This Month's Trivia

Trivia Question for October: In what year was keyless car entry introduced?

Answer: 2005

Trivia Question for November: What luxury amenity was not included in 1963? (a) Power Steering, (b) Air Conditioning, (c) Leather Seats or (d) Sun Visors?

President Tony

As the end of the year approaches, let's look back on 2023 and see what fun we had!

January's banquet and meeting at the Orange County Mining Company was a great success. 55 club members attended. Thanks to Ann, Doug and the group of people who assisted in making it happen. The view was spectacular.

March's event was a trip to the Justice Brothers Museum in Duarte. 12 members attended and the tour by Justice himself was great.

April's event at the Lion's Automobilia Foundation Museum in Rancho Dominguez was attended by 18 club members. April also brought nine members to the Corvette Corral at the Long Beach Grand Prix. This was a fun two days talking to the corvette drivers and watching them practice and qualifying. This event is already planned for 2024.

May's events included Karaoke at Tom and Tina Horton's home in Buena Park. It's fun to find out who can follow the music and sing along. We also enjoyed beverages and good food. May also brought us to the Muckenthaler Annual Corvette Corral in Fullerton. A new location among the trees and in the shade made for a nice day. Awards were given out to the crowd favorites.

August 19th brought us to the Annual Club Car Show at the Elks Lodge in Buena Park. The All Corvette Show brought over 90 corvettes!! Feedback from those attending said it was, "One of the best shows of the year!!!"

Our monthly get together at the La Habra Bowling parking lot has continued every month since 2020. This past month saw 13 corvettes. Jim and Linda Guthrie, friends of some of us, brought their 1962 fuel injected corvette (maybe new club members). We've gained seven new club members just from corvette owners driving by and stopping.

2024 is another special year in Club history – CSS turns 65 years old. We need to find a location (at least 5 miles away from the airport) to have a picture taken from the sky of our members and their cars. Then we can have it featured in the NCCC publication of "Blue Bars." Please keep a lookout for such a location.

Tony

The VP's Column

The VP's Word By Monica

Hi everyone,

Well here we are, at the end of another year. I can't believe it! I still need to finish decorating for Christmas, and get started on my holiday baking. In between that there's Ironman races, concerts, and getting together with friends. It almost doesn't leave enough time for anything corvette!!

We don't have a lot of events coming up, although we do have our club banquet in January. Please let Ann Meeuwenberg know if you'll be attending, and please get a check to Tom Horton for the meal. I'm sure we'll all have a good time, getting together with everyone and catching up. It will be at the Garden Grove Elk's Lodge on January 20 – information has been sent out and a flyer will be available at the general meeting.

Nothing formal has been announced for the annual New Year's Day drive, by the Tour d'Orange group, but if enough people are interested, we can put together our own drive, and get out on the road. We typically meet up at the Coco's in Brea, and will drive down to Orange County through the canyons and back roads, ending up at The District in Irvine/Tustin. A sign-up sheet will be at the general meeting.

I hope you all had a wonderful Thanksgiving, and will have a wonderful Christmas and holiday season. Until next year, save the wave!

Monica

Sal Cruz led the members in the Pledge of Allegiance.

Tony called the meeting to order at 7:09pm.

Ruth brought a birthday cake for everyone to share for Dave Alciatore's 82nd birthday today!

There will be a board member opening this year because Gary Maleski is having another back surgery in December and will need time to recover.

Donna Stewart introduced Jason, Dave Alciatore's son, and DJ from Connell Chevrolet came to the meeting.

A motion was made to waive the reading of the minutes for last month's meeting. It was a unanimous vote to waive the reading.

Membership Secretary, Sherry Anderson, reported that there are no new members. She brought nomination forms for Most Valuable Member (MVM) that need to be filled out and returned to her by the end of the meeting.

Treasurer, Tom Horton, reported the bank balance and said that anyone who hasn't paid their dues yet will have to pay the late fee after November 15th. Tom went over the details of the budget. There was a motion made to approve the budget for next year. With no opposition, the budget was approved.

Vice President, Monica Valparaiso, talked about upcoming events. Flyers are on the front table. There will be a toy drive at the La Habra Bowling parking lot this month and you can also bring toys to next month's meeting in December.

Joe Orrico, NCCC Governor, talked about a NCCC column in Blue Bars magazine. There are non-sanctioned events available. He will be attending the next meeting on November 10th in St. Louis with Dave Alciatore.

