00 winners.

Dinner raffle was won by Eric Ellsworth.

Yummy goodies were provided by Sarah Cheek and Pam DeForrest.

Meeting was adjourned at 8:30pm.

Respectfully submitted by,  
Pam DeForrest

## Board Meeting Minutes October 18, 2022

Officers present: Tony Schavone, Monica Valparaiso, Teresa Cruz, Tom Horton, Debbie Ruby

Board members present: Sal Cruz, Laura Schavone, Donna Stewart, Gary Maleski

Others present: Ann and Doug Meeuwenberg, Bill Wisnowski

President Tony Schavone called the meeting to order at 7:02pm

A quorum was declared by President Tony Schavone.

Vice President, Monica Valparaiso, shared the various events coming up.

Treasurer, Teresa Cruise, gave the budget report. She also talked about money the club would earn through having a car show versus donations from members.

The board discussed having a car show in 2023 at Connell Chevrolet or somewhere else. Members need to participate in coordinating and setting up the car show. We need to start thinking about a flyer and printer etc. Tony will talk about this at our next meeting.

Membership Secretary, Tom Horton, told us about a new member, Russ Hill and reinstating Betty and Wayne Heard. Everyone was unanimously voted into the club. Counting our newest members, we have 89 people. Tom also has MVM forms and will bring them to the next meeting.

Newsletter Editor, Debbie Ruby, asked everyone to send her pictures and articles by October 27, 2022.

Webmaster, Douglas Mariani, was absent because he was in a motorcycle accident and has broken ribs! He will not be able to keep the club website up to date for a while. Ron K was suggested as a temporary webmaster until Douglas is better.

Sponsor Representative, Art, was absent.

Charity Representative, Will Grohmann, talked about the recent Open House at Patriots and Paws. Calicinto Ranch will be having their annual Thanksgiving Feast on November 19, 2022 and asked that members bring pies. Red Robin is their main contributor, but every little bit helps. Every year, Will gathers names of kids who ask for special gifts for Christmas. He will give us their names and wish lists at the next meeting. Please bring your unwrapped gifts with the child's name in a bag at the December meeting so he can bring them all to Calicinto Ranch.

Ann gave an update about our Banquet, which will be held on January 21, 2023. She brought our Non-Profit forms to The OC Mining Company Restaurant and they agreed to remove the cutting fee for the prime rib. The restaurant has a podium, but we may still need our own microphone.

### **Old Business:**

- 5 cars attended the Bowling Alley Event in October, which still attracts a lot of attention.

### **New Business:**

- New members were voted in.
- The storage fee was paid for one year plus 2 months. The next payment is December 2023. Teresa has the receipts for payment.
- Our website domain name was also paid online.
- Remind members to pay their dues at the November meeting.

### **Issues from the Floor:**

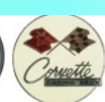

- Please use the microphone to talk at the meetings so everyone can hear. Also, please tell people to stop talking during the meeting so others can hear.

The meeting was adjourned at 7:39pm.

Next General Meeting at Sizzler: Tuesday, November 1, 2022

Next Board Meeting: Tuesday, November 15, 2022

Debbie Ruby  
Recording Secretary

## Patriots & Paws Car Show October 1, 2022

## Vapor Trail Corvettes October 15, 2022

## All Chevy Car Show October 9, 2022

## All Chevy Show

By, Richard Cheek

The annual All Chevy Show put on by the Orange County Region of the Vintage Chevy Club of America was held on October 9<sup>th</sup> at Connell Chevrolet in Costa Mesa. There were about 65 Chevys from Corvairs to Corvettes with everything in between. The two broad categories were stock and modified. Each participant got a ballot to vote on all the classes. Also, ten cars were individually judged by teams of four VCCA judges. I should note here that judging was different than NCRS standards.

Corvette Super Sports members participating in the show were Bob Mosey with his '66 Corvette, Bill and Pam DeForrest with their '66 Corvette, and Sarah and I with our '65 Corvette. Our Corvette was judged by a VCCA team and scored 999 out of 1,000 points. We lost a point because they didn't see an "AC" marking on the fuel pump. Sarah and I located it when we got home. Bill's Corvette won a trophy for best modified Corvette. Way to go Bill!

## La Habra Bowl October 15, 2022

## Who is Bill Wisnowski?

By, Arthur Huhta

Bill is a Builder. He welds steel and nails wood. He learned building skills while serving in the U.S. Navy Construction Battalions, the famous "SeaBees". From there he went to oil fields welding rigs. "I got tired of getting burned," he said, so he changed careers and went to carpentry apprentice school. By 1980 he became a licensed general contractor specializing in roofing.

