This Month's Trivia

Answer to August Trivia Question: Singer Jan Berry of Jan & Dean fame almost lived out one of their songs at what location?

He piled up his Corvette on Whittier Blvd. in Los Angeles.

Trivia Question for September: When were Radial Tires first used on the Corvette?

President Tony

The year sure seems to be flying by. It is already October and hopefully the weather will start to cool down.

The Club is doing very well – we have 82 members and still growing! Thanks to the monthly Bowling Alley Parking Lot Event, we attract a lot of attention from Whittier Blvd. and people are joining the club. Another member joined the club this month which brings a total of eight new members joining from this event! Thanks to all who participate!!

As I mentioned last month, Laura and I were gone for 30 days on a road trip across the country. Oh, I know it would only take four hours to fly to Chicago and save four days on the road, but we love travelling by car across the USA. “See the USA in Your Chevrolet!” was a great slogan in the 50’s. There is just something amazing about driving through Colorado that looks like a picture postcard.

I won’t bore you with the trip highlights, but will mention a “bucket list” item we checked off our list. Jeff and Peggy Henninger, former members of CSS and President for many years, live south of Indianapolis, Indiana. Jeff works part-time at Indy Motor Speedway. They visit So. Cal. yearly and have offered to give members a tour of the track.

Laura, Bob (our farmer) and I met Jeff and Peggy at the raceway. The tour was very special because we were allowed to tour the “Basement Collection” of rare cars and pace cars. Then a trip around the track and stopping at the *Yard of Bricks* was awesome.

Other Club News: Ann and Doug Meeuwenberg have been working tirelessly on the Banquet. They have booked the Banquet on January 21, 2023 at the Orange County Mining Company Restaurant. More information will be reported. Thank you both!!!

Many thanks to Monica for keeping the “Show” running while we were gone.

Tony

The VP’s Column

The VP's Word By Monica

Hi everyone! Here we are, heading towards the end of 2022...how did that happen?? As much as I love summer, I’m glad we’re finally getting cooler temperatures!

I hope to hear from some of you about the Cruisin’ for a Cure show, and the Patriots and Paws car show - both great events; one of them is with our charity!

With the cooler weather, we’ve got some upcoming car shows/events that should be comfortable to attend! If you want to make a weekend out of it, the Palm Springs Corvette Club is holding a car show on Sunday, October 16th in Indian Wells. It’s open to all cars, even though it is a NCCC sanctioned event. Parking is on the grass and they will have food trucks, music, and raffle drawings through the event.

Wheels and Wings, a show put on by Corvettes West is being held Saturday, October 29th, at the March Field Air Museum. What a great venue for an event that supports our veterans! All cars are welcome and they have a category for corvettes only. If you really want to, you can even decorate your car to enter the Halloween costume contest.

Next is another potential weekend event that we’ve always had a presence at. The Vettes for Veterans is being held, November 12th, at The Shoppes at Carlsbad, it’s location for the last few years. This year there is NO DAY OF SHOW REGISTRATION, so if you plan attending, you’ll need to send in your registration by October 29th. Let’s see if we can get a large group to attend this car show...for a good cause!

As always, flyers for these events and more are included in the newsletter, and I’ll have some hard copies at the general meeting.

Thanks – and see you at the meeting!
Monica

General Meeting Minutes September 6, 2022

Officers present: Monica Valparaiso, Teresa Cruz, Tom Horton

Board Members present: Sal Cruz, Donna Stewart, George McMullen, Art Huhta

37 Members Present

Monica Valparaiso led the members in the Pledge of Allegiance.

A quorum was declared to be present by Vice President, Monica Valparaiso, and she filled in for Tony Schavone, as he is out of town.

Vice President, Monica Valparaiso, called the meeting to order at 7:01pm. Monica went over all the cars shows coming up with fliers.

Donna Stewart had no new members to report. Russell Hill, a friend of Tony's, came with his beautiful new car a 2023 Torch Red Vette. He is going to join the club, now that he has a Corvette!

Pam DeForrest filled in to do notes for Debbie Ruby who could not make it tonight. Pam put forth a motion to waive the reading of the minutes for last month's meeting. Unanimous to waive the reading.