Care and Kindness, Jean Pence, introduced this month's birthdays and anniversaries. We sang Happy Birthday to Dave A and ate cake!

Charity Representative, Will Grohmann, had 25 names of children from Calicinto Ranch who need gifts for Christmas. Each child gets one to two gifts totaling \$40. Remember to staple the child's information page to the bag with the unwrapped gift and bring it to the December meeting for Will to deliver to Calicinto Ranch. Please continue to bring your pop-tops for the Ronald McDonald House. We need a new pretzel bin to collect more pop-tops.

Webmaster, Douglas Mariani, was absent.

Debbie Ruby, Newsletter Editor, thanked everyone for pictures and articles. Check out the newsletter on our website. Please email pictures to Rubypics@aol.com. There is no cost to put an ad in the newsletter, so if you have something to sell, please let her know.

Tony reminded everyone that the next Board Meeting will be November 21 and that there is no Board Meeting in December.

DJ thanked the club for participating and being part of the corvette community. Keep doing what we're doing! He says that he will actually retire by June 30, 2024.

Richard Cheek shared his All Chevy Car Show experience. See the October newsletter to read the article. He'll keep us posted.

Ann Meeuwenberg gave a report on the Banquet. We have the Garden Grove Elks Lodge reserved for January 20, 2024. Ann asked for round tables. Tom Cuccio will provide the music. It will cost about \$30 a person for dinner. CSS will not pay \$10 per person. We have 42 people signed up so far. Please pay Ann by the December meeting.

JoAnn Mosey will call members about elections.

Thank you, Steve Prescott, for bringing fresh limes.

There were three \$15.00 winners for the Raffle. Debbie Ruby won twice!

Dinner raffle was won by Teresa Cruz.

Yummy goodies were provided by Sherry Anderson and Jean and Ken Pence. Everyone is to bring a little something sweet for our December meeting.

Meeting was adjourned at 8:19pm.

Respectfully submitted by,
Debbie Ruby

Board Meeting Minutes November 21, 2023

Officers present: Tony Schavone, Tom Horton, Sherry Anderson, Debbie Ruby

Board members present: Laura Schavone, Donna Stewart, Ann Meeuwenberg, Gary Maleski, Ed Norris

Others present: Linda Norris, Bill Wisnowski, Doug Meeuwenberg

President, Tony Schavone, called the meeting to order at 7:04pm

A quorum was declared by President, Tony Schavone.

Vice President, Monica Valparaiso, was absent.

Treasurer, Tom Horton, gave the current budget report including the raffle funds.

Membership Secretary, Sherry Anderson, reported that 17 people did not renew their membership.

NCCC Governor, Joe Orrico, was absent.

Webmaster, Douglas Mariani, was absent.

Newsletter Editor, Debbie Ruby, asked that all articles and pictures be sent to her by November 27.

Charity Representative, Will Grohmann, announced that he will be resigning as our charity rep at the end of the year. He will help find a replacement. Will asked that whoever is the new person taking over the position come with him to Calicinto Ranch when he delivers the gifts so he can introduce everyone. There was discussion about whether or not to donate money to our charities or support them in other ways.

Ann Meeuwenberg talked about the banquet. There are 46 people signed up so far. It will cost \$30.52 a person. There was discussion about whether or not CSS would pay the difference. A motion was made to make the cost \$31 a person. The Board voted and passed the motion. CSS will pay for the cake.

Old Business:

- *Membership Renewals* – 65 members have renewed for next year. There is one new member, so there are 66 members so far. 17 members have not paid yet. Ten members are not renewing.
- *Elections* – Voting will take place on December 5 at our next meeting. Some new members want to join the Board. George McMullen wants to remain a Board Member. Keith may take Monica's VP position as "Events Coordinator."
- *Storage* – Tony, Laura, Donna and one other went to clear out a few things. CSS will keep the locker for next year. It is part of the cost of running the club. There was a question about a Safety Deposit Box. If we have one, then we need to keep important papers and our club seal in it.
- *Club Shirts* – We sold \$200 worth of clothes at our November meeting. There will be shirts at the December meeting as well. Donna suggested that we have a standard club shirt and jacket for all new members who want one. We should order shirts from one place for consistency. Will Grohmann knows someone in Fullerton. Action Trophy in La Habra may have shirts.

