## This Month's Trivia

Answer to May Trivia Question: What year did the first Corvette reach 200 MPH? 2009

Trivia Question for June: The Corvette is 70 years old this year.  
What vehicle holds the all-time-record for vehicle production?

## President Tony

Our trip to the Midwest is over and we are back home. Five weeks in the 2012 Corvette and averaging over 30 MPG isn't bad for a performance car!

The main reason we took the Corvette was to attend the "Bloomington Gold Corvette Show in Bloomington, Illinois. This was the 50<sup>th</sup> year of this show and it returned to its original home of the show in Bloomington.

The show was held on June 2<sup>nd</sup> and 3<sup>rd</sup> at Illinois State University. They used University Buildings for the different venues and displays. The Arena is where over 50 Corvettes were being judged for awards. The College Field House had indoor vendors and displays. There was a large Swap Meet area with car parts and literature being sold and a parking area for all 1973 Corvettes – the 50-year-old ones.

The Premier Gold Collection was a salute to the Corvette Z06. These were famous racers, big tanks, special editions, and a couple of 2023 low mile new Z06's. There were also 13 1963 Z06's; the year the Z06 was produced. To highlight a couple of these early Z06's was one of the first off of the assembly line in St Louis in September 1962. The one important car was a 1963 Z06 with a big tank, a big motor and big brakes and it came from Don Steve's Chevrolet Dealership in La Habra, California. I spoke to the owner, Brad Jeager from Ohio and gave him the "Rest of the Story" ... Dave MacDonald, a Southern California Corvette racer sponsored by Don Steve's, and went to St. Louis and picked up the 1<sup>st</sup> Z06 off the assembly line and drove it back to Los Angeles.

There were 16 Z06's, several late model Corvettes, all with special options in the Gold Collection. Mark Grimm from Morton, Illinois brought his 2011 Z06 that he found in 2016. The Dealer didn't know how special this car was and Mark bought it for a very low price.

These special Corvette Shows are an important part of the history of the Corvette. Try to attend some of these shows.

## The VP's Column

### The VP's Word By Monica

Hello everyone, and Happy 4<sup>th</sup> of July!

I hope all the dads had a great Father's Day! We went out for brunch which sure seemed to be the popular thing to do that day! It's always nice to get together with family; I hope you were able to enjoy your family.

Summer is finally upon us, bringing sunny and warmer days – perfect for getting out and enjoying yourself! It's my favorite season, there's so many more activities and things to do when it's sunny out! I enjoy hanging out by the pool, going to the beach, taking long walks, and riding my electric bike. And the longer days allow us to be outside longer so we can enjoy all those things.

We have some events coming up – flyers are included in this newsletter, and will also be available at our general meeting on Wednesday, July 5<sup>th</sup>. I hope to see a lot of you at the parade through Morningside on the morning of the 4<sup>th</sup> – thanks to Bob Mosey for inviting our club to join the Classic Cruisers for this event. Don't forget our club's car show on Saturday, August 19<sup>th</sup> – please plan on participating, it takes a lot of people to put on a successful car show and raise funds for our charities.

Thanks, and save the wave!  
Monica

## General Meeting Minutes June 6, 2023

Officers present: Monica Valparaiso, Sherry Anderson, Tom Horton, Debbie Ruby

Board Members present: Donna Stewart, George McMullen, Ann Meeuwenberg, Ed Norris

35 Members Present

Bill DeForrest led the members in the Pledge of Allegiance.

A quorum was declared by Vice President, Monica Valparaiso.

Vice President, Monica Valparaiso, called the meeting to order at 7:10pm.

Monica reminded the club that next month's meeting will be on Wednesday, July 5<sup>th</sup> and that there will not be a board meeting in June.

Donna Stewart presented our newest members, Jeanne and Steve Prescott, with name badges and club notebooks. She then introduced our guests Christopher Lasley and his son Jordan, and Stephanie Janji.

A motion was made to waive the reading of the minutes for last month's meeting. It was a unanimous vote to waive the reading.

