This Month's Trivia

Trivia Question for February: In what year did Corvette move production to Bowling Green, KY?
Answer: c. 1981

Trivia Question for March: True or False: The Corvette 4th generation in 1984 was designed by Dave McLellan.

President Kieth Huff

Come ride with Corvette Super Sports! I hear in other parts of the country Corvette Season is upon us. I can't help but to think it's always Corvette season with the CSS club due to our weather and proximity to attractions and destinations. We had so much on our calendar last month we even had a conflict, attending the Corvette of Choice cars and coffee event or hanging with the club members at the La Habra Bowl show and shine, both were on the same day. We also did a run up to the Nethercutt Museum, simply amazing. All of our club members and guests who turned out all had a great time. See V.P. Steve's column and our calendar for April and more destinations.

Your Exec board is hard at work driving the business of the club. Our biggest event of the year is going to be our all Corvette Car Show on August 16. The flyer will look great on your fridge or tool box. Pick em up at this month's General meeting on April Fool's Day, Tuesday, April 1 at Sizzler on Harbor Blvd in Fullerton, 6:00 pm, I'm not foolin'! It looks like we'll have another new prospect or two so be sure to make them feel welcome. We're trying to limit the car show to 100 cars so sign up early!

Speaking of new members, Ron has been funneling info on cruises up north and east on Route 66 and much more, the guy is motivated and on fire with planning.

On a personal note, my 2023 C8 threw a check engine light and service trans code at 6800 miles. A quick trip to the dealer for a module flash and filter change under warranty and all is well. She's itching to be driven so I'll see ya out there!

The VP's Column

The VP's Word By Steve Prescott

On March 8 our run to the Nethercutt Museum was a success. We had 22 members with 11 Corvettes. Such a terrific car collection for one family to own. There were also so many beautiful antique artifacts on display.

On March 15 we had five members support the Corvettes of Choice Car Club for Cars and Coffee, their second event in Lynwood. There were lots of Corvettes in attendance.

We had four members attend the March 16 Pistons and Brunch for a great day. Our April 13 event is a Back Stage Angel Stadium Tour. Afterward we will stop off at the 50's style drive-in with roller-skating carhops for some eats. Our May 10 club outing is to the Yank Air Museum then lunch at Flo's (of course).

Mark your calendars so we can get out and drive!

NCCC PRESIDENT's MESSAGE: March 2025

Hey all, just got back from the first meeting of 2025! Boy, am I glad that one is over. Be sure to check the minutes when they are posted. We had lots of discussions on budget items. We did not solve them, but understand that we are still in cost cutting mode.

Dang, I need to proofread my article better. . . I mentioned the drawing at the Dells convention in 2025 and said 2026 instead... yikes. It must have been ok since 307 of you entered before the deadline. It looks like a good turnout. If you want to sign up for tours or any of the events, you should check it out while there is still room.

Be sure to check out the drawings for St. Jude. There are 2 at each national meeting. The prizes are a set of tires and a set of rims at the May meeting.

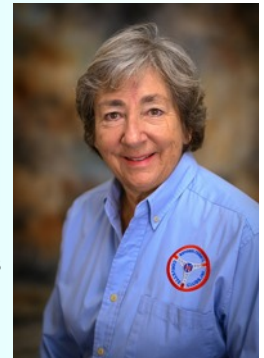

The museum had hoped to offer plant tours during the BASH but that will not happen. Maybe later, but not at this time. I will keep you posted.

Many of you have seen pictures taken by Richard Prince from many races. His pictures will be featured at the National Corvette Museum during March. Check it out!

I have initiated a drawing for a table that was in the NCM Café before the remodel. The table has a huge NCCC logo on it and is 42 inches across. The tickets are \$5 and only 200 will be sold. The money will be used to pay for our banner at the museum. Hopefully if all the tickets are sold, we will draw for the table at the May national meeting in St. Louis. The pictures and entry form are located below this article.

That's all I know for now. It's warming up - Enjoy!

Deb Murphy
NCCC President

The drawing is for the table below (42 inches across) with the NCCC Logo on the top that was used in the National Corvette Museum café before it was remodeled. There will only be 200 tickets sold. The drawing will be at the next National Governors meeting on May 4, 2025 if all the tickets are sold. The proceeds will be used to pay for our banner hanging at the museum.

Winner must pick it up or pay shipping fees. The table is at the National Corvette Museum.

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

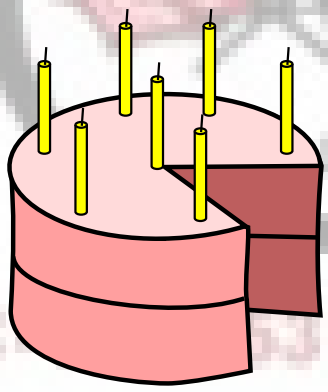

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
