## President Kieth Huff

The last days of summer? Yes, here we are, and what a season of shows, driving events, meetups, racing and community it's been. New Corvette models are amazing to say the least. The ZR1X is seeming to legitimize the E-ray, which in my opinion, is one of the most misunderstood cars since the Edsel. If I get a new C8 it will be an E-Ray. That won't happen anytime soon though, I'm absolutely in love with the driving experience of my 2023 HTC 3LT.

For most of us it's always about the car and where it takes us. The Corvette Community is unique in its generational lineage. It starts at the top, the literal top at GM. One of those folks deeply rooted in the last three iterations of the car is Harlan Charles. He came on board as Brand Manager somewhere in the C6 development. He fought for some of the most innovative features of Corvette including the HTC and the PDR. I had the chance to meet Harlan at Michelle and Jays house for a meet and greet in Riverside September 13. The stories and development insights and meeting 20 other owners is something I'll never forget.

Come hang out with our club for our October Drive-In from 10am to noon, Oct 18 at La Habra Bowl!

I'll see ya out there.

## The VP's Column

### The VP's Word By Steve Prescott

On September 13<sup>th</sup> we had our run to Wrightwood with seven Corvettes and 17 members participating. The BBQ was cooking up sausages and hot dogs to go with great salads and sides the members brought with them. Wrightwood weather did not disappoint; it was a beautiful sunny day in the mountains. Afterward we all went down to the Man Cave to compete in a game of rotation with billiards, ring toss, darts and foosball. It was a timed event with Ed Norris coming in 1<sup>st</sup> place, Tom Horton 2<sup>nd</sup> and Debbie Ruby 3<sup>rd</sup>! Thank you to all who participated, it was fun.

Our next run is October 14-16 to Solvang. Ron Molendyk has spent a lot of time setting up our itinerary for a fun-filled run. We have 15 cars signed up and there is still room for more! If interested call: Pea Soup Andersen's Inn @ 805-688-3216 and tell them you are with Corvette Super Sports. Hope to see you there!

November 8<sup>th</sup> will be a run to the Motte Historical Car Museum in Menifee and we are working on lunch at the airport nearby.

Mark your calendars then let's get out and drive!

VP Steve

Pledge of Allegiance- Kieth

Quorum Declared- by Tom Horton

Guests and New Members- There was no one new to introduce.

President- Kieth had us take a moment of silence to remember George McMullen who passed away on August 26. He also commented on how fun the Photo Op was at the John Wayne Airport and that it was very organized.

VP- Steve gave us final details regarding our event to Wrightwood on Saturday, Sept. 13. We will meet at the former Coco's Brea parking lot at 9:30am and leave at 10:00am. Recording Secretary- Jeanne asked for a motion to waive the reading of the August minutes. First motion was made by Bob Mosey and seconded by Tony Menchaca. It was an unanimous vote to waive the reading of the August minutes. She thanked Vicki Kump and Linda Norris for tonight's goodies.

Treasurer- Tom announced we had expenditures for operational funds regarding the car show. He gave details on those amounts along with our current balance. He said we were way up with entries from the car show last year.

Newsletter Editor- Debbie thanked everyone for the car show pictures and especially liked the drone pictures from Michael Plotnik. She asked for all articles and pictures to be turned in by the 26<sup>th</sup>.

Care and Kindness- Lisa let us know her husband Bob Hopkins was absent because of a detached retina. Get well soon, Bob! She announced the upcoming birthdays and anniversaries and then we sang to them.

NCCC Gov- Bob Mosey reminded us that all who participate in a "wheels up" event must sign a waiver so we will be covered by NCCC.

### Old Business

- Aug. 16- Car show had a great turnout of 107 cars! Bob Mosey and his crew were there early to get the "early birds" parked. Tom Horton diligently sat at the registration table most of the day checking in all the late entries. And thankfully the sun hid behind the clouds until the end of the day.

## Board Meeting Minutes September 16, 2025

Officers Present- President- Kieth Huff, Treasurer- Tom Horton, Newsletter Editor- Debbie Ruby

Board Members Present- Sal Cruz, Ed Norris, Laura Schavone, Donna Stewart, Monica Valparaiso

Others Present- Teresa Cruz, Linda Norris, Bill Wisnowski

Call to Order- 7:01pm by President Kieth

Quorum Declared- by Tom Horton

President- Kieth apologized for missing Wrightwood on Saturday, September 13. We had seven cars and 17 people attended. Kieth talked about the Corvette brand manager, Harlen Charles. Our banquet is scheduled for January 17, 2026, at the Garden Grove Elks Lodge with an Italian buffet. Kieth offered Angel's tickets.

VP- Steve Prescott was absent.