Membership Secretary, Sherry Anderson, shared that we have 83 members.

Treasurer, Tom Horton, gave the bank balance and has copies of the club income statement up front. We currently have 14 entries for our car show so far and the Elks Club rental is paid.

Vice President, Monica Valparaiso, talked about upcoming events and had flyers for them up front.

Bob Mosey asked if anyone was interested in participating in a 4<sup>th</sup> of July parade through Morningside. Those who are joining the parade signed up so Bob can email them the information. Breakfast will be provided. Decorate your car in Red, White and Blue!

DJ, our representative at Connell Chevrolet, thanked us for participating each year. He says he's retiring in 54 weeks – for real this time. ;- ) So, we should plan on having the CSS Car Show in their lot next year for FREE, but we need to start planning early – February 2024.

Care and Kindness Representative, Jean Pence, read the birthdays and anniversaries. Almost everyone was here to celebrate!

Charity Representative, Will Grohmann, was absent. Debbie and Eric brought the container of pull tabs to the meeting and asked that another member bring it back next month.

Joe Orrico, NCCC Governor, was absent.

Webmaster, Douglas Mariani, was absent.

Debbie Ruby, Newsletter Editor, thanked everyone for pictures and articles. Check out the newsletter on our website. She also reminded the club to email pictures to [Rubypics@aol.com](mailto:Rubypics@aol.com).

Tom Cuccio talked about how much fun we had at the Karaoke party last month.

Richard Cheek talked about the Muckenthaler Car Show. Bob Mosey won Best of Show! Richard won the Top 15.

Dave MacDonough was absent so George McMullen talked about Corvette Super Shots which meets the 4<sup>th</sup> Saturday of the month at Prado Olympic Park. It's a lot of fun and everyone eats at Flo's for lunch afterwards. He also reminded everyone about meeting on the 3<sup>rd</sup> Saturday of the month for the La Habra Bowling Alley Parking Lot event.

Tony Menchaca shared that Dennis O'Donnell won 3<sup>rd</sup> place at the Huntington Beach Concourse car show last weekend for his red C6.

Since the June Board Meeting is cancelled, we discussed Old/New Business. The club should review the bylaws, policies and procedures. Please read and get back to the club next month to update the bylaws.

Monica reminded the club about our car show in August. It is very important to get club participation! Sign up and distribute our flyer everywhere! There will not be any goodie bags this year.

There were four \$20.00 winners for the Raffle.

Dinner raffle was won by George McMullen.

Clean Car Award has been reinstated for the summer. Gary Plehn won the Clean Car Award.

Yummy goodies were provided by Teresa Cruz.

Meeting was adjourned at 8:07pm.

Respectfully submitted by,

## Who is Tom Horton?

By, Arthur Huhta

Tom is a Vietnam veteran who also served in-country. He drives a 2012 Super Sonic Blue C6, his third. A 1961 was the first and a 1977 was the second.

Tom was born in Aurora, Illinois and moved to California at age 14. After graduating from Savanna High School, he took a job with Pacific Bell as a Lineman. He held that job until he was invited in 1965 to join the US Army. The Army said the lineman experience was a valuable skill, and ordered him to Vietnam, Long Binh Post ("Pentagon East"). He experienced multiple jobs from convoy driving to laying phone lines.

The Army discharged him and he bought his first Corvette. He enrolled at CSU Fullerton as an Accounting Major. He graduated in 1972. Meanwhile, he took up counting blackjack cards at Las Vegas casinos. "I never won too much at one table. I moved to another casino before my winnings were large enough to be noticed," he said. The casinos never caught onto him. "It was work and the feeling of winning never offset the feeling of losing. I stopped when gambling was no longer interesting. I never went back." He opened a travel agency business. It was successful, but was more work than he wanted. He now practices retirement.

He and Tina joined CSS in June 2021. Molly, 11-year-old Golden Retriever, is a regular companion at the monthly CSS parking lot gathering. He enjoys CSS meetings and chatting. The miniature golf tournament is his favorite.