New Business:

- There is a car show on December 2, 2023. Tony will send out the information in an email.
- The monthly Bowling Alley Parking Lot event will be on Saturday, November 25. Tony will be collecting toys for the La Habra toy drive.

Issues from the Floor:

- Tom shared that Tina is in the hospital and will be staying for a while (3 months?). Her kidneys have gone bad as well as her liver. They are considering a double transplant, but she needs a lot of tests first. Please keep her in your prayers.
- We used to give points for participation, like wearing a club shirt to an event. Should we start this up again?

The board meeting adjourned at 7:51pm.

Next General Meeting at Sizzler: Tuesday, December 5, 2023

There is no Board Meeting in December.

Who are Doug and Ann Meeuwenberg?

By Arthur Huhta

Doug and Ann are veteran Corvette owners. Before their 1993 black coupe, they had a '65 yellow coupe, a '67 burgundy coup, and an '87 stealth Corvette.

Correction. The '65 color changed to maroon after Doug collided with parked cars while racing in Whittier. No NCCC points there.

Doug joined CSS in 1967. Ann in 1973. That is when the club was smaller and active in racing. Married long ago, they will celebrate their 50th anniversary in May 2024.

They are retired native Californians and Whittier H.S. graduates. Ann worked 30 years as a truck dispatcher. Doug was a sales engineer dealing with hydraulic equipment.

In 1996, they participated in the "Night of the Living Dead" event. This was a night run at the Devore Glen Helen Raceway Sheriff's Emergency Vehicle Operations Course (EVOC). It started after sunset and ended at sunrise. While the track was asphalt, the shoulders were sand, rocks and potholed. Driving in the dark, car headlights provided the only illumination of the track. Doug said "Running at night affects your depth perception." Running off the asphalt is adrenaline provoking "ooh-darn."

As you can imagine, they have a long list of Corvette experiences. In 1993 Ann took a SCCA class to prepare for autocross and racing. They did well and trophied a dozen times. The Big Bear Bash was a favorite event with its autocross events. Their stealth Corvette won praise for its distinctive appearance.

Funkana games are silly fun. Points are awarded for completing such tasks as placing a coffee cup on an orange highway cone. No spilling. Another is driving slowly around a cone course while the navigator gives directions...driver is blindfolded! Parallel parking sounds easy, but can be made difficult. Also challenging is answering a list of questions based upon the Black Book while driving a rally course.

Ann would like CSS to have more driving experiences. Going to Spring Mountain, Gambler's Classic or the Corvettes of Fresno Tahoe show would be fun. Maybe we should organize a Funkana event.

Chat with Doug and Ann. They have more experiences to share.

Save the wave.

NCCC PRESIDENT's MESSAGE: November 2023

Here we are winding down hurricane season and rushing into the holidays and the end of the year. Wow! I know it has been said that the older you get the faster the time goes...but I deny it's happening to us.

I hope all of you have voted for the competition, bylaws and candidates by now. If not, the voting closes on Nov. 8th. Again, if you need help getting to the ballot, get in touch with your regional officers or another governor. We have our final national meeting for 2023 in St. Louis on Nov. 10 & 11. It would be great to see a lot of you there. Whether you are a governor or not, you are always welcome at the meetings.

I see the calendar is full of events of all types to end the year. In the southern part of the country, we have events until the competition closes on Dec. 15. Come on down and enjoy the sunshine and play.

I have had some interest in the FCOA Director position and that is really great. Keep in mind that all the appointed positions are available each year. The incumbents must reapply each year. If something interests you, let me know or the person currently in the position to find out what it is all about.

We still do not have a convention bid for 2025 and I am hoping we can get something going soon. It is a great time to visit with members from other regions to see what they are doing. It's also nice to see parts of the country you may not have thought to visit. Keep in mind that there are lots of members willing to help with a convention that may not be from your region. You do not have to do it all! To make this happen, we are always willing to pitch in and help. Contact Allen Morris or me if you have any interest in hosting a convention.

Museum News: The National Corvette Museum is gearing up for the 30th anniversary. There is lots of information about the caravans coming from all around the nation. That is part of the fun of getting to the museum. Check it out.

The museum has been working on expanding the campus. If you have been to the museum, you have seen the RV lot across Corvette Drive. Well, the museum bought it! That will make room for more administrative space as well as parking. There is a lot to rearrange, but at least there is a long term plan for the site.

