**The VP's Column**

**The VP's Word  
By Monica**

Hi everyone,

It seems we're finally into our fall weather with the days and nights getting cooler. While I'll miss my pool days, it will be nice to have some more moderate temperatures.

Speaking of fall, I just came back from a trip to the east coast of Canada, and caught their weather just as the leaves were changing. Most of my trip was warmer weather than in SoCal, but they had some evenings with frost which kick starts the leaves changing. We took a few drives in the area which gave me more opportunity to see the changes. And they change quick! Each day we could tell the leaves were changing. Some with a bright red, others with bright orange, and as the sun hits the leaves that's the way the leaves change colors across each tree. Towards the end of my trip, it began to really cool down, and by this past weekend they finally got some rain!

And I'm sure I'm joined by everyone when I say the news about Tony is WONDERFUL! I missed the October general meeting, so I missed his return to the club! I'm so happy to hear Tony responded so well to the medication he received, and hope he's up to his old active self very soon.

Save the wave!  
Monica

## NCCC PRESIDENT's MESSAGE: September 2023

Get ready! Next week is the NCCC national meeting in St. Louis. Hopefully if you are planning on attending, you have made your room reservation.

At this meeting, you will get to see who is running for national office – VP of Competition, Secretary, Business Manager and Sgt at Arms. If you want to run for any of these offices, please contact me or the Nomination Committee. It's not too late to put your name in!

Also at this meeting we will discuss what will be on the ballots for governors. For the first time, competition rulebook changes will be voted electronically for each change. It's a good idea to be at this meeting or be sure to check the website for the finalized details. Besides the rulebook changes, there will be bylaw changes as well as the officer candidates information on the ballot. Each governor will have the opportunity to vote instead of a warm body vote at the meeting. Now is your chance to SPEAK UP!

I had the opportunity to attend the Corvettes at Carlisle event this year. There were more than 3000 Corvettes at this show. Besides the Corvettes, there were vendors and sponsors and LOTS of great food! The York County Corvette Club had 146 entries in the judged concours! The club has done this many times and has a great set up to get the results sorted out quickly. Great job! I had a lot of fun visiting with everyone that stopped by our booth. We had lots of inquiries about our organization and signed up a few new members.

After Carlisle, I headed across PA and OH, made a pit stop to visit my family and then on to Bowling Green to attend the Anniversary celebration of the Museum and the 2023 Hall of Fame Induction ceremony. I had the opportunity to tour the Holley Building at the Motor Sports Park as well as see the updates to the Kimberlee Fast Pavilion that now includes some kitchen facilities. Great place to hold an event.

Be sure to check out the NCM website for updates on the caravans for the 30<sup>th</sup> Anniversary of the Museum. There is contact information to connect with the leaders throughout the nation. If you have not looked into these caravans before, each segment plans a fun time on the way to Bowling Green as well as events once you get here.

Speaking of anniversaries, here is a shout out to the Bel Air Corvette Club on its 50<sup>th</sup> Anniversary! I got to visit with a few of these members at convention as well as at Carlisle. Congratulations!

That's all I know for now. See you in St. Louis!!  
Deb Murphy

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

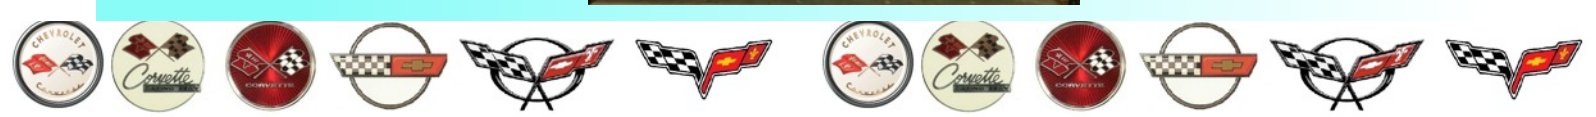

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

**FUTURE CORVETTE OWNERS ASSOCIATION**

FOUNDED 1992

**NATIONAL COUNCIL OF CORVETTE CLUBS**

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2<sup>nd</sup>-generation FCOA members come thru the organization.

FCOA has its own website, [www.corvettesnccc.org/fcoa1.html](http://www.corvettesnccc.org/fcoa1.html) and email [FCOADirector@corvettesnccc.org](mailto:FCOADirector@corvettesnccc.org). The program is facilitated and fully supported by the NCCC FCOA Director.

**\$10 one-time Membership Fee**
