This Month's Trivia

Answer to November Trivia Question: A power seat became available for the 1st time on the Corvette in what year? 1981

Trivia Question for January: What year of Corvette were there 22 color choices – the most of any year.

President Tony

Well, we have made it to 2023 and this year looks promising. With COVID in the rearview mirror, we can plan more events.

The Club was founded in 1959 and in 1965 we were incorporated as a Non-Profit organization in California. We have grown steadily over the last few years with membership in 2017-2018 being over 100. This past year, even without a lot of events, we have gained seven new members.

2023 is another big year in Corvette history. Seventy years ago this year, the Corvette began its life. In June of 1953 the first Corvette rolled off the Assembly line in Flint, Michigan. Every year on June 30th, Corvette Clubs across the country, celebrate that day as the birth of America's only mass-produced Sports Car. So, make sure that on Friday, June 30th, you all drive your Corvette to show your love for the car!

We are planning some new events for this year and will be announcing them each month. If anyone has ideas for an event make sure you bring it to the Club's attention.

Our December "Bowling Alley Parking Lot Event" brought 18 Corvettes together. There were seven C-8's – the most anytime last year. Corvette folks who hear about our gathering are just showing up to show their cars and to talk about Corvettes.

The January meeting was our annual Banquet. It was held at the Orange County Mining Company in Tustin. 55 members were in attendance, including Jeff & Peggy Henninger from Indiana. Special thanks to Ann & Doug Meeuwenberg who worked tirelessly in securing the venue and arranging the details and to Donna Stewart, Laura Schavone, Linda Norris, Tom Cuccio, and Tom Horton for their help in making the Banquet special!

P.S. The view was spectacular!

Tony

The VP's Column

The VP's Word By Monica

Hi everyone and a belated Happy New Year! We're already one month into 2023 and we had our first event! Thanks to Ann Mueewenberg for planning our annual CSS banquet at the Orange County Mining Company – our first banquet since 2020! A good time was had by all, and pictures from the event are in the newsletter.

One event coming up this year is the Gambler's Classic which is put on by Corvettes of Bakersfield and held in Laughlin. This year it will be held March 2-4, with registration closing February 10 (go to their website to register or see the flyer in this newsletter). It is a multi-day event, including a meet and greet Thursday night, a choice of two fun runs (either Kingman or Oatman), a silent auction, dinner & entertainment on Friday, and then the car show, poker run, and awards show the final day. For those who went last year, or heard about it, someone else is running the event this year, so hopefully it will be a better event. It used to be such a fun event so I hope it turns out well!

Another large event coming up is the Reno-Tahoe Tour car show put on by Corvettes of Fresno. This is an awesome event, also lasting a few days. The dates for this year are September 7-10, so still a little way off, but gives you enough time to plan. The event will be held at the Silver Legacy in Reno, as always, and begins with a happy hour on Thursday night. Friday's events include a participant choice "shine N show" car show, along with a slot tournament. A poker run out towards Lake Tahoe will be held on Saturday followed by a social hour and then the awards dinner. This has been an AWESOME event to take part in, with such attention given to all who attend, beginning with a reserved parking spot upon arrival at the show.

We'll have some smaller events during the year, but I just wanted to highlight these two car shows for everyone. Information is in the newsletter, and hard copies will be available at meetings.

And remember, if you want pictures in the newsletter, anyone can email them to Debbie at rubypics@aol.com.

General Meeting Minutes December 6, 2022

Officers present: Tony Schavone, Monica Valparaiso, Tom Horton, Teresa Cruz, Joe Orrico

Board Members present: Sal Cruz, Art Huhta, Donna Stewart, Laura Schavone, George McMullen, Gary Maleski

47 Members Present

Tony Schavone led the members in the Pledge of Allegiance.

A quorum was declared to be present by President Tony Schavone.

President, Tony Schavone, called the meeting to order at 7:00pm.

Joe Orrico let everyone know that Jennifer Spencer's husband passed away yesterday. Jennifer has been sick recently as well.

Donna Stewart introduced our guest, Steve Stolk who has an anniversary red 2002 corvette. Both Tony's took credit for bringing him to the meeting. Former member, Brenda, came to visit from Massachusetts! It was fun to catch up with her. Donna presented our new member, Cheryl Abellano with her club notebook and name badge.

Elections took place to vote for our Officers, Board and Most Valuable Member. All ballots were distributed and collected to be counted.

A motion was made to waive the reading of the minutes for last month's meeting. It was a unanimous vote to waive the reading.

Membership, Tom Horton, reported that we currently have 89 members in the club.

Treasurer, Teresa Cruz, gave the bank balance and presented the proposed budget for next year. There was discussion about it. A motion to table the vote until February was made and seconded.

Vice President, Monica Valparaiso, talked about upcoming events and had flyers for them up front. There is a New Year's Day event.

Bob Mosey talked about attending the Vettes for Veteran's Car Show. There were 260 corvettes and Bob won second place!

Joe Orrico, NCCC Governor, reported that the NCCC renewals were completed. Janet is the new director after Cliff passed away. The only event planned for 2023 will be the Gambler's Classic.

Care and Kindness Representative, Marsha Gallivan, read the birthdays and anniversaries for the last time. Sadly, she is leaving the club after selling her corvette. Jean Pence will take over this position.

Debbie Ruby, Newsletter Editor, thanked everyone for pictures and articles. She reminded the club to email pictures to Rubypics@aol.com.