Tom Horton reported that membership dues need to be renewed by November 15th. They can be paid next month at the meeting. \$75.00 per couple and \$45.00 for single. They can also be sent into the PO Box.

Treasurer, Teresa Cruz, reported the club balance. She also mentioned that we could all donate \$25.00 to the club in lieu of us having our car show.

Marsha Gallivan read the birthdays and anniversaries for the month.

Will Grohmann was present and thanked everyone who brought soda can tabs for the Ronald McDonald House.

Webmaster, Douglas Mariani, was absent. Monica brought up that Douglas found that the old embroiderer in Westminster is still in business and still has our club logo on file.

Art Huhta went over to Connell Chevrolet and has an article in the newsletter on his experience there.

Everyone had a great time at the Lyons Museum! Sarah Cheek talked about the car show in Solvang. New members Bob and Joann Mosey won "Best of Show" with their beautiful 1966 light green Vette. Bill DeForrest got "People's Choice" at Big Wednesdays last week.

Ann Meeuwenberg talked about the banquet in January.

The date has been set for Jan. 21st. Prices have gone up. She is looking into the Fullerton Elks. It's the most reasonable. \$57.00 a person with a no host bar. It is a buffet. There was a question about whether or not to have club members pay \$10.00 per person. This was voted by the membership. This is also based on 50 people. O.C. Mining Co is also an option. You do have to pay the \$8.00 for Valet parking. It's a plated dinner of either chicken or beef. \$50.03 per person. The buffet is \$59.81 with a carving fee. \$56.81 without a carving fee. Donna Stewart and Bill Wisnowski will look into the Buena Park Elks. A decision needs to be made at the Board Meeting. Monica Valparaiso was ok with the \$60.00 and the majority voted yes. It was also mentioned that Tom will not be doing the music this time. Ann said that no one liked to dance so that should be ok!

Dave MacDonough was not at the meeting.

Joe Orrico, NCCC Governor, was not present.

Donna Stewart talked about meeting at La Habra Bowl the 3rd Saturday of the month. It's still going strong and fun.

After the break, raffle was held and conducted by Donna Stewart and Linda Norris. Raffle was money only. Three winners received \$10.00 each.

Dinner raffle was won by Ron DeBartolomeis.

Yummy goodies were provided by JoAnn and Bob Mosey.

Meeting was adjourned at 8:16pm.

Respectfully submitted by,
Pam DeForrest

Board Meeting Minutes September 20, 2022

Officers present: Tony Schavone, Teresa Cruz, Debbie Ruby

Board members present: Sal Cruz, Art Huhta, Laura Schavone, Donna Stewart

Others present: Ann and Doug Meeuwenberg, Bill Wisnowski

President Tony Schavone called the meeting to order at 7:04pm

No quorum was declared by President Tony Schavone.

Vice President, Monica Valparaiso, was absent.

Membership Secretary, Tom Horton, was absent. Tony told us about a new member, Cheryl Abellano, with a new 2023 Corvette.

Treasurer, Teresa Cruise, gave the budget report. She also talked about Membership Dues being due in October. The deadline to pay dues is November 15, 2022. \$45 for singles. \$75 for couples.

Ann gave the update about our Banquet, which will be held on January 21, 2023. The board agreed upon having the banquet at The OC Mining Company Restaurant. There will now be no charge for parking. We just need to give them the number of corvettes attending seven days before the event. The buffet prices are based on 50 people. \$56.81 per person without prime rib. \$59 with prime rib. The buffet will have three entrées, four salads including bread and desserts. We need to give them a deposit to reserve the space, which Teresa provided Ann with a check to give to the restaurant. We will have an hour and a half to decorate the room before the event. Entertainment was also discussed. Tom Cuccio will not be our DJ this time. Perhaps, Tina Horton could play background music without the karaoke piece of it.

Old Business:

- The Bowling Alley Event in September was well attended.