Treasurer- Tom gave the budget report. The NCCC rates have increased. It is now \$75 for individuals and \$125 for couples. A brick was ordered for George McMullen. The Corvette Museum will send a picture of it when it's done. Also, Linda Norris called to have all of the CSS club bricks moved together.

Membership- Sherry Anderson was absent. Tom went over the list of new members. There were four people voted in unanimously.

Newsletter Editor- Debbie asked for pictures and articles by September 26.

NCCC Gov- Bob Mosey was absent.

Webmaster- Douglas Mariani was absent.

### Old Business:

- Bowling Alley meetup is on September 20.

### New Business:

- George McMullen's funeral is Friday, September 19 at 11:30am at Cypress Forest Lawn, Patriots Chapel. Condolences will be afterwards.
- Banquet is scheduled for January 17, 2026, at the Garden Grove Elks Lodge. Italian buffet. We had 50 people attend last year.
- Elections are coming soon. Nominations will be made in November and Elections will take place in December.
- Monica is in the Route 66 Reunion Car Show in Ontario, CA on September 19-20, 2025.

### Issues from the Floor:

- Kieth wants to have a car show next year and hopes to go Regional one day. There were no new ideas on how to raise money for our charities. The tentative date for next year's car show is August 15, 2026, at the Buena Park Elks Lodge. We should have a flyer ready by January or February 2026. Keep the same month and location of the car show for consistency. Having a microphone out front to introduce other clubs and let other club presidents speak is a positive change. The club will vote in October to decide whether or not to have a car show.
- It was suggested that we build a shed to put on someone's property so we don't have to pay for yearly storage.

Meeting Adjourned- 7:58 pm

### Next Meetings:

General- October 7, 7pm at Sizzlers

Board- October 21, 7pm

Respectively Submitted by  
Debbie Ruby

Temporary Recording Secretary

## “Corvettes On the Flightline” event at the Lyons Air Museum on August 23, 2025

Past member, Bill DeForrest and I were the first cars in line to enter the tarmac. Ten minutes later, about 50 more Corvettes pulled in behind us. The early bird did pay off as Bill and I were chosen to be inside the hanger along with a brand new C8 ZR1 and a 58 Corvette resto-mod. It was a very low-key day with no judging or awards, just enjoying about 150 Corvettes and the airport environment. The event was well organized both for entry and parking. Even the exit went smoothly. If you ever get the chance to attend this event, please consider going. It was a morning well spent.

## NCCC PRESIDENT's MESSAGE: September 2025

Here we are into fall already! If you missed convention, we had a good time! The resort was HUGE and very nice. Instead of worrying about a room key, they gave you a wrist band to get into your room and you could also use it to charge items to your room by just scanning the band. Nice technology. I am hoping you all saw lots of pictures of the events and parties – there were plenty online. At the meeting you will hear more about the 2026 convention in Syracuse NY.

We will have a busy meeting coming up!

- We will be voting on the dues increase. Primary dues will go up \$15 and spouse/dependent \$5
- Lifetime memberships will go from \$300 to \$500
- The competition rulebook changes will be read so governors will know what they will be voting on. There are a lot of updates and changes so we will go over each one. As a reminder: you get to vote on each change separately.

Please take a look at the information on the website. The minutes are available under the Members Only tab. The competition changes are on the website under a tab that says Rulebook changes and Clarifications. Talk to your RCD or governor if you have changes or want more information, prior to the meeting and voting.

We are continuing to look at ways to cut expenses. It's time to talk about the 2026 budget already!

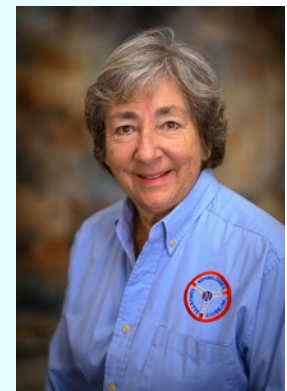

I am at the National Corvette Museum for the Anniversary celebration and Hall of Fame induction. Most of the programs have been to talk about the ZR1 and ZR1X. The engineers have been fun to listen to on how they managed to test and break equipment while increasing the horsepower.

Since the NCM brought the photography inhouse, they are offering clubs photo ops for their visits – in front of the museum as well covering other activities. Don't forget that they have a package to get any Corvette detailed (outside) and then displayed on the boulevard for the day that could be included in a club visit. Take a look at the updated Museum in Motion venues on the NCM website.

The museum is now offering a chance to win a 1967 Corvette in a sweepstakes drawing December 29<sup>th</sup>. Again, take a look at the NCM website to learn how to get a ticket.

That's all I have for now! See ya in St. Louis

Deb Murphy

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of **Corvette Mike's** at 1133 North Tustin Avenue, located in Anaheim just off the 91 freeway, and **West Coast Corvettes** at 1748 West Business Center Drive, in Orange. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)
