The VP's Column

**The VP's Word
By Steve Prescott**

I finally feel like I'm getting my footing as President of Corvette Super Sports. The membership has been so helpful in directing, leading, brainstorming and just showing hospitality. I knew that was gonna be the case as I came into the club. I'm really looking forward to Summer and all the car shows and outings. Our car show is on track to be a great success again. We still need all hands on deck and the sign-up sheet will be available at our next general meeting the 1st Tuesday, June 4th at Sizzler in Fullerton on Harbor.

Steve and Russ are up to shenanigans and trip planning so find his report in this edition for upcoming runs. It's fun to drive our Corvettes, my insurance agent reminded me of this recently. I was shopping and he ran my Carfax and sat back in his chair and said, "Wow, you like to drive." I asked why he'd say that and he said, "Based on the info you're on track to drive 33,000 miles in the C-7 this year!" I'm a firm believer in the journey is the destination and this one is living up to expectations. If you're looking for a club or folks to hang with while racking up those miles, drop by our club meeting at Sizzler or join us at the 3rd Saturday roll in at La Habra Bowl at 10:00 a.m.

We'll see ya out there!

Kieth
(562) 244 - 0244

June is here with more activities to participate in. First on June 1 is a run to HRE Wheels in Vista set up by Brian Valparaiso. Then on June 16 is the Father's Day car show in Brea. June 30 is the National Corvette Day celebration at the Marconi Museum.

On July 4th we will be driving our decorated cars in the parade at Morningside then meet for lunch, place TBA. July 13 takes us to Anaheim to Camelot's Golfland, suggested by Sal Cruz, then lunch, place TBA. Also, remember every Thursday night is the Coco's car show in Brea. And every Friday night is Ruby's Car Show at the Whittwood in Whittier. On the first Friday of the month you can go to the Elk's Lodge in Buena Park for dinner. And the second Sunday of each month you can eat at Piston's & Brunch in Anaheim.

There is a lot happening so let's take the opportunity to hand out our flyers for our upcoming club car show on August 17!

Let's get out there and drive!

Steve

Who are Sal and Teresa Cruz?

By Arthur Huhta

Members since 2013, Sal and Teresa are driving their third Corvette, a '03 Anniversary Red coupe. The others were a '73 Yellow coupe and a '15 Black coupe. Tersea is a past CSS Treasurer and we thank her for the service.

They married 40 years ago and have four children, seven grandchildren, and. Lucy, a 15-year-old Poodle/Chiwawa. Watching Pony League games, fixing broken toys and family outings are regular events.

Teresa retired after 35 years with La County Animal Control. Sal retired after 25 years supervising warehouses for the California Youth Authority.

They like traveling and once cruised to the Fiji islands. They particularly enjoy long overnight Corvette trips, such as the Big Bear Bash. Sal also enjoys CSS's monthly skeet shoot.

Sal is a Vietnam Veteran of the US Army. He is a US Army infantry combat veteran and served with the 4th Infantry Division in the mountains of Pleiku, Vietnam. He has been awarded Vietnam service Medal with 4 bronze service stars, Combat Infantryman badge, Overseas Service bar, Republic Vietnam Campaign medal, Sharpshooter Qualification Badge with rifle bar, and Army Commendation medal. This was the era of anti-war protests. Sal served when many did not. Soldiers returning home were subjected to harassment and insults. They should have been welcomed home.

Welcome home, Sal.

NCCC PRESIDENT's MESSAGE: May 2024

It's warming up fast! We have a national meeting this Saturday and convention starting May 13th. You still have time to join us in Joplin! Come and congratulate the top competitors and others receiving National awards. You can even try your luck at the casino! Been a while since we did a scavenger hunt, but you can try that in downtown Joplin. [I hope they don't ask for a mesquite pod this time! With all the weeds we collected for the one in Texas, I thought we would never get all the bugs out of the car!] Take a ride on Route 66 during the week too. Anyway, don't miss out! Come and join us.

The BASH at the museum was held last week. I want to thank Craig Kamradt for coordinating and hauling everything to the main tent. Lots of seminars and engineers to talk to. If you went, hopefully you included a plant tour too.

The museum is continuing to search for a new CEO. The museum launched an IMAGINE campaign to raise funds for future growth Corvette music pavilion, club vehicle display lawn and hopefully more property to grow the campus. Take a look at the NCM website to see how you can help.

The NCM 30th anniversary and caravan will be here before you know it. If you are going, I hope you have your plans made.

We have lots to discuss at the May meeting. Hopefully all regions can make it to St. Louis.

That's all for now. See you in a few!

Deb Murphy
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

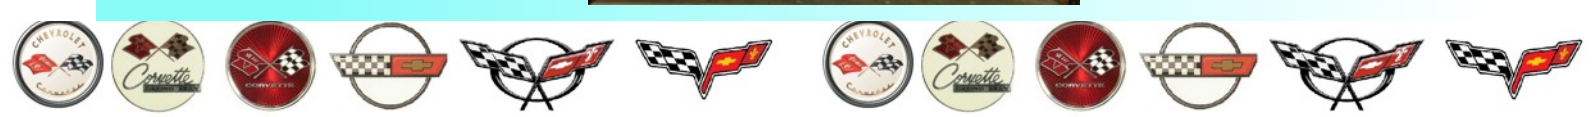

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