New Business:

- There was discussion about a Safety Deposit Box. We only had one key, but it's lost. There has been no bill for the purchase of this box in a long time. It was in the Bank of America in La Habra. Years ago, the box was drilled open and then closed, but we do not know where the contents went. Joe Orrico may have the Club Seal and some papers, but he was absent from this meeting. Tony will follow up with him.
- Tony mentioned that the Nominating Committee will be calling members in October to see who wants to run for office or be on the board. November the ballots will be made and December will be when the club votes for the Officers, Board and MVM (Most Valuable Member).

Issues from the Floor:

- Donna relayed the message that our club members do not want any stuff for the Raffle. They just want money.

The meeting was adjourned at 7:56pm.

Who Are Ken, Jean and Frank Pence?

By, Arthur Huhta

They are avid motorists. Except for Frank. He does not drive. The 2022 Ceramic Clay Metallic coupe glowing in the parking lot is their pride. It is not their first Corvette, for they traveled to the Bowling Green Factory, Mississippi, and Kentucky in a 2014 C7. Frank stayed at home. Do you remember the 2019 run to Reno? That is their favorite CSS trip. The scenery, the crowds of Corvettes, and CSS made it a fun trip.

They have been married for 53 years. Their son, Andrew, is 47 years old. Frank is 10. Ken retired from teaching Biology after 34 years at El Dorado High School in Placentia. Jean retired from teaching 6th Grade after 30 years at Madison Elementary in Anaheim. It seems to me that teaching is exciting enough without including Corvette runs. But wait, there is more. Ken is riding in their eighth Harley Davidson, a 2017 Road Glide. Jean has a 2019 Tri Glide, the ninth in their collection. Since 1994 they have logged more than 250,000 miles on the Harleys. In May 2022 they rode for 34 days, 8,300 miles, touring 22 states from Key West to Maryland. This included a brief stop at Dollywood, Tennessee. Frank does not ride. He is a dachshund that they rescued many years ago.

This is a brief introduction to Ken and Jean. They have great stories to tell; so, look for them and chat.

NCCC PRESIDENT's MESSAGE: September 2022

September is here and Labor Day weekend marks the unofficial end of summer. How did that happen so fast?

I've had a pretty busy summer with either autocross events or club social events almost every weekend and it's been great! I enjoy the competition of an autocross, but just as much, I enjoy the nightly tailgate parties and time spent with fellow Corvette owners.

A few months ago, I asked all of you for constructive thoughts on how we could improve the annual NCCC Convention. We listened to your input and will try to incorporate those ideas into the 2023 convention. The NCCC Convention will be held in the home of the Corvette, Bowling Green, KY on June 25th through June 30th. Plans include some interesting tours and parties, the usual assortment of competitive events, and a celebration of the 70th birthday of the Corvette. Mark your calendar now and look for more information as it becomes available. Registration will open on February 1st.

Here are a couple clubs celebrating major milestones this year: Perry County Corvette Club is celebrating 45 years and Midwest Early Corvette Club is celebrating 50 years. Congratulations to both.

The September NCCC Governors meeting is just around the corner (September 9th and 10th). In addition to regular business, we will hear from each of the candidates running for National office. This year five offices will be up for election. They are: President, Vice President of Membership, Treasurer, Parliamentarian, and Director of Public Relations. We also have several standing rule and by-law proposals to discuss. See your club Governor for additional details.

Have you heard about all the exciting improvements and changes at the National Corvette Museum? Driven by Design, a 6,500-square-foot exhibit focused on the history of Corvette's design process and the stories of the diverse group of individuals responsible for the most iconic sports car design of all time will be opening soon. Also, as you probably know, the Motorsports Park sustained some major damage last December when an EF-3 tornado touched down. Rebuilding plans now include a 2.4 million dollar budget to make major improvements including much-needed indoor and outdoor event spaces, bar and restaurant offerings in the track observation areas, and upgraded garage facilities. Check out the NCM website for all the latest news and also information on how you can be a museum member: <https://www.corvettemuseum.org>.

Enjoy what's left of summer – we'll be wondering how it passed so quickly very soon.

That's all for now, stay safe, and...

Save the Wave,
Dale Samuelson
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

CSS Governor