The Holly Tower is now open with more classrooms and a gift shop. The Kimberlee Fast pavilion will be open with a kitchen and track side seating for lunch.

Mark your calendars in May to be sure you plan on the 2024 convention Joplin MO. Check the website for updates.

Hope you are all safe and healthy and enjoying the cooler weather. See you in a few days!

NCCC PRESIDENT's MESSAGE: December 2023

Here we are in the midst of the Holiday season! Hope you get to spend some time with family and just kick back to enjoy it! My season is pretty quiet. What Florida lacks in snow, it makes up in lights and decorations! It's really amazing.

Competition season is coming to an end for 2023. Congratulations to Lauren Killam and Dave Buck (close one with Howard Curtis) our National Champions. ICE from the Indiana Region again, wins the top Club for 2023!

I also want to congratulate Rene Cardenas our 2024-2025 Vice President of Competition. With all of the competition changes voted in as of November, he has his work cut out for him! Thanks to Tom West for stepping up to take over as Sgt at Arms. That is a busy job and I am sure that Butch will help with the transition.

Allen Morris and Ellen Schwartz also agreed to serve for another term. It's great to have their experience on the Executive Board. Michele Cantelmo, Director of Charity/Sponsorship; Walt Jenkins, IT Director and Elaine Heretta, Director of Publications have also agreed to stay. Our organization has always been fortunate to have members volunteer for these positions. Thanks again to all of you!

Not sure if you saw the notice from the National Corvette Museum (NCM), but Corvette Plant tours will be suspended as of February 5, 2024. There is no date to start them again. If anything changes, I will let you know.

If you have not been to the NCM website, be sure to check out the Corvette Store site. The new store manager has updated the site to make it easier to find items. They have some Christmas decorations and new clothes.

NCCC Renewals are rolling along. If you have not paid your dues for 2024, be sure to get to your club or contact the Regional Membership Director.

The 2024 NCCC Convention in Joplin MO should be a great time. Don't forget that it is scheduled for May 13 – 19, 2024 - a little earlier than usual. They've scheduled a Route 66 tour and Valve cover races during the week besides a pool party. Check out the schedule and other information on the website.

That's all I know for now! See ya down the road.

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

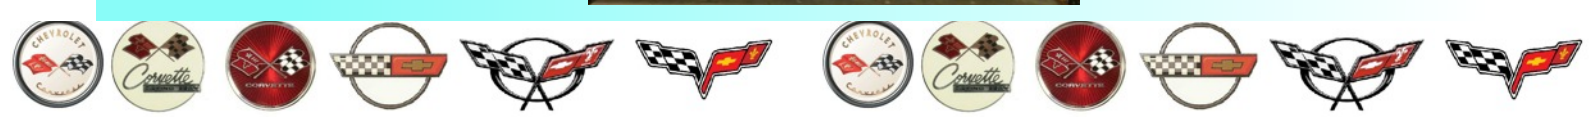

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

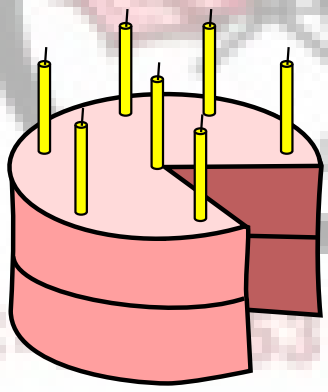

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

FUTURE CORVETTE OWNERS ASSOCIATION

FOUNDED 1992

NATIONAL COUNCIL OF CORVETTE CLUBS

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2nd-generation FCOA members come thru the organization.

FCOA members do receive a membership packet that is tailored for the different age groups. The packet includes a personalized welcome letter (see sample to the right), an FCOA patch and membership card plus a notepad, dash plaque, stickers, trading cards and various other items supplied by members and sponsors who support the FCOA program. It's not always possible however we strive to collect enough items so that all current members will also receive an annual packet of "goodies".

We maintain a list of Activities and Holiday links for the kids to have fun with. Various FCOA Merchandise can be obtained for the kids.

FCOA has its own website, www.corvettesnccc.org/fcoa1.html and email FCOADirector@corvettesnccc.org. The program is facilitated and fully supported by the NCCC FCOA Director.

\$10 one-time Membership Fee