For CSS, he served as Secretary/Membership in 2022. Now he is Treasurer.

## NCCC PRESIDENT's MESSAGE: June 2023

It's time for the 2023 Convention in Bowling Green! Hope you're coming 'cause there will be a bunch of us! Those of you entering events should have received the Convention Generals. That information will give you all the information you need to be on time for the events you have entered. Keep in mind that most of the events more than maxed out in attendance so being on time is really important. It's a lot, I know, but the information will save frustration on your part throughout the week! Jack and the event chair people have worked hard to make sure you have the information you need.

While you are at convention, don't forget to actually visit the National Corvette Museum. They will have a great display for the 70<sup>th</sup> anniversary of the Corvette. Hopefully, your plans included staying for the 70<sup>th</sup> anniversary gala on Friday. We will be presenting the NCCC national awards – Charity - Roger Clancy award, Past President award, Don Hoskins award and Presidents' award. The recipients of those awards are the ones that make our organization a great! They serve the organization- not for recognition, but to help where ever they are needed- we don't even need to ask!

There is currently a campaign to fund a day at the McMichael Family Education Center in the Museum. The place is amazing with computers for the students to design their own car. They also have a special Studio X where students can actually touch the car! The price for a classroom to participate in a day at the Education Center is \$500. There is also the opportunity to fund a day for the whole school for \$7500. Go to the website and take a look!

The next NCM celebration is the 29<sup>th</sup> Anniversary Celebration August 31<sup>st</sup> – September 2<sup>nd</sup>. Lots of onsite information and plant tours, if you have not done that yet!

News from the May meeting . . . the competition rulebook will now be voted on by change via electronic ballot. Those changes will be presented again individually at the September meeting. Governors/clubs will have the opportunity to vote yes or no to each change. Hope you are getting out to enjoy our great cars! It's that time of year!

Deb Murphy, President

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

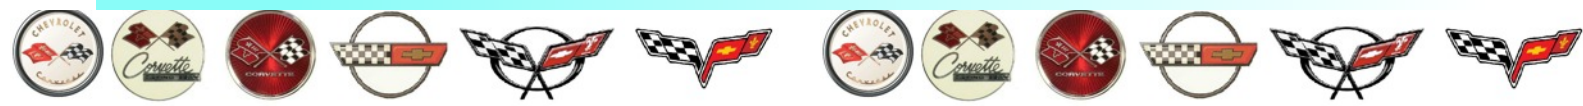

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

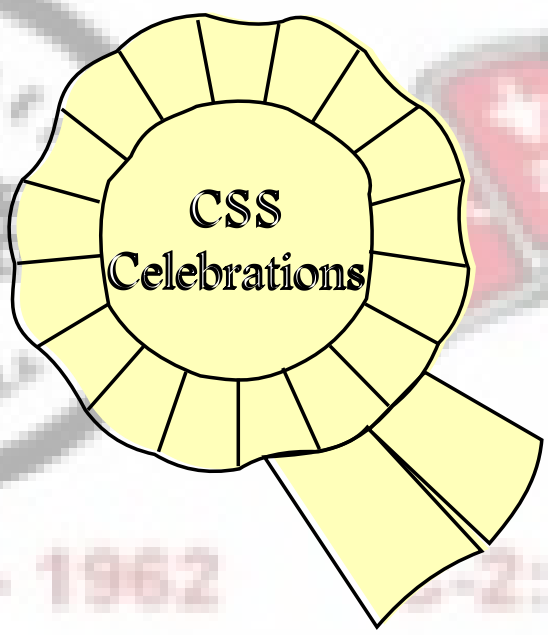

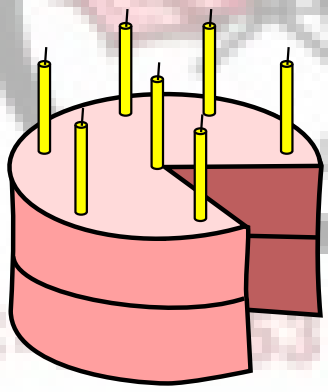

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

CSS Governor