Charity Representative, Will Grohmann, shared that it took three years to fill the barrel with Pop Tops for the Ronald McDonald House! Will shared that the names of children who receive gifts from Calicinto Ranch come from the Christian Fellowship. Calicinto Ranch hosts children ages seven to eleven for three to five days at summer camp. One or both of these children's parents are incarcerated. The ranch also hosts Thanksgiving, Christmas and Easter events each year. A retired CHP officer, Donnell, introduced us to this charity.

Webmaster, Douglas Mariani, was absent.

Sponsor Representative, Art Huhta, had no report.

Dave MacDonough was absent so Tony talked about the Corvette Super Shots for him. Will Grohmann brought five members of his family to this monthly event. It was the most people present ever!

Tony reminded everyone to pay for the banquet. He also reported that there were 18 corvettes at the last La Habra Bowling Alley parking lot gathering. It was a good turnout. Tony brought the toys collected from the Toy Drive to the La Habra Church. He won a trophy for his 1962 corvette.

Election winners were announced. President: Tony Schavone. Vice President: Monica Valparaiso. Secretary of Membership: Sherry Anderson. Treasurer: Tom Horton. NCCC Governor: Joe Orrico. Recording Secretary: Debra Ruby. Newsletter Editor: Debra Ruby. Webmaster: Douglas Mariani. Board of Governors are: Gary Maleski, George McMullen, Ann Meeuwenberg, Ed Norris, Laura Schavone and Donna Stewart.

Ann Meeuwenberg talked about the upcoming banquet on January 21, 2023. So far, there are 54 people planning to attend. Look nice or dress up if you want. There is a carpool list going around. Cocktails are from 6-7pm. Dinner from 7-9pm. The banquet will be over by 10pm.

Gary Maleski talked about the Long Beach Grand Prix.

Pam DeForrest talked about Patriots and Paws, our other charity.

After the break, Joe Orrico mentioned that the NCCC membership cards will be mailed out in January.

Corvette Super Sports gave our waiter, Robert, a tip for Christmas.

Raffle was money only. Three \$21.00 winners.

Dinner raffle was won by Ed Sherlock.

Yummy goodies were provided by everyone!

Tony said that the tentative date for our Car Show will be August 19, 2023. He thanked the officers and board members from last year and wished everyone a Happy Holiday and a Happy New Year!

Meeting was adjourned at 8:32pm.

The board also agreed that postage should be provided for Jean Pence who is taking over the Care and Kindness position.

Membership Secretary, Sherry Anderson, reported that we currently have 76 members. Jennifer Spencer will remain a member without her husband. There was discussion about how to consolidate the applications and/or to redesign ours so it isn't redundant for the applicant to complete.

These members have been in CSS for over 50 Years!!! Wow!

Here are the new Officers and Board Members for 2023!

Who is Russ Hill?

By, Arthur Huhta

Russ joined CSS in September 2022. We talked at the November 19 CSS Parking Lot Event. He proudly showed off his first Corvette, a Torch red C8 Coupe. He said, "It has more technology than I understand. I need people like Ron Kennedy to help me understand this stuff."

Russ was a facilities manager for Newport Corporation, a manufacturing company in Irvine. He worked there 23 years before retiring. The company makes products for the laser and electric optics industry.

He and his wife, Claudia, celebrated their 50th anniversary in November. After marrying, they moved into a Whittier house where they remain to this date. It has changed and been remodeled to keep it up to date.

Russ has participated in a number of CSS events and enjoyed them all.

Tucker enjoyed the meeting and asked to have a photo taken with Russ.

Introduce yourself and make Russ welcome. He is easy to chat with.

NCCC PRESIDENT's MESSAGE: January 2023

WOW... what a week! I live in Florida and we did not have snow, but frost warnings for 2 days! It was the coldest Christmas in several years. Let's hope January is kinder to all of us.

My name is Deb Murphy and I am the newly elected President of NCCC. I served as President way back in 1997- I was a mere child. I am honored to be serving as President again. I look forward to meeting all of you in the next couple of years.

I joined NCCC in 1974 and was a member of clubs in Ohio. In 2008, Denny and I moved to Florida where I served as Regional Executive for several years. I have always enjoyed the competition with NCCC- all of it- but have truly enjoyed the social gatherings after the events. Tailgate parties great fun! For several years, we hosted the Thanksgiving Dinner prior to the Roebling Road events. It was a great time to relax prior to the competition, besides that, Savannah is one of my favorite cities.

I look forward to representing NCCC on the National Corvette Museum Board. The last time I was on the board Wendell Strode, NCM Director, was hosting his first meeting and the Board was hopeful to keep the Museum doors open - money was really tight. Now, Sharon Brawner is moving into her second year as NCM CEO and the Museum has the money to plan for more exciting events. With new committees set up to make the meetings more efficient, it should be a great experience to be a part of the NCM growth.

I am looking forward to the convention to be held in Bowling Green in June this year. Plant tours should be available as well as more fun at the NCM Motor Sports Park. There are always tours of the beautiful Kentucky area and of course, bourbon tours! The 70th anniversary of the Corvette will wrap up the convention so plan on staying for the celebration at the museum on Friday evening.

I am looking forward to getting the 2023 events started early. It looks like some rallies are already on the calendar before we even get to the first national meeting. See you all down the road!

"If you don't own one, you wouldn't understand!"

Deb Murphy
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

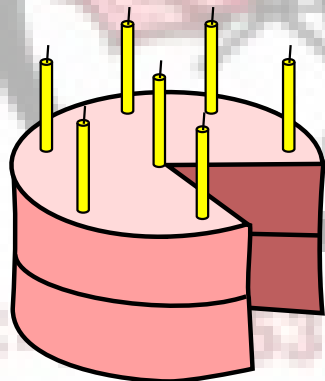

- Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