A long-term Corvette owner, the black 2016 Z06 is his fifth. Although he will admit that his 1957 dual top is his favorite. Bill joined Corvette Super Sports in 1992, separated in 2003, and rejoined in 2016. The CSS run to Tahoe, a few years ago, is his favorite event.

Bill was born in Tennessee, Gainesboro to be exact. His Dad owned and operated several automobile body shops. It was a successful business that he started and sold several times. They often moved to different cities where his Dad started another shop. One time, the family did not have a house and they lived in hotels. Hoteling was fun and Bill remembers chaining his bike to a radiator in the hall to keep it safe.

This is a brief story. Bill is humble and fun to talk to. When you seem him, swing by and chat.

# Ironman

By, Brian Valparaíso

There is a saying, "Swim 2.4 miles, Bike 112 miles, Run 26.2 miles and brag the rest of your Life". As a person in my late fifties, I decided to try and achieve this incredible goal. I had not been a high school athlete, nor a collegiate athlete. I did participate in sports activities throughout my life and had some moderate success later in my adult life playing golf and tennis. I discovered the gym and weightlifting during my 20's and continued to be a "gym person" in order to maintain somewhat healthy bodyweight. I even considered myself "fit" when my college Levi's fit me at age 42!!

Well, thinking you are fit, and being fit are vastly different. This reality hit me square in the face the first time I tried swimming. I went to the gym and jumped in the pool. At the time the water was a freezing 74 degrees! I overcame the cold and set out to swim 1000 yards. A typical gym pool is 25 yards long, so its forty (40) laps...ok cool should not be a problem. I could not even complete one (1) lap. I could not get from one end of the pool to the other.

Running faster involves moving your legs faster. In tennis, making the ball go back faster means hitting harder. In baseball, pitching a ball with greater speed means accelerating your arm (with some technique) faster. As you may or may not know, swimming is the opposite, you can't just do it "harder". You can't swim faster by applying more strength or spinning your arms faster or kicking faster. Swimming efficiently is a combination of reducing drag and increasing propulsion. (The car guys should understand that!) In order to improve as an "Adult Onset Swimmer", I have swum **251,562 yards or 142 miles** in the past year.

The biking and running portions of the Ironman race are more familiar to me. I had ridden a bike as a child and needed to increase my endurance. Similarly, I am familiar with running and needed to build my endurance. Building the required stamina to bike for 112 miles and run 26.2 miles is a process. Biking or running everyday won't build the muscle and lung capacity needed. I can share that initially my longest bike ride was 20 miles and I thought I was a bad-ass. However, after that ride, I couldn't even walk. My legs were cramping in places I didn't even realize could have a cramp. Now what?

As for running, I had done the LA Marathon a long time ago...how long ago you ask? 28 years ago I completed the marathon in 6:09, or six hours and nine minutes. For perspective, that had been the longest I had ever run in my life. I had participated in and completed 3 half marathons (13.1 miles) since then and now. Like building biking endurance, I needed to build running endurance. In order to do so, I needed time. Building the stamina and endurance necessary to complete a 2.4-mile swim, 112-mile bike, and a 26.2-mile run, requires dedication to training. My strategy was to hire a coach who could help my endurance. The coach started my training by assigning daily, targeted workouts. In retrospect, in the past 365 days I have **biked 4,548 miles** and **ran 911 miles**.

Another interesting hurdle to overcome to become an Ironman is TIME. The race requires that racers complete the course in a fixed amount of time or be disqualified. For a 70.3 (half Ironman) one must complete the course in no more than 8 hours and 30 minutes total. However, a racer cannot take more than 1 hour and 10 minutes to complete the SWIM or be disqualified. If the racer successfully finishes the swim in time, they must complete the bike portion in less than 5 total hours, including the swim, or be disqualified. Ultimately, the racer must then run to complete the balance of the course in 8 hours 30 minutes total, including the swim and bike.

A full Ironman race covers 140.6 miles- 2.4-mile swim, 112-mile bike, 26.2-mile run. For this race, time is also a factor. Like the above description, the racer has 2 hours 20 minutes to complete the swim, a total of 10 hours to complete the swim and bike, and a total of 17 hours to finish the entire course. As above, missing the incremental times can get you disqualified.

Over the past year, I have improved my swim times, my biking speed, and my running speed. I am happy to share that I have completed Ironman 70.3 St. George, Ironman 70.3 Santa Cruz (2021 and 2022), Ironman 70.3 Indian Wells, Ironman 70.3 (Coeur d Alene), and the Ironman World Championships 140.6 St. George, as well as my second 140.6 Ironman in Sacramento, just last weekend. At age 57, there is no feeling that can describe crossing the finish line and hearing your name called, followed by "You are an Ironman".

## NCCC PRESIDENT's MESSAGE: October 2022

October already! I obviously write this a few days before it gets distributed to all of you. As I am writing this, Hurricane Ian is bearing down on the western shores of Florida. Our thoughts and prayers are with all our members in Florida and throughout the southeastern United States that may be affected by this horrendous storm. Stay safe.

Just a few weeks ago, the September NCCC Governors meeting was held in St Louis, MO. Along with other routine business, we entertained nominations for 5 national offices. The candidates for the offices of Vice President of Membership, Parliamentarian, and Director of Public Relations are incumbents and running unopposed. We have two very well qualified candidates for each of the offices of President and Treasurer. A link to all the candidates and suggested By-Law changes **is on the first page of the NCCC website:** <https://www.corvettesnccc.org/> Please check out the candidates and suggested By-Law changes and give your feedback to your club Governor. Electronic balloting will begin October 1<sup>st</sup>, 2022.

NCCC is also beginning the process of selecting a national meeting site for the years 2025, 2026, and 2027. If you have any interest in submitting a bid, please contact our Business Manager, Allen Morris at [businessmanager@corvettesnccc.org](mailto:businessmanager@corvettesnccc.org). Allen can provide all the required information such as meeting room requirements, etc. Our last meeting of 2022 will be in St Louis on Nov 11<sup>th</sup> and 12<sup>th</sup>.

It's not too early to start planning for next year's annual Convention. This will be held in Bowling Green, KY the week of June 25<sup>th</sup> through June 30<sup>th</sup>. Registration will open February 1<sup>st</sup>. I'm sure you've heard by now, but GM assembly plant tours will be opening soon. Make that part of your convention plans. We're planning on a couple guest speakers, the usual assortment of competitive events, some fun tours and trips, and of course some parties. Friday night's party will include a 70<sup>th</sup> birthday party for the Corvette. You won't want to miss it.

I recently attended the 28<sup>th</sup> anniversary at the National Corvette Museum. In addition to board meetings, I attended a banquet and a special VIP viewing of the documentary "Boundless- Betty Skelton. Betty Skelton was known as the "First Lady of Firsts," and made a lasting impact, breaking gender barriers in Motorsports, aviation, astronautics, and even in the advertising business throughout the 1950's and 60's. Betty's list of record setting achievements are numerous and many are still unparalleled today". Betty Skelton was inducted into the Corvette Hall of Fame in 2001. Very impressive! Friday night I attended the NCM Hall of Fame induction ceremony. The 2022 inductees were: Elfi Arkus-Duntov – the first lady of Corvette, Gary Pratt & Jim Miller – founders of Pratt & Miller Engineering, and Ed Welburn – Retired VP, GM Global Design. A very impressive evening and the entire 4 days in Bowling Green were fantastic. For more information on the museum and ways you can be a supporter, check out their web site at: <https://www.corvettemuseum.org>.

That's all for now, stay safe, and...

Save the Wave,  
Dale Samuelson  
NCCC President

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

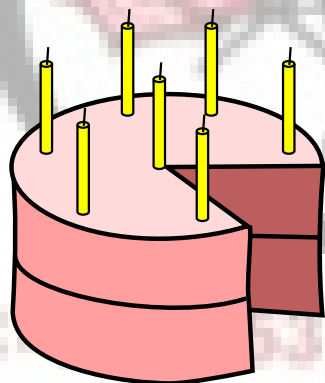

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer your club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

## Editor's Note: [rubypics@aol.com](mailto:rubypics@aol.com)

Hi everyone! Reminding you that I welcome pictures and extra articles from other members as long as you send them to me at least **five (5) days before** the end of each month. I especially need pictures and copy (articles) for events I do not attend!

Thank you, Pam for taking notes at the General Meeting again this month and for sending me pictures. Thank you, Art for sending me an article and picture of Bill W. Thank you, Richard C. for sending me an article and picture of the All Chevy Show. Thank you, Monica for sending me the article about Brian's Ironman race with a picture. Thank you, Tony S. for sending me pictures. Thank you, Vicki for sending me pictures and the flyer for the banquet. Thank you, Eric for being my editor.

Remember to send me your business cards or other ads for the **For Sale** page!

Please contact me about any comments or suggestions you may have regarding the newsletter.

Thanks!

Debbie ☺

**FUTURE CORVETTE OWNERS ASSOCIATION**

FOUNDED 1992

**NATIONAL COUNCIL OF CORVETTE CLUBS**

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2<sup>nd</sup>-generation FCOA members come thru the organization.

FCOA has its own website, [www.corvettesnccc.org/fcoa1.html](http://www.corvettesnccc.org/fcoa1.html) and email [FCOADirector@corvettesnccc.org](mailto:FCOADirector@corvettesnccc.org). The program is facilitated and fully supported by the NCCC FCOA Director.

\$10 one-time  
Membership Fee
